

son of a witch

Son of a Witch: An In-Depth Exploration of its Meaning, Origins, and Cultural Significance

Son of a witch is a phrase that evokes a blend of mysticism, folklore, and cultural narratives. Whether used literally or metaphorically, this expression carries a rich tapestry of historical, literary, and social connotations. In this comprehensive article, we will delve into the origins, cultural significance, literary references, and modern interpretations of the term "son of a witch," providing a thorough understanding of its multifaceted nature.

Understanding the Meaning of "Son of a Witch"

Literal vs. Figurative Interpretations

The phrase "son of a witch" can be interpreted in various ways depending on context:

- Literal Interpretation: Historically, this could refer to individuals believed or accused of being the offspring of a witch, often associated with suspicion or superstition.
- Figurative Interpretation: More commonly, it is used metaphorically to describe someone perceived as inheriting traits, qualities, or circumstances linked to witchcraft or mysticism.

Common Uses and Connotations

- In Folklore and Mythology: Used to denote characters believed to have inherited magical abilities or cursed lineage.
- In Literary Contexts: Portrayed as characters with supernatural heritage or as symbols of outsider status.
- In Modern Language: Sometimes employed as an insult or a term of endearment, depending on tone and intent.

Historical Origins and Cultural Context

The Witch Trials and Their Impact

The phrase's origins can be traced back to periods of intense witch hunts, particularly in Europe and North America during the 15th to 17th centuries:

- Accusations and Trials: People, especially women, were accused of witchcraft based on

superstition, leading to executions and social ostracism.

- Lineage and Bloodline Beliefs: The idea of being the child of a witch often carried stigma, with some believing that evil or supernatural traits could be inherited.

Folklore and Mythology

Many cultures have myths involving magical families or lineages:

- European Folklore: Tales of families cursed or blessed with magical powers, often passing down supernatural traits.
- African and Asian Traditions: Stories of hereditary witchcraft or spiritual lineage influencing social dynamics.

Social Stigma and Persecution

Historically, accusations of being a son or daughter of a witch could lead to persecution:

- Associations with Evil: Societal fears linked hereditary connections to witches with moral or social deviance.
- Impact on Families: Entire families could be ostracized or harmed based on accusations against an individual.

Literary and Pop Culture References

Literary Works Featuring "Son of a Witch"

The phrase appears frequently in literature, often symbolizing characters with mystical heritage:

- "Son of a Witch" by Gregory Maguire: A novel that explores themes of identity, power, and morality, as the son of the Wicked Witch of the West navigates his destiny.
- Fairy Tales and Folktales: Stories where children of witches inherit magical abilities or face societal opposition.

In Films and Television

Popular media often portray "sons of witches" as protagonists or antagonists:

- Fantasy Series: Characters like Salem's offspring or magical heirs symbolize inherited power and the burden of legacy.
- Horror Films: Sometimes depict the child of a witch as cursed or possessing sinister powers.

Modern Interpretations and Reimaginings

Contemporary pop culture has redefined the phrase:

- Empowerment Narratives: Framing the "son of a witch" as a figure of strength, independence, and challenge to societal norms.**
- Subversion of Stereotypes: Challenging stereotypical notions of evil associated with witch heritage.**

The Symbolism of "Son of a Witch"

Inheritance of Power and Responsibility

The phrase often symbolizes the passing down of magical or supernatural abilities:

- Responsibility: The burden of inherited powers or curses.**
- Identity: Struggling with one's heritage and societal expectations.**

Outsider Status and Rebellion

Sons of witches are frequently depicted as outsiders:

- Rebels Against Norms: Challenging societal fears and prejudices.**
- Symbols of Difference: Representing non-conformity or**

alternative identities.

