

ross kemp on gangs

ross kemp on gangs: An In-Depth Exploration of His Perspective and Impact

In recent years, Ross Kemp has become synonymous with his courageous investigative journalism on some of the most pressing issues facing modern society. Among his most notable work is his exposure and analysis of gangs worldwide. Kemp's insightful, empathetic, and often harrowing documentaries shed light on the complex realities of gang culture, its origins, and its effects on communities. This article explores Ross Kemp's perspective on gangs, his investigative methods, the key themes in his work, and the broader implications of his efforts to inform and inspire change.

Who Is Ross Kemp?

Background and Career

Ross Kemp is a renowned British actor, journalist, author, and documentary filmmaker. He first gained fame as an actor, particularly for his role as Grant Mitchell in the long-running British soap opera *EastEnders*. However, Kemp's career took a significant turn when he began producing and presenting documentaries focusing on social issues, conflict zones, and criminal organizations.

Transition to Investigative Journalism

His transition from actor to investigative journalist was driven by a desire to understand global conflicts and societal problems. Kemp's approach is characterized by immersive reporting—often embedding himself within the communities he covers to gain authentic insights.

Ross Kemp's Documentaries on Gangs

The Genesis of His Focus on Gangs

Ross Kemp's interest in gangs stems from his broader focus on violence, crime, and social inequality. His documentaries aim to dismantle stereotypes, understand root causes, and highlight stories of resilience.

Notable Gangs Covered in His Work

Kemp's documentaries have explored various gangs across the globe, including:

- UK street gangs (e.g., London, Birmingham)

- Mexican drug cartels
- South African violence gangs
- American gangs such as the Bloods and Crips
- Asian organized crime syndicates

Documentary Series and Special Reports

Some of Kemp's most impactful series include:

- Ross Kemp on Gangs (2011): Focuses on gangs in the UK, USA, and South Africa.
- Ross Kemp: Extreme World (2016): Explores global issues, including gang violence.
- Ross Kemp: Living with Gangs (2018): Provides an intimate look at gang members' lives and their environments.

Key Themes in Ross Kemp's Coverage of Gangs

Origins and Causes of Gangs

Kemp's work emphasizes that gangs are often rooted in social, economic, and political factors, such as:

- Poverty and unemployment
- Lack of education opportunities
- Social exclusion
- Historical marginalization
- Family instability

The Culture of Gangs

He explores how gang culture develops its own norms, symbols, and codes of conduct, including:

- Loyalty and betrayal
- Violence as a means of survival
- The pursuit of respect and reputation

Impact on Communities

Kemp's documentaries highlight the devastating effects of gangs on local communities:

- Increased violence and crime rates
- Displacement and social fragmentation
- Intergenerational cycles of violence
- Fear and mistrust among residents

Law Enforcement and Policy Responses

He critically examines the effectiveness of various strategies:

- Policing and crackdowns
- Community outreach programs
- Rehabilitation and youth engagement initiatives
- The importance of addressing underlying social issues

Ross Kemp's Approach to Reporting on Gangs

Immersive Journalism

Kemp's signature method involves embedding himself within gang environments to observe firsthand. This approach allows him to:

- Gain authentic insights
- Build trust with interviewees
- Present a nuanced view beyond stereotypes

Empathy and Humanization

He strives to portray gang members as human beings shaped by circumstances, emphasizing:

- Personal stories and struggles
- Aspirations and regrets
- Complex motivations behind involvement in gangs

Challenges Faced During Filming

Kemp often faces dangers such as:

- Threats from gangs
- Risk of violence
- Ethical dilemmas about representation and sensationalism

The Impact of Ross Kemp's Work on Gangs

Raising Public Awareness

His documentaries have brought global attention to the realities of gang violence, influencing public opinion and policy debates.

Influencing Policy and Community Initiatives

Kemp's work has inspired:

- increased funding for youth programs
- community-led initiatives
- policy reforms aimed at reducing gang influence

Empowering Communities

By humanizing gang members and showcasing stories of change, Kemp's reporting encourages community resilience and rehabilitation efforts.

