

poems about greek mythology

Poems About Greek Mythology have captivated readers for centuries, blending the timeless stories of gods, heroes, and mythical creatures into poetic expressions that evoke wonder, awe, and reflection. These poems serve as a bridge between ancient narratives and modern interpretation, allowing readers to explore the richness of Greek mythology through lyrical language and vivid imagery. Whether you are a literature enthusiast, a student of classics, or simply someone enchanted by mythological tales, poems about Greek mythology offer a profound and artistic way to engage with these legendary stories. In this comprehensive guide, we will delve into the significance of Greek mythology in poetry, highlight notable poems and poets, examine themes prevalent in these works, and provide resources for further exploration.

The Significance of Greek Mythology in Poetry

Greek mythology forms the foundation of Western storytelling, influencing literature, art, and culture for over two millennia. Its stories of gods, demigods, heroes, and monsters are rich with allegory, symbolism, and moral lessons. Translating these stories into poetry enhances their emotional depth and accessibility, allowing readers to connect with ancient themes on a personal level.

Why Poets Turn to Greek Mythology

- Timelessness: Greek myths address universal themes such as love, hubris, fate, and mortality.
- Imagery and Symbolism: Mythological characters and settings provide vivid imagery and symbolic depth.
- Cultural Heritage: Referencing Greek myths connects contemporary works to a shared cultural history.
- Creative Inspiration: Mythological stories serve as a fertile ground for poetic innovation and reinterpretation.

The Role of Poetry in Preserving Mythology

Poetry has historically been a vessel for transmitting mythological stories across generations. From Homer's *Iliad* and *Odyssey* to later poetic adaptations, these works have preserved and shaped our understanding of Greek legends. Modern poets continue this tradition, reimagining myths to reflect contemporary issues or personal insights.

Notable Poems and Poets Inspired by Greek Mythology

Many poets have drawn inspiration from Greek mythology, producing works that range from epic narratives to lyrical reflections. Here are some influential examples:

Homer's Epics

- The Iliad and The Odyssey: Although primarily epic poems, their influence extends into lyrical poetry and inspired countless poetic adaptations.

Renaissance and Classical Poets

- John Keats: His poem "Lamia" explores themes of illusion and reality through mythological symbolism.
- Alfred Lord Tennyson: "Ulysses" and "The Lotus-Eaters" reflect Homeric themes and characters.

Romantic and Victorian Poets

- Percy Bysshe Shelley: His poem "Prometheus Unbound" reimagines the myth of Prometheus as a symbol of rebellion and enlightenment.
- Matthew Arnold: "The Forsaken Merman" uses myth to explore themes of longing and loss.

Modern Poets

- H.D. (Hilda Doolittle): Her work often incorporates Greek myths to explore gender and identity.
- Louise Glück: Her poetry frequently revisits mythological themes, such as in "Medea" and "The Silence of the Gods".

Notable Modern Poems About Greek Mythology

- "Oedipus" by Sophocles (though a play, its lyrical qualities influence poetic form)
- "The Song of Icarus" by W.H. Auden: Reflects on hubris and downfall.
- "Narcissus" by H.D.: Explores themes of self-obsession and transformation.

Common Themes in Poems About Greek Mythology

Poets often focus on specific themes drawn from Greek myths, which lend themselves to poetic exploration.

Heroism and Tragedy

- The stories of heroes like Heracles, Perseus, and Achilles evoke themes of bravery, sacrifice, and tragic flaw.
- Poems explore the human condition through heroic struggles and inevitable downfall.

Fate and Free Will

- Myths such as Oedipus or Ajax highlight the tension between destiny and individual agency.
- Poems grapple with questions of predetermination and moral responsibility.

Love and Desire

- Mythological love stories, such as those of Orpheus and Eurydice or Psyche and Eros, inspire lyrical meditations on longing, loss, and transformation.

Hubris and Nemesis

- The concept of excessive pride leading to downfall, exemplified by Icarus or Niobe, is a recurring motif in poetry.

Mortality and Immortality

- Poems reflect on the fleeting nature of human life contrasted with the eternal gods and mythical beings.

