

princess in gilbert and sullivan

Princess in Gilbert and Sullivan

The character of the princess appears prominently within the works of Gilbert and Sullivan, two of the most influential figures in the history of Victorian musical theatre. Their operettas, characterized by witty libretto, memorable melodies, and satirical commentary on social customs, often feature regal or noble female characters who embody ideals of virtue, innocence, or romantic aspiration. Among these, the princess figure serves as a symbol of beauty, grace, and sometimes the idealized or satirical notion of royalty. This article explores the significance, characteristics, and role of princess characters in Gilbert and Sullivan's operettas, examining their thematic importance and evolution across different works.

Overview of Gilbert and Sullivan's Operatic Style

Background and Collaboration

Gilbert and Sullivan collaborated during the late 19th century, producing a series of comic operas that have become classics of English musical theatre. Their partnership combined Gilbert's sharp wit and satire with Sullivan's musical genius, resulting in works that have endured for over a century.

Themes and Satirical Elements

Their operas often satirize Victorian society, politics, and cultural norms. Characters—especially those of nobility or royalty—are frequently portrayed with a mixture of admiration and satire, highlighting the absurdities or flaws of social hierarchy.

The Role of Princess Characters in Their Works

Common Traits of Princess Characters

Princess characters in Gilbert and Sullivan's operas often share several defining features:

- **Virtue and Innocence:** Many princesses embody moral purity and innocence, serving as ideals of virtue.
- **Beauty and Grace:** They are typically depicted as physically attractive and graceful, symbolizing perfection.

- **Romantic Aspirations:** They often serve as objects of romantic desire or the focus of romantic plots.
- **Symbols of Authority:** As royal figures, they sometimes symbolize societal order or authority, which may be challenged or upheld in the plot.

Functions within the Plot

Princess characters serve various narrative functions:

1. **Love Interests:** Many princesses are central to romantic storylines, often involving noble suitors or commoners who aspire to marry into royalty.
2. **Satirical Targets:** Some princesses are portrayed with exaggerated or satirical traits to comment on societal expectations or stereotypes.
3. **Vehicles for Social Commentary:** Their behaviors and situations often reflect broader themes such as duty, virtue, or social pretensions.

Key Princess Characters in Gilbert and Sullivan Operettas

The Princess in "The Mikado"

Though not explicitly called a princess, the character of Yum-Yum is a noblewoman of high standing, often considered in the princess realm due to her royal-like status. Her role is central to the romantic plot, and her character embodies youthful innocence and beauty. The satire in "The Mikado" often targets Japanese customs and the absurdities of authority, with Yum-Yum serving as a symbol of romantic idealism amidst societal satire.

Princess Ida in "Princess Ida"

This is the only Gilbert and Sullivan work explicitly featuring a princess as the title character. Princess Ida is portrayed as a strong-willed, intelligent, and independent royal woman who leads a women's university. Her character explores themes of gender roles, education, and societal expectations.

- **Character Traits:** Proud, witty, and fiercely independent.

- **Plot Role:** Encounters with her former suitors lead to comedic and romantic conflicts.
- **Symbolism:** She represents both the ideal of female education and the satire of gender stereotypes prevalent in Victorian society.

The Princess in "The Gondoliers"

In this operetta, the character of Casilda is sometimes referred to as a princess, though her role is more of a romantic heroine than a regal ruler. The humor often derives from her noble status and the absurdities surrounding the royal characters.

Other Princess-Like Figures

While not named princesses, characters like Elsie Maynard in "The Yeomen of the Guard" or Phyllis in "Iolanthe" embody qualities associated with princesses—beauty, virtue, and romantic idealism—serving as romantic interests or symbols of societal ideals.

Evolution of the Princess Role in Gilbert and Sullivan's Operas

From Virtue to Satire

Early works tend to portray princess characters as embodiments of virtue and innocence. As the partnership evolved, Gilbert and Sullivan began to incorporate more satirical and complex portrayals, sometimes parodying the very ideals princesses represented.

Gender and Power Dynamics

Princess characters reflect Victorian notions of femininity and authority. In "Princess Ida," for instance, the princess is depicted as a strong, independent ruler, challenging traditional gender roles. In contrast, other princesses are depicted as naive or overly idealized, highlighting societal expectations.