Criticism and Controversies

While widely praised, some critics argue that:

- his approach may glamorize or sensationalize violence
- ethical dilemmas exist in depicting vulnerable individuals
- the complexity of gang culture is sometimes oversimplified

Lessons Learned from Ross Kemp's Gangs Investigations

Understanding the Root Causes

Addressing gang violence requires tackling socio-economic disparities and providing opportunities for youth.

Community Engagement Is Key

Successful interventions often involve local residents, organizations, and law enforcement working collaboratively.

Holistic Approaches Are Essential

Combining enforcement with social programs, education, and mental health support yields better results.

The Power of Media in Social Change

Kemp's documentaries demonstrate how investigative journalism can inform, influence policy, and inspire societal change.

Conclusion: Ross Kemp's Enduring Legacy on Gangs

Ross Kemp's coverage of gangs exemplifies the power of immersive journalism to shed light on complex social issues. Through his work, he has humanized those involved in gang culture, highlighted the systemic issues that perpetuate violence, and called for comprehensive solutions. His documentaries serve not only as eye-opening accounts but also as catalysts for change, urging governments, communities, and individuals to work together in addressing the root causes of gang-related violence. As society continues to grapple with these challenges, Ross Kemp's contributions remain a vital resource for understanding and combating gang influence worldwide.

Which countries has Ross Kemp visited for his 'Gangs' documentary series?

Ross Kemp has traveled to multiple countries including the UK, the US, South Africa, and Central American nations to document gang culture and its ramifications.

How has Ross Kemp's 'Gangs' series contributed to public awareness and policy discussions?

The series has increased public awareness about gang violence and social issues, often prompting discussions on policy responses, community safety, and rehabilitation efforts.

What impact has Ross Kemp's 'Gangs' series had on viewers and communities?

The series has educated viewers on the complexities of gang involvement, fostering greater understanding and sometimes encouraging community initiatives aimed at prevention and support.

Are there any recent updates or new seasons of Ross Kemp's 'Gangs' series?

As of 2023, Ross Kemp has announced new episodes focusing on emerging gang trends and the evolving landscape of organized crime, continuing to shed light on these critical issues.

Additional Resources

Ross Kemp on Gangs is a compelling and often hard-hitting documentary series that delves into the complex world of gang culture across various regions, primarily focusing on the UK but also exploring international hotspots. Presented by the acclaimed journalist and actor Ross Kemp, the series provides an unflinching look at the realities faced by individuals caught in the cycle of violence, crime, and social disenfranchisement. This review will explore the series' format, impact, strengths, weaknesses, and overall significance in understanding modern gang dynamics.

Overview of Ross Kemp on Gangs

Ross Kemp on Gangs first aired in 2011 and quickly garnered attention for its raw and authentic portrayal of gang-related issues. Kemp, known for his roles in British television such as EastEnders, transitioned seamlessly into investigative journalism, bringing his signature directness and empathy to these serious subjects. The series is a combination of on-the-ground reporting, interviews with gang members, victims, law enforcement, social workers, and community leaders.

The core premise of the show is to shed light on the motivations behind gang involvement, the methods gangs use to control territories, and the social and economic factors that perpetuate these environments. Kemp's approach is both investigative and personal, often involving him visiting dangerous neighborhoods, engaging with community members, and sometimes risking his safety to provide viewers with an authentic perspective.

Format and Structure

Ross Kemp on Gangs typically follows a consistent format which enhances its educational and emotional impact:

- Introduction to the Area/Community: Kemp sets the scene, providing background on the geographical, social, and economic context.
- Interviews and Personal Stories: The series features candid conversations with gang members, victims, and law enforcement officials.
- On-the-Ground Reporting: Kemp often visits known hotspots, providing viewers with visceral footage of the environments.
- Analysis and Commentary: The series offers insights into the causes of gang violence, including poverty, lack of education, social exclusion, and peer pressure.
- Call to Action: Some episodes discuss solutions and community efforts to combat gang proliferation.

This structure ensures viewers gain a comprehensive understanding of each topic, balancing

emotional storytelling with factual analysis.