Transformation and Identity

- Myths involving metamorphosis, like Daphne turning into a laurel tree or Narcissus's reflection, serve as allegories for self-awareness and change.

How to Explore Poems About Greek Mythology

Engaging with poetry about Greek mythology can be a rewarding experience. Here are some ways to deepen your understanding:

Read Classic and Contemporary Works

- Explore ancient epics and their poetic adaptations.
- Discover modern poets who reinterpret myths through a contemporary lens.

Analyze Themes and Symbolism

- Identify recurring motifs such as gods, monsters, and moral lessons.
- Consider how poets use mythological references to comment on modern issues.

Attend Literary Readings and Workshops

- Participate in events focused on mythological poetry.
- Join discussion groups to share interpretations.

Write Your Own Poems

- Use Greek myths as inspiration for personal poetic expression.
- Experiment with blending mythological elements with modern themes.

poets, themes, and resources to deepen your appreciation of myth-inspired poetry.

Frequently Asked Questions

What are some popular themes in poems about Greek mythology?

Common themes include heroism, fate, love, tragedy, divine intervention, and the clash between gods and mortals, reflecting the rich stories of Greek mythology.

Can you recommend a famous poem that incorporates Greek mythological figures?

Yes, 'Ode to the Muse' by Percy Bysshe Shelley beautifully references Greek gods like Apollo and the Muses, blending mythology with poetic inspiration.

How do poets typically portray Greek gods in their poems?

Poets often depict Greek gods as powerful, complex beings with human-like emotions, emphasizing their grandeur, flaws, and influence over mortal affairs.

Are there modern poets who write about Greek mythology?

Absolutely, contemporary poets like Anne Carson and H.D. have explored Greek myths, reinterpreting them through modern perspectives and innovative poetic forms.

What role does storytelling play in poems about Greek mythology?

Storytelling is central, as poems often retell myths, reimagining ancient tales to explore universal themes like love, revenge, and mortality.

How can reading poems about Greek mythology enhance understanding of ancient Greek culture?

These poems provide insight into Greek beliefs, values, and societal norms by highlighting mythological stories that shaped their worldview and religious practices.

What are some poetic devices commonly used in poems about Greek mythology?

Poets frequently use allegory, symbolism, vivid imagery, and allusion to evoke the grandeur

of the myths and deepen the reader's engagement with the stories.

Additional Resources

Poems about Greek Mythology: An Artistic Reflection of Ancient Legends

Greek mythology has long served as a wellspring for artistic inspiration, inspiring countless poets to craft verses that celebrate, critique, and interpret its timeless stories. Through poetry, these ancient tales have been transformed into powerful literary expressions, allowing modern audiences to connect with the myths' enduring themes of heroism, divine intervention, fate, love, and chaos. This article explores the rich landscape of poems about Greek mythology, examining their significance, thematic elements, stylistic approaches, and cultural impact.

The Significance of Greek Mythology in Poetry

Greek mythology's influence on poetry is profound and multifaceted. From the earliest oral traditions to contemporary verse, poets have employed these myths to explore universal human experiences, moral dilemmas, and existential questions. The myths serve as allegories for human nature, societal values, and the divine, providing a versatile canvas for poetic expression.

Mythology as a Literary Toolbox

Poets harness mythic motifs, archetypes, and narratives to craft layered works that resonate across ages. For instance, the hero's journey—as exemplified by Hercules or Odysseus—becomes a metaphor for personal growth, perseverance, and struggle. Similarly, divine conflicts and tragedies reflect the complexities of morality and power.

Cultural and Historical Context

Poetry about Greek myths often reflects the cultural milieu of its creators. Ancient poets like Homer and Hesiod embedded their works with religious and societal values, while modern poets reinterpret these stories through contemporary lenses, addressing themes like gender, identity, and politics.

Historical Evolution of Myth-Inspired Poetry

The tradition of writing poetry inspired by Greek mythology spans millennia, evolving from oral storytelling to sophisticated literary works.

Ancient Greek Poets

- Homer's Epics: The Iliad and The Odyssey are foundational texts that blend myth and history, shaping Western poetic tradition.