Modern Interpretations

Contemporary productions often reinterpret princess characters, emphasizing their agency, wit, or satirical aspects. The characters are increasingly seen as complex figures rather than mere symbols of virtue.

Symbolism and Cultural Significance

Princess as an Archetype

In Gilbert and Sullivan's works, the princess often functions as an archetype—a blend of idealism, virtue, and societal aspiration. These characters serve as mirrors to Victorian values and their contradictions.

Satirical Commentary

The depiction of princesses often pokes fun at the romanticized view of royalty, exposing hypocrisies or absurdities. For example:

- Princess Ida's independence satirizes gender stereotypes.
- The exaggerated virtues of other princesses highlight societal pretensions.

Legacy and Influence

The princess characters of Gilbert and Sullivan continue to influence musical theatre and operetta, inspiring parody, homage, and reinterpretation in modern adaptations.

Conclusion

The princess in Gilbert and Sullivan's operettas encapsulates a complex array of themes—virtue, beauty, societal ideals, and satire. From the innocent and noble princess of "Princess Ida" to the more satirical or romanticized figures in other works, these characters serve as vital vehicles for exploring Victorian social norms and human follies. Their evolution reflects the changing attitudes towards gender, authority, and societal expectations, making them enduring symbols within the rich tapestry of Gilbert and Sullivan's comic operas. Whether as objects of admiration or targets of satire, princess characters remain central to the enduring appeal and cultural significance of their works.

Frequently Asked Questions

Who is the princess character in Gilbert and Sullivan's operettas?

The most notable princess in Gilbert and Sullivan's works is Princess Ida, the central character in the operetta 'Princess Ida'.

What role does Princess Ida play in Gilbert and Sullivan's 'Princess Ida'?

Princess Ida is the daughter of King Hildebrand, who rebels against her royal duties and joins a female university, leading to themes of feminism and satire in the operetta.

Are there other princess characters in Gilbert and Sullivan's works?

While Princess Ida is the primary princess figure, other works feature regal or noble female characters, but none are titled as princesses like her.

How is Princess Ida portrayed in Gilbert and Sullivan's operetta?

Princess Ida is portrayed as intelligent, strong-willed, and progressive, challenging traditional gender roles through her advocacy for women's education.

Has the character of Princess Ida influenced modern portrayals of princesses in musical theatre?

Yes, Princess Ida's independent and feminist traits have inspired modern interpretations of princess characters in musical theatre and adaptations.

What themes related to princesses are explored in Gilbert and Sullivan's operettas?

Themes include gender roles, education, societal expectations, and satire of monarchy and aristocracy, often through princess characters like Princess Ida.

Is Princess Ida considered a feminist character in Gilbert and Sullivan's works?

Yes, Princess Ida is often viewed as a feminist character due to her advocacy for women's education and her challenge to traditional gender norms.

Have there been modern adaptations or performances highlighting Princess Ida's character?

Yes, many modern productions and adaptations have emphasized Princess Ida's independence and feminist ideals, sometimes updating her character for contemporary audiences.

What is the significance of Princess Ida in Gilbert and

Sullivan's operetta repertoire?

Princess Ida is significant as one of the few female protagonists in Gilbert and Sullivan's works, representing themes of gender equality and satirical commentary on societal institutions.

Additional Resources

Princess in Gilbert and Sullivan

When considering the pantheon of Victorian-era comic operas, Gilbert and Sullivan stand as towering figures whose works continue to influence musical theatre and operetta to this day. Among their numerous creations, the theme of royalty, nobility, and the archetype of the princess features prominently, woven into their clever librettos and memorable melodies. The figure of the princess in Gilbert and Sullivan's works is not merely a decorative character but often serves as a pivotal element around which satire, social commentary, and comic timing revolve.

In this comprehensive exploration, we will analyze the portrayal of princess characters within the Gilbert and Sullivan repertoire, focusing on their roles, characteristics, thematic significance, and the cultural context that shaped their depiction. This review aims to provide enthusiasts, scholars, and casual listeners with an in-depth understanding of how princess figures contribute to the enduring popularity of these operettas.

The Role of Princess Characters in Gilbert and Sullivan Operettas

Gilbert and Sullivan's works are renowned for their wit, satire, and clever use of character archetypes. The princess figure often embodies idealized qualities—beauty, virtue, innocence—but is also frequently subjected to parody or subversion, reflecting Victorian societal attitudes.