Impact and Reception

Ross Kemp on Gangs has been praised for its bravery and honesty. Its impact is multifaceted:

- Raising Awareness: It has brought gang issues to mainstream consciousness, prompting discussions on social justice and crime prevention.
- Influencing Policy: The series has reportedly influenced policymakers and law enforcement strategies by highlighting systemic problems.
- Empowering Communities: By showcasing community-led initiatives, the series encourages grassroots efforts to combat gang violence.

However, it has also faced criticism:

- Some argue that the series risks glamorizing gang culture or giving undue attention to certain groups.
- Others believe that the focus on sensational footage may oversimplify complex social issues.

Despite these criticisms, the overall reception has been positive, especially among viewers seeking a nuanced understanding of gang-related problems.

Strengths of Ross Kemp on Gangs

Several features stand out as strengths of the series:

- Authentic and Unfiltered Content: Kemp's willingness to enter dangerous environments provides viewers with an unvarnished look at gang life.
- Empathy and Humanization: The series humanizes those involved in gangs, portraying their stories with sensitivity rather than judgment.
- Educational Value: It offers valuable insights into the root causes of gang violence, making it a useful resource for educators, policymakers, and activists.
- Diverse Perspectives: Interviews include a wide range of voices, from gang members to social workers, creating a balanced narrative.
- Global Perspective: While primarily UK-focused, the series explores international issues, illustrating the global nature of gang problems.

Weaknesses and Criticisms

No series is without flaws, and Ross Kemp on Gangs has its share:

- Potential Glorification: The danger exists that viewers might view gang members as charismatic figures, inadvertently glamorizing their lifestyles.
- Sensationalism: Some critics argue the series emphasizes shocking scenes to boost ratings, possibly

at the expense of nuance.

- Limited Long-term Solutions: While the series highlights problems and community efforts, it sometimes falls short in offering concrete, sustainable solutions.
- Safety Risks: Kemp's on-the-ground reporting involves significant personal risk, which could be viewed as irresponsible or dangerous.
- Representation Concerns: The focus on certain neighborhoods and groups might reinforce stereotypes if not handled carefully.

Features and Notable Episodes

The series is notable for its diverse episodes, each focusing on different aspects of gang culture:

- Urban Gangs in London: Exploring the territorial disputes and drug trade within the capital's most dangerous neighborhoods.
- International Perspectives: Episodes on gangs in places like South Africa, the United States, and Central America reveal the widespread nature of the problem.
- Women and Gangs: Addressing the roles women play within these environments, often overlooked in mainstream discussions.
- Youth and Gangs: Examining how young people are recruited and the impact of gang violence on schools and families.

Each episode is well-researched, blending storytelling with investigative journalism.

The Role of Ross Kemp's Presence

Ross Kemp's involvement is a defining feature of the series. His presence adds a layer of credibility and emotional depth:

- Authentic Engagement: Kemp's willingness to immerse himself in dangerous situations demonstrates genuine commitment.
- Personal Connection: His empathetic approach helps humanize subjects, fostering viewer empathy.
- Media Persona: Kemp's reputation as a tough but fair journalist enhances the series' authority.

However, some critique his approach as occasionally intrusive or sensationalist, emphasizing entertainment over deeper social analysis.

Educational and Social Significance

Ross Kemp on Gangs serves as a vital educational tool:

- It highlights the importance of social intervention, education, and community empowerment.
- It underscores the need for multi-agency collaboration involving police, social services, and local organizations.
- The series encourages viewers to think critically about the root causes of violence and the

importance of addressing social inequality.

Its social significance lies in raising awareness and fostering dialogue around these critical issues, making it a valuable resource for those committed to social justice.

Conclusion: Is Ross Kemp on Gangs Worth Watching?

In conclusion, Ross Kemp on Gangs is a powerful documentary series that offers an unflinching look into some of the most challenging social issues of our time. Its strengths lie in its authentic content, humanizing approach, and educational value. While it does face criticisms related to sensationalism and potential stereotyping, the series overall succeeds in raising awareness, inspiring community action, and prompting critical conversations.

