

my mother is a monster

My mother is a monster: Exploring the Cultural, Psychological, and Literary Dimensions

Introduction

The phrase “my mother is a monster” may evoke a spectrum of reactions—from shock and curiosity to reflection and understanding. At first glance, it might seem like a hyperbolic statement or a metaphor for a difficult relationship. However, this provocative phrase is also a gateway into diverse discussions about familial dynamics, cultural representations, and psychological insights. Whether used literally, figuratively, or metaphorically, the concept of a “mother being a monster” has appeared in literature, folklore, psychology, and popular culture, offering rich avenues for exploration.

In this article, we delve into the multifaceted nature of this phrase, examining its origins, cultural significance, psychological implications, and representations in media and literature. By understanding the many layers behind “my mother is a monster,” we gain insights into human relationships, societal norms, and storytelling traditions that shape our perceptions of family and identity.

The Origin and Cultural Significance of the Phrase

Historical and Folkloric Roots

Throughout history, stories have used monsters symbolically to represent fears, taboos, or societal anxieties. In folklore and myth, maternal figures sometimes embody destructive or overpowering forces, serving as cautionary tales or moral lessons.

- Mythical Mother Figures: In Greek mythology, monsters like the Gorgon Medusa or the Hydra

symbolize chaos and danger, often linked to maternal themes.

- Folklore and Fairy Tales: Tales such as “Hansel and Gretel” feature maternal figures who are either neglectful or malevolent, reflecting societal fears about maternal authority or neglect.

Cultural Variations and Interpretations

Different cultures interpret the metaphor of a “monster mother” based on societal norms, family structures, and storytelling traditions:

- Western Cultures: Often depict “monster mothers” as neglectful, abusive, or overly controlling, emphasizing individualism and emotional boundaries.
- Eastern Cultures: May frame the concept within familial duty and harmony, sometimes portraying the “monster” as a symbol of strict discipline or sacrifice.

This variation underscores how cultural context influences the perception and symbolism of maternal figures.

Psychological Perspectives on the "Monster Mother"

Understanding Toxic and Abusive Relationships

In psychological terms, describing a mother as a “monster” often reflects experiences of trauma, neglect, or abuse. Such language might describe:

- Emotional manipulation
- Physical abuse
- Neglect or indifference

- Overbearing control

These experiences shape individual perceptions and can lead to complex emotional responses.

The Impact on Children and Adults

Children who grow up with abusive or neglectful mothers may develop:

- Low self-esteem
- Anxiety and depression
- Trust issues
- Difficulties forming healthy relationships

Adult children might grapple with feelings of anger, guilt, or confusion, often seeking therapy or support groups to process their experiences.

Pathways to Healing and Understanding

Recognizing the metaphor of a “monster mother” as a reflection of trauma is essential for healing:

- Therapy and counseling
- Support groups
- Self-awareness and boundary-setting

Understanding that such perceptions can change over time is crucial to recovery and personal growth.

Literary and Media Representations of the "Monster Mother"

Literature and Mythology

Many authors and storytellers have used the “monster mother” archetype to explore themes of fear, power, and redemption.

- Mary Shelley’s “Frankenstein”: While not a mother figure per se, the creature’s creator embodies maternal overtones, and the story explores themes of creation and neglect.
- Fairy Tales: The wicked stepmother or ogress figures symbolize societal fears of maternal figures who threaten innocence.

Modern Films and TV Shows

Contemporary media often depict “monster mothers” in various roles, sometimes as villains, sometimes as tragic figures.

- Movies: Films like “The Babadook” or “Mommy” portray maternal figures battling inner demons or societal pressures.
- TV Series: Characters like Cersei Lannister in “Game of Thrones” or Norma Bates in “Bates Motel” are complex maternal figures exhibiting destructive tendencies.

Symbolism and Themes

Common themes associated with monster mothers in media include:

- Power and control

- Abandonment and revenge
- Sacrifice and suffering
- Redemption and transformation

These stories often serve to explore the darker aspects of maternal relationships and societal expectations.

