Jonathan Ames The Times: A Deep Dive into the Life, Work, and Influence of a Literary Maverick

Introduction

Jonathan Ames the times is a name that resonates profoundly within the literary and entertainment worlds. Known for his sharp wit, introspective storytelling, and diverse career, Ames has carved out a unique space that bridges the realms of fiction, memoir, television, and comedy. His work often reflects a blend of humor and poignancy, capturing the complexities of modern life with authenticity and originality. This comprehensive guide explores the life, career, and influence of Jonathan Ames, shedding light on why he remains a compelling figure in contemporary culture.

Early Life and Background

Birth and Upbringing

- Born on March 23, 1964, in New York City.
- Grew up in a culturally rich environment, immersed in the arts and literature.
- His Jewish heritage and New York upbringing significantly influence his work.

Education and Formative Years

- Attended Columbia University, where he earned a degree in Comparative Literature.
- Developed a passion for storytelling, arts, and philosophy during college years.
- His time at university laid the intellectual foundation for his later writings.

Literary Career and Major Works

Early Publications and Recognition

- Ames gained initial recognition with his debut novel, *I Pass Like Night* (1994).
- Known for his candid, humorous, and often autobiographical style.
- His writing often explores themes of identity, love, existential angst, and the human condition.

Notable Books and Themes

- **Wake Up, Sir!** (1999): A semi-autobiographical novel about a struggling writer's quest for purpose.
- **The Extra Man** (1998): A satirical take on New York society and eccentric characters.
- **The Double Life is Twice as Good** (2007): A memoir that delves into his personal life and creative process.
- **You Believers** (2014): A collection of essays exploring faith, skepticism, and the search for meaning.

Style and Literary Significance

- Ames's writing is characterized by humor, introspection, and a poetic lyricism.
- Blends fiction, memoir, and cultural critique seamlessly.
- His works often challenge societal norms and explore the human psyche.

Television and Media Career

Creating and Hosting Shows

- Ames is perhaps best known for creating the HBO series *Bored to Death* (2009-2011).
- The show starred Jason Schwartzman, Ted Danson, and Zach Galifianakis.
- It depicted a struggling novelist moonlighting as an unlicensed private detective, blending comedy with noir elements.

Contributions to Television

- Served as a writer and producer for various projects.
- Known for bringing literary sensibility and wit to television storytelling.
- His involvement helped elevate the portrayal of intellectual and unconventional characters on screen.

Other Media Engagements

- Ames has been a guest on numerous talk shows and podcasts, discussing literature, art, and culture.
- Contributed essays and opinion pieces to major publications, including *The New York Times*.

Artistic and Personal Life

Musical and Artistic Interests

- An avid music fan, Ames has collaborated with musicians and incorporated musical themes into his work.
- Engages in visual arts, often combining multimedia elements into his projects.

Personal Philosophy and Lifestyle

- Known for his unconventional lifestyle and candid discussions on mental health and addiction.
- Advocates for authenticity, creativity, and embracing one's eccentricities.

Community and Influence

- Active in literary circles and supports emerging writers.
- His work encourages honesty, humor, and reflection amidst chaos.

Impact and Legacy

Influence on Contemporary Literature

- Ames's blending of genres has inspired many modern writers to experiment beyond traditional boundaries.
- His candid storytelling fosters a sense of relatability and vulnerability.

Contribution to Popular Culture

- The television series Bored to Death remains a cult favorite, appreciated for its literary humor.
- His essays and interviews provide insight into the mind of a creative thinker.

Enduring Relevance

- Continues to produce work that challenges and entertains audiences.
- His openness about personal struggles resonates in an era increasingly valuing mental health awareness.

Where to Find Jonathan Ames's Work Today

Books and Publications

- Available through major bookstores and online retailers.
- Selected works are often featured in literary anthologies and discussions on contemporary American writers.

Television and Media

- Bored to Death is available on various streaming platforms, along with interviews and specials featuring Ames.
- Regular contributor to cultural podcasts and literary forums.

Upcoming Projects and Engagements

- Ames continues to write essays, short stories, and participate in literary festivals.
- Fans can follow his social media profiles for updates on new releases and appearances.

