

mccartney give ireland back to the irish

mccartney give ireland back to the irish has become an iconic phrase associated with the powerful protest song by Paul McCartney and Wings. This rallying cry captures a significant moment in music history and Irish political activism, emphasizing the desire for independence and self-determination. In this article, we explore the origins of the phrase, the historical context behind it, its cultural impact, and the enduring legacy of the song and its message.

The Origins of "Give Ireland Back to the Irish"

Paul McCartney and Wings: The Creators

- Paul McCartney, formerly of The Beatles, released "Give Ireland Back to the Irish" in 1972 with his band Wings.
- The song was a direct response to the ongoing conflict in Northern Ireland, known as The Troubles.
- It marked one of the first times a major British artist publicly addressed the political situation in Ireland through music.

The Political Climate of Early 1970s Ireland

- The Troubles, a violent conflict mainly in Northern Ireland, began in the late 1960s and persisted through the late 20th century.
- The conflict involved republican and loyalist paramilitary groups, state security forces, and civilians.
- Many Irish nationalists and republicans demanded unification with the Republic of Ireland, seeking independence from British rule.

The Significance of the Phrase and Song

Lyrics and Message

- The song's chorus explicitly states, "Give Ireland back to the Irish," a clear plea for Irish sovereignty.
- The lyrics reflect McCartney's support for Irish self-determination and criticize British government policies in Northern Ireland.
- The song also contains lines emphasizing unity and the hope for peace.

Controversy and Reception

- The song was considered provocative and was banned by the BBC initially.
- Despite mixed reactions, it became an anthem for Irish nationalists and supporters of Irish independence.
- The song's bold political stance demonstrated McCartney's willingness to use his platform for activism.

The Cultural Impact of "Give Ireland Back to the Irish"

Influence on Irish and British Politics

- The song inspired political debate about Ireland's independence and the role of artists in activism.
- It highlighted the power of music as a form of protest and social commentary.
- The song's message resonated with many Irish people, fueling nationalist sentiments.

Legacy in Music and Protest Movements

- "Give Ireland Back to the Irish" remains an important example of protest music from the 20th century.
- It influenced other artists to address political issues through their work.
- The song is often referenced during discussions of Irish history and the role of cultural figures in activism.

Paul McCartney's Perspective and Evolution

Initial Intentions

- McCartney wrote the song out of genuine concern for the Irish conflict.
- He aimed to raise awareness and promote solidarity with Irish nationalists.

Reflections and Later Views

- Over time, McCartney has expressed mixed feelings about the song's impact.
- He has emphasized the importance of peace and reconciliation in Ireland.
- Despite controversies, he maintains that the song was a political statement rooted in support for Irish independence.

The Song's Role in Irish Independence Movements

Symbolic Significance

- Though not a formal part of any political movement, the song became a symbol of Irish resistance.
- It represented the broader struggle for Irish sovereignty and the desire to "take back" control.

Use in Cultural and Political Events

- The song has been performed at rallies, protests, and cultural gatherings advocating for Irish independence.
- Its lyrics continue to inspire activism and awareness campaigns.

Modern Relevance and Cover Versions

Contemporary Interpretations

- Several artists and bands have covered "Give Ireland Back to the Irish," highlighting its lasting influence.
- The song's message remains relevant during periods of political tension in Ireland and beyond.

Reinterpretations and Criticisms

- Some modern audiences view the song as a historical artifact rather than a current political statement.
- Others critique its confrontational tone, advocating for more nuanced approaches to peace and sovereignty issues.

The Broader Context of Protest Songs in History

Music as a Tool for Political Change

- Throughout history, artists have used music to challenge injustices and mobilize support.
- Songs like "Give Ireland Back to the Irish" exemplify how music can serve as a rallying cry.