- Hesiod: His *Theogony* and *Works and Days* establish cosmogonic and didactic themes, emphasizing the divine order and human morality.
- Pindar and Sappho: Lyric poets who infused personal emotion and divine myth into their works.

Renaissance and Enlightenment Revival

Poets like John Milton and Alexander Pope revisited Greek myths, often as allegories for contemporary issues or moral lessons.

Modern and Contemporary Approaches

- Poets like H.D. (Hilda Doolittle) and Robert Graves reinterpret Greek myths through experimental forms and feminist perspectives.
- Contemporary poets often explore marginalized voices, gender roles, and psychological depths within mythic frameworks.

Major Themes in Poems About Greek Mythology

Poetry centered on Greek myths delves into a multitude of themes, often intertwined, which reveal the complexity and richness of these stories.

Heroism and Tragedy

- Poems recounting the exploits of heroes like Perseus, Theseus, or Heracles emphasize courage, sacrifice, and the tragic flaws that lead to downfall.
- Tragic figures like Icarus or Ajax embody hubris, fate, and human vulnerability.

Divine Intervention and Morality

- The gods' capriciousness and interventions serve as allegories for divine justice or chaos.
- Poems explore questions of morality, free will, and the consequences of divine wrath or favor.

Fate and Free Will

- The concept of destiny, as seen in the prophecies of the Oracle at Delphi or the fate of Oedipus, is a recurring motif.
- Poets examine the tension between predestined outcomes and individual agency.

Love and Betrayal

- Mythic love stories—such as Orpheus and Eurydice or Phaedra and Hippolytus—are fertile ground for poetic exploration of passion, loss, and deception.

Chaos and Order

- The primordial chaos of creation, exemplified in stories like Chaos's emergence or the Titans' rebellion, offers metaphors for disorder and renewal.

Stylistic and Formal Approaches in Myth-Inspired Poetry

Poets employ various stylistic devices and formal structures to evoke the mythic world and deepen thematic resonance.

Classical Formality

- Use of epic meter (hexameter), elevated diction, and invocation of muses to mimic Homeric traditions.
- Example: Ezra Pound's adaptations and imitations of classical epic styles.

Free Verse and Modernist Techniques

- Emphasis on imagery, symbolism, and fragmented narrative to reflect the complex, layered nature of myths.
- Poets like H.D. utilize imagist techniques to distill mythic themes into vivid, concise images.

Intertextuality and Allusion

- Many poems reference classical texts directly or incorporate mythic motifs as layered symbols.
- This approach enriches the poem's thematic depth and connects contemporary work with ancient traditions.

Personal and Feminist Reinterpretations

- Modern poets often reimagine mythic figures from new perspectives, emphasizing marginalized voices.
- For example, feminist reworkings of Medusa or Pandora challenge traditional narratives and explore themes of victimization and empowerment.

Notable Poems and Poets Engaged with Greek Mythology

Numerous poets across eras have dedicated works to Greek myths, each bringing their unique voice and perspective.

Homer and Hesiod: The Foundations

- Their epics and cosmogonies set the blueprint for myth-inspired poetry, influencing countless subsequent works.

John Keats and Percy Shelley

- Romantic poets who romanticized mythic themes, emphasizing beauty, tragedy, and the sublime.
- Keats's *Hyperion* and Shelley's *Prometheus Unbound* are notable examples.

H.D. (Hilda Doolittle)

- A pioneer of Imagism, H.D. reinterpreted Greek myths with a focus on female figures like Helen and Aphrodite.
- Her poem *Helen* explores the mythic figure's complexity through a modern lens.

Robert Graves

- His *The Greek Myths* is a comprehensive poetic retelling and analysis of Greek stories, blending scholarly insight with poetic craft.

Contemporary Voices

- poets like Anne Carson, Margaret Atwood, and Rita Dove explore Greek myths with innovative forms and critical perspectives, addressing issues such as gender, ethnicity, and psychology.

The Cultural and Educational Impact of Myth-Inspired Poetry

Poetry about Greek mythology plays a vital role in education, cultural preservation, and artistic innovation.