Typical Functions of Princess Characters

- Symbol of Virtue and Nobility: Many princess characters serve as embodiments of purity, goodness, and moral superiority, aligning with Victorian ideals.
- Object of Desire or Plot Catalyst: The princess often becomes the object of romantic pursuits, which drive the plot forward.
- Satirical Device: Occasionally, the princess is a satirical caricature, highlighting societal absurdities or critiquing the notion of aristocratic privilege.
- Comic Relief or Parody: Some princess characters are exaggerated for comic effect, providing humorous commentary on royal stereotypes.

Common Traits and Themes

- Innocence and Naivety: Many princesses are portrayed as naive or inexperienced, which becomes a source of comedy.
- Authority and Pseudopower: Some princesses exhibit a degree of authority, often humorous in

contrast to their traditional roles.

- Romantic Idealism: They often embody the ideal romantic figure, yet their decisions or circumstances can be played for comic or satirical effect.
- Class and Social Commentary: The depiction of princesses often reflects Victorian attitudes toward class and social mobility.

Analysis of Notable Princess Characters in Gilbert and Sullivan Operettas

To understand the significance of princess characters in their oeuvre, it is essential to examine specific examples from their most famous works.

Princess Ida in "Princess Ida" (1884)

Overview:

"Princess Ida" is perhaps the most explicitly princess-centric of Gilbert and Sullivan's operettas. The story revolves around Princess Ida, a learned woman who abdicates her throne to pursue higher education. Her character embodies intellectual independence and gender roles, making her a complex and somewhat progressive figure for Victorian times.

Character Traits:

- Intelligent and Independent: Ida values knowledge and autonomy, challenging societal expectations.
- Proud and Stubborn: Her pride leads to her retreat from the world, and her stubbornness complicates romantic developments.
- Victorian Feminist Archetype: She can be seen as an early satirical nod to feminist ideals, exaggerated for comic effect.

Thematic Significance:

Ida's character allows Gilbert and Sullivan to satirize Victorian attitudes towards women, education, and gender roles. While she is portrayed with affection, her pretensions and aloofness are gently mocked, highlighting societal contradictions.

Musical Highlights:

Songs like "When I, upon the heights of Idumæa," showcase her regal bearing and intellect, contrasting with her later humorous interactions with the male characters.

Princess Zephyr in "The Yeomen of the Guard" (1888)

Overview:

While not explicitly titled as a princess, Zephyr is often considered a noblewoman with regal airs, acting as a romantic foil in the story.

Character Traits:

- Graceful and Dutiful: She embodies the ideal Victorian lady—noble, kind, and loyal.
- Plot Catalyst: Her romantic involvement drives key plot points, especially in the context of mistaken

identities and social class.

Cultural Role:

Zephyr's character reinforces themes of virtue and class, serving as a symbol of the ideal Victorian maiden.

The Princess of Monte Carlo in "The Grand Duke" (1896)

Overview:

This minor character, though not central, embodies the stereotypical "damsel in distress" trope, often used for comedic effect.

Traits and Significance:

- Fashionable and Flirtatious: She represents the glamorous, superficial aristocrat.
- Source of Comic Situations: Her interactions with the male leads highlight social pretensions and follies.

The Cultural and Social Context of the Princess Characters

The Victorian era was marked by a complex relationship with notions of class, gender roles, and morality. Gilbert and Sullivan's princess characters reflect, critique, or parody these societal norms.

Victorian Ideals and Their Satire

- Virtue and Morality: The princess often symbolizes the moral ideal, yet Gilbert and Sullivan frequently expose the absurdity or superficiality of such ideals.
- Gender Roles: The princess's independence or naivety can be a satirical comment on Victorian gender expectations.
- Class Hierarchies: Princess characters serve as representations of aristocratic privilege, sometimes ridiculed or idealized depending on the context.

The Subversion of Royal Archetypes

Gilbert and Sullivan often subvert traditional royal stereotypes by exaggerating or parodying them. For example:

- Princess Ida challenges the notion of female fragility by portraying her as a learned, independent woman.
- The Princess of Monte Carlo satirizes the superficial glamour of high society.
- In general, their princess characters often question or mock the aristocratic ideal, providing social commentary wrapped in humor.

Impact and Legacy of Princess Characters in Gilbert and Sullivan's Works

The portrayal of princesses in Gilbert and Sullivan operettas has had a lasting influence on musical theatre and comic opera.