Other Notable Protest Songs

1. "Blowin' in the Wind" by Bob Dylan
2. "The Times They Are A-Changin'" by Bob Dylan
3. "War" by Edwin Starr
4. "Imagine" by John Lennon
5. "Fortunate Son" by Creedence Clearwater Revival

Conclusion: The Enduring Legacy of "Give Ireland Back to the Irish"

"Give Ireland Back to the Irish" by Paul McCartney and Wings stands as a powerful testament to the role of music in political activism. Its bold lyrics and historical context underscore the importance of artistic expression in advocating for sovereignty, peace, and justice. Over the decades, the song has transcended its initial controversy to become an emblem of Irish independence and a symbol of protest music worldwide. As Ireland continues to evolve politically and culturally, the song's message remains a poignant reminder of the enduring struggle for self-determination and the unifying power of music to inspire change.

Note: For further reading, explore the history of The Troubles, the role of protest music in social movements, and Paul McCartney's broader activism efforts.

Frequently Asked Questions

What is the significance of the song 'Give Ireland Back to the Irish' by Paul McCartney?

The song is a protest anthem from 1972 expressing Irish nationalists' desire for independence from British rule, reflecting McCartney's support for Irish sovereignty during a turbulent period.

How did Paul McCartney's 'Give Ireland Back to the Irish' impact his career and public image?

The song showcased McCartney's willingness to engage with political issues, which was controversial at the time, garnering both praise for activism and criticism from those who felt it was too provocative.

What was the political context in Ireland when 'Give Ireland Back to the Irish' was released?

Released in 1972, during the Troubles, a conflict in Northern Ireland involving nationalist and unionist tensions, the song expressed solidarity with Irish republican aims for unification.

How did the British government and media respond to McCartney's 'Give Ireland Back to the Irish'?

The response was mixed; some viewed it as a bold political statement, while others criticized it as inflammatory or inappropriate for a pop artist, leading to debates about music and politics.

Are there any notable cover versions or adaptations of 'Give Ireland Back to the Irish'?

While the song remains primarily associated with McCartney, it has been covered by various Irish and punk bands as a symbol of Irish nationalism and protest.

What was the reaction of the Beatles' fanbase to Paul McCartney's political stance expressed in this song?

Reactions varied; some fans supported the message and appreciated McCartney's activism, while others preferred his music to remain apolitical, leading to divided opinions among fans.

Has Paul McCartney spoken about his motivations for writing 'Give Ireland Back to the Irish'?

Yes, McCartney has stated that he wanted to show support for Irish independence and to use his platform to raise awareness about the conflict in Ireland.

What is the legacy of 'Give Ireland Back to the Irish' in terms of protest music?

The song is considered one of the early examples of a major pop artist directly engaging with political issues, influencing later protest music and artists who combine activism with their work.

Is 'Give Ireland Back to the Irish' still relevant

today?

Yes, the song remains a symbol of Irish nationalism and protest, and its message continues to resonate in discussions about Irish independence and the role of music in political activism.

"Give Ireland Back to the Irish" by Paul McCartney: A Deep Dive into Its Historical Significance and Cultural Impact

Introduction: The Context Behind "Give Ireland Back to the Irish"

In 1972, amidst a turbulent period in Irish history, Paul McCartney released "Give Ireland Back to the Irish" as a powerful protest song. This single marked a notable departure from his work with The Beatles, reflecting his engagement with political issues and his empathy for Irish struggles. The song's release was a bold statement, both musically and politically, and it remains a significant artifact in the history of protest music.

The Political Landscape of Ireland in the Early 1970s

The Troubles: A Brief Overview

- Origins: The Troubles began in the late 1960s, rooted in longstanding sectarian tensions between mainly Catholic nationalists/republicans seeking unification of Ireland and mainly Protestant unionists/loyalists wanting to remain part of the United Kingdom.
- Key Issues: Discrimination, civil rights abuses, and political disenfranchisement fueled unrest.
- Violence and Conflict: The conflict saw bombings, shootings, and military interventions, leading to thousands of deaths and injuries.

The British Government's Role

- Deployment of the British Army in 1969 to quell unrest.

- Implementation of policies seen by many Irish nationalists as oppressive.
- The ongoing debate over sovereignty and civil rights created a charged atmosphere.