Conclusion

Jonathan Ames the times stands out as a multifaceted figure whose work embodies the complexity, humor, and depth of modern life. From his poignant novels to his inventive television series, Ames has demonstrated an unwavering commitment to storytelling that challenges conventions and invites reflection. Whether exploring the intricacies of human relationships, the absurdities of society, or his own personal journey, Ames's voice remains vital and influential. For readers and viewers seeking authenticity, wit, and insight, Jonathan Ames offers a compelling and enduring presence in the cultural landscape.

Jonathan Ames The Times: A Deep Dive into the Life and Work of a Contemporary Literary Icon

Introduction: Who is Jonathan Ames?

Jonathan Ames is a multifaceted American writer, novelist, essayist, screenwriter, and humorist whose work continually pushes the boundaries of contemporary literature and comedy. Known for his sharp wit, candid storytelling, and unique perspective on modern life, Ames has cultivated a dedicated following and garnered critical acclaim across various mediums. His career spans over two decades, during which he has established himself as a distinctive voice in American literary and entertainment circles.

The Significance of "The Times" in Ames' Career

While Jonathan Ames has produced a broad array of works, his relationship with The New York Times — often referenced explicitly or implicitly — has played a significant role in shaping his public persona

and literary voice. The phrase "Jonathan Ames The Times" encapsulates this intersection, highlighting how his writings, essays, and interviews have often appeared in or been influenced by the influential newspaper.

How "The Times" Reflects His Literary Voice

- Platform for Critical Essays: Ames has frequently contributed essays and opinion pieces to The New York Times, tackling topics from personal identity to social commentary with his characteristic humor and insight.
- Coverage of His Works: The newspaper has reviewed many of Ames' books, bringing his work to a wider audience and cementing his reputation as a significant contemporary voice.
- Public Recognition: Features and interviews in The Times have elevated Ames' profile, often framing him as a quintessential outsider with a sharp observational eye.

Biographical Overview

Early Life and Background

Jonathan Ames was born in 1964 in Detroit, Michigan, and raised in a family that valued literature and humor. His early exposure to diverse literary genres and his affinity for storytelling laid the groundwork for his later career.

Education and Influences

- Studied at Columbia University, where he immersed himself in literature and creative writing.
- Influenced by authors like Philip Roth, Woody Allen, and Kurt Vonnegut, whose styles of humor and existential musings echo in Ames' work.

Personal Life

Ames' personal life, often intertwined with his creative pursuits, is characterized by candidness about his struggles with relationships, addiction, and mental health—topics frequently explored in his writing.

Major Works and Literary Style

Notable Books and Publications

1. "I Pass Like Night" (1994)
 - Ames' debut novel, a semi-autobiographical story blending dark humor with raw emotion.
2. "The Extra Man" (1997)
 - A satirical novel about a lonely, eccentric man navigating Manhattan society.
3. "Wake Up, Sir!" (2000)
 - A collection of essays that showcase Ames' humorous and insightful voice on everyday life.
4. "The Alcoholic" (2004)
 - A candid, semi-autobiographical novel exploring addiction, recovery, and self-discovery.
5. "The Double Life Is Twice as Good" (2014)
 - A memoir reflecting on his experiences and identity.
6. "The Bachelor" (2018)
 - A novel exploring themes of love, obsession, and aging.

Literary Style and Themes

- Humor and Satire: Ames employs wit and irony to critique society and explore human flaws.
- Self-Deprecation: His candidness about personal struggles lends authenticity and relatability.
- Existential Inquiry: Many works probe the meaning of life, loneliness, and the search for authenticity.
- Urban Life: A keen observer of Manhattan and urban culture, often serving as a backdrop for his

stories.

- Blending Genres: His work seamlessly combines fiction, memoir, essays, and humor.

Media and Screenwriting

The TV Series "Bored to Death"

One of the most prominent adaptations of Ames' work is the HBO series Bored to Death, which debuted in 2009 and ran for three seasons.

- Ames' Role: Creator, writer, and executive producer.
- Plot Overview: Follows a struggling writer (played by Jason Schwartzman) who moonlights as an unlicensed private detective.
- Themes: Combines noir elements with humor, existential musings, and satirical takes on New York City life.
- Critical Reception: Praised for its witty dialogue, unique tone, and Ames' ability to translate his literary voice to the screen.