Educational Tool

- Myth-inspired poetry introduces students to classical stories in engaging, interpretive ways.
- It fosters critical thinking about themes like morality, identity, and human nature.

Cultural Preservation

- Poems keep ancient myths alive across generations, adapting them to contemporary contexts.
- They serve as a bridge connecting past and present, illustrating the universality of mythic themes.

Artistic Innovation

- Poets experiment with form, language, and perspective, pushing the boundaries of traditional storytelling.
- This continual reinterpretation keeps Greek myths relevant and vibrant.

Conclusion: The Enduring Power of Myth in Poetry

Poems about Greek mythology exemplify the enduring human fascination with stories of gods, heroes, and cosmic struggles. Through poetic craft, these ancient narratives are continually reimagined, challenged, and celebrated, revealing new layers of meaning and relevance. Whether in classical epic form or modern experimental verse, myth-inspired poetry invites us to explore the depths of human experience, confronting questions of morality, identity, and the divine. As long as humanity seeks to understand its origins and purpose, Greek mythology will remain a fertile ground for poetic exploration and artistic expression, ensuring its legacy endures in the cultural consciousness for generations to come.

Poems About Greek Mythology

poems about greek mythology: Orpheus & Company Deborah DeNicola, 1999 Today's poets provide a new spin on Greek myths.

poems about greek mythology: **Echo Echo** Marilyn Singer, 2016-02-16 A new book of unique reversible poems based on Greek myths from the creator of *Mirror Mirror* What happens when you hold up a mirror to poems about Greek myths? You get a brand-new perspective on the classics! And that is just what happens in *Echo Echo*, the newest collection of reverso poems from Marilyn Singer. Read one way, each poem tells the story of a familiar myth; but when read in reverse, the poems reveal a new point of view! Readers will delight in uncovering the dual points of view in well-known legends, including the stories of Pandora's box, King Midas and his golden touch, Perseus and Medusa, Pygmalion, Icarus and Daedalus, Demeter and Persephone, and Echo and Narcissus. These cunning verses combine with beautiful illustrations to create a collection of fourteen reverso poems to treasure.

poems about greek mythology: The Poems of Hesiod Hesiod, 1983 Hesiod is the first Greek and, therefore, the first European we can know as a real person, for, unlike Homer, he tells us about himself in his poems. Hesiod seems to have been a successful farmer and a rather gloomy though not humorless man. One suspects from his concern for the bachelor's lot and some rather unflattering remarks about women that he was never married. A close study of both poems reveals the same personality -that of a deeply religious man concerned with the problems of justice and fate.

poems about greek mythology: **Greek Poems to the Gods** Barry B. Powell, 2022-08-09 The ancient Greek hymnic tradition translated beautifully and accessibly. The hymn—as poetry, as craft, as a tool for worship and philosophy—was a vital art form throughout antiquity. Although the Homeric Hymns have long been popular, other equally important collections have not been readily accessible to students eager to learn about ancient poetry. In reading hymns, we also gain valuable insight into life in the classical world. In this collection, early Homeric Hymns of uncertain authorship appear along with the carefully wrought hymns of the great Hellenistic poet and courtier Callimachus; the mystical writings attributed to the legendary poet Orpheus, written as Christianity was taking over the ancient world; and finally, the hymns of Proclus, the last great pagan philosopher of antiquity, from the fifth century AD, whose intellectual influence throughout western culture has been profound. *Greek Poems to the Gods* distills over a thousand years of the ancient Greek hymnic tradition into a single volume. Acclaimed translator Barry B. Powell brings these fabulous texts to life in English, hewing closely to the poetic beauty of the original Greek. His superb

introductions and notes give readers essential context, making the hymns as accessible to a beginner approaching them for the first time as to an advanced student continuing to explore their secrets. Brilliant illustrations from ancient art enliven and enrich the experience of reading these poems.