Addressing the Myth and Reality

Myth vs. Reality

While the phrase “my mother is a monster” is often used hyperbolically, it is essential to distinguish between metaphor and reality:

- Metaphorical Use: Expressing feelings of betrayal, neglect, or emotional pain.
- Literal Use: Rarely, some individuals may genuinely perceive their mother as a destructive force due to severe abuse or trauma.

Understanding this distinction helps in approaching such statements with empathy and nuance.

Supporting Those Who Feel This Way

For individuals who genuinely feel their mother is a “monster,” support is vital:

- Professional counseling
- Support groups for family trauma
- Educational resources about healthy relationships

Empathy and understanding are key to helping victims heal and find peace.

Conclusion: Navigating the Complexities of Maternal Archetypes

The phrase “my mother is a monster” encapsulates complex emotional, cultural, and psychological realities. Whether viewed through the lens of mythology, literature, or personal experience, it underscores the profound influence mothers have on our lives—shaping our perceptions of love, fear, power, and vulnerability.

Understanding the origins and representations of this phrase enriches our appreciation for storytelling and human psychology. It reminds us that familial relationships are often layered with contradictions—love intertwined with pain, nurturing shadowed by difficulty. Recognizing these layers allows us to foster empathy, pursue healing, and challenge societal narratives that oversimplify the maternal experience.

Ultimately, whether the “monster” is a metaphor for internal struggles or external realities, exploring this concept opens pathways to understanding ourselves and the stories we tell about family, identity, and resilience.

Frequently Asked Questions

What is the main theme of 'My Mother is a Monster'?

The story explores themes of family secrets, trauma, and the complexities of mother-child relationships, often highlighting the darker aspects of maternal figures.

Is 'My Mother is a Monster' based on a true story?

No, it is a fictional work, but it draws inspiration from real-life psychological and emotional experiences to depict the tumultuous relationship between a mother and her child.

How does the story portray the mother's character?

The mother is portrayed as a complex, often frightening figure, embodying traits of both love and menace, which challenges readers to understand her motives and background.

What genre does 'My Mother is a Monster' fall under?

It is typically classified as psychological thriller or horror fiction, emphasizing intense emotional and suspenseful elements.

What are common interpretations of the story's message?

Many interpret it as a commentary on the lingering effects of childhood trauma, the power dynamics in family relationships, and the importance of confronting difficult truths.

Would 'My Mother is a Monster' be suitable for all readers?

Due to its dark themes and intense content, it may not be suitable for sensitive readers or those uncomfortable with psychological horror and disturbing portrayals of family dynamics.

My Mother Is a Monster: An In-Depth Analysis of the Complex Dynamics

In the realm of familial relationships, few topics evoke as much emotional complexity and societal curiosity as the figure of the mother. The phrase “My mother is a monster” might seem hyperbolic or provocative at first glance, but beneath its startling surface lies a profound exploration of human behavior, psychological dynamics, and cultural perceptions. This article aims to dissect this

metaphorical statement, unpack its underlying realities, and provide an expert-level examination of what it truly entails to perceive and experience a mother as a “monster.”

Understanding the Metaphor: What Does “My Mother Is a Monster” Really Mean?

Defining the Term “Monster” in Familial Contexts

The word “monster” is traditionally associated with mythical creatures, horror stories, and fearsome beings. However, in contemporary parlance, especially within personal narratives, it often symbolizes someone who exhibits destructive, neglectful, or abusive behaviors. When someone states, “My mother is a monster,” they are typically highlighting experiences of:

- Emotional neglect or manipulation
- Physical or psychological abuse
- Overbearing, controlling, or oppressive behavior
- Lack of empathy or compassion

The metaphor serves as a powerful expression of the pain, anger, or disillusionment felt by individuals who have endured damaging maternal relationships. It encapsulates the perception of a mother not as a nurturing figure but as an obstacle, threat, or source of suffering.

Contextualizing the Phrase in Personal and Cultural Narratives

Culturally, the “monster mother” archetype has been explored in literature, film, and psychology, often

portraying maternal figures as either villains or tragic figures. These narratives serve to:

- Critique societal expectations of motherhood
- Examine the impact of childhood trauma
- Highlight the struggle for identity amidst dysfunctional family dynamics

In personal stories, the phrase may emerge from specific behaviors or patterns, but it also reflects broader feelings of betrayal, disappointment, or powerlessness.