Public Sentiment and Global Awareness

- International attention grew, with many sympathizing with the Irish nationalist cause.
- The civil rights movement in Northern Ireland gained momentum, paralleling movements elsewhere for equality and justice.

Paul McCartney's Motive and the Creation of the Song

Why McCartney Chose to Address Ireland

- McCartney, as a prominent figure, felt a moral obligation to voice support.
- His interest was also personal, given his Irish roots and the global platform he wielded.
- The song was released at a time when public opinion was shifting, and protest songs could influence political discussions.

Musical and Lyrical Composition

- Musical Style: The track features a spirited, upbeat melody, combining rock elements with a marching rhythm that underscores its protest message.
- Lyrics: Direct and confrontational, the lyrics demand the return of Ireland's sovereignty:

"Give Ireland back to the Irish / Let them say what they want to / Let them have their land again / And their freedom too."

- The song's simplicity amplifies its message, making it accessible and emotionally charged.

Production and Release

- Produced rapidly, with a raw energy that matched the urgency of its message.
- Released as a single in 1972, it was McCartney's first solo protest song, signaling his willingness to take political stances publicly.

Reception and Impact of "Give Ireland Back to the Irish"

Initial Public and Critical Response

- The song was met with mixed reactions:
- Many in Ireland and among Irish sympathizers embraced it as a bold statement.
- Some critics and fans viewed it as too politically charged or simplistic.
- The song's energetic delivery contrasted with the typical protest music of the era, making it stand out.

Controversies Surrounding the Track

- The British government reportedly considered banning the song due to its political content.
- Some radio stations refused to play it, fearing political repercussions.
- McCartney faced criticism from those who believed music should remain apolitical or from those opposing the song's message.

Chart Performance and Legacy

- The song reached modest chart success but did not become a major commercial hit.
- Its significance lies more in its cultural and political statement than in commercial performance.
- Over time, it has been recognized as an important artifact of protest music and McCartney's personal evolution.

The Musical and Cultural Significance of the Song

Musical Innovations and Style

- The song's upbeat tempo and marching rhythm evoke a sense of urgency and activism.
- It incorporates a combination of rock and folk elements, making it accessible yet powerful.
- The energetic chorus and straightforward lyrics enhance its rallying cry effect.

Symbolism and Messaging

- The call to "give Ireland back" symbolizes a desire for self-determination and sovereignty.
- The song acts as a unifying anthem for Irish nationalists and sympathizers.
- Its directness challenged listeners to confront political realities and injustices.

Impact on Protest Music and Political Art

- Paved the way for other musicians to engage politically.
- Demonstrated that pop music could serve as a vehicle for activism.
- Highlighted the power of cultural figures in shaping political discourse.

The Broader Cultural and Political Repercussions

Influence on Irish and British Politics

- While the song did not directly influence policy, it contributed to the broader conversation about Irish sovereignty.
- It exemplified the role of popular culture in expressing political sentiments, especially among youth.

Inspiration for Future Activist Music

- Inspired artists like U2, The Clash, and other politically conscious bands.
- Reinforced the idea that music can be a form of protest and solidarity.

Legacy and Reappraisal

- Today, "Give Ireland Back to the Irish" is regarded as a pioneering protest song.
- It is studied in music history courses as an example of politically engaged pop.
- The song's message remains relevant, reminding audiences of the importance of self-determination and cultural identity.

Criticisms and Limitations

Perceived Simplification of Complex Issues

- Some critics argue the song's lyrics are overly simplistic, reducing a complex political conflict to a call for land and sovereignty.
- Others believe the song lacks nuance, neglecting the broader historical context.

Potential Backlash and Political Polarization

- The song's direct approach risked alienating audiences who favored a more diplomatic or neutral stance.
- It's debated whether such overt activism in music helps or hinders political dialogue.

Reception in Different Communities

- While celebrated by Irish nationalists, some in the UK viewed it as provocative or offensive.
- The song underscored existing divisions and highlighted the challenges of protest music crossing cultural boundaries.