Pros:

- Authentic and raw footage
- Empathetic portrayal of subjects
- Broad geographical scope
- Raises awareness and educates viewers
- Features diverse perspectives

Cons:

- Potential for sensationalism
- Risk of glamorizing gang culture
- Limited focus on long-term solutions
- Safety risks involved in on-the-ground reporting
- Possible reinforcement of stereotypes

For viewers interested in understanding the complex realities of gang life and the social factors underpinning violence, Ross Kemp on Gangs is an essential watch. It combines investigative journalism with compelling storytelling, making it a significant contribution to discussions on crime, social justice, and community resilience. Whether as an educational resource or a wake-up call, the series remains relevant and impactful in contemporary discourse on gang-related issues.

[Ross Kemp On Gangs](#)

ross kemp on gangs: ROSS KEMP ON GANGS ,

ross kemp on gangs: Gangs II Ross Kemp, 2008 In this sequel to the bestselling Gangs, Ross Kemp once again infiltrates groups of the deadliest criminals in countries as varied and far-reaching as Argentina, Thailand and Kenya. In Poland while investigating Neo-Nazi football hooligans, Ross is tear-gassed at a football match as he shadows an elite police riot squad. In Colombia he gains access to the secretive Sicarios, criminals who operate as hit-squads and who specialize in kidnapping and bombing. And in East Timor he comes eyeball to eyeball with the gangs that are bringing the country to the verge of collapse, and witnesses their primeval initiation rites. Risking his life, Ross goes deep into the realms of gangland culture, and in this nail-biting and enlightening book, reveals its most terrifying secrets.

ross kemp on gangs: A-Z of Hell: Ross Kemp's How Not to Travel the World Ross Kemp,

2014-05-22 Ross Kemp's fascinating guide of the worst places in the world. Want to know where to discover the perfect sunset in Fiji? How about a tropical paradise in St Lucia, or one of the world's beautiful natural wonders in the Alps? Well this is NOT the book for you. But if you want to know about meeting transvestite prostitutes in a South African prison, or being attacked for a can of tuna in the Congo, buying crack cocaine in a Venezuelan prison or being chased by dogs in a haunted house in Belize, then look no further. Ross Kemp has visited the worst places in the world, and here they are in all their horror - in a handy A to Z format. This is not one hell of a travel guide. This is a travel guide to hell.

ross kemp on gangs: Ganglands: Russia Ross Kemp, 2010-06-03 Trojan Industries are in Russia and there's a new gang in their sights. Eagles 88, a twisted group of Neo-Nazi extremists, are terrorizing the streets of Moscow, attacking innocent civilians. Can Alexi Zukov, Trojan's latest teenage recruit, infiltrate the inner workings of the gang and save the capital's streets from another tragedy?

ross kemp on gangs: Gangs Ross Kemp, 2007 In groups, street gangs fight, stab, rob, rape and murder anyone who isn't one of their own. And when rival gangs meet - what you get is warfare. The author aims to infiltrate these groups of criminals to discover who they are, what makes them tick and what the law is doing to curb their criminal activity.

ross kemp on gangs: Gangs Richard Swift, 2011-11-30 A Booklist Editors' Choice and a Society of School Librarians International (SSLI) Honor Book Street gangs have exploded worldwide. Tattoos, baggy pants, tagging, gangsta style, the unspoken threat -- it's all just around the corner in most of the world's major cities. From the streets of Los Angeles to the shantytowns of Cape Town, hundreds of thousands of at risk youth are deciding whether they should join their local gang. Violence, guns, the drug trade, racism, poverty, families under pressure and ever-widening slums all provide a witch's brew in which the youth gang tempts young males and females with a sense of identity and belonging that their world has denied them. Gangs exposes the roots of the problem as it moves from the banlieues of France to the favelas of Brazil. It offers a startling analysis of the complicity of the official adult world and some controversial ideas for reforms that might just undermine the appeal of gang life. For many of the world's young -- especially those who are poor -- joining a gang is a real career choice. It is a choice that can be as deadly for young gangsters as for their victims. Richard Swift shows us that we fail to understand gangs at our peril.