Psychological Perspectives on the “Monster Mother”

Phenomenon

Common Traits and Behaviors Associated with the “Monster” Mother

Understanding why someone might describe their mother as a monster involves examining typical behaviors that contribute to this perception:

- Emotional Manipulation: Using guilt, shame, or fear to control or influence offspring.
- Neglect and Abandonment: Failing to provide emotional support or attention, leading to feelings of worthlessness.
- Overcontrol and Authoritarianism: Enforcing rigid rules, suppressing independence, or punishing dissent.
- Verbal and Physical Abuse: Using words or actions to inflict pain, intimidation, or humiliation.
- Conditional Love: Demonstrating affection only when expectations are met, fostering insecurity.

These behaviors can have lasting psychological impacts, including anxiety, depression, low self-

esteem, and trust issues.

Attachment Theory and Maternal Relationships

Attachment theory offers a lens to understand how early interactions with maternal figures shape adult relationships. When a mother exhibits inconsistency, neglect, or hostility, it can lead to:

- Insecure Attachments: Anxious, avoidant, or disorganized attachment styles.
- Trust Issues: Difficulty forming or trusting relationships later in life.
- Self-Perception Problems: Internalizing blame or believing oneself unworthy.

In cases where the mother's behavior is particularly damaging, individuals may internalize a narrative of being unloved or unworthy, which can be akin to perceiving her as a "monster" who embodies the worst fears of rejection and harm.

Exploring the Dynamics: Why Do Mothers Become "Monsters"?

Psychological and Sociocultural Factors

Several factors can contribute to maternal behaviors that are perceived as monstrous:

- Unresolved Trauma or Mental Health Issues: Mothers suffering from depression, personality disorders, or trauma may project their struggles onto their children.
- Societal Pressures: Cultural expectations of motherhood can create stress, guilt, and burnout,

sometimes manifesting as hostility.

- Intergenerational Cycles: Patterns of abuse or neglect may be passed down, perpetuating dysfunctional behaviors.
- Lack of Support Systems: Isolation or absence of external help can exacerbate negative behaviors.

Personal Circumstances and Stressors

External stressors such as financial hardship, health issues, or relationship problems may strain a mother's capacity for patience and empathy, sometimes resulting in harmful behaviors. Additionally, substance abuse or addiction can distort judgment and exacerbate destructive tendencies.

The Complexity of Human Behavior

It's crucial to recognize that labeling a mother as a "monster" often oversimplifies complex human realities. Many maternal figures exhibit both nurturing and harmful behaviors, and their actions may stem from unresolved pain, mental health struggles, or societal pressures rather than inherent malice.

Impacts on the Child and Family System

Emotional and Psychological Consequences

Children who perceive their mother as a monster often face:

- Chronic anxiety or fear

- Feelings of guilt and shame
- Difficulty trusting others
- Low self-esteem and self-worth
- Challenges forming healthy adult relationships

In some cases, these effects persist into adulthood, influencing personal, professional, and social spheres.

Family Dynamics and Power Struggles

The presence of a “monster” mother can destabilize the entire family system, leading to:

- Siblings experiencing conflicting loyalties
- Estranged or ambivalent relationships
- Dysfunctional communication patterns
- The emergence of support networks outside the family

Understanding these dynamics is essential for healing and intervention.

Seeking Understanding and Healing: Is the “Monster” Label Permanent?

Pathways Toward Reconciliation and Growth

While the pain associated with a “monster” maternal figure can feel insurmountable, healing is

possible. Approaches include:

- Therapy: Individual counseling, family therapy, or group support to process trauma.
- Boundaries: Establishing healthy limits to protect emotional well-being.
- Empathy and Compassion: Recognizing the human vulnerabilities behind harmful behaviors can foster understanding.
- Self-Education: Learning about psychological conditions and familial patterns to contextualize experiences.
- Support Networks: Connecting with support groups or communities for shared healing.

