Three weeks before its scheduled release, 4 had leaked onto the Internet. The twelve-song set (eighteen on the deluxe edition) marks the first release by Knowles since separating professionally with father and manager, Mathew, in March 2011. During the hiatus, Knowles dedicated herself to enjoying the everyday things in life, which she says reignited her creativity and became a source of inspiration. Knowles also drew inspiration from Fela Kuti, Earth, Wind & Fire, Lionel Richie, with additional influences from The Jackson 5, New Edition, Florence and the Machine, Adele, and Prince, among others. Knowles allowed herself the artistic freedom to record songs in which she wanted the melody and lyrics to come together naturally. Knowles' main objective was to bring back the emotion, live instruments and soul music, which according to her, were missing out...