Conclusion: The Lasting Significance of "Give Ireland Back to the Irish"

Paul McCartney's "Give Ireland Back to the Irish" stands as a testament to the power of music as a form of political expression. Its energetic composition, direct messaging, and historical timing have cemented its place as a pioneering protest song. While it faced controversy and mixed reactions upon release, its enduring legacy lies in demonstrating that even pop icons can engage deeply with pressing social issues.

Today, the song continues to inspire discussions about the role of artists in activism and the importance of cultural voices in political movements. It serves as a reminder that music is not just entertainment but can be a catalyst for awareness and change, especially when addressing matters as complex and emotionally charged as national sovereignty and civil rights.

In summary, "Give Ireland Back to the Irish" is more than just a song—it's a

bold statement of solidarity, a political rallying cry, and a piece of musical history that exemplifies the intersection of art and activism. Its influence persists, encouraging artists and audiences alike to consider the power they hold in shaping dialogue and advocating for justice.

Mccartney Give Ireland Back To The Irish

mccartney give ireland back to the irish: The Words and Music of Paul McCartney Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney, from 1970-2007, offers an analysis of his songs, recordings, and his impact on popular music. The Words and Music of Paul McCartney: The Solo Years examines the large and varied oeuvre of this deeply personal artist, showing how McCartney's stint as a Beatle continues to inform his solo music, as well as how he has transcended his days as a member of the Fab Four. After a biographical introduction, chronologically arranged chapters explore McCartney's music in the immediate aftermath of the breakup of the Beatles, his work with Wings during the 1970s, his collaborations with other artists during the 1980s, and his compositions of the 1990s, including his first forays into

classical music. The examination also covers McCartney's critically acclaimed work in the first decade of the 21st century, including *Memory Almost Full* and *Ecce Cor Meum*, a composition written in the style of sacred English choral music. Throughout, the book supplies analytical insights and historical background to a repertoire that, surprisingly, has not previously been covered in detail.

mccartney give ireland back to the irish: Ireland John R. Strachan, Alison O'Malley-Younger, 2010 The essays in this collection all revolve around the notion of change in Ireland, whether by revolution or by evolution. Developments in the shared histories of Ireland and Great Britain are an important theme throughout the book. The volume begins by examining two remarkable Irishmen on the make in Georgian London: the boxing historian Pierce Egan and the extraordinary Charles Macklin, eighteenth-century actor, playwright and manslaughterer. The focus then moves to aspects of Hibernian influence and the presence of the Irish Diaspora in Great Britain from the medieval period up to the late nineteenth- and early twentieth-century celebrations of St Patrick's Day in Manchester. The book also considers the very different attitudes to the British Empire evident in the career of the 1916 rebel Sir Roger Casement and the Victorian philologist and colonial servant Whitley Stokes. Further essays look at writings by Scottish Marxists on the state of Ireland in the 1920s and the pronouncements on the Troubles by John Lennon and Paul McCartney. The book also examines change in the culture of the island of Ireland, from the development of the Irish historical novel in the nineteenth century, to ecology in contemporary Irish women's poetry, to the present state of the Roman Catholic Church in Ireland. Contemporary Irish authors examined include Roddy Doyle, Joseph O'Connor and Martin McDonagh.

mccartney give ireland back to the irish: Lennon And McCartney, Together Alone John Blaney, 2007-03-28 Two of popular music's greatest writers and performers, John Lennon and Paul McCartney both went on to intriguing solo careers after their work with the Beatles. This book chronologically tells the story of their post-Beatles music, starting with McCartney's soundtrack for the movie *The Family Way* and Lennon's *Unfinished Music No.1: Two Virgins* with Yoko Ono. The book details Lennon and McCartney's creative highs and lows in an authoritative and engaging critical fashion. Information for collectors includes release dates, catalog numbers, composer credits, recording personnel, recording studios used, and producer credits. There is also a keyed index to help trace each song and the albums it appears on. *Lennon and McCartney: Together Alone* tells the stories behind the songs of two giants of modern music.