Enduring Popularity

- Their princess characters are memorable, often highlighted in productions and adaptations.
- The characters' vocal and theatrical demands showcase the versatility of performers and the richness of the librettos.

Influence on Future Works

- The archetype of the noble yet satirized princess has persisted in later musical and theatrical works.
- Gilbert and Sullivan's blending of satire, character depth, and catchy melodies set a standard for comic operetta.

Cultural Relevance

- The portrayals continue to resonate, offering commentary on gender, class, and societal expectations.
- Modern adaptations sometimes reinterpret these princess figures, highlighting their relevance or updating their traits for contemporary audiences.

Conclusion: The Significance of the Princess Archetype in Gilbert and Sullivan

The princess characters in Gilbert and Sullivan's operettas are far more than mere plot devices or decorative figures. They embody Victorian ideals, serve as tools for satire, and reflect societal attitudes towards gender and class. From the fiercely independent Princess Ida to the glamorous yet superficial princess of Monte Carlo, these characters demonstrate Gilbert and Sullivan's mastery in blending humor, social critique, and memorable music.

Their depiction of princesses offers a window into Victorian culture—its virtues, follies, and contradictions—while also providing timeless entertainment. Whether as symbols of virtue, objects of parody, or complex characters with their own narratives, princess figures in Gilbert and Sullivan's works continue to enchant and provoke audiences, cementing their place in the pantheon of comic operetta history.

In summary, the princess in Gilbert and Sullivan's operettas is a multifaceted character archetype

that advances plot, embodies societal ideals, and often functions as a satirical mirror to Victorian values. Their enduring appeal lies in their ability to entertain while subtly critiquing the social fabric of the era—an achievement that ensures their relevance and fascination for generations to come.

princess in gilbert and sullivan: The Mikado to Matilda Thomas S. Hischak, 2020-05-29 In *The Mikado to Matilda: British Musicals on the New York Stage*, Thomas Hischak provides an overview of British musicals that made their way to Broadway, covering their entire history up to the present day. This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City. The book covers 110 British musicals, ranging from 1750 to the present day, including the popular Gilbert and Sullivan comic operettas during the Victorian era, the Andrew Lloyd Webber mega-musicals of the late twentieth century, and today's biggest hits such as *Matilda*. Each London musical is discussed first as a success in England and then how it fared in America. The plots, songs, songwriters, performers, and producers for both the West End and the Broadway (or Off Broadway) production are identified and described. The discussion is sometimes critical, evaluating the musicals and why they were or were not a success in New York.

princess in gilbert and sullivan: Mothers and Other Clowns (Routledge Revivals) Magdalene Redekop, 2014-03-14 First published in 1992, this is the first study of the work of Alice Munro to focus on her obsession with mothering, and to relate it to the hallucinatory quality of her magic realism. A bizarre collection of clowning mothers parade across the pages of Munro's fiction, playing practical jokes, performing stunts, and dressing in disguises that recycle vintage literary images. Magdalene Redekop studies this with the aim of gaining increased understanding of Munro's evolving comic vision.

princess in gilbert and sullivan: Aristophanes in Britain Peter Swallow, 2023 This lively and wide-ranging study explores the reception of Aristophanes in the long-nineteenth century. It examines both political and aesthetic strands of this reception, and argues that Aristophanic reception in the period was always a process of speaking to contemporary issues--making Old Comedy new.

princess in gilbert and sullivan: Joyce's Grand Operoar Matthew John Caldwell Hodgart, Ruth Bauerle, 1997 In *Joyce's Grand Operoar*, two internationally respected Joyce scholars join forces to present over 3,000 of Joyce's opera allusions as they appear in *Finnegans Wake*. Ruth Bauerle's long, richly detailed, and often amusing introduction critically interprets Joyce's life and work in terms of its operatic and literary interconnections. The resulting volume will delight both opera lovers and Joyceans.

princess in gilbert and sullivan: Women Creating Classics Emily Hauser, Helena Taylor,