Other Screenwriting Endeavors

- Ames has written scripts for various projects, often infusing them with his signature humor and dark tone.
- His work in television and film demonstrates his versatility and ability to adapt his voice across media.

Public Persona and Media Presence

Interviews and Public Appearances

Ames is known for his candid interviews, often discussing his personal life, creative process, and views on modern society. His appearances in *The Times* and other outlets reveal a thoughtful, humorous, and sometimes self-deprecating personality.

Literary and Cultural Commentary

- Ames frequently comments on the state of contemporary literature and culture, advocating for authenticity and originality.
- His perspectives often challenge mainstream narratives, aligning him with the outsider tradition in American arts.

Social Media and Engagement

While not as prolific on social media as some contemporaries, Ames uses platforms like Twitter to share insights, promote his work, and interact with fans.

Critical Reception and Legacy

Literary Criticism

- Critics often praise Ames' ability to blend humor with serious themes, creating works that are both entertaining and thought-provoking.
- His candidness about personal struggles adds depth to his characters and narratives.

Influence on Contemporary Writers

- Ames' style has influenced a new generation of writers who seek to combine humor, memoir, and social critique.
- His success demonstrates how vulnerability and honesty can resonate in contemporary literature.

Awards and Recognitions

While Ames has not amassed a long list of major literary awards, his work has been recognized by critics and readers alike for its originality and voice.

Conclusion: Why "Jonathan Ames The Times" Matters

The phrase encapsulates the essence of Ames' relationship with The New York Times—a symbol of his position as both a critic and a critic of society, a storyteller who operates at the intersection of literature, humor, and cultural commentary. His work, often highlighted and reviewed in The Times, exemplifies a modern writer unafraid to confront uncomfortable truths with wit and honesty.

Through his novels, essays, television work, and media presence, Jonathan Ames continues to carve out a space in American cultural life that is distinctly his own. His candid exploration of human flaws, urban life, and personal identity resonates deeply, making him a significant figure in contemporary literature and entertainment.

In sum, "Jonathan Ames The Times" is not merely about his contributions to the newspaper or media but about how his voice embodies the spirit of modern literary and cultural discourse—honest, humorous, and profoundly human.

Jonathan Ames The Times

jonathan ames the times: The Age of the Strongman Gideon Rachman, 2022-04-12 Named a Best Book of the Year by The Economist, Foreign Affairs, The Times (UK) and Sunday Times From Putin, Trump, and Bolsonaro to Erdoğan, Orbán, and Xi, an intimate look at the rise of strongman leaders around the world. The first truly global treatment of the new nationalism, underpinned by an exceptional level of access to its key actors, from the award-winning journalist and author of *Easternization*. This is the most urgent political story of our time: authoritarian leaders have become a central feature of global politics. Since 2000, self-styled strongmen have risen to power in capitals as diverse as Moscow, Beijing, Delhi, Brasilia, Budapest, Ankara, Riyadh, and Washington. These leaders are nationalists and social conservatives, with little tolerance for minorities, dissent, or the interests of foreigners. At home, they claim to be standing up for ordinary people against globalist elites; abroad, they posture as the embodiments of their nations. And everywhere they go, they encourage a cult of personality. What's more, these leaders are not just operating in authoritarian political systems but have begun to emerge in the heartlands of liberal democracy. Gideon Rachman has been in the same room with most of these strongmen and reported from their countries over a long journalistic career. While others have tried to understand their rise individually, Rachman pays full attention to the widespread phenomenon and uncovers the complex and often surprising interaction among these leaders. In the process, he identifies the common themes in our local nightmares, finding global coherence in the chaos and offering a bold new paradigm for navigating our world.

jonathan ames the times: Media & Entertainment Law Ursula Smartt, 2022-11-29 Now in its fifth edition, this textbook combines comprehensive coverage with rigorous analysis of a key area of the law. The author illuminates how the courts strive to strike a balance between the freedoms and responsibilities of the press on the one hand and an individual's right to privacy on the other. Maintaining its coverage of the law across the UK (including Scotland and Northern Ireland) and the EU, the new edition has been brought up to date with expert insights into significant developments and judgments, including: the impact of changes in intellectual property law, data protection, GDPR and copyright law post Brexit – including the cases of *Schrems II* and *Ed Sheeran*; analysis of new case law and developments in privacy and freedom of the media – including *Duchess of Sussex (Meghan Markle) v The Mail on Sunday* and *ZXC v Bloomberg*; the introduction of new Scottish defamation laws and the importance of defamatory meaning; the response to disinformation, fake news and social media – including tweeting jurors and contempt. With a variety of pedagogical features to encourage critical thinking, this unique textbook is essential reading for media and entertainment law courses at undergraduate and postgraduate levels and an insightful resource for students and reflective practitioners of journalism, public relations and media studies.