Reframing the Narrative

Ultimately, the “monster” label is often a reflection of pain and unmet needs. Reframing this perception involves recognizing the complexity of human beings and seeking pathways toward forgiveness, acceptance, or closure.

Conclusion: Navigating the Paradox of Love and Harm

Describing one’s mother as a “monster” encapsulates a profound emotional truth for many—an intersection of love, disappointment, anger, and longing. It challenges societal notions of motherhood as solely nurturing and reminds us that human beings, including maternal figures, are fallible and multifaceted.

Understanding this dynamic requires compassion, psychological insight, and a willingness to confront uncomfortable truths. Whether the goal is healing, reconciliation, or simply understanding, examining the metaphor of the “monster mother” offers an invaluable opportunity to explore the depths of human relationships and the resilience required to navigate them.

In the end, recognizing the complexities behind this metaphor allows individuals to move beyond blame, fostering pathways toward self-awareness, growth, and, hopefully, peace.

My Mother Is A Monster

my mother is a monster: My Mother Never Dies Claire Castillon, 2009 What binds mothers and daughters? What makes them clutch so hard they wound each other and love so hard they lose themselves? In the nineteen short tales that make up *My Mother Never Dies*, literary provocateur Claire Castillon dissects the darkest aspects of the relationship between mothers and daughters. A woman tries so hard to be friends with her daughter that she begins to revert to her own adolescence; another woman finds her mother engaged in an illicit affair with a man they both know too well; a daughter rattles off all the reasons why she's disgusted with her invalid mother but realizes through her haze of teenage hatred that she is losing the only person who tells her the truth. Stunning, shocking, unflinching, and ultimately tender, *My Mother Never Dies* forces us to look at the worst and best of mothers and daughters. Castillon won't let us avert our gaze from the terrible and true any more than from the beautiful and true because it all reveals the depth of our need for each other.

my mother is a monster: ,

my mother is a monster: My Mother Mbono Vision Dube, 2018-06-08 Mothers, especially those endowed with womanhood, will ever remain precious, influential, and inspirational. In this novel, the author explores the life of a particular woman from her teenage years up to the time she has turned eighty-three on how her life history has inspired the author and other people around. Lindokuhle (wait for good things) struggles in life through thick and thin to better her life, that of her biological family, and that of people around her. She fends for her children and commands respect from a husband who returns love for hatred and respect for disrespect for years. Lindokuhle is depicted here as the modern Proverbs 31 woman. She finally wins her husband's love, proving to the world that love can turn a stony heart into jelly.

my mother is a monster: *Written by the Hand of a Murderer* Eric R. Reynolds, 2018-11-27 Paul Taylor had been physically and mentally abused as a child. After many years of growing up without his mother's affection, Paul found out his mother and father had been blackmailed and murdered by the crooked senator and chief of police of Bay Boro County. Paul found himself succumbing to his rage, which turns into his own demise as he evolves into a sadistic killer. Therapy failed to heal him. Love may have come too late to save him. Paul's written journal had been lost and found. This is his untold story, entitled *Written by the Hand of a Murderer*.

my mother is a monster: My Mother's Truth Fe.l.alberts., 2021-11-29 Janice Lynn Jamison a successful real estate agent and owner of her own company has been a faithful and dedicated wife to the love of her life ,her husband Steven Kale Jamison for the past 25 years. Meeting each other, experiencing love at first sight Janice confessed to having heightened sexual desires from her hurtful dating history. Family therapy being a requirement for Nicki's healing, during a session with her mother and sister Dessi, Nicki unveiling of her ugly truth of having a sexual addiction brings forth an unimaginable confession from her older sister Dessi. Reeling with disbelief Janice is left to wonder if her sexual desires stem from a deeper, sinister situation that has somehow affected her daughters as well. The nightmare of her past resurfacing and causing unrest Janice

seeks private counselling from Nicki's therapist on how to tell her daughters the truth about her past and ponders her chances of getting closure from the individuals who were supposed to love her the most. Come alone as Janice shares her story of lost love, pain and agony with her two daughters in hopes of freeing them from their demons to help them heal and live normal lives. Will she be able to maintaining the unconditional love and respect they hold for her and gain the closure she desperately needs.

