remember me sophie kinsella: Mini Shopaholic Sophie Kinsella, 2010-09-21 From the #1 New York Times bestselling author of The Party Crasher and Love Your Life comes “frothy fun . . . Faster than a swiping Visa, more powerful than a two-for-one coupon, able to buy complete wardrobes in a single sprint through the mall—it’s Shopaholic!” (The Washington Post) “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover Becky Brandon thinks that having a daughter is a dream come true: a shopping friend for life! But two-year-old Minnie has a quite different approach to shopping. The toddler creates havoc everywhere she goes, from Harrods to her own christening. On top of everything else, Becky and Luke are still living with her parents (the deal on house #4 has fallen through), when suddenly there’s a huge nationwide financial crisis. With people having to cut back, Becky decides to throw a surprise party for Luke to cheer everyone up. But when costs start to spiral out of control, she must decide whether to accept help from an unexpected source—and therefore run the risk of hurting the person she loves. Will Becky be able to pull off the celebration of the year? Will she and Luke ever find a home of their own? Will Minnie ever learn to behave? And . . . most important . . . will Becky’s secret wishes ever come true? **BONUS:** This edition contains an excerpt from Sophie Kinsella’s Shopaholic to the Stars and a sneak peek into all of the Shopaholic novels. Praise for Mini Shopaholic “Madcap adventure.”—People “A page-turner . . . [Sophie] Kinsella at her most hilarious best.”—Fort Worth Star-Telegram “Screamingly funny.”—USA Today

remember me sophie kinsella: Christmas Shopaholic Sophie Kinsella, 2022-10-25 The #1 New York Times bestselling author of The Party Crasher and Love Your Life returns with a festive Shopaholic adventure filled with holiday cheer and unexpected gifts. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover ‘Tis the season for change and Becky Brandon (née

Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic “Funny, charming, and the perfect read to get into the holiday spirit.”—PopSugar “Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour.”—Publishers Weekly

remember me sophie kinsella: *I Owe You One* Sophie Kinsella, 2019-02-05 NEW YORK TIMES BESTSELLER • “A gem of a novel.”—Jodi Picoult, #1 New York Times bestselling author of *A Spark of Light* and *Small Great Things* From the #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* comes an irresistible story of love and empowerment about a young woman with a complicated family, a handsome man who might be “the one,” and an IOU that changes everything. Fixie Farr has always lived by her father's motto: “Family first.” And since her dad passed away, leaving his charming housewares store in the hands of his wife and children, Fixie spends all her time picking up the slack from her siblings instead of striking out on her own. The way Fixie sees it, if she doesn't take care of her father's legacy, who will? It's simply not in Fixie's nature to say no to people. So when a handsome stranger in a coffee shop asks her to watch his laptop for a moment, she not only agrees—she ends up saving it from certain disaster. To thank Fixie for her quick thinking, the computer's owner, Sebastian, an investment manager, scribbles an IOU on a coffee sleeve and attaches his business card. Fixie laughs it off—she'd never actually claim an IOU from a stranger. Would she? But then Fixie's childhood crush, Ryan, comes back into her life, and his lack of a profession pushes all of Fixie's buttons. As always, she wants nothing for herself—but she'd love Seb to give Ryan a job. No sooner has Seb agreed than the tables are turned once more and a new series of IOUs between Seb and Fixie—from small favors to life-changing moments—ensues. Soon Fixie, Ms. Fixit for everyone else, is torn between her family and the life she really wants. Does she have the courage to take a stand? Will she finally grab the life, and love, she really wants? Praise for *I Owe You One* “This book is a shot of pure joy!”—Jenny Colgan, author of *The Bookshop on the Corner* “A humorous exploration of family life, finding love and the difficulties of coming into one's own as a young professional woman . . . The entertaining cast of characters . . . will certainly remind readers why nineteen years after her first hit Kinsella remains one of the reigning queens of women's fiction.”—The Washington Post “*I Owe You One* is another impossibly delightful story by Sophie Kinsella, a must-read for her die-hard fans and new readers alike.”—PopSugar