poems about greek mythology: *Works and Days and Theogony* Hesiod, 1993-10-01 Robert Lamberton's Introduction is an excellent, concise exposition of current scholarly debate: his notes are informative and helpful. . . . Those who want a translation that captures something of the spirit of an ancient Greek poetic voice and its cultural milieu and transmits it in an appealing, lively, and accessible style will now turn to Lombardo. --M. A. Katz, Wesleyan University, in CHOICE

poems about greek mythology: *Ancient Greek Myth in Modern Greek Poetry* Peter Mackridge, 2023-03-31 Originally published in 1996, this volume contains essays by scholars, critics and translators and includes themes such as the myth in the Cretan Renaissance and the use of ancient myth by 19th and 20th Century poets. Some essays deal with individual mythical figures such as Odysseus, Orpheus, Prometheus and Aphrodite, while others deal with the problematic issue of the use of myth by Greek women poets. The discussion is completed by comparing attitudes to the ancient Greeks as embodied in English and modern Greek poetry.

poems about greek mythology: Theogony and Works and Days Hesiod, 2008-12-11 Hesiod, who lived in Boetia in the late eighth century BC, is one of the oldest known, and possibly the oldest of Greek poets. His *Theogony* contains a systematic genealogy of the gods from the beginning of the world and an account of the struggles of the Titans. In contrast, *Works and Days* is a compendium of moral and practical advice on husbandry, and throws unique and fascinating light on archaic Greek society. As well as offering the earliest known sources for the myths of Pandora, Prometheus and the Golden Age, Hesiod's poetry provides a valuable account of the ethics and superstitions of the society in which he lived. Unlike Homer, Hesiod writes about himself and his family, and he stands out as the first personality in European literature. This new translation, by a leading expert on the Hesiodic poems combines accuracy with readability. It is accompanied by an introduction and explanatory notes. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

poems about greek mythology: *Poems from the Greek Mythology* Edmund Ollier, 1867

poems about greek mythology: Theogony Hesiod, 2015-11-26 Along with Homer, Hesiod was one of the Ancient Greeks' first epic bards, and one of their best. Hesiod is believed to have lived between 750 and 650 B.C., and along with Homer it was Hesiod's work that was the oldest to survive in Ancient Greece. It is still unclear which one of the two great poets came before the other, a source of debate among scholars even during antiquity. Hesiod's writings are one of the oldest and most important sources on topics like Greek mythology, farming, economic thought, astronomy, and timekeeping. Among the works credited to Hesiod is *The Shield of Heracles*, an archaic Greek epic poem consisting of 480 hexameter verses. The poem is about one of the journeys of Heracles, better known in English as Hercules. *Theogony* is an epic poem that discusses the beginning of the world, gods like Chaos, Gaia, and Eros, and the genealogy of the gods. Hesiod's work took all of the different mythologies spread among different regions of Greece and turned them into one national narrative for the entire nation.

poems about greek mythology: Poems from the Greek Mythology and Miscellaneous Poems - Scholar's Choice Edition Edmund Ollier, 2015-02-18 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

poems about greek mythology: *Theogony and Works and Days* Hesiod, 2017-01-16 *Theogony and Works and Days* Hesiod was a Greek poet generally thought by scholars to have been active between 750 and 650 BC, around the same time as Homer. He is generally regarded as the first written poet in the Western tradition to regard himself as an individual persona with an active role to play in his subject. Ancient authors credited Hesiod and Homer with establishing Greek religious customs. Modern scholars refer to him as a major source on Greek mythology, farming techniques, early economic thought (he is sometimes considered history's first economist), archaic Greek astronomy and ancient time-keeping. *Works and Days* The *Works and Days* is a didactic poem of some 800 lines written by the ancient Greek poet Hesiod around 700 BCE. At its center, the *Works and Days* is a farmer's almanac in which Hesiod instructs his brother Perses in the agricultural arts. Scholars have seen this work against a background of agrarian crisis in mainland Greece, which inspired a wave of colonial expeditions in search of new land. In the poem Hesiod also offers his brother extensive moralizing advice on how he should live his life. The *Works and Days* is perhaps best known for its two mythological aetiologies for the toil and pain that define the human condition: the story of Prometheus and Pandora, and the so-called Myth of Five Ages. The *Theogony* The *Theogony*, i.e. the genealogy or birth of the gods, is a poem by Hesiod (8th - 7th century BC) describing the origins and genealogies of the Greek gods, composed c. 700 BC. It is written in the Epic dialect of Homeric Greek.

