

confessions of a crime boss

Confessions of a crime boss offer a rare and often chilling glimpse into the clandestine world of organized crime. These revelations, whether captured through interviews, letters, or covert recordings, provide invaluable insights into the inner workings, motivations, and moral complexities of individuals who operate outside the boundaries of the law. Understanding these confessions can shed light on the mechanisms of criminal enterprises, their influence on society, and the factors that lead individuals to embrace a life of crime.

Understanding the Crime Boss Persona

Who Is a Crime Boss?

A crime boss, also known as a mob boss, kingpin, or don, is the leader of a criminal organization. These figures often wield significant power and influence, commanding respect and fear within their territories. Their operations can range from drug trafficking, extortion, and money laundering to illegal gambling and human trafficking.

Characteristics of a Crime Boss

While each crime boss has a unique background, several traits are commonly observed:

- **Strategic Thinking:** They plan meticulously to avoid law enforcement detection.
- **Charisma:** They often possess leadership qualities that inspire loyalty among followers.
- **ruthlessness:** They are willing to resort to violence or intimidation to maintain control.
- **Business Acumen:** Many view their criminal operations as legitimate businesses, emphasizing

profit and expansion.

Common Themes in Confessions of a Crime Boss

Motivations for a Life of Crime

Confessions often reveal a mix of motivations, including:

1. **Financial Gain:** The promise of wealth and economic independence.
2. **Power and Influence:** Desire for control over territories or markets.
3. **Environmental Factors:** Growing up in impoverished neighborhoods or environments where crime is normalized.
4. **Revenge or Loyalty:** Protecting family, friends, or community from external threats or rival groups.

The Inner Workings of a Criminal Organization

Confessions often detail the structure and hierarchy:

- **Boss/Don:** The leader who makes strategic decisions.
- **Underboss:** The second-in-command, often responsible for day-to-day operations.
- **Capos or Captains:** Leaders of specific crews or regions.

- **Soldiers and Associates:** Enforcers and collaborators involved in executing orders.

These roles help maintain order and ensure the organization's profitability.

Notorious Crime Bosses and Their Confessions

Al Capone

Al Capone, one of the most infamous American crime bosses, was known for his involvement in bootlegging during Prohibition. His confessions, documented in various interviews, reveal a man who saw himself as a modern-day Robin Hood, despite his violent methods. Capone expressed remorse for the innocent lives affected by his violence but justified his actions as necessary for survival and power.

John Gotti

The "Dapper Don" of New York, John Gotti's confessions show a complex personality—charming yet ruthless. In interviews, Gotti often spoke about loyalty, the importance of reputation, and the code of silence (omertà). His candidness about his criminal activities led to his conviction and imprisonment but also provided insights into the culture of the Gambino crime family.

El Chapo Guzmán

Joaquín "El Chapo" Guzmán's confessions detailed the expansive nature of the Sinaloa cartel and his role in drug trafficking across borders. His admissions reveal how criminal organizations adapt to law enforcement pressures by evolving their tactics, maintaining a network of tunnels, corrupt officials, and violence to protect their interests.

The Impact of Crime Boss Confessions on Society and Law Enforcement

Unveiling the Secrets

Confessions serve as valuable intelligence for law enforcement agencies. They can:

- Identify key figures and hierarchies within criminal organizations.
- Reveal operational methods and laundering techniques.
- Expose corrupt officials or collaborators.

These insights are crucial for dismantling entire networks and preventing future crimes.

Understanding the Psychology

From a psychological perspective, confessions can help criminologists understand:

- The motivations behind criminal behavior.
- The psychological toll of a life of crime.
- The processes of decision-making and moral justification used by crime bosses.

This understanding can lead to better prevention strategies and rehabilitation programs.

The Ethical Dilemmas of Publishing Confessions

Respect for Privacy and Justice

Publishing or sharing confessions raises ethical questions:

- Should the personal stories of criminals be sensationalized or used for educational purposes?
- How to balance the public's right to know against the potential glorification of criminal behavior?
- Ensuring that victims' rights and memories are respected.