ross kemp on gangs: Ross Kemp: Mafia and Britain Ross Kemp, 2024-09-19 The mafia are closer than you think... For most of us in Britain, the Mafia seems as distant as the characters in Goodfellas, Gomorrah, or The Godfather trilogy. However, the truth is far more sinister. Drawing from his groundbreaking Sky series, renowned journalist and fearless investigator Ross Kemp delves into the depths of the Mafia's influence within the UK - unveiling the Mafia bosses, capos, and hitmen who work next door, from caravan parks to shoe shops, cafés to newsagents. Travelling from London to New York, Philadelphia, Miami, Colombia, Spain, and Italy before returning to Britain again, Ross embarks on an epic odyssey to trace the story of the Mafia over the last 100 years - revealing a globalized web of connections that have enabled the Mob to quietly, yet effectively, infiltrate the heart of Britain's underworld, and shape our society from within.

ross kemp on gangs: Crips and Bloods Herbert C. Covey, 2015-06-23 This book provides a concise and engaging examination of the subculture of the Crips and Bloods—the notorious street gangs that started in Los Angeles, but have now spread throughout the United States. Despite the dangers and harsh realities intrinsic to street life and criminal activity, the no-holds-barred lifestyle of gangs continues to interest mainstream America. This provocative book provides an insider's look into the subculture of two of the most notorious street gangs—the Crips and the Bloods. Crips and Bloods: A Guide to an American Subculture traces the evolution of the two gangs, covering their origins in South Central Los Angeles to the organizations' current presence throughout the United States. The author analyzes the ways in which the gang subculture is created, promoted, and perpetuated; shows how the groups currently recruit their members; and explores the ways Crip and Blood culture has expanded beyond the gangs into the larger mainstream society.

ross kemp on gangs: Ganglands: Brazil Ross Kemp, 2009-08-06 Deep in the heart of Rio, a new gang has emerged in the favelas. A gang with a sinister reputation, heavy-duty weaponry and a seemingly limitless drug supply. Recruited by the shady organization Trojan Industries, teenage tearaway Luiz Alves must gain initiation, infiltrate the gang and find out who's backing them. But with guns on every street corner and the threat of exposure - and brutal death - hanging over his head, Luiz's mission of discovery isn't his biggest problem. Staying alive is.

ross kemp on gangs: And On That Bombshell Richard Porter, 2015-10-22 I was Top Gear's script editor for 13 years and all 22 series. I basically used to check spelling and think of stupid gags about The Stig. I also got to hang around with Jeremy Clarkson, Richard Hammond and James May. It didn't feel like something you should get paid for. From the disastrous pilot show of 2002 to the sudden and unexpected ending in 2015, working on Top Gear was quite a rollercoaster ride. We crossed continents, we made space ships, we bobbed across the world's busiest shipping lane in a pick-up truck. We also got chased by an angry mob, repeatedly sparked fury in newspapers, and almost killed one of our presenters. I realised that I had quite a few stories to tell from behind the scenes on the show. I remembered whose daft idea it was to get a dog. I recalled the willfully stupid way in which we decorated our horrible office. I had a sudden flashback to the time a Bolivian drug lord threatened to kill us. I decided I should write down some of these stories. So I have. I hope you like them. And now, a quote from James May: 'Richard Porter has asked me to write a quote for his new book about the ancient history of Top Gear. But this is a ridiculous request. How can one write a quote? Surely, by definition, a quote must be extracted from a greater body of writing, for the purpose of illustrating or supporting a point in an unrelated work. I cannot write a quote any more than I could film an out-take. 'Porter, like Athens, has lost his marbles.'

ross kemp on gangs: Greenlit Nicola Lees, 2010-08-31 Greenlit explains how to develop, research, pitch and sell your idea for any type of factual or reality television show. It gives the inside track on what channel executives are really looking for, stories of how hit shows actually came about and advice from channel commissioners and development producers.

ross kemp on gangs: The Palgrave Handbook of Youth Gangs in the UK Paul Andell, John Pitts, 2023-02-17 This handbook brings together cutting-edge research from key contributors on the rapidly expanding and fast-changing field of UK youth gangs. It examines the contours of the academic debates, describes and explains the origins and evolution of violent street gangs in the UK against a backdrop of globalization, and discusses the factors surrounding the emergence of these gangs in each of the four UK nations and some English regions. It also examines the relationship between gangs and wider issues relating to gender, ethnicity, drug distribution and organised crime. It critically assesses the potential and limitations of 'Public Health' approaches to gang violence reduction and the government's policy responses to violent street gangs in the UK. Providing a broad examination of the latest UK gangs research, with international comparisons, it is essential reading for undergraduate and post-graduate students, in criminology, sociology, social policy and law, policy makers at local and central government level, and practitioners in the fields of law, policing, youth work, social work, housing and workers in dedicated voluntary sector organizations.