Good vs. Evil Dichotomy

The phrase also embodies the complex morality associated with inherited traits:

- Moral Ambiguity: Not inherently evil; can be good, evil, or a mix of both.**
- Redemption and Choice: Emphasizing free will over inherited destiny.**

Modern Interpretations and Cultural Significance

Wicca and Modern Witchcraft

In contemporary spiritual movements:

- Reclaiming Identity: Embracing witch heritage as a source of empowerment.**
- Hereditary vs. Chosen Paths: Distinguishing between bloodline and personal spiritual journey.**

Pop Culture and Identity

The phrase has gained popularity in modern media:

- **Feminism and Empowerment:** Using witch symbolism to promote independence.
- **Fantasy and Gaming:** Characters with magical lineage often called "sons of witches" or similar titles.

Psychological and Sociological Perspectives

The concept can also reflect societal attitudes:

- **Fear of the Unknown:** How inherited traits evoke suspicion or admiration.
- **Rejection and Acceptance:** Navigating societal and personal acceptance of one's heritage.

Conclusion

The phrase "son of a witch" is steeped in history, mythology, literature, and modern culture. It symbolizes complex themes of inheritance, power, outsider status, and morality. Whether viewed through a historical lens as a mark of suspicion or embraced today as a symbol of empowerment, the concept continues to evolve. It challenges us to consider how heritage shapes identity and how societal perceptions influence our understanding of those with mystical or unconventional backgrounds. As the cultural landscape shifts, so does the meaning of being a "son of a witch," transforming from a symbol of fear to one of strength and individuality.

Frequently Asked Questions

What is the origin of the phrase 'son of a witch'?

The phrase 'son of a witch' is often used colloquially to describe someone who is believed to have supernatural or mischievous qualities, and it has roots in folklore and historical accusations of witchcraft, where children of accused witches were sometimes stigmatized.

Are there any popular books or movies titled 'Son of a Witch'?

Yes, 'Son of a Witch' is a novel by Gregory Maguire, and it is a

sequel to his book 'Wicked.' It explores the life of Elphaba's son and the themes of morality, power, and identity in a fantastical setting.

How does the phrase 'son of a witch' relate to modern pop culture?

In modern pop culture, 'son of a witch' is often used in fantasy literature, movies, and TV shows to denote characters with magical heritage or abilities, sometimes as a term of endearment or insult.

Is 'Son of a Witch' part of a series?

Yes, 'Son of a Witch' is the second book in Gregory Maguire's 'Wicked Years' series, following 'Wicked' and preceding other novels that expand on the stories of Oz characters.

What themes are explored in 'Son of a Witch' by Gregory Maguire?

The book explores themes such as good versus evil, identity, moral ambiguity, and the consequences of power, all set within a richly imagined fantasy universe.

Can 'son of a witch' be used as an insult?

Historically, it could be used pejoratively to imply someone is mischievous or morally suspect, but in modern usage, it is

often used playfully or within fantasy contexts without negative connotations.

Are there any real-world beliefs associated with the idea of being a 'son of a witch'?

Historically, accusations of witchcraft and suspicion of being related to witches led to social stigmatization, but today, the phrase is mostly used in fictional or humorous contexts rather than reflecting real-world beliefs.

How has the portrayal of 'son of a witch' characters evolved in literature?

Initially depicted as sinister or cursed, modern portrayals often explore complex identities and moral dilemmas, portraying 'sons of witches' as multidimensional characters with their own agency.

Son of a Witch: An In-Depth Exploration of the Sequel that Reimagines the Land of Oz

When it comes to expanding the enchanting universe of L. Frank Baum's classic Wizard of Oz, few works have managed

to evoke the same blend of whimsy, darkness, and mythic storytelling as *Son of a Witch* by Gregory Maguire. Published in 2008, this novel serves as both a sequel to Maguire's acclaimed *Wicked* and a standalone exploration of the complex moral landscapes that underpin the Land of Oz. As a literary piece, it offers a rich tapestry of characters, themes, and narrative techniques that merit a detailed examination. In this review, we will dissect *Son of a Witch* through an analytical lens, exploring its plot, characters, themes, and stylistic elements, ultimately positioning it as a vital contribution to modern fantasy literature.