my mother is a monster: *The Monster World Part 1. Life is a Story - story.one* Greta Michels, 2024-06-10 In einer zweiten Welt um uns herum gibt es Magie und Geschöpfe aus deiner verrücktesten Fantasie. Nachdem Tiaras Mutter von Monstern entführt wurde, gibt es für Tiara nur noch ein Ziel. Ihre Mutter zu retten. Ihre Reise führt sie in unbekannte Welten und sie muss mehr als ein Abenteuer überstehen. Dies ist der erste Teil einer langen und beschwerlichen Reise. Dieses Buch wird auf Englisch sein, da auch meine Gasteltern aus Amerika es lesen sollen. Aber ich bin kein Muttersprachler.

my mother is a monster: *Mothers and Other Fictional Characters* Nicole Graev Lipson, 2025-03-04 USA Today Bestseller "Sensitive, searingly intelligent, and beautifully written." —Claire Dederer, author of *Monsters: A Fan's Dilemma* "This is—for real—a masterwork, one I will return to over and over. —Joanna Rakoff, author of *My Salinger Year* In this intimate and riveting memoir, Best American Essayist Nicole Graev Lipson breaks through the ready-made stories of womanhood, rescuing truth from the fiction that infiltrates our lives. What does it take to escape the plotlines mapped onto us? Searching for clues in the work of her literary foremothers, Lipson untangles what it means to be a girl, a woman, a lover, a partner, a daughter, and a mother in a world all too ready to reduce us to stock characters. Whether she's testing the fragile borders of fidelity, embracing the taboo power of female friendship, escaping her family for the solitude of the mountains, grappling with what to do with her frozen embryos, or letting go of the children she imagined for the ones she's raising, Lipson pushes beyond the easy, surface stories we tell about ourselves to brave less certain territory. As Lipson journeys through this thorny terrain, literature becomes her lodestar. Kate Chopin's erotic story "The Storm" helps her reckon with the longings stirring below the surface of her marriage. Watching her son absorb the stifling codes of manhood, she finds unlikely parenting inspiration in Philip Roth's most cartoonish overbearing mother. Summoning Gwendolyn Brooks, she asks, Can destroying one's frozen embryos be understood as a maternal act? And accompanied by Shakespeare's gender-bending heroine Rosalind, she seizes on the truest meaning of loving her oldest child. Risky and revealing, nourishing and affirming, rigorous and sexy, *Mothers and Other Fictional Characters* is a shimmering love letter to our forgotten selves—and the ones we're still becoming.

my mother is a monster: Monster's Consort Ariel Dawn, 2025-09-02 A fated bond. A renewed kingdom. A dark prince. Violet After all I've been through, taking a consort should be a piece of cake... especially because I'm already bound to my anam cara. But my life is anything but simple, with the discovery of my royal blood, my impending ardain, the rules of engagement, and the arrival of my enemy—the Dark Fae Prince. The hotter the summer gets, the harder it is to be the good girl everyone thinks I am. Bane is my destiny, and I'm tired of waiting now that I know the truth. But just how far am I willing to go to ascend and take what is mine? Can I trust those around me to keep my secrets or am I making a huge mistake? Bane When I bound myself to Violet—the long-lost fae princess—I didn't think twice. There's nothing I wouldn't do for my anam cara, my soul's mate. But the road to being a royal consort is paved with a litany of rules and tests. Tests that will challenge more than just my brain. Spending the summer with my siren ex, her eight-armed boy toy, and Violet's chatterbox bestie is hard enough, but when the Dark Fae show up at Castle Lir with a new student—an incubus prince—everything falls to chaos fast. Can I put aside my possessive instincts and pass the royal tests? Or will Desmond O'Neil bring out the monster inside of me and destroy everything Violet and I have built? *Monster's Consort* is book eighteen in the Blackthorn Academy for Supernaturals shared world, featuring a tenacious, curvy witch, an attentive incubus, intriguing mystery and romance. ***Monster's Consort* is a continuation from *Monster's Spell*. Please