The Role of Media and Popular Culture

Media portrayals often romanticize crime bosses, leading to misconceptions about their lives. While confessions can provide authenticity, they also risk glamorizing a violent and destructive lifestyle. Responsible journalism and storytelling are essential to avoid perpetuating myths.

Conclusion

Confessions of a crime boss offer a window into the shadowy world of organized crime, revealing motives, structure, and personal reflections that are rarely seen from the outside. While these revelations can aid law enforcement and deepen our understanding, they also remind us of the destructive impact of such criminal enterprises. Recognizing the complexities behind these confessions helps society forge better strategies for crime prevention, justice, and ultimately, rebuilding trust in communities affected by organized crime. Whether viewed as cautionary tales or historical documents, these confessions remain a powerful tool in understanding the dark side of human ambition and morality.

Frequently Asked Questions

What are the most shocking revelations in 'Confessions of a Crime Boss'?

The documentary unveils insider details about orchestrating major heists, the inner workings of organized crime networks, and the personal struggles faced by crime bosses, revealing the true extent of their influence and vulnerabilities.

How does 'Confessions of a Crime Boss' depict the psychology behind criminal leadership?

It explores the mindset of crime bosses, highlighting traits like strategic thinking, loyalty to their crew, and the psychological toll of living a double life, offering insights into what drives their decisions and actions.

What lessons can viewers learn from 'Confessions of a Crime Boss' about law enforcement and crime?

The documentary emphasizes the importance of intelligence gathering, undercover operations, and community cooperation in dismantling organized crime, while also showcasing the dangers and moral complexities faced by law enforcement officers.

Has 'Confessions of a Crime Boss' influenced public perception of organized crime?

Yes, it has sparked debates about the glamorization of criminal figures and raised awareness about the real-life consequences of organized crime, prompting discussions on prevention and justice.

Are there any real-life crime bosses featured in 'Confessions of a Crime Boss'?

The documentary features interviews and testimonies from former crime bosses, law enforcement officials, and insiders who shed light on their experiences and the underground world of organized crime.

Confessions of a Crime Boss: An In-Depth Exploration of Power, Crime, and Redemption

Introduction: Unveiling the Shadowy World of Crime Bosses

The criminal underworld has long fascinated the public imagination, often romanticized through movies, novels, and documentaries. At the heart of this clandestine universe lie crime bosses—individuals who wield immense power, command loyalty, and navigate treacherous legal and illegal landscapes. Their stories of rise, fall, and sometimes redemption offer a unique window into the complexities of morality, ambition, and survival. This piece delves deep into the confessions of such figures, aiming to understand their motivations, operations, and the lessons they impart.

Understanding the Persona: Who Is a Crime Boss?

Defining a Crime Boss

A crime boss is typically a leader within organized crime networks—be it mafia families, drug cartels, or street gangs. They:

- Exercise authority over illegal enterprises
- Maintain strict hierarchies
- Use violence, intimidation, and strategic alliances to sustain power
- Often manipulate legitimate businesses to launder money or expand influence

Their roles are multifaceted, combining entrepreneurial acumen with ruthless enforcement.

Common Traits and Backgrounds

Many crime bosses share certain characteristics:

- Early exposure to crime: Often grew up in environments where criminal activity was normalized.
- Charismatic leadership: Ability to inspire loyalty and control subordinates.
- Strategic thinker: Skilled in planning operations and avoiding law enforcement.
- Adaptability: Capable of evolving with changing circumstances, technologies, and market demands.

Their backgrounds often involve a mix of poverty, family ties to crime, or a desire for power and respect.

The Path to Power: How Crime Bosses Rise

From Small-Time Criminals to Major Figures

Most crime bosses start with minor offenses—gambling, theft, or drug dealing—and gradually ascend through:

- Building a reputation for reliability and ruthlessness
- Gaining trust from peers and subordinates
- Expanding operations into new territories

Some key pathways include:

- Inheritance: Taking over existing crime families or organizations
- Merit-based rise: Proving oneself through successful operations and strategic alliances
- Co-option: Merging with rival groups to consolidate power

Strategic Alliances and Loyalty

Building alliances is crucial:

- Bribery and corruption: Influencing law enforcement, politicians, and officials
- Marriage and kinship ties: Strengthening internal cohesion
- Violence and intimidation: Eliminating rivals or dissenters

Loyalty is maintained through a mixture of respect, fear, and shared interests.

