The show is developed by Eric Heisser and is produced by Shawn Levy and Dan Levine. The series premiered on Netflix on April 23, 2021. The series takes place in a world that has been torn apart by monstrous creatures that dwell in the Shadow Fold, which is an impenetrable darkness that has cut off a part of the kingdom of Ravka. The story follows a young soldier named Alina Starkov,

who discovers she has unique magical powers that could be the key to saving her country. She discovers she is a Sun Summoner, which gives her the ability to summon and control light. Along with her best friend, Mal, she sets out to hone her powers and fight against the darkness that is threatening her kingdom. However, Alina soon finds herself in the middle of a political power struggle between the Grisha, a group of magical elites, and the Ravkan royalty who fear and distrust them.