Overview and Context: Setting the Stage

Background of the Novel

Gregory Maguire's *Son of a Witch* is the second installment in his "Wicked Years" series, which reimagines the land of Oz beyond the familiar yellow brick road. Following *Wicked: The Life and Times of the Wicked Witch of the West*, the novel delves deeper into the characters introduced earlier, particularly focusing on the enigmatic Liir, the presumed son of Elphaba—the Wicked Witch of the West.

Maguire's approach is characterized by a mature, often dark tone, contrasting sharply with Baum's original children's stories. He employs a sophisticated narrative voice that

intertwines political intrigue, moral ambiguity, and existential musings, positioning Son of a Witch as both a fantasy novel and a commentary on societal issues.

Plot Summary

The narrative of Son of a Witch is complex, weaving multiple storylines across different timelines and perspectives. Central to the story is Liir, a young man haunted by his past, seeking identity, purpose, and a sense of belonging in a world torn between magic and mundane realities.

Key plot points include:

- Liir's journey to discover his origins, grappling with the legacy of Elphaba and the expectations placed upon him.**
- The rise of new political factions within Oz, reflecting real-world themes of power, corruption, and resistance.**
- The resurgence of magic, which becomes a symbol of hope and rebellion.**
- Encounters with a variety of characters, including old favorites like the Cowardly Lion and new figures emblematic of the novel's themes.**

The novel culminates in Liir's confrontation with his own identity and the forces that seek to control or destroy it, emphasizing themes of self-acceptance and moral complexity.

In-Depth Character Analysis

Liir: The Protagonist's Journey

Liir stands at the center of the narrative, embodying the novel's exploration of inherited legacy and personal agency. As the presumed son of Elphaba, Liir is burdened with a reputation for wickedness, yet he grapples with his own moral compass. Maguire crafts Liir as a deeply human character—flawed, searching, and resilient.

Noteworthy traits include:

- An inherent curiosity about his origins and the world around him.**
- A conflicted morality, questioning authority and societal norms.**
- A desire for love and belonging, often manifested through his relationships with other characters.**

Liir's development is a testament to the novel's overarching message: one's identity is not solely defined by lineage but by choices and actions.

Supporting Characters and Their Roles

While Liir is the protagonist, the novel boasts a rich cast, each contributing to its thematic depth:

- Elphaba: The legendary Wicked Witch, whose influence persists beyond her death. Her legacy is both a curse and a catalyst for change.**
- Liir's friends: Characters like Nor, a rebellious young girl,**

and the Cowardly Lion, now more introspective, serve to reflect various facets of Oz society.

- Antagonists: Figures representing corrupt authority and oppressive regimes, embodying the novel's critique of power structures.**
- Magical Entities: Spirits, witches, and enchanted objects that symbolize hope, fear, and moral ambiguity.**

Together, these characters create a vibrant tableau that explores themes of identity, power, and morality.

Thematic Deep Dive

Good, Evil, and Moral Ambiguity

Unlike traditional fairy tales that cast characters in clear moral binaries, *Son of a Witch* revels in moral ambiguity. Characters like Elphaba and Liir are neither wholly good nor evil but operate within a spectrum. Maguire challenges readers to reconsider notions of wickedness, suggesting that societal labels often obscure genuine morality.

Themes include:

- The cost of rebellion against oppressive systems.**
- The nature of evil as a product of circumstance and choice.**
- The redemption arc for characters misunderstood or marginalized.**

This nuanced portrayal encourages a reflection on real-world moral complexities.

Power, Politics, and Resistance

Set against a backdrop of political upheaval, the novel examines how power manifests and is contested within Oz.

Maguire depicts a society grappling with:

- The rise of authoritarian regimes that suppress magic and dissent.**
- The emergence of resistance movements led by characters who believe in justice.**
- The corruption inherent in political institutions and societal hierarchies.**

The novel's depiction of resistance is both literal—through magical rebellion—and metaphorical, representing broader struggles for social justice.

The Role of Magic and Nature

Magic in *Son of a Witch* is intertwined with themes of nature, spirituality, and identity. It is not merely a tool but a living force that reflects the characters' inner worlds. Maguire explores:

- The resurgence of magic as a symbol of hope.**
- The connection between magic and the natural world, emphasizing balance and harmony.**
- The dangers of misusing magic, highlighting ethical**

considerations.