Operational Aspects of a Crime Boss's Empire

Legal and Illegal Enterprises

Crime bosses oversee a range of activities, often diversified for stability:

- Drug trafficking
- Extortion and protection rackets
- Illegal gambling
- Money laundering
- Arms smuggling

They often run legitimate businesses as fronts—restaurants, construction companies, or import-export firms.

Hierarchy and Management

A typical crime organization might have:

- The boss: Strategic decision-maker
- Underboss: Trusted second-in-command
- Capos: Mid-level managers overseeing crews
- Soldiers: Enforcers and operatives
- Associates: Non-initiates working temporarily or on specific projects

Each layer has defined roles, with clear lines of authority.

Operational Challenges and Risks

Operating in illegal markets involves:

- Avoiding law enforcement detection
- Managing internal conflicts
- Handling rival organizations
- Ensuring loyalty and discipline

Success depends on adaptability, intelligence, and sometimes, ruthless suppression of dissent.

Confessions and Inside Stories

Why Do Crime Bosses Confess?

Confessions may stem from various motivations:

- Legal strategy: Plea deals or reduced sentences
- Personal remorse: Guilt or desire for redemption
- Publicity: Desire to shape legacy or tell their story
- Power plays: Influencing perceptions or rivalries

Some confessions are candid, revealing the inner workings of criminal enterprises; others are strategic lies or embellishments.

Notable Confessions and Their Revelations

- John Gotti: The "Teflon Don," confessed to ordering hits but maintained a charismatic persona; his stories reveal the blend of violence and charisma.
- Whitey Bulger: His confessions expose the corruption of law enforcement and the brutal realities of street-level mafia life.
- Sam Giancana: His stories link organized crime to political influence, illustrating the deep ties between illicit and legal power.

Their confessions often include:

- Details of violent acts and murders
- Insights into organizational hierarchies
- Descriptions of relationships with politicians, law enforcement, and other criminals
- Strategies for avoiding detection and maintaining control

The Psychological and Moral Dimensions

Motivations for a Life of Crime

Crime bosses often cite various reasons:

- Financial gain: The allure of wealth and luxury
- Power and respect: Desire for influence and dominance
- Family loyalty: Protecting kin or community
- Rebellion: Against societal norms or authority

However, many confess to internal conflicts and moments of doubt, revealing complex emotional landscapes.

Morality and Justification

Despite their brutal actions, some crime bosses justify their deeds:

- As necessary for survival
- To protect their families or communities
- As part of a code of honor within their groups

Others express remorse or regret, especially when facing legal consequences or personal reflection.

Redemption and Regret

Some confessors seek redemption:

- By cooperating with law enforcement
- Through acts of charity or community service post-incarceration
- Expressing remorse in their stories

Their confessions serve as cautionary tales, illuminating the human cost of organized crime.

Impact and Cultural Significance

Media Portrayals and Public Perception

Crime boss confessions have heavily influenced popular culture:

- Movies like Goodfellas, The Godfather, and Scarface romanticize their lives.
- Documentaries reveal the grim realities behind the myth.
- Books and interviews humanize these figures, showing vulnerability and complexity.

Lessons Learned

From their confessions, we learn:

- The transient nature of power—many rise rapidly and fall even faster.
- The corrosive influence of greed and violence.
- The importance of legal and societal safeguards to prevent organized crime.

Legal and Ethical Considerations

Confessions can be double-edged swords:

- They aid law enforcement in dismantling criminal networks.
- They raise ethical questions about glorifying or sensationalizing crime.
- They highlight the need for responsible storytelling.

Conclusion: The Legacy of Crime Bosses and Their Confessions

The confessions of crime bosses serve as a mirror into a world shrouded in secrecy, violence, and ambition. While their stories often embody the darker aspects of human nature, they also offer lessons on power, morality, and the human capacity for change. As society continues to combat organized crime, understanding these figures—through their own words—remains crucial. Whether viewed as cautionary tales or complex characters, their confessions contribute to a nuanced understanding of a shadowy universe that persists beneath the surface of society.