jonathan ames the times: Human Rights Law and Counter Terrorism Strategies Diane Webber, 2022-06-17 In 2006, the United Nations urged Member States to ensure that counter terrorism policies guaranteed respect for human rights and the rule of law. This book demonstrates that, in many cases, counter terrorism policies relating to preventive detention, targeted killing and measures relating to returning foreign terrorist fighters have failed to respect human rights, and this encourages vulnerable people to be drawn towards supporting or committing acts of terrorism. Furthermore, in recent years, jurisprudence and public opinion in some countries have shifted from being at one stage more protective of human rights, to an acquiescence that some particularly draconian counter terrorism methods are necessary and acceptable. This book analyzes why this has happened, with a focus on the United States, United Kingdom, and Israel, and offers suggestions to address this issue. The work will be essential reading for students, academics and policy-makers working in the areas of human rights, humanitarian law, and counter terrorism.

jonathan ames the times: The Law and Practice of Fine Art, Jewellery and Specie Insurance David Scully, 2021-06-25 This comprehensive book will be essential reading for all those involved

with fine art, jewellery and specie insurance. David Scully analyses the history, structure and dynamics of the global marketplace for this type of insurance, illustrating key points with real life examples to provide a practical guide to the business.

jonathan ames the times: Aftermath Preti Taneja, 2024-11-26 Winner of the 2022 Gordon Burn Prize Shortlisted for 2023 British Book Awards Book of the Year in the Discover category Usman Khan was convicted of terrorism-related offences at age 20, and sent to high-security prison. He was released eight years later, and allowed to travel to London for one day, to attend an event marking the fifth anniversary of a prison education programme he participated in. On 29 November 2019, he sat with others at Fishmongers' Hall, some of whom he knew. Then he went to the bathroom to retrieve the things he had hidden there: a fake bomb vest and two knives, which he taped to his wrists. That day, he killed two people: Saskia Jones and Jack Merritt. Preti Taneja taught fiction writing in prison for three years. Merritt oversaw her program; Khan was one of her students. 'It is the immediate aftermath,' Taneja writes. "I am living at the centre of a wound still fresh." The I is not only mine. It belongs to many.' In this searching lament by the award-winning author of *We That Are Young*, Taneja interrogates the language of terror, trauma and grief; the fictions we believe and the voices we exclude. Contending with the pain of unspeakable loss set against public tragedy, she draws on history, memory, and powerful poetic predecessors to reckon with the systemic nature of atrocity. Blurring genre and form, *Aftermath* is a profound attempt to regain trust after violence and to recapture a politics of hope through a determined dream of abolition.

jonathan ames the times: The Monstrous & the Vulnerable Leonie B. Jackson, 2022-05-01 In June 2014, Abu Bakr al-Baghdadi declared an Islamic State in Iraq and Syria and called for Muslims around the world to migrate there. Over the next five years, around 150 women left the UK to heed this invitation, and the so-called 'jihadi brides' were rarely out of the news. This book traces the media fascination with those who joined the 'caliphate', including Sally Jones, Aqsa Mahmood and Shamima Begum. Through an analysis of the media that presented the 'brides' for public consumption, Leonie B. Jackson reveals the gendered dualistic construction of IS women as either monstrous or vulnerable. Just as the monstrous woman was sensationalised as irredeemably evil, the vulnerable girl was represented as groomed and naïve. Both subjects were constructed in such a way that women's involvement in jihadism was detached from men's, scrutinised more closely, and explained through gender stereotypes that both erased the agency of female extremists and neglected their stated motivations. As Jackson demonstrates, these media representations also contributed to the development of new norms for dealing with the 'brides', including targeted killing and the revocation of citizenship. While the vulnerable girl was potentially redeemable, the monstrous woman was increasingly considered expendable.

