She was frequently seen bursting into out of tune singing and is once asked to sing to Adder to wake the snake up. In the poisoned fields, she tries to start a marching song, to cheer everyone up, but is silenced by Hare, who points out that she will draw attention to them while they are in the open. Despite her apparent disregard for the oath (she is often reminded of it when taunting Adder), Weasel is helpful on a number of occasions. When Badger is caught in the river, Weasel bites...