In summary, the stories and confessions of crime bosses provide invaluable insights into the mechanics of organized crime, the psychology of those who lead it, and the societal impacts they leave behind. By examining their motivations, operations, and reflections, we gain a deeper appreciation of the forces that drive such individuals—and the importance of vigilance and justice in curbing their influence.

Confessions Of A Crime Boss

confessions of a crime boss: Gaspipe Philip Carlo, 2009-10-13 "If your Sopranos addiction shows no signs of abating," the life and crimes of a mob boss from the New York Times–bestselling author of *The Night Stalker* (Los Angeles Times). The boss of New York's infamous Lucchese crime family, Anthony "Gaspipe" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, Gaspipe is Anthony Casso's shocking story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time. "Filled with never-known-before details . . . a very compelling true-crime tale." —CNN "Readers interested in the inner workings of the Mafia will love this chilling look at a Mob boss." —Booklist (starred review) "I couldn't put the book down . . . Truly amazing." —San Jose Mercury News "The inside information about the lifestyle, rituals, killings, and betrayals is priceless. An authoritative look at a once-rampant predator now at bay." —Kirkus Reviews

confessions of a crime boss: Family Secrets John Greco, 2016-04-26 Its the early 1960s in Brooklyn, New York, when auto mechanic Michael Delagatta changes the course of his life in order to attain the same extravagant lifestyle as his cousin. As Michael embarks on a crime-filled journey orchestrated by members of the American Mafia, and rises within the organization, John F. Kennedy enters the political arena. As a favor to his father, Kennedy runs for President. The Mafia decides to rig the votes and help Kennedy win so he will hopefully ignore the family organization and its illegal money making operations. But when John appoints his brother, Bobby, to the position of Attorney General, all hell breaks loose as Bobby begins going after organized crime and the bosses. After the Mafia orders Michael to oversee the assassination of either John or Bobby, he soon discovers that the members of the mob are not the only ones who want Kennedy dead. As a history-making chain of events unfolds, Michael is left to harbor a dark secret for the rest of his days, leaving the possibility of an open-ended mystery to remain unsolved forever. In this historical thriller, a mobster who becomes intertwined in the controversy before, during, and after the assassinations of John and Bobby Kennedy sets out on a dangerous journey to save the family organization and hopefully himself from an untimely end.

confessions of a crime boss: *Organized Crime* Jay S. Albanese, 2014-11-20 *Organized Crime: From the Mob to Transnational Organized Crime, Seventh Edition*, provides readers with a clear understanding of organized crime, including its definition and causes, how it is categorized under the law, models to explain its persistence, and the criminal justice response to organized crime, including investigation, prosecution, defense, and sentencing. This book offers a comprehensive survey, including an extensive history of the Mafia in the United States; a legal analysis of the offenses that underlie organized crimes; specific attention to modern manifestations of organized crime activity, such as human smuggling, Internet crimes, and other transnational criminal operations; and the application of ethics to the study of organized crime. A new section has been added on threat assessment in organized crime. Chapters are enhanced by updated photos, tables, charts, and critical thinking exercises that help students apply concepts to actual organized crime cases. Every chapter includes two student-friendly special features: *Organized Crime Biography* and *Organized Crime at the Movies*. A glossary gives students a quick reference for looking up important definitions of organized crime-related terms, and a *Timeline of Organized Crime in the United States* highlights important events in the history of organized crime.

confessions of a crime boss: *Organized Crime in Our Times* Jay S. Albanese, 2014-09-25 Provides readers with an understanding of organized crime, including its definition and causes, how it is categorized under the law, models to explain its persistence, and the criminal justice response to organized crime, including investigation, prosecution, defense, and sentencing.

confessions of a crime boss: The Ice Man Philip Carlo, 2006-06-27 Profiles the life of Richard The Iceman Kuklinski, his thirty-year career as an assassin for the Mafia, and his double life as a family man in the suburbs.