jonathan ames the times: Dimond's Legal Aspects of Nursing Richard A. Griffith, Bridgit Dimond, Iwan Dowie, 2019 Written specifically for student nurses as well as those already in practice, *Dimond's Legal Aspects of Nursing* is your essential practical guide to the legal principles you need to be aware of in your everyday nursing practice. Building on previous editions of the book by Bridgit Dimond, this 8th edition has been significantly reworked by a new author team with extensive experience in teaching nursing law. It has also been fully updated and revised in line with recent legal developments and the new Nursing standards to ensure it continues to meet the requirements of nursing law modules.

jonathan ames the times: Dot Dot Dot 8 Peter Bilak, 2004-11 The journal whose very name promises more to come delivers two issues this season. There aren't too many places to find intelligent, passionate, and witty writing about the past, present, and future of visual culture. *Dot Dot Dot*, the brilliant journal edited by Stuart Bailey and Peter Bilak, is one of the few we've found, and we're happy to be able to present it in our catalog. Issue 8 contains articles by Ryan Gander, Paul Elliman, Stuart Bailey, Diedrich Diederichsen, Anna Gwendoline Jackson, Momus, Brian McMullen, Antonin Kosik, David Reinfurt, Graham Meyer, Katherine Gillieson, Karel Martens, and Peter Bilak, among others. Articles range from *Why Are All These Books Orange?* to *A Coming of Age Reading Checklist* to *City Turned Upside Down* and concluding with *About Nothing, Really*.

jonathan ames the times: Cybercurrency Law Edward J. Swan, 2023-05-11 Digital assets are increasingly becoming subject to national and international regulatory scrutiny. This timely book provides an overview of how, as digital asset markets expand, governments in a wide range of jurisdictions are responding to them. In addition to chapters on specific urgent challenges of regulating cybercurrency activity, there are separate chapters detailing regulatory developments and trends in each of eight major jurisdictions—the United States, the European Union, the United Kingdom, China, India, Japan, South Korea, and Singapore—as well as a chapter on crypto regulation in a selection of other countries. The book thoroughly covers the impact of digital assets business-connected technologies on such important policy areas as the following: consumer protection; data privacy and security; financial stability and systemic risk; crime; national security; human rights; financial inclusion and equity; and energy demand and climate change. For each of these areas and more, steps taken to regulate the marketing of digital assets both generally and in each of the covered jurisdictions are extensively described, with information on applicable legal forums and remedies. Because the rapid evolution and volatility of the crypto markets have left regulators struggling to keep pace, this deeply researched and informed survey of current and trending regulatory measures taken worldwide will prove of inestimable value to practitioners and regulators handling any aspect of digital asset business and will remain of great worth for the foreseeable future.

jonathan ames the times: Indulging Kleptocracy John Heathershaw, Professor of International Relations John Heathershaw, Tena Prelec, Tom Mayne, 2024-11-04 In recent decades, there has been an upsurge of western professionals providing financial and legal services to kleptocrats Russia and Eurasia. The United Kingdom has provided more such services than any other nation, and the effect has been to undermine democracy and good governance in both the UK and in the countries these elites come from. By cataloging through rich case studies of how kleptocrats offshored their wealth and exploited both financial deregulation and the UK's punitive libel regime, this book demonstrates what is at stake politically in the globalization of authoritarian regime practices.

jonathan ames the times: The Myth of Judicial Independence Mike McConville, Luke Marsh, 2020-06-28 Through an examination of the history of the rules that regulate police interrogation (the Judges' Rules) in conjunction with plea bargaining and the Criminal Procedure Rules, this book explores the 'Westminster Model' under which three arms of the State (parliament, the executive, and the judiciary) operate independently of one another. It reveals how policy was framed in secret meetings with the executive which then actively misled parliament in contradiction to its ostensible formal relationship with the legislature. This analysis of Home Office archives shows how the worldwide significance of the Judges' Rules was secured not simply by the standing of the English judiciary and the political power of the empire but more significantly by the false representation that the Rules were the handiwork of judges rather than civil servants and politicians. The book critically examines the claim repeatedly advanced by judges that judicial independence is justified by principles arising from the rule of law and instead shows that the rule of law depends upon basic principles of the common law, including an adversarial process and trial by jury, and that the underpinnings of judicial action in criminal justice today may be ideological rather than based on principles.