mccartney give ireland back to the irish: McCartney Solo: See You Next Time Mark Bowen, 2009-09-06 'See You Next Time: McCartney Solo' tells the story of the post-Beatles career of one of the biggest names in pop music. In a track-by-track analysis Mark Bowen takes a detailed look at the Wings and solo years through to the latest *Fireman* release. Although the beginnings of Wings were somewhat shambolic, by the mid-1970s Paul had maintained his position as a global superstar. Often chastised for his overt commerciality, his less familiar and experimental output is also examined. Even in the twilight of his career Paul has found new creative avenues to explore and his ability as a songwriter remains as strong as ever. Mark Bowen is a professional journalist and life-long Beatles fan.

mccartney give ireland back to the irish: The Rough Guide to Rock Peter Buckley, 2003 Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock from R & B through punk and rap.

mccartney give ireland back to the irish: Speaking Words of Wisdom Michael McGowan, 2024-06-25 "More popular than Jesus." Despite the uproar it caused in America in 1966, John

Lennon's famous assessment of the Beatles vis-à-vis religion was not far off. The Beatles did mean more to kids than the religions in which they were raised, not only in America but everywhere in the world. By all accounts, the Beatles were the most significant musical group of the twentieth century. Their albums sold in the hundreds of millions, and the press was always eager to document their activities and perspectives. And when fan appreciation morphed into worship, Beatlemania took on religious significance. Many young people around the world began to look to the Beatles—their music, their commentary, their art—for meaning in a turbulent decade. *Speaking Words of Wisdom* is a deep dive into the Beatles' relationship to religion through the lenses of philosophy, cultural studies, music history, and religious studies. Chapters explore topics such as religious life in Liverpool, faith among individual band members, why and how India entered the Beatles' story, fan worship/deification, and the Beatles' long-lasting legacy. In the 1960s, the Beatles facilitated a reevaluation of our deepest values. The story of how the Beatles became modern-day sages is an important case study for the ways in which consumers make culturally and religiously significant meaning from music, people, and events. In addition to the editor, the contributors to this book include David Bedford, Kenneth Campbell, John Covach, Melissa Davis, Anthony DeCurtis, Mark Duffett, Scott Freer, Murray Leeder, Sean MacLeod, Grant Maxwell, Christiane Meiser, and Eyal Regev.

mccartney give ireland back to the irish: Hit Records David Lonergan, 2005 With entries for almost 6000 popular songs that were featured on the Top 40 charts during the fifties, sixties, and early seventies, this reference volume will whisk you back to the early days of rock and roll. Every song is listed, title and variants are given, and there are two long indexes that allow the user to find every song written by a given composer or recorded by a given artist. This resource greatly simplifies the process of discovering which composers provided songs for a particular artist, and which composers assisted one another, as well as indicating the peak Top 40 chart position of each song. This meticulously-researched resource will be of great value to both the serious researcher, record collector, and the nostalgic browser.

mccartney give ireland back to the irish: The Cambridge Companion to the Beatles Kenneth Womack, 2009-11-12 From Please Please Me to Abbey Road - the fascinating story of the Fab Four's creation, works, and enduring musical legacy.

mccartney give ireland back to the irish: Terrorism in the United States United States. Congress. Senate. Committee on the Judiciary, 1997

mccartney give ireland back to the irish: Band on the Run Garry McGee, 2003-03-11 After the breakup of the Beatles in 1971, Paul McCartney formed Wings with his wife Linda on keyboards, ex-Moody Blues guitarist Denny Laine, and American session drummer Denny Seiwell. For ten dramatic and turbulent years, the band weathered the critics, endured pot busts, survived a harrowing recording stint in Nigeria, changed drummers constantly, and produced a great deal of remarkable music. McGee's tale of one of the most successful bands of the seventies—the first book to focus exclusively on Paul's post-Beatles years—tells the stories behind the #1 hits Listen To What the Man Said, My Love, Band on the Run, Jet, With a Little Luck, and Coming Up. McGee reveals the band's inner dynamics and its relationship with the press and public, examining Paul's determination to pursue a new sound, the criticisms Linda initially got from fans and bandmates, and the character conflicts that kept the lineup changing. Appendices include interviews with former Wings guitarist Henry McCullough, a complete discography, a list of singles with Paul's comments on each, and rankings from the sales charts. *Band on the Run* also includes a trove of rare Wings promotional material—album covers, posters, ads, and candid photos of the band on tour.