confessions of a crime boss: *Gangland New York* Anthony M. DeStefano, 2015-07-01 Get a taste of New York's underworld by seeing where mobsters lived, worked, ate, played, and died. From the Bowery Boys and the Five Points Gang through the rise of the Jewish "Kosher Nostra" and the ascendance of the Italian Mafia, mobsters have played a major role in the city's history, lurking just around the corner or inside that nondescript building. Bill "the Butcher" Poole, Paul Kelly, Monk Eastman, "Lucky" Luciano, Carlo Gambino, Meyer Lansky, Mickey Spillane, John Gotti—each held sway over New York neighborhoods that nurtured them and gave them power. As families and factions fought for control, the city became a backdrop for crime scenes, the rackets spreading after World War II to docks, airports, food markets, and garment districts. The streets of Brooklyn, swamps of Staten Island, and vacant lots near LaGuardia Airport hosted assassinations and hasty burials for the unlucky. The bloodlettings, arrests, and trials became front-page fodder for tabloids that thrived on covering Mulberry Street. Chinese, Russian, and Greek mobsters rose to prominence and wrought bloody havoc as well. Each of the book's five sections—one for each borough—traces criminal activities and area exploits from the nineteenth century to now. Everyone knows about

Umberto's Clam House in Little Italy, but now you can find Scarpato's restaurant in Coney Island where Joe Masseria was killed by henchmen of Salvatore Maranzano, who in turn died in a Park Avenue office building at the hands of "Lucky" Luciano a few months later. From the Bronx to Brighton Beach, from New Springville to Ozone Park, here is a comprehensive, on-the-ground guide to mob life in the Rotten Apple.

confessions of a crime boss: Mafia Informants Larry J. Hausner, Ron Haggett, 2024-05-10 For many years, the FBI, led by J. Edgar Hoover, ignored organized crime, as the Bureau regarded local law enforcement as best equipped to handle it. That changed when Attorney General Robert F. Kennedy (in the 1960s) and New York City's Rudy Giuliani (in the 1980s) pursued eradication of the Mafia.. In this book, readers are introduced to several characters in the American Mafia, known as rats in the criminal world, whose cooperation with law enforcement resulted in the arrest of Mafia members across the country. Short biographies of each informant detail their crimes and deals made to stay alive or reduce lengthy prison sentences. FBI and CIA records released in 2017, and books written by the criminals themselves, reveal why previously loyal Mafia members and associates became informants. Most of the criminals written about are dead; a few are presumed to be alive and in the witness protection program.

confessions of a crime boss: Mob Rules Louis Ferrante, 2011-06-02 The Mob is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louis Ferrante reveals its surprisingly effective management techniques and explains how to apply them-legally-to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had netted millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: * Go get your own coffee!: Respecting the chain of command without being a sucker. * The walls have ears: Never bad-mouth the boss. * Is this phone tapped?: Watch what you say every day. * How to bury the hatchet-but not in someone's head. * Don't split yourself in half: The wrong decision is better than none at all. * Don't build Yankee stadium, just supply the concrete: Spotting new rackets. * Leave the gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book, offering fascinating advice that really works and sharing behind-the-scenes episodes almost as outrageous as those occurring on Wall Street every day.

confessions of a crime boss: Underworld Roman Martín, 2020-10-23 Accurately describes 'the Life,' and the pros and cons of becoming a mobster . . . in a very unique manner that will no doubt have you in stitches. —Frank Cullotta, coauthor of Cullotta: The Life of a Chicago Criminal, Las Vegas Mobster, and Government Witness For the first time in history, there is now an easy-to-follow self-help guide on how to join and rise in the most exclusive men's club in the world—the Italian-American Mafia (aka La Cosa Nostra). Learn everything from loansharking to leg-breaking to corpse disposal, all without leaving the comfort of your mobile home or prison cell. Based on interviews with dozens of former high-ranking Mafiosi and many other hardcore mobsters from across the globe, true-crime auteur Roman Martín has risked life and limb to bring you this spellbinding tour de force. Whether you're a couch-surfing gangster-wannabe or simply someone who's watched The Godfather too many times, this breathtaking exposé of the Honored Society offers something for everyone. Pushing the bounds of the First Amendment to their breaking point, Don Martín also reveals the FBI's most closely guarded secrets when it comes to wiseguys and goodfellas. Wanna know the one surefire way to find out who in your crew is an undercover cop or fed? Or the best way to deal with those annoying witnesses? Then look no further, friends, for all your questions about the outlaw lifestyle shall be answered in Underworld. I laughed so hard at times that my jaws ached! —Dennis N. Griffin, award-winning true-crime author of The Rise and Fall of a Casino Mobster: The Tony Spilotro Story