This thematic exploration underscores the idea that power must be wielded responsibly.

Stylistic and Literary Elements

Narrative Style and Tone

Maguire's writing in Son of a Witch is characterized by:

- A literary, lyrical prose that elevates the fantasy genre to high art.**
- An interweaving of multiple perspectives, providing a layered understanding of events.**
- A tone that oscillates between dark and whimsical, reflecting the duality of Oz.**

This stylistic approach enhances the depth and emotional resonance of the story.

World-Building and Setting

Maguire reimagines Oz with meticulous detail, creating a universe that feels both familiar and novel:

- A society grappling with moral and political upheaval.**

- Environments ranging from magical forests to urban centers teeming with intrigue.
- An underlying mythology that extends Baum's original tales but infuses them with modern sensibilities.

The immersive world-building invites readers to lose themselves in a complex, layered universe.

Symbolism and Allegory

Throughout the novel, Maguire employs symbolism to deepen thematic exploration:

- Wings and flight as symbols of aspiration and freedom.
- Dark forests representing the unknown and inner fears.
- Magic as resistance signifies hope against despair.

These symbols serve as a bridge between fantasy and real-world issues.

Critical Reception and Legacy

Son of a Witch has garnered a mixed but generally favorable reception among critics and readers alike. Many praise Maguire's sophisticated storytelling and complex characters, while some note its departure from traditional fairy tale simplicity.

Key points of reception:

- Recognition for its moral complexity and thematic depth.**
- Appreciation for Maguire's world-building and prose style.**
- Criticism for its dense narrative and sometimes bleak tone.**

Despite differing opinions, the novel's impact lies in its ability to challenge perceptions of good and evil within a beloved universe, prompting readers to question societal norms and personal morality.

Final Thoughts: Is it a Must-Read?

Son of a Witch stands out as a compelling, richly textured work that expands the mythic universe of Oz while addressing universal themes of morality, power, and identity. For fans of fantasy literature seeking a story that combines imaginative world-building with philosophical depth, this novel offers a rewarding experience.

Its intricate characters, layered storytelling, and thematic richness make it a worthy successor to Wicked and an essential read for those interested in modern reinterpretations of classic fairy tales. Whether as a standalone or part of the larger "Wicked Years" series, Son of a Witch exemplifies how fantasy can serve as a mirror to our societal realities, offering both escapism and introspection.

In conclusion, Gregory Maguire's Son of a Witch is more than just a sequel; it is a thought-provoking exploration of morality, power, and identity cloaked in the enchanting guise of Oz. Its literary craftsmanship, thematic profundity, and complex characters make it a standout piece in contemporary fantasy literature. For those willing to venture beyond the surface, it promises an enriching journey into a world where nothing is quite as simple as it seems.

Son Of A Witch

son of a witch: Son of a Witch M. Z. Andrews, 2017-03-22 Mercy Habernackle has just gotten the surprise of a lifetime. She has a brother - and not just any brother, a dark, mysterious, and incredibly hot brother. Given up for adoption twenty-four years ago, Reign Alexander just wants to get to know his long lost sister, but things take a dangerous turn when on his first night in Aspen Falls, a woman ends up dead, in Reign's bed! Desperate to prove her brother's innocence and save her mother from heartache, Mercy enlists the help of the Witch Squad to find out who really killed Harper Bradshaw. But when Mercy discovers that her brother has been lying to her since he got to town, she must ask herself is her brother really as innocent as he begs her to believe? When a second victim is discovered dead and Harper's sister, Elena is held at gunpoint, Mercy must rely on her wits and her and the Witch Squad's paranormal abilities to put the puzzle pieces together and save the day.