mccartney give ireland back to the irish: Catalog of Copyright Entries Library of Congress. Copyright Office, 1972

mccartney give ireland back to the irish: Man on the Run Tom Doyle, 2014-06-17 An illuminating look at the most tumultuous decade in the life of a rock icon—the only McCartney biography in decades based on firsthand interviews with the ex-Beatle himself. As the 1970s began, the Beatles ended, leaving Paul McCartney to face the new decade with only his wife Linda by his

side. Holed up at his farmhouse in Scotland, he sank into a deep depression. To outsiders, McCartney seemed like a man adrift—intimidated by his own fame, paralyzed by the choices that lay before him, cut loose from his musical moorings. But what appeared to be the sad finale of a glorious career was just the start of a remarkable second act. The product of a long series of one-on-one interviews between McCartney and Scottish rock journalist Tom Doyle, *Man on the Run* chronicles Paul McCartney's decadelong effort to escape the shadow of his past, outrace his critics, and defy the expectations of his fans. From the bitter and painful breakup of the Beatles to the sobering wake-up call of John Lennon's murder, this is a deeply revealing look at a sometimes frightening, often exhilarating period in the life of the world's most famous rock star. Sensing that he had nowhere to go but up, Paul McCartney started over from scratch. With emotional—and musical—backing from Linda, he released eccentric solo albums and embarked on a nomadic hippie lifestyle. He formed a new band, Wings, which first took flight on a ramshackle tour of British university towns and eventually returned Paul to the summit of arena rock superstardom. In *Man on the Run*, Doyle follows McCartney inside the recording sessions for Wings' classic album *Band on the Run*—and provides context for some of the baffling misfires in his discography. Doyle tracks the dizzying highs and exasperating lows of a life lived in the public spotlight: the richly excessive world tours, the Japanese drug bust that nearly ended McCartney's career, his bitter public feuds with his erstwhile Beatle bandmates, and the aftermath of an infamous drug-and-alcohol-fueled jam session where McCartney helped reconcile the estranged John Lennon and Yoko Ono. For Paul McCartney, the 1970s were a wild ride with some dark turns. Set against the backdrop of a turbulent decade, *Man on the Run* casts the "sunny Beatle" in an entirely new light. Praise for *Man on the Run* "Tom Doyle's detailed chronicle, which includes rare interviews with McCartney and former Wings members, portrays a band that was far more contentious than eager-to-please hits like 1976's 'Let 'Em In' had us believe, fronted by a legend who wanted to be both boss and buddy. The book is larded with tales of Seventies rock-star excess, Paul and Linda's love of weed, docked paychecks, and grouching musicians."—Rolling Stone "Well-researched but still breezy and engaging, the book offers a comprehensive tour of the shaggy, bleary-eyed decade when the hardest-working ex-Beatle reached the zenith of his creative and commercial success. . . . *Man on the Run* makes an excellent contribution to the burgeoning literature devoted to McCartney's post-Beatles career."—The Boston Globe "In the 1970s, a depressed, heavy-drinking Paul McCartney walked away from The Beatles and reinvented himself as the leader of another hitmaking rock 'n' roll band. A new book by longtime Q magazine contributing editor Tom Doyle about that turbulent period in the legendary rock star's life, *Man on the Run*, catches him in mid-flight."—Billboard

mccartney give ireland back to the irish: *The Fascist Groove Thing* Hugh Hodges, 2023-02-21 This is the late 1970s and '80s as explained through the urgent and still-relevant songs of the Clash, the Specials, the Au Pairs, the Style Council, the Pet Shop Boys, and nearly four hundred other bands and solo artists. Each chapter presents a mixtape (or playlist) of songs related to an alarming feature of Thatcher's Britain, followed by an analysis of the dialogue these artists created with the Thatcherite vision of British society. "Tell us the truth," Sham 69 demanded, and pop music, however improbably, did. It's a furious and sardonic account of dark times when pop music raised a dissenting fist against Thatcher's fascist groove thing and made a glorious, boredom-smashing noise. Bookended with contributions by Dick Lucas and Boff Whalley as well as an annotated discography, *The Fascist Groove Thing* presents an original and polemical account of the era.