2025-06-12 From Madeline Miller's *The Song of Achilles* (2011) to Pat Barker's *The Voyage Home* (2024), there has been a huge rise in women's rewritings of ancient myths and texts in recent years. Women writers are looking back to the classical past more than ever before, and there is serious public interest in women's reworkings of the ancient world. But at the same time, this is nothing new: women have been responding to the worlds of Greece and Rome for hundreds of years, across many different time periods, and multiple cultures and languages. This first volume in a two-volume set explores the different ways that women have retold and responded to Classics across the ages, as well as how these responses might resist or unpack the tensions inherent in notions of gender, race, canonicity, class and cultural heritage-in a context in which classical education and scholarship have been confined to the ivory tower, studied by men in pursuit of an understanding of the 'great men' of history. Looking at extraordinary women writers across thousands of years, from Sappho, Marguerite de Navarre, Lucrezia Marinella and Renée Vivien to Tayari Jones, Roz Kaveney, Zadie Smith and Anne Carson, from ancient Greece to the Venezuelan diaspora, this volume demonstrates the urgency and the centrality of women's creations in the world of Classics.

princess in gilbert and sullivan: *A Victorian Somebody* Stephen Wade, 2015-03-11 In the 1880s, George Grossmith was the dazzling comic star of Gilbert and Sullivan's immensely popular Savoy operas. London theatregoers waited excitedly for the next production, knowing that George would be cast in the lead role of the 'patter man'. He was also many other things in his life, including Bow Street court reporter, piano entertainer for high society, and in the 1890s, with his brother Weedon, the author of the humorous classic work of fiction, *The Diary of a Nobody*, which has never been out of print and continues to inspire other writers. In this fascinating book, Stephen Wade tells the story of Grossmith's life, from Penny Reading entertainer to self-styled 'society clown.' *A Victorian Somebody* places him firmly in context, recalls the many friends and colleagues who worked with George, and puts him once again centre stage, exactly where he should be.

princess in gilbert and sullivan: *Contradiction Contradicted* Andrew Crowther, 2000 This book is a critical study of the dramatic works of W. S. Gilbert -- not only the famous libretti for other composers, but also his comedies and farces, his serious dramas, and his blank-verse plays. Aspects of his craft such as plot construction, lyric writing, and stage management (directing) are discussed. The bulk of the book explores the ideas and attitudes that are expressed in the plays, with particular attention to his concern with irony and inversion.

princess in gilbert and sullivan: *Richard D'Oyly Carte* Paul Seeley, 2019-01-02 The first biography of Richard D'Oyly Carte, this is a critical survey of the career of the impresario whose ambitions went beyond the famous partnership of Gilbert and Sullivan. Errors and misconceptions in current literature are challenged and corrected to give a truer portrayal of one of the most influential music theatre promoters in the nineteenth century.

princess in gilbert and sullivan: *Devised and Directed by Mike Leigh* Bryan Cardinale-Powell, Marc DiPaolo, 2013-07-22 Renowned for making films that are at once sly domestic satires and heartbreaking 'social realist' dramas, British writer-director Mike Leigh confronts his viewers with an un-romanticized dramatization of modern-day society in the hopes of inspiring them to strive for greater self-awareness and compassion for others. This collection features new, interdisciplinary essays that cover all phases of the BAFTA-award-winner's film career, from his early made-for-television film work to his theatrical releases, including *Life is Sweet* (1990), *Naked* (1993), *Secrets & Lies* (1996), *Career Girls* (1997), *Topsy-Turvy* (1999), *All or Nothing* (2002), *Vera Drake* (2004), *Happy-Go-Lucky* (2008) and *Another Year* (2010). With contributions from international scholars from a variety of fields, the essays in this collection cover individual films and the recurring themes and motifs in several films, such as representations of class and gender, and overt social commentary and political subtexts. Also covered are Leigh's visual stylizations and storytelling techniques ranging from explorations of the costume design to set design to the music and camerawork and editing; the collaborative process of 'devising and directing' a Mike Leigh film that involves character-building, world-construction, plotting, improvisations and script-writing; the process of funding and marketing for these seemingly 'uncommercial' projects, and a survey of

Leigh's critical reception and the existing writing on his work.

princess in gilbert and sullivan: Operetta Richard Traubner, 2004-06-01 Operetta: A Theatrical History is considered the classic history of this important musical theater form. Traubner's book, first published in 1983, is still recognized as the key history of the people and productions that made operetta a worldwide phenomenon. Beginning in mid-19th century Europe, the book covers all of the key developments in the form, including the landmark works by Strauss and his followers, Gilbert & Sullivan, Franz Lehar, Rudolf Friml, Victor Herbert, and many more. The book perfectly captures the champagne-and-ballroom atmosphere of the greatest works in the genre. It will appeal to all fans of musical theatre history.