confessions of a crime boss: *Organized Crime: Oxford Bibliographies Online Research Guide*

Jay S. Albanese, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related. A reader will discover, for instance, the most reliable introductions and overviews to the topic, and the most important publications on various areas of scholarly interest within this topic. In criminology, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Criminology, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.aboutobo.com.

confessions of a crime boss: *The Big Heist* Anthony M. DeStefano, 2018-06-01 “A comprehensive account of the legendary 1978 heist . . . impressive.” —Kirkus Reviews The crime that inspired the movie *Goodfellas*. The rest of the story that couldn’t be told—until now. One of the biggest scores in Mafia history, the Lufthansa Airlines heist of 1978 has become the stuff of mafia legend—and a decades-long investigation that continues to this day. Pulitzer Prize-winning reporter Anthony DeStefano sheds new light on this legendary unsolved case using recent evidence from the 2015 trial of eighty-year-old mafioso Vincent Asaro, who for the first time speaks out on his role in the fateful Lufthansa heist. This blistering you-are-there account takes you behind the headlines and inside the ranks of America’s infamous Mafia families—with never-before-told stories, late-breaking news, and bombshell revelations. Praise for Anthony D. DeStefano’s *TOP HOODLUM: Frank Costello, Prime Minister of the Underworld* “An engrossing chronicle of the life of notorious Mafia boss . . . DeStefano’s canny insight into the don’s mind and motivations set this biography apart from others on Frank Costello.” —Publishers Weekly “DeStefano tells Costello’s story well.” —Kirkus Reviews

confessions of a crime boss: *The Hidden History of the JFK Assassination* Lamar Waldron, 2013-10-21 *INSIDE THE CRIME OF THE CENTURY*: This fascinating history draws on never-before-published information to reveal the Mafia conspiracy that led to the assassination of John F. Kennedy. Answering the questions that have haunted Americans for decades: Why and how was JFK murdered? *The Hidden History of JFK’s Assassination* draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy, in addition to former FBI, Secret Service, military intelligence, and Congressional personnel, who provided critical first-hand information. The book also uses government files—including the detailed FBI confession of notorious Mafia godfather Carlos Marcello—to simply and clearly reveal who killed JFK. Using information never published before, the book uses Marcello’s own words to his closest associates to describe the plot. His confession is also backed up by a wealth of independent documentation. This book builds on the work of the last Congressional committee to investigate JFK’s murder, which concluded that JFK “was probably assassinated as a result of a conspiracy,” and that godfathers “[Santo] Trafficante [and Carlos] Marcello had the motive, means, and opportunity to assassinate President Kennedy.” However, it also draws on exclusive files and information not available to Congress, that have only emerged in recent years, to fully explain for the first time how Marcello and Trafficante committed—and got away with—the crime of the 20th century.

confessions of a crime boss: *Gaspipe* Philip Carlo, 2008-07 For the first time, a Mafia boss--Anthony Gaspipe Casso--reveals the shocking details behind his family's headline-making crimes to the New York Times--bestselling author of *The Night Stalker* and *The Ice Man*. 8-page b&w photo insert.