poems about greek mythology: *Poems From the Greek Mythology* Edmund Ollier, 2015-06-14 Excerpt from *Poems From the Greek Mythology: And Miscellaneous Poems* The Poems contained in this volume were originally published in the *Athenæum*, *Household Words*, *All the Year Round*, and one or two other journals, from time to time, during a period of several years. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

poems about greek mythology: *Works and Days, Theogony and the Shield of Heracles* Hesiod, Hugh G. Evelyn-White, 2006-01-01 These three classics of Greek literature — often called extended poems — helped bridge the oral and written traditions of Greek civilization. Like his contemporary, Homer, Hesiod artfully relates the struggles and triumphs of the gods as he offers moral and practical advice for earthbound mortals. A poetic treatise on agriculture and farming, *Works and Days* also presents instructions for daily life and social behavior. *Theogony*, on the other hand, concerns the origins of the gods, from the battle between the Titans to the ultimate triumph of Zeus. The *Shield of Heracles* holds further adventure, recounting one of the legendary hero's epic battles. This scrupulously accurate and readable translation is essential for students of Greek mythology and literature.

poems about greek mythology: *Poems From the Greek Mythology and Miscellaneous Poems* Edmund Ollier, 2023-07-18 This book is a collection of poems by Edmund Ollier, an English writer and translator. It includes reimagined versions of some of the most famous stories from Greek mythology, as well as a selection of miscellaneous poems on a range of topics. Ollier's writing is notable for its rich, evocative language, and its vivid descriptions of the natural world. The book also provides valuable insights into the Victorian-era attitudes towards mythology, nature, and the role of

poetry in society. A must-read for anyone interested in classic literature or poetry. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

poems about greek mythology: The Theogony of Hesiod Hesiod, 2021-12-24 The Theogony of Hesiod Hesiod - The Theogony is essentially a large-scale synthesis of a vast variety of local Greek traditions concerning the gods and the universe, organized as a narrative that tells about the creation of the world out of Chaos and about the gods that shaped the cosmos. To some extent, it represents the Greek mythology equivalent of the book of Genesis in the Hebrew and Christian Bible, as it lists the early generations and genealogy of the gods, titans and heroes since the beginning of the universe. Interestingly, Hesiod claims in the work that he (a poet, and not some mighty king) had been given the authority and responsibility of disseminating these stories by the Muses directly, thus putting himself almost in the position of a prophet. In formal terms, the poem is presented as a hymn in 1,022 lines invoking Zeus and the Muses, in the tradition of the hymnic preludes with which an ancient Greek rhapsode would begin his performance at poetic competitions. The final written form of the Theogony was probably not established until the 6th Century BCE, however, and some editors have concluded that a few minor episodes, such as the Typhoeus episode in verses 820-880, is an interpolation (a passage introduced later). It should perhaps be seen not a definitive source of Greek mythology, but rather as a snapshot of a dynamic tradition of myths as it stood at that particular time. Greek mythology continued to change and adapt after this time, and some of the stories and attributes of the various gods have likewise transformed over time.

poems about greek mythology: Religion and mythology in Oscar Wilde's poem "The Sphinx" Melitta Töller, 2008-01-25 Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,0, LMU Munich (Department für Anglistik und Amerikanistik), course: Oscar Wilde, language: English, abstract: Introduction A poet is sitting in his room beside a Sphinx. Within the poem the Sphinx forms his main focus of interest, his whole attention belongs to her: a cheap souvenir from some street corner. But inside of the poet's room the Sphinx no longer remains a little piece of stone but, right in front of his eyes, becomes a real-life Sphinx - the age-old female demon of death, who besieged the city of Thebes as a punishment for the king of Thebes who introduced homosexual love into Greek culture and thus incurred Hera's hatred. The Sphinx, one of Oscar Wilde's most enchanting poems, is woven out of a net of various mythological beliefs and religious ideas. Wilde invokes a hotch-potch of varying creatures, who convey a magical atmosphere of ancient grandeur. In order to understand the poem one has to get to know the concepts that stand behind the various mythical creatures, gods and heroes. Therefore I will explain to which mythologies Wilde relates to and how they refer to each other. In this connection the time of Oscar Wilde has to be taken into consideration, too: Victorianism, with its crumbling of old values and conquering of new worlds; the period of decadence; the period of aestheticism. I would like to show some of the multitude of possible accesses, e.g. the identification of the Sphinx with the figure of the femme fatale; the personification of the Sphinx as the temptations and desires of the poet respectively The Sphinx as a metaphor for the loss of Christian faith in Victorian culture.