princess in gilbert and sullivan: Handbook of Mixed Membership Models and Their Applications Edoardo M. Airolidi, David Blei, Elena A. Erosheva, Stephen E. Fienberg, 2014-11-06 Incorporating more than 20 years of the editors' and contributors' statistical work in mixed membership modeling, this handbook shows how to use these flexible modeling tools to uncover hidden patterns in modern high-dimensional multivariate data. It explores the use of the models in various application settings, including survey data, population genetics, text analysis, image processing and annotation, and molecular biology. Through examples using real data sets, readers will discover how to characterize complex multivariate data in a range of areas.

princess in gilbert and sullivan: *The Opera* R. A. Streatfeild, 1925

princess in gilbert and sullivan: Gender and Victorian Reform Anita Rose, 2009-05-05 Gender, in the nineteenth century as now, is an integral part of identity. As a result, gender, along with race and class, has long been a vital part of public discourse about social concerns and reform. The fourteen essays in *Gender and Victorian Reform* address the overt and subtle ways in which gender influenced social reform in Victorian England. In addition to investigating the more readily apparent instances of gender in the areas of suffrage, women's education, and marriage law reform, the contributors to this collection examine the structure of charitable organizations, the interpretation of language and literacy, ideas of beauty, and religion through the lens of gender and offer diverse approaches to Victorian literature and culture. Some examine specific texts or single canonical authors, others introduce the reader to little-known authors and texts, and still others focus on the culture of reform rather than specific literary texts. Essays are arranged into four parts, with Part I focusing on historical context and a revisioning of the historical romance. Part II addresses more specifically the role of women in public life and in the professions. The essays in Part III look even more specifically at the connections among reform, gender, literacy and literary genre in Eliot, Collins, and Gaskell. The final four essays offer readings of the impact of gender ideology on beauty, dress, politics and religion. Taken as a whole, the essays in this collection present a serious consideration of the role of gender in art and in public life that spans the Victorian era. Reformist impulses are revealed in a number of Victorian texts that are not generally read as overtly political. In this way, this collection thoughtfully focuses on the influence of gender on a wide range of social movements, and moves the significance of gender beyond simply the content of Victorian fiction and the identity of the authors and into the more fundamental connection of discourse to reform.

princess in gilbert and sullivan: Crossword Lists and Crossword Solver Anne Stibbs Kerr, 2019-10-30 Anyone who regularly tackles challenging crossword puzzles will be familiar with the frustration of unanswered clues blocking the road to completion. Together in one bumper volume, *Crossword Lists and Crossword Solver* provides the ultimate aid for tracking down those final solutions. The Lists section contains more than 100,000 words and phrases, listed both alphabetically and by number of letters, under category headings such as Volcanoes, Fungi, Gilbert & Sullivan, Clouds, Cheeses, Mottos and Archbishops of Canterbury. As intersecting solutions provide letters of the unanswered clue, locating the correct word or phrase becomes quick and easy. The lists are backed up with a comprehensive index, which also guides the puzzler to associated tables - e.g. when looking for Film Stars; try Stage and Screen Personalities. The Solver section contains more than 100,000 potential solutions, including plurals, comparative and superlative

adjectives and inflections of verbs. The list extends to first names, place names, technical terms, compound expressions, abbreviations and euphemisms. Grouped according to number of letters - up to fifteen - this section is easy to use and suitable for all levels of crossword puzzle. At the end a further 3,000 words are listed by category, along with an index of unusual words.

princess in gilbert and sullivan: *A History of the American Musical Theatre* Nathan Hurwitz, 2014-06-27 From the diverse proto-theatres of the mid-1800s, through the revues of the '20s, the 'true musicals' of the '40s, the politicisation of the '60s and the 'mega-musicals' of the '80s, every era in American musical theatre reflected a unique set of socio-cultural factors. Nathan Hurwitz uses these factors to explain the output of each decade in turn, showing how the most popular productions spoke directly to the audiences of the time. He explores the function of musical theatre as commerce, tying each big success to the social and economic realities in which it flourished. This study spans from the earliest spectacles and minstrel shows to contemporary musicals such as *Avenue Q* and *Spiderman*. It traces the trends of this most commercial of art forms from the perspective of its audiences, explaining how staying in touch with writers and producers strove to stay in touch with these changing moods. Each chapter deals with a specific decade, introducing the main players, the key productions and the major developments in musical theatre during that period.