son of a witch: Son of a Witch LP Gregory Maguire, 2009-01-06 The long-anticipated sequel to the million-copy bestselling novel Wicked Ten years after the publication of Wicked, beloved novelist Gregory Maguire returns at last to the land of Oz. There he introduces us to Liir, an adolescent boy last seen hiding in the shadows of the castle after Dorothy did in the Witch. Bruised, comatose, and left for dead in a gully, Liir is shattered in spirit as well as in form. But he is tended at the Cloister of Saint Glinda by the silent novice called Candle, who wills him back to life with her musical gifts. What dark force left Liir in this condition? Is he really Elphaba's son? He has her broom and her cape -- but what of her powers? Can he find his supposed half-sister, Nor, last seen in the forbidding prison, Southstairs? Can he fulfill the last wishes of a dying princess? In an Oz that, since the Wizard's departure, is under new and dangerous management, can Liir keep his head down long enough to grow up? For the countless fans who have been dazzled and entranced by Maguire's Oz, Son of a Witch is the rich reward they have awaited so long.

son of a witch: Son of a Witch Gregory Maguire, 2007 Back in the land of Oz, the adolescent boy Liir was last seen hiding in the shadows of the castle after Dorothy did in the Witch. son of a witch: Wicked/Son of a Witch Collection (HC Boxed Set) Gregory Maguire, 2006-10-01 Fall under a wicked spell with this Gregory Maguire slipcased collection.

son of a witch: The Wicked Series Box Set Gregory Maguire, 2024-10 The bestselling classic and basis for the Tony Award-winning musical and upcoming movie *Wicked*, here paired for the first time with the other three books in the *Wicked Years* series (*Son of a Witch*, *A Lion Among Men*, and *Out of Oz*) in a stunning box set featuring a gorgeous design and new covers for all four trade paperbacks. Gregory Maguire's groundbreaking New York Times bestselling series redefined the land of Oz, its inhabitants, its Wizard, and the Emerald City, viewing the world created by L. Frank Baum through a darker and greener lens. *Wicked*. The first novel in the series, basis of the smash hit musical, explores a land where animals talk and strive to be treated like first-class citizens, Munchkinlanders seek the comfort of middle-class stability, and the Tin Man becomes a victim of domestic violence. And then there is the little green-skinned girl named Elphaba, who will grow up to become the infamous Wicked Witch of the West--a smart, prickly, and misunderstood creature who challenges all our preconceived notions about the nature of good and evil. *Son of a Witch*. A decade after the Witch has melted away, her son, a young man called Liir, is discovered bruised, comatose, and left for dead in a gully. Shattered in spirit as well as in form, he is tended by the mysterious Candle, a foundling in her own right, until failed campaigns of his childhood bear late, unexpected fruit. *A Lion Among Men*. While civil war looms in Oz, the Cowardly Lion, an enigmatic figure named Brrr, arrives in search of information about Elphaba Thropp, the Wicked Witch of the West. *Out of Oz*. The marvelous land of Oz is knotted with social unrest: The Emerald City is mounting an invasion of Munchkinland, Glinda is under house arrest, and the Cowardly Lion is on the run from the law. And look who's knocking at the door. It's none other than Dorothy. Yes, that Dorothy. Amid all this chaos, Elphaba's granddaughter, the tiny green baby born at the close of *Son of a Witch*, has come of age. Now, Rain will take up her broom in an Oz wracked by war.

son of a witch: The Advocate , 2005-09-27 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

son of a witch: The Wicked Years Complete Collection Gregory Maguire, 2013-11-26 The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire's *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank Baum's 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the

power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch.

