love letters of great men: *The Love Letters of Great Men - The Most Comprehensive Collection Available* Prince Albert, Napoleon Bonaparte, D. H. Lawrence, 2011-03 Letters are among the most significant memorial a person can leave behind them said Johann Wolfgang von Goethe. This English Rose book is the most comprehensive collection of love letters available, containing a huge selection of some of the all time greatest love letters ever written. You will find in here all of the classics - Napoleon Bonaparte, Lord Byron, John Keats, Henry VIII, Ludwig van Beethoven etc. - but you will also find some treasures, little known and rarely published love letters, such as those of Prince Albert, D. H. Lawrence, Sigmund Freud, Horatio Lord Nelson and Abraham Lincoln. Whatever the tone, the context or style of the writing here displayed, what is true is that these letters are genuinely captivating. Throughout history, great men have written noble tomes. Their love letters are no exception. We can find in these correspondences some of the most delectable personal effusions ever written, the most incredible demonstrations of devotion and affection - not fictional, but real, impassioned, painful and heart-wrenching. Our interest in reading these letters, is partly in their magnificent language, their eloquent expressions of love, their romantic effluence, but also, it is in their demonstrations of the universal human vulnerability in love. Love letters infectiously render past lives into our modern reality, immersing the reader in the author's home, habits, enjoyments and romances. These men come to life through their personal letters, more so than anywhere else. They show us the human side of men who stand as giants in history, whose actions and legacies have helped to shape the world as we know it. In their moment of separation, without the crowd, without the nobility or the just cause, here, in their most vulnerable, exposed state, we see the person behind the celebrity. With these letters we have the unique ability to spy on the personal lives of men considered 'great'. Their humanity, so lacking in the history books, is all we are privy to here. There is no great action, no battle won, no literary accomplishment, only deep personal feeling and romantic expression. This English Rose book is a high quality, well formatted, stunning hardback edition. English Rose love books and think that every one is special, so our editions will always be distinctive, professional and unique. love letters of great men: *Love Letters of Great Men and Women* Ursula Doyle, 2009-10-20 From the private papers of Jane Austen and Mozart to those of Anne Boleyn and Nelson, Love Letters of Great Men and Women collects together some of the most romantic letters in history. For some of these great men, love is a delicious poison (William Congreve); for others, a nice soft wife on a sofa with good fire, and books and music (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). But what about the other side of the story? What of the secret hopes and lives of some of the greatest women in history? Taken together, these love letters show that perhaps little has changed over the last 2,000 years. Passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

love letters of great men: *Love Letters and the Romantic Novel during the Napoleonic Wars* Sharon Worley, 2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy. The standard texts, so to speak, which were written by major authors who inherited this Enlightenment bearing, responded to

the emerging concepts of love found in novels and philosophical essays. Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel. Germaine de Staël, Juliette Récamier, Chateaubriand, Benjamin Constant, Lady Emma Hamilton, Napoleon Bonaparte and his brother, Lucien Bonaparte, were the authors and recipients of some of the most passionate love letters of this period. They were also avid readers of the newly emerging genre of the romantic novel, and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines. In addition, these authors had lived through the recent French Revolution and the Terror. Imprisoned during the Revolution, or branded as emigrés upon their return to Paris, their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe. The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love, happiness and suicide. Their evolving concept of love was a romantic, all-consuming passion which gripped the lovers in fatal embraces. This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism.

love letters of great men: Love Letters of Great Men and Women C. H. Charles, 2008-09-18 In an age where emails and text messages keep people in constant communication, the love letter seems a thing of the past. But a love text message can hardly compare to a letter from the heart. The producers of the Sex and the City movie obviously agree and their film has reminded viewers of the power and beauty of a love letter. In recognition of this, Quercus is publishing Love Letters of Great Men and Women, first published in the UK in 1924, which probably inspired the storyline in Sex and the City. It is a charming read, including declarations of love, proposals of marriage and simple adoration from famous men and women of history, including leaders such as Napoleon, King George IV and Catherine the Great, writers from Robert Burns to Charles Dickens and Gustave Flaubert, and musicians from Mozart to Beethoven, to name but a few. These are letters to inspire, to encourage us to share our feelings in this tried and tested way, but most of all they are for the hopeless romantic in all of us.

love letters of great men: Love Letters of Great Men: the Collection of Love Letters Drawn from by Carrie Bradshaw in Sex in the City Ludwig van Beethoven, Napoleon Bonaparte, John Adams, Voltaire, 2012-11-21 Love Letters of Great Men: The Collection of Love Letters Drawn from by Carrie Bradshaw in Sex in the City is a work by Beethoven, Bonaparte, John Adams, Voltaire, and others now brought to you in this new edition of the timeless classic.

love letters of great men: Why Love Hurts Eva Illouz, 2013-05-06 Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us, being heartbroken when we're abandoned by a lover, engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a

partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors.

love letters of great men: Infostorms Vincent F. Hendricks, Pelle G. Hansen, 2016-08-18 With points of departure in philosophy, logic, social psychology, economics, and choice and game theory, Infostorms shows how information may be used to improve the quality of personal decision and group thinking but also warns against the informational pitfalls which modern information technology may amplify: From science to reality culture and what it really is, that makes you buy a book like this. The information society is upon us. New technologies have given us back pocket libraries, online discussion forums, blogs, crowdbased opinion aggregators, social media and breaking news wherever, whenever. But are we more enlightened and rational because of it? Infostorms provides the nuts and bolts of how irrational group behaviour may get amplified by social media and information technology. If we could be collectively dense before, now we can do it at light speed and with potentially global reach. That's how things go viral, that is how cyberbullying, rude comments online, opinion bubbles, status bubbles, political polarisation and a host of other everyday unpleasanties start. Infostorms will give the story of the mechanics of these phenomena. This will help you to avoid them if you want or learn to start them if you must. It will allow you to stay sane in an insane world of information. "With this brilliant book, we have been warned. It is up to all of us in the world today to be stewards of the common resource that is trustworthy and relevant information". Adam Brandenburger, Stern School of Business, NYU "It is a highly recommended read for social scientists and concerned citizens alike". Christian List, London School of Economics