princess in gilbert and sullivan: *The Lost Heirs* James W Stebbings, 2025-04-28 The name D'Oyly Carte is recognised throughout the world as a consequence of Richard D'Oyly Carte's partnership with Gilbert and Sullivan, which produced the fourteen Savoy comic operas during the last quarter of the 19th Century. These in turn are recognised as the genesis of 'the musical' that is such an important part of commercial theatre today. It was the success of these operas that paved the way for D'Oyly Carte's other achievements, building his own theatres and establishing a chain of luxury hotels that included The Savoy Hotel, Claridge's and The Berkeley. Behind these achievements, however, lay stories of family unhappiness, strife and tragedy. In particular, it was the losses of two young potential male heirs in two generations of the D'Oyly Carte family that led to the demise of this famous family dynasty in the 20th Century. The stories behind the lives and premature deaths of these heirs are revealed in detail for the first time, set against the life of Richard D'Oyly Carte and the stormy relationship of Gilbert and Sullivan. This is a story to appeal to the world-wide enthusiasts of Gilbert and Sullivan or those coming to the subject for the first time.

princess in gilbert and sullivan: Women in Greek Myth Mary R. Lefkowitz, 2007-08-27 In the first edition of *Women in Greek Myth*, Mary R. Lefkowitz convincingly challenged narrow, ideological interpretations of the roles of female characters in Greek mythology. Where some scholars saw the Amazons as the last remnant of a forgotten matriarchy, Clytemnestra as a frustrated individualist, and Antigone as an oppressed revolutionary, Lefkowitz argued that such views were justified neither by the myths themselves nor by the relevant documentary evidence. Concentrating on those aspects of women's experience most often misunderstood—life apart from men, marriage, influence in politics, self-sacrifice and martyrdom, and misogyny—she presented a far less negative account of the role of Greek women, both ordinary and extraordinary, as manifested in the central works of Greek literature. This updated and expanded edition includes six new chapters on such topics as heroic women in Greek epic, seduction and rape in Greek myth, and the parts played by women in ancient rites and festivals. Revisiting the original chapters as well to incorporate two decades of more recent scholarship, Lefkowitz again shows that what Greek men both feared and valued in women was not their sexuality but their intelligence.

When did prince/princess come to mean "royal heir"? The words prince and princess come to English from Old French and ultimately from Latin's "princeps". However, in both Latin and Old French, as well as historical

Should I use "the queen" or "the Queen"? [duplicate] A noun (when not at the start of a sentence) should be capitalised if and only if it is a proper noun, which refers to a specific person, place, thing or idea without taking a limiting

What is the short form for 'little' ? Is it li'l or lil'? Ngram shows li'l beating out lil' and li'l since before 1900. (Note that you must press "Search lots of books" after clicking on the link.) And since Lil is a very popular name (both as

single word requests - Is there a male equivalent of "dowager" I see Wikipedia talks about "Queen dowagers" and that "dowager Princess" has sometimes been used, so "dowager Prince Phillip" would fit except "dowager" always refers to a female,

expressions - Usage of "the more you squeeze, the more sand Governor Tarkin: Princess Leia, before your execution, I'd like you to join me for a ceremony that will make this battle station operational. No star system will dare oppose the Emperor now.

personal names - English Language & Usage Stack Exchange I imagine it's official title (Princess), then degree (Reverend), then rank (Professor), then gendered term (Mrs), so you'd address it as Dr and Professor or Dr and Mr, as a degree

Less politically problematic alternative to 'princess' or 'snowflake' But both of these terms are politically problematic - princess because it's gendered and sounds demeaning to women, and snowflake because it's a common alt-right insult

Is this correct usage of "designate" as an adjective? As [Wikipedia] () says, a postpositive or postnominal adjective is an attributive adjective that is placed after the noun or pronoun that it modifies. Subcategory Names of posts,

single word requests - What is the Prince/Princess equivalent for If a prince becomes a king, and a princess becomes a queen, what is the term for someone who becomes an emperor/empress? The title of the heir to a throne is Prince/Princess

Verbally differentiating between "prince's" and "princess" Verbally differentiating between "prince's" and "princess" Ask Question Asked 10 years, 10 months ago Modified 10 years, 10 months ago