confessions of a crime boss: Confessions of an Illuminati, VOLUME II Leo Lyon Zagami, 2017-11-11 After his master thesis of the secret societies network as outlined in Volume I, the Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today, including the occult maneuvers behind the New World Order. We need to wake up beyond our current belief systems, because the controllers of the New World Order are moving fast using the Prophecies to their advantage to implement their evil plan by 2020, when World War III will finally break loose. The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem, with the Jesuits and the Zionist's united by a secret pact since the Second Vatican Council, are in cahoots working towards the creation of a world government. There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists, while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist. In this unprecedented scenario, we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions. The author discusses further aspects of the Satanic infiltration of Freemasonry, pointing out on the generational aspect the many ways of defending yourself psychically against black magicians, but also against the many sects operating in the Illuminati Network.

confessions of a crime boss: The 100 Kilo Case James Durney, 2016-05-05 'Bizarre, dramatic, often funny and never less than compelling' Irish Independent Peter Daly was nineteen when he left Donegal, bound for America. Nine years later, in 1961, following a stint with the US Army, he joined the New York Police Department. His beat was the Lower East Side of Manhattan during one of the worst crime-waves in the city and, determined to make his mark, Daly was quickly earmarked for promotion to the Special Investigating Unit - the Princes of the City. The SIU played by its own rules and answered to nobody and, in 1970, at the pinnacle of his career, Daly made one of the department's biggest drug bust: 105 kilos of pure heroin and cocaine. But only 100 kilos was surrendered ... From his remarkable rise within the NYPD to his time served in Lewisburg Federal Penitentiary on 'Mafia' Row with some of the most notorious gangsters in American history, including the Lufthansa robber Jimmy 'the Gent' Burke, Benny Ong, 'Godfather of Chinatown', and New York wiseguy Charlie Brody, Peter Daly's story is the stuff of Hollywood scriptwriters. The only thing is: it is true. 'Of course, I was dishonest, but you have to make your own judgement. I was brought up to know right from wrong. My regrets are innumerable. It is all part of life. But I would die rather than inform on my police friends. The oath of office I took included loyalty. I gave up my family, my life and all that it meant to me ...' Peter Daly

confessions of a crime boss: Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace, organized crime continues to defy definition. A diverse array of activities is perpetuated by criminal organizations, criminal groups and associations, and gangs, and it is clear that one specific label is no longer adequate. This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century. As well as discussing definitions of and the historical roots of organized crime, this book examines various forms of organized crime around the world in the US, Mexico, Latin America and the Caribbean, Russia and Europe, Asia and Africa. This revised and updated new edition includes coverage of: the rise of the 'Ndrangheta in Italy and their global expansion; the impact of drug legalization on organized crime and the problem of methamphetamine; organ trading, money laundering, and animal poaching; changes in gang traditions and gangland penitentiaries; the decentralization of Mexican cartels, the growth of opium production in Myanmar, and the drug war in Africa; and the advancement of ISIS and the emergence of the Silk Road and the Dark Net. This book is essential reading for students engaged in the study of global and transnational organized crime, with features including chapter overviews, key terms, critical thinking questions, and case studies.

confessions of a crime boss: Read On...Biography Rick Roche, 2012-03-07 Categorizing hundreds of popular biographies according to their primary appeal—character, story, setting, language, and mood—and organizing them into thematic lists, this guide will help readers' advisors

more effectively recommend titles. Read On...Biography: Reading Lists for Every Taste is that essential go-to readers' advisory guide, filling a gap in the growing readers' advisory literature with information about 450 biography titles, most published within the last decade, but also including some classic titles as well. The book focuses on life stories written in the third person, with subjects ranging from individuals who lived in ancient times to the present-day, hailed from myriad nations, and gained fame in diverse fields. The contents are organized in order to facilitate identification of read-alikes and easy selection of titles according to appeal features such as character, story, language, setting, and mood. Written specifically with librarians and their patrons in mind, this readers' advisory title will be invaluable in public, high school, and college libraries.