read *Monster's Spell* before starting *Monster's Consort*. *Monster's Consort* ends on a cliffhanger. Watch for the continuance in *Monster's Catch***

my mother is a monster: *The Unique Animus* Gabrielle Dean, 2013-02 I was only seventeen when it happened My family was ripped apart by Demons. I witness my parents' murder, and watch helplessly as my two younger siblings are taken hostage After witnessing the unthinkable, Jessica Dale is forced into a world she never knew existed. A world where magic is real, and demons, mythical creatures and sorcerers roam the land. As the secrets of her ancestors are revealed, Jessica finds there is something unique about her. And when the balance of good and evil is placed in her hands, Jessica must trust her instincts to make the right choice in deciding the fate of the land.

my mother is a monster: *A Monster's Love* Sera Blackmoor, 2025-05-26 A Monster's Love He's a contract killer, cold and lethal. She's the innocent sister of his best friend, but her soul is as dark as his. Lucifer lives in the shadows, where blood and betrayal are part of the deal. He's the monster whispered about in the darkest corners of the underworld—untouchable, unstoppable, and unforgiving. But even monsters have something to protect. For Lucifer, that something is Jackie Alston—the only woman he'd ever consider dying for. Jackie has spent her life trying to outrun the violence that took her family. She's seen enough bloodshed for ten lifetimes, but she's never been able to escape the man who haunts her every dream—Lucifer, the monster she's always loved. When Lucifer returns, he's not offering salvation. He's promising destruction. He says she will be his wife, even if it means shattering every piece of her fragile heart. Jackie will have to decide if she's willing to trade her dreams of freedom for the only man who can keep her alive—and the only one who could destroy her completely. Will Jackie's love tame the monster? Or will she be consumed by the darkness she can't resist?

my mother is a monster: *Mentors, Muses & Monsters* Elizabeth Benedict, 2012-02-01 Thirty writers look back at the the people, events, and books that launched their literary lives.

my mother is a monster: *Tula Lies* Maria Haydee Torres, 2023-12-19 Maria Haydee Torres. I was living for eight year in California then moved by the year 1994 to Salt Lake City, with my husband and children, still married for 36 years, love get vacation with my husband in special when he driving because like enjoying the panorama, also like party birthday for my family we are fun in talking prefer it in the restaurant. On my free time I feel relaxing watching movies: action, dram and musical concerts.

my mother is a monster: *What Do You Want to Do, Break Your Mother's Heart?* Wayne F. Danka, 2009-03 Danka pens a collection of short stories about growing up, coming of age, maturity, and immaturity during the three greatest decades of the 20th century--the 1950s, 1960s, and 1970s.

my mother is a monster: *The Monster and the Mirror* K.J. Aiello, 2024-09-03 Revelatory memoir and cultural criticism that connects popular fantasy and our perceptions of mental illness to offer an empathetic path to compassionate care Growing up, K.J. Aiello was fascinated by magical stories of dragons, wizards, and fantasy, where monsters were not what they seemed and anything was possible. These books and films were both a balm and an escape, a safe space where Aiello's struggle with mental illness transformed from a burden into a strength that could win battles and vanquish villains. A unique blend of memoir, research, and cultural criticism, *The Monster and the Mirror* charts Aiello's life as they try to understand their own mental illness using *The Lord of the Rings*, *Game of Thrones*, and other stories as both guides to heroism and agency and cautionary tales of how mental illness is easily stereotyped as bad and violent. Aiello questions who is allowed to be "mad" versus "sane," "good" versus "evil," and "weak" versus "strong," and who is allowed to tell their own stories. *The Monster and the Mirror* explores our perceptions of mental illness in a way that is challenging and tender, empathetic and knowledgeable, and offers a path to deeper understanding and compassionate care.

my mother is a monster: *Into the Shadowlands* Cynthia Reeg, 2017-10-10 Troll Malcolm McNastee and misfit Frankenstein Gordon—middle schoolers and long-time enemies—venture into the infamous Shadowlands to prove their monster worthiness. Soon they discover that the

mysterious world between Uggarland and the humans holds horrors they never imagined, and if they make it out alive, they won't emerge unscathed!