jonathan ames the times: Law and the Quest for Gender Equality Margaret Thornton, 2023-04-27 For centuries, law was used to subordinate women and exclude them from the public sphere, so it cannot be expected to become a source of equality instantaneously or without resistance from benchmark men—that is, those who are white, heterosexual, able-bodied and middle class. Equality, furthermore, was attainable only in the public sphere, whereas the private sphere was marked as a site of inequality; a wife, children and servants could never be the equals of the master. Despite their ambivalence about the role of law and its contradictions, women and Others felt that they had no alternative but to look to it as a means of liberation. This skewed patriarchal heritage, the subtext of this collection of essays, has continued to impede the quest for equality by women and Others. It informs not only gender relations in the private sphere, as illustrated by

domestic violence and sexual assault, but also the status of women in the public sphere. Despite the fact that women have entered the paid workforce—including the professions—in large numbers, they are still expected to assume responsibility for the preponderance of society's caring. The essays show how maternal and caring roles, which are still largely viewed as belonging to an unregulated private sphere, continue to be invoked to detract from the authority of the feminine in the public sphere. The promise of antidiscrimination legislation in overcoming the heritage of the past is also shown to be somewhat hollow.

jonathan ames the times: The Past is a Foreign Country - Revisited David Lowenthal, 2015-10 A completely updated new edition of David Lowenthal's classic account of how we reshape the past to serve present needs.

jonathan ames the times: Deferred Prosecution Agreements and Directors' Liability Natalie Turney, 2024-07-15 This book provides in-depth analysis of deferred prosecution agreements (DPAs), a tool first introduced in the United States and since implemented in the United Kingdom and other jurisdictions. The central focus of the book is the impact of DPAs on company directors: DPAs were first introduced in the US for individuals, but are now used predominantly for corporate defendants. In the UK, DPAs have only ever been available for companies. The consideration of individuals in the introductory stage in the UK is explored in depth, as well as the consideration and targeting of individuals in cases that have followed. Company directors are exposed to liability because of this negotiated deal between the company and prosecutors, and this book addresses the key areas of exposure, and how various parties should address these risk areas in accordance with the law. The book is an increasingly necessary contribution to the topical discussion of the fallout of unsuccessful prosecutions of individuals implicated in the wrongdoing constituting the basis of DPAs, calling into question not only treatment of those individuals but also the integrity of the DPA tool itself. It also considers the impact of DPAs and arising exposures on directors' and officers' (D&O) liability insurance, therefore covering potential risk areas and the ability of directors to access a defence in protecting themselves from liability. The book covers the impact on all areas of a D&O policy, considering D&O policy wording and insurance law in doing so, providing a rounded account of issues arising in relation to company directors and how interested parties can act in the best interests of all whilst in accordance with law and policy. The primary audience for this book will be lawyers and practitioners in the corporate crime and/or insurance law space, including general counsels, solicitors, barristers, consultants, prosecuting authorities, legal academics, and so forth. It will also be of interest to company directors, and to students of financial crime, corporate criminal crime and insurance law, and will have great international appeal. Organisations likely to use the book will include prosecuting authorities, law firms working on corporate criminal liability or D&O insurance cases, and companies looking to protect themselves where there is alleged wrongdoing.

jonathan ames the times: I Love You More Than You Know Jonathan Ames, 2007-12-01 "Utterly delightful" essays from the creator of the HBO's *Bored to Death* reveal intimate details of his life as a famously neurotic New York writer (Brendan Halpin, Los Angeles Times). Jonathan Ames has drawn comparisons across the literary spectrum, from David Sedaris to F. Scott Fitzgerald to P.G. Wodehouse, and his books, as well as his abilities as a performer, have made him a favorite on the Late Show with David Letterman. Whether he's chasing deranged cockroaches around his apartment, kissing a beautiful actress on the set of an avant-garde film, finding himself stuck perilously on top of a fence in the middle of the night in Memphis, or provoking fights with huge German men, Jonathan Ames has an uncanny knack for getting himself into outlandish situations. In *I Love You More Than You Know*, Ames once again turns his own adventures, neuroses, joys, heartaches, and insights into profound and hilarious tales. Alive with love and tenderness for his son, his parents, his great-aunt—and even strangers in bars—Ames looks beneath the surface of our world to find the beauty in the perverse, the sweetness in loneliness, and the humor in pain in essays that are "both poignant and silly—an irresistible mix" (John Dicker, Philadelphia Weekly).