confessions of a crime boss: Brooklyn's Most Wanted Craig McGuire, 2017-06-20 A collected history of the 100 most notorious criminals to walk the streets of the New York City borough. Brooklyn's Most Wanted parades an impressive perp walk of 100 of the borough's most notorious, ranking them meticulously from bad to worst. From crime bosses to career criminals to corrupt politicians, pedophile priests to Ponzi scammers, this is not your usual crime chronicle. You want labor racketeering, Ponzi scheming, hijacking, murder, loan sharking, arson, illegal gambling, money laundering? Fugetaboutit! Take this guided gangland tour of Brooklyn, the broken land, and meet everyone from the South Brooklyn Boys to the Soviet thugs of Brighton Beach's Little Odessa. Want to know what Billy the Kid, John Wilkes Booth and the Son of Sam all have in common? Brooklyn. Anthony "Gaspipe" Casso, Al Capone, Frankie Yale, Paul Vario, Roy DeMeo and so many more malicious malcontents and maniacs stalk these pages, as author Craig McGuire rank a rogues' gallery of the best of the worst from Brooklyn's crime-ridden past and present. This includes more than a century of screaming crime blotter headlines, spotlighting epic cases, like The Brooklyn Godmother, The Sex Killer of Brooklyn, The Nurse Girl Murder, The Long Island Railroad Massacre, The Thrill Kills Gang, and many more. From "Son of Sam" to "Son of Sal," "Little Lepke" to "Big Paulie," "The Butcher of Brooklyn," "The Vampire of Brooklyn," "The Gang Who Couldn't Shoot Straight," and even "The Man Who Murdered Brooklyn Baseball," they're all here. Much more than Murder Incorporated, this book features kingpins and lone wolves alike, with a line-up featuring many of the multi-ethnic mobs mimicking the original La Cosa Nostra—the Russian Mafia, the Albanian Mafia, the Polish Mafia, the Greek Mafia—in fact, this book contains more mafias than you can shake a bloody blackjack at. The author's proprietary Notorious Brooklyn Index analyzes criminal activity, socio-economic type, notoriety, relation to Brooklyn and more for a final score that's far from conjecture—though it will undoubtedly spark debate. Praise for Brooklyn's Most Wanted "Never has anyone put together a look into so many of Brooklyn's worst. This is a great read I highly recommend." —Thomas Dades, retired NYPD detective, bestselling author of Friends of the Family "If you love all-things-Brooklyn like I do, this is an absolute must-read you need on your shelf. . . . A revealing, rousing, rip-roaring tour that will slice you right into the underbelly of New York City's most historic borough." —Ron Valdes, co-founder, Brooklyn Creative Partners

confessions of a crime boss: Gotti's Boys Anthony M. DeStefano, 2019-07-30 A KILLER LINE-UP In his bloody reign as the head of the Gambino crime family, John Gotti wracked up a lifetime of charges from gambling, extortion, and tax evasion to racketeering, conspiracy, and five convictions of murder. He didn't do it alone. Surrounding himself with a rogues gallery of contract killers, fixers, and enforcers, he built one of the richest, most powerful and violent crime empires in modern history. Pulitzer Prize-winning journalist Anthony M. DeStefano takes you inside Gotti's inner circle to reveal the dark hearts and murderous deeds of the most remorseless and cold-blooded characters in organized crime. Men so vicious even the other Mafia families were terrified of them. Meet Gotti's Boys . . . * Charles Carneglia * Gene Gotti * Angelo "Quack-Quack" Ruggiero * Tony "Roach" Rampino * "Sammy the Bull" Gravano * Frank DeCicco * Vincent Artuso * Joe "The German" Watts * THE ULTIMATE MURDERER'S ROW "DeStefano explores John Gotti's rise to the head of the Gambino family . . . Aficionados are sure to relish the finer, exhaustively researched details." —Publishers Weekly "A thrilling ride . . . DeStefano has written another excellent biography of a memorable group of gangsters and an excellent addition to the history of

the Teflon Don.” —Booklist

confessions of a crime boss: Film Piracy, Organized Crime, and Terrorism Gregory F Treverton, Carl Matthies, Karla J Cunningham, Jeremiah Gouka, Greg Ridgeway, 2008-10-31 A study of the involvement of organized-crime and terrorist groups in product counterfeiting. Case studies of film piracy illustrate the problem of criminal--and perhaps terrorist--groups using this new high-payoff, low-risk way to fund their activities. Cooperation among law enforcement and governments worldwide is needed to combat intellectual-property theft, which threatens the global information economy, public safety, and national security.