poems about greek mythology: Poems From the Greek Mythology Edmund Ollier, 2017-12-25 Excerpt from Poems From the Greek Mythology: And Miscellaneous Poems From elm to elm, hanging in middle air Their amethystine fruitage - clustering globes Andavhen the day was done, I sang blithe hymns, Crowning myself a victor o'er his toils With roses crimson-soul'd and ivy dark And I was happy. But at length a change Crept over me. The joys that once had been Ample and deep, seem'd tame and in their place Grew up a mighty vagueness, which, like shade From passing

clouds o'er sunlit lands, made blank Field after field of brilliance. Sadness fell Upon my soul, and it was desolate, - dark And rising sense of power, that might have stood On Jove's cerulean battlements alone. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. poems about greek mythology: The Theogony and Works and Days Hesiod, 2015-08-27 The Theogony and Works and Days Hesiod The Theogony, i.e. the genealogy or birth of the gods is a poem by Hesiod (8th - 7th century BC) describing the origins and genealogies of the Greek gods, composed circa 700 B.C. It is written in the Epic dialect of Homeric Greek. The Works and Days is a didactic poem of some 800 lines written by the ancient Greek poet Hesiod around 700 BCE. At its center, the Works and Days is a farmer's almanac in which Hesiod instructs his brother Perses in the agricultural arts. Scholars have seen this work against a background of agrarian crisis in mainland Greece, which inspired a wave of colonial expeditions in search of new land. In the poem Hesiod also offers his brother extensive moralizing advice on how he should live his life. The Works and Days is perhaps best known for its two mythological aetiologies for the toil and pain that define the human condition: the story of Prometheus and Pandora, and the so-called Myth of Five Ages.

poems about greek mythology: Gods and Mortals Nina Kossman, 2001-03-22 For centuries, poets have looked into the mirror of classical myth to show us the many ways our emotional lives are still reflected in the ancient stories of heroism, hubris, transformation, and loss that myths so eloquently tell. Now, in Gods and Mortals: Modern Poems on Classical Myths, we have the first anthology to gather the great 20th century myth-inspired poems from around the world. Perhaps it is because the myths echo the structure of our unconscious that every new generation of poets finds them a source of inspiration and self-recognition, says Nina Kossman in her introduction to this marvelous collection. Indeed, from Valery, Yeats, Lawrence, Rilke, Akhmatova, and Auden writing in the first half of the century to such contemporary poets as Lucille Clifton, Derek Walcott, Rita Dove, Wislawa Szymborska, and Mark Strand, the material of Greek myth has elicited a poetry of remarkably high achievement. And by organizing the poems first into broad categories such as Heroes, Lovers, Trespassers, and secondly around particular mythological figures such as Persephone, Orpheus, or Narcissus, readers are treated to a fascinating spectrum of poems on the same subject. For example, the section on Odysseus includes poems by Cavafy, W. S. Merwin, Gregory Corso, Gabriel Zaid, Louise Gluck, Wallace Stevens, and many others. Thus we are allowed to see the familiar Greek hero refracted through the eyes, and sharply varying stylistic approaches, of a wide range of poets from around the world. Here, then, is a collection of extraordinary poems that testifies to--and amply rewards--our ongoing fascination with classical myth.

poems about greek mythology: Orion: An Epic English Poem Richard Henry Horne, 2008-05 Written in 1843, Orion is a great epic poem with overtones that consist of aesthetically pleasing writing with a Shakespearean tinge, all wrapped in classical Greek mythology.