jonathan ames the times: Gazetteer of Caledonia and Essex Counties, Vt. 1764-1887, 1887

jonathan ames the times: Mesopotamia Arthur Nersesian, 2010-07-01 "Thoroughly

entertaining, with an offbeat sense of humor . . . There's a solid mystery here, underneath the goofiness" (Booklist). Things have not been going well for journalist Sandy Bloomgarten. Her job went down the drain and her marriage quickly followed. After a lengthy bender, she awakens one morning to the stark realization that she is flat broke. Nonetheless, she's still a crack reporter, and when a tabloid offers her a freelance assignment in Memphis—just a stone's throw from her childhood home in Mesopotamia, Tennessee—she takes it. Though sent there for one story, she winds up tracking down another: someone is killing Elvis impersonators who perform at the annual Sing-the-King festival. The few available clues lead her to several unlikely characters: a cheating local minister constantly on the make, a strange band of misfits who only cover Elvis tunes, and a small-town private eye who blew himself up along with his crystal meth lab. As Sandy's investigation closes, she realizes that she is sitting on what could be the story of the century. The only problem is she can never reveal what she has found . . . "The immortal shadow of Elvis Presley gyrates wildly through this satiric exploration of America's fascination with tabloid journalism." —Publishers Weekly

jonathan ames the times: The Other Side of Silence Philip Kerr, 2017-03-07 When Bernie Gunther takes on a blackmail case and gets involved in the affairs of British spies, the former detective risks exposing his own dark past in this thrilling novel hailed by The New York Times Book Review as "one of Kerr's best." Saint-Jean-Cap-Ferrat, 1956. Having gone into hiding in the French Riviera, Bernie Gunther is working as a concierge at the Grand-Hôtel under a false name. His days and nights consist of maneuvering drunks to their rooms, shooing away prostitutes in search of trade, and answering the mindless questions posed by the absurdly rich guests—needless to say, he's miserable. Now, the man who was once a homicide detective and unwilling SS officer in Hitler's Third Reich is simply the person you turn to for touring tips or if you need a bridge partner. As it just so happens, a rich and famous writer needs someone to fill the fourth seat in a regular game at the Villa Mauresque. But Somerset Maugham wants Bernie to help him get out of a game far more dangerous than bridge. Maugham is being blackmailed—perhaps because of his unorthodox lifestyle, or perhaps because, once upon a time, Maugham worked for the British Secret Service...

jonathan ames the times: The One from the Other Philip Kerr, 2009-02-03 In the fourth mystery in Philip Kerr's New York Times bestselling series, Bernie Gunther—a former policeman and reluctant SS officer—attempts to start over in the aftermath of World War 2 and quickly learns that the past is never far behind you... Berlin, 1949. Amid the chaos of defeat, Germany is a place of dirty deals, rampant greed, and fleeing Nazis. For Bernie Gunther, Berlin has become far too dangerous. After being forced to serve in the SS in the killing fields of Ukraine, Bernie has moved to Munich to reestablish himself as a private investigator. Business is slow and his funds are dwindling when a woman hires him to investigate her husband's disappearance. No, she doesn't want him back—he's a war criminal. She merely wants confirmation that he is dead. It's a simple job, but in postwar Germany, nothing is simple—nothing is what it appears to be. Accepting the case, Bernie takes on far more than he'd bargained for, and before long, he is on the run, facing enemies from every side.

jonathan ames the times: Home Land Sam Lipsyte, 2025-06-25 What if somebody finally wrote to his high school alumni bulletin and told...the truth! Home Land is a brilliant work from novelist Sam Lipsyte, whom Jeffrey Eugenides calls original, devious, and very funny and of whose first novel Chuck Palahniuk wrote, I laughed out loud--and I never laugh out loud. The Eastern Valley High School Alumni newsletter, Catamount Notes, is bursting with tales of success: former students include a bankable politician and a famous baseball star, not to mention a major-label recording artist. Then there is the appalling, yet utterly lovable, Lewis Miner, class of '89--a.k.a Teabag--who did not pan out. Home Land is his confession in all its bitter, lovelorn glory. Winner of the Believer Book Award New York Times Notable Book of the Year