mccartney give ireland back to the irish: *Our Subversive Voice* John Street, Oskar Cox Jensen, Alan Finlayson, Angela McShane, Matthew Worley, 2025-03-11 Whether accompanying a march, a sit-in, or a confrontation with police, songs and protest are inextricably linked. As a tool for political activism, the protest song spells out the issues at the heart of each cause. Over a surprisingly long history, it has been used to spread ideas, inspire political imagination, and motivate political action. The protest song is - and has always been - a form of political oratory as vital to political representation as it is to performance. Investigating five centuries of English

history, *Our Subversive Voice* establishes that the protest song is not merely the preserve of singer-songwriters; it is a mode of political communication that has been used to confront many systems of oppression across its many genres, from street ballads to art song, grime to hymns, and music hall to punk. *Our Subversive Voice* traces the history of the protest song, examines its rhetorical forms, and explores the conditions of its genesis. It recounts how these songs have addressed discrimination and inequality, exploitation and the environment, and immigration and identity, and how institutions and organizations have sought both to facilitate and to suppress them. Drawing on a large and diverse corpus of songwriters, this book argues that song does more than accompany protest: it choreographs and communicates it. The protest song, *Our Subversive Voice* shows, is an enduring, affecting, and effective means of expression and an essential element in understanding the drive to create political change, in the past and for the future.

mccartney give ireland back to the irish: *The Legacy of Cornelius Cardew* Tony Harris, 2016-03-03 Cornelius Cardew is an enigma. Depending on which sources one consults he is either an influential and iconic figure of British musical culture or a marginal curiosity, a footnote to a misguided musical phenomenon. He is both praised for his uncompromising commitment to world-changing politics, and mocked for being blindly caught up in a maelstrom of naïve political folly. His works are both widely lauded as landmark achievements of the British avant-garde and ridiculed as an archaic and irrelevant footnote to the established musical culture. Even the events of his death are shrouded in mystery and lack a sense of closure. As long ago as 1967, Morton Feldman cited Cardew as an influential figure, central to the future of modern music-making. The extent to which Cardew has been a central figure and a force for new ideas in music forms the backbone to this book. Harris demonstrates that Cardew was an original thinker, a charismatic leader, an able facilitator, and a committed activist. He argues that Cardew exerted considerable influence on numerous individuals and groups, but also demonstrates how the composer's significance has been variously underestimated, undermined and misrepresented. Cardew's diverse body of work and activity is here given coherence by its sharing in the values and principles that underpinned the composer's world view. The apparently disparate and contradictory episodes of Cardew's career are shown to be fused by a cohesive 'Cardew aesthetic' that permeates the man, his politics and his music.

mccartney give ireland back to the irish: *Lennon: The Albums* Johnny Rogan, 2010-07-23 A comprehensive analysis of every album recorded by John Lennon during his solo years from the end of the Sixties to his death in 1980, as well as the posthumous work that followed. A lively and provocative commentary of every song is interspersed with comments from Lennon on his final decade. Features a song by song analysis, a song index for easy reference, details of compilations and live albums and details of posthumous releases. From his early experimental work with Yoko Ono, through the startling sound of the Plastic Ono Band, the chart-topping *Imagine*, the political years in New York, the 'lost weekend' in Los Angeles, retirement, the comeback with *Double Fantasy* and his tragic assassination in December 1980 - Rogan leaves no stone unturned. Johnny Rogan is the author of the best-selling *Morrissey And Marr: The Severed Alliance*, one of the most acclaimed music biographies ever written, and still a best seller since its first publication in 1992. He has written high-profile biographies on The Byrds, Neil Young, George Michael and his latest, Van Morrison: *No Surrender* was featured in the Sunday Times' best books of 2005.