my mother is a monster: *Where Have I Been All My Life?* Cheryl Rice, 2025-07-30 *Where Have I Been All My Life?* is a compelling memoir recounting one woman's journey through grief and a profound feeling of unworthiness to wholeness and healing. It begins with the chillingly sudden death of Rice's mother, and is followed by her foray into the center of mourning. With wisdom, grace, and humor, Rice recounts the grief games she plays in an effort to resurrect her mother; her efforts to get her therapist, who she falls desperately in love with, to run away with her; and the transformation of her husband from fantasy man to ordinary guy to superhero. In the process, she experiences aching revelations about her family and her past—and realizes what she must leave behind, and what she can carry forward with her.

my mother is a monster: *We Shall Be Monsters* Alyssa Wees, 2024-11-12 A girl marked for death ventures into the wooded realm of the fairies to rescue her mother in this dark, lyrical fantasy about vengeful witches, beastly fathers, and the stories mothers tell to keep their daughters safe—from the author of *Nocturne*. Gemma Cassata lives with her mother in an isolated antiques shop in Michigan, near a seductive patch of woods concealing an enchanted gateway to fairyland. Gemma knows she's not supposed to go into the woods—her mother, Virginia, has warned her multiple times about the monsters that lurk there—and yet she can't resist. Virginia understands her daughter's defiance. She knows the allure of the woods all too well. Her own mother warned her about the monsters, and Virginia also did not listen—until a witch cursed her true love just days before their child's birth. So Virginia will do whatever she can to protect her daughter—even if it means stealing Gemma's memories. But everything changes when Gemma gets too close to the truth, and the witch takes Virginia. Now it is up to Gemma to venture deep into the mysterious woods to rescue her mother and break the curse. Told in the alternating viewpoints of Gemma and Virginia, this novel is not only a tale of a girl's fantastical quest through a darkly magical fairyland but also an exploration of the complex bonds between children and their parents.

my mother is a monster: *My Mother's Secrets* Tina Trumble, 2014-09-05 Sara McCann returns home to New York to be with her mother during her final days of her losing battle with cancer. She never anticipated how much this trip would change her life and the secrets her mother would share with her.

my mother is a monster: *Monster's Heart* C.D. Gorri, 2024-05-28 Can a Witch with self-esteem issues reach this Monster's heart? Amrin It's the end of the term at Blackthorn Academy, and I'm just as invisible now as I was on day one. But what did I expect? I still don't know where my talents lie and for the Cordoza Coven that is a huge no. I'm a plus-sized nobody with my head in the clouds. No wonder I'm barely passing. Lucky me, Professor McEwan is offering extra credit to students who can chart their path to love by the Spring Equinox Festival. It's a long shot, but it's that or fail. Sten No one at Blackthorn knows who I am, and that's fine with me. I'm not there to make friends. A direct descendant of Mani, the Norse God of the Moon, I've got bigger things to worry about than having a social life. But when a curvy witch asks me to tutor her, how can I refuse? She is unlike anyone I have ever met. Bold, yet shy. Beautiful, but insecure. Meeting her has changed everything. Can this curvy temptress capture my heart, or am I doomed to walk the night alone? *Monster's Heart* is book thirteen in the Blackthorn Academy for Supernaturals shared world, featuring a curvy Lunar Witch in danger of flunking out, an incognito Asgardian Monster with control issues, and more.

my mother is a monster: *Praying with Mom* Mike Chung, 2012-12-13 Everyone in this world must deal with loss. The hardest loss is losing those we love. There are not many books written about a son's love for his mother, but here in *Praying With Mom*, Michael Chung chronicles the journey of a son through the last years of his mother's life. Through prayer, tears, time, and love, this book is a voyage of the soul into how a son spent the last years with his mother and how his God brought him through it all. Many people have trouble with their faith when experiencing the trials of loss, and some even abandon it, being angry at God for not doing more. In *Praying With Mom*, the

author discusses from his heart and soul how he dealt with the suffering of losing the love of his mother.