son of a witch: *Wicked* Source Wikipedia, 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 29. Chapters: Son of a Witch, Wicked: The Life and Times of the Wicked Witch of the West, Ruby slippers, A Lion Among Men, Nessarose, List of awards and nominations for the musical Wicked, Wannabe Wicked, The Wicked Years. Excerpt: Wicked is a musical with music and lyrics by Stephen Schwartz and a book by Winnie Holzman. It is based on the Gregory Maguire novel Wicked: The Life and Times of the Wicked Witch of the West (1995), a parallel novel of the 1939 film *The Wizard of Oz* and L. Frank Baum's classic story *The Wonderful Wizard of Oz* (1900). The musical is told from the perspective of the witches of the Land of Oz: Elphaba, the misunderstood girl with emerald-green skin, and Glinda, later Glinda, the beautiful, ambitious and popular blonde. Wicked tells the story in which these two unlikely friends grow to become the Wicked Witch of the West and the Good Witch of the North while struggling through opposing personalities and viewpoints, rivalry over the same love-interest, reactions to the Wizard's corrupt government, and, ultimately, Elphaba's public fall from grace. The plot begins before and continues after Dorothy's arrival from Kansas and includes references to locations, events, characters and situations from both the 1939 film and Baum's novel. Produced by Universal Pictures in coalition with Marc Platt and David Stone, the Joe Mantello-directed and Wayne Cilento-choreographed original production of Wicked premiered on Broadway at the Gershwin Theatre in October 2003, after completing pre-Broadway SHN tryouts at San Francisco's Curran Theatre in May 2003. Its original stars included Idina Menzel as Elphaba, Kristin Chenoweth as Glinda, and Joel Grey as the Wizard. Despite drawing heavy criticism from *The New York Times* and mixed critical reception elsewhere, the musical has proved to be a favorite among patrons. The...

son of a witch: [Amazons in America](#) Keira V. Williams, 2019-03-06 With this remarkable study, historian Keira V. Williams shows how fictional matriarchies—produced for specific audiences in successive eras and across multiple media—constitute prescriptive, solution-oriented thought experiments directed at contemporary social issues. In the process, *Amazons in America* uncovers a rich tradition of matriarchal popular culture in the United States. Beginning with late-nineteenth-century anthropological studies, which theorized a universal prehistoric matriarchy, Williams explores how representations of women-centered societies reveal changing ideas of gender and power over the course of the twentieth century and into the present day. She examines a deep archive of cultural artifacts, both familiar and obscure, including L. Frank Baum's *The Wizard of Oz* series, Progressive-era fiction like Charlotte Perkins Gilman's utopian novel *Herland*, the original 1940s *Wonder Woman* comics, midcentury films featuring nuclear families, and feminist science fiction novels from the 1970s that invented prehistoric and futuristic matriarchal societies. While such texts have, at times, served as sites of feminist theory, Williams unpacks their cyclical nature and, in doing so, pinpoints some of the premises that have historically hindered gender equality in the United States. Williams also delves into popular works from the twenty-first century, such as Tyler Perry's *Madea* franchise and DC Comics/Warner Bros.' globally successful film *Wonder Woman*, which attest to the ongoing presence of matriarchal ideas and their capacity for combating patriarchy and white nationalism with visions of rebellion and liberation. *Amazons in America* provides an indispensable critique of how anxieties and fantasies about women in power are culturally expressed, ultimately informing a broader discussion about how to nurture a stable, equitable society.

son of a witch: *A Witch's Year* Levannah Morgan, 2025-01-30 *A Witch's Year* is a compendium of magic, lore, rituals, observances, spells, crafts, meditations, visualisations and all manner of practices that will bring you into a deeper relationship with all the beings who share this world with us, with the spirit world and with the gods. Written by one of Britain's most well-respected and influential witches, and superbly illustrated by Nooka Shepherd, with every passing month, you will discover how this great tide works through your magical life: how the great time cycles animate life, about the goddesses and gods, the world of spirit, and how to live here in this world now. Praise for *A Witch's Year* 'An excellent handbook of seasonal magic and celebration, the work of a very experienced and informed practitioner, with a rich abundance of original rituals, spells and handicrafts.' Ronald Hutton ~ Professor of history and author 'In *A Witch's Year*, the fabulously erudite and straight-talking Levannah Morgan guides us through the rhythmic pulses of magic; the season, the tides, the phases of the moon and more. Each month she shares practical things to do, ways of marking and connecting with the magic and the raw physicality of the season, as well as meditations and ritual work. Expect athames and knitting needles as magical tools here, and advice on natural dyes as well as esoteric theory.' Julianayne ~ British independent scholar and author Nooka Shepherd is a multi-media artist who explores the internal landscapes in paint, sculpture and embroidery. Nooka's work shares a deeply personal and intimate relationship with the natural world.