ross kemp on gangs: The Trouble with Kenya: McKenzian Blueprint Lawi Sultan Njeremani, The McKenzian Blueprint. Some lines are short; some lines are long. All lines are variable. Some appear parallel but connect in latency. Some appear linear. When held against the light they reveal dependence or independence; Freedom or constraints; Empowerment or strife; Subjugation or Justice. The Trouble with Kenya is a microcosm of any given country's social and justice pillars. These pillars have been subordinated to the political and economic pillars in many societies with politics and the economy being deified as the all-encompassing enablers of the advancement of Nations. With the world becoming more connected, happenings in far-flung places are increasingly becoming risk factors locally, precipitating issues of local concern and increasing the impediments to collective human development. All these may appear to be abstract concepts in daily life where making the next pay check, putting food on the table or securing a comfortable future for oneself and family is an exhausting endeavor but those who ignore the harbinger flicks

subject themselves to ongoing or future succumb. The story of the founding of Kenya as a country and the continuous strides towards nationhood is similar to many countries globally that have had a monarchy in their founding DNA. Indeed, some countries have excelled in building institutions that ensure an equitable society, while some continue to struggle with cartelization and usurpation of independence of institutions and commensurately experience unjust societal confluence where only a few enjoy the benefits of a nation-wide toil. Why you should get the best historical book you are yet to read *Unprecedented Insight: Offering a fresh and unparalleled perspective*, this book provides a deep dive into Kenya's history in two volumes, shedding light on pivotal moments and influential figures that have shaped the nation. *McKenzian Blueprint Unveiled: The book meticulously explores the McKenzian Blueprint*, a historical phenomenon that continues to influence Kenya's social, economic, and political landscape. Readers will gain a profound understanding of its origins, implementation, and lasting effects. *Compelling Narration: An engaging writing style and thorough research make complex historical events accessible to a broad audience*, ensuring an absorbing and enlightening reading experience. *Companion Comic Book: Enhance your understanding with the companion comic book of the same title. Featuring vivid graphic illustrations*, the comic book brings key historical moments to life, making it an excellent educational tool and an engaging supplement to the main text. *Relevance Today: The book is representative of any given country in the world. Drawing parallels between historical events and contemporary issues*, the book underscores the relevance of Kenya's, and indeed, your country's past in understanding its present and shaping its future. *The Trouble with Kenya: McKenzian Blueprint is a must-read for history enthusiasts, students, and anyone seeking a comprehensive exploration of Kenya's rich and complex heritage.* Order now and embark on a captivating journey through the corridors of time.

ross kemp on gangs: Global Gangs Jennifer M. Hazen, Dennis Rodgers, 2014-08-01 Gangs, often associated with brutality and senseless destructive violence, have not always been viewed as inherently antagonistic. The first studies of gangs depicted them as alternative sources of order in urban slums where the state's authority was lacking, and they have subsequently been shown to be important elements in some youth life cycles. Despite their proliferation there is little consensus regarding what constitutes a gang. Used to denote phenomena ranging from organized crime syndicates to groups of youths who gather spontaneously on street corners, even the term "gang" is ambiguous. *Global Gangs* offers a greater understanding of gangs through essays that investigate gangs spanning across nations, from Brazil to Indonesia, China to Kenya, and from El Salvador to Russia. Volume editors Jennifer M. Hazen and Dennis Rodgers bring together contributors who examine gangs from a comparative perspective, discussing such topics as the role the apartheid regime in South Africa played in the emergence of gangs, the politics behind child vigilante squads in India, the relationship between immigration and gangs in France and the United States, and the complex stigmatization of youths in Mexico caused by the arbitrary deployment of the word "gang." Featuring an afterword by renowned U.S. gang researcher Sudhir Venkatesh, this volume provides a comprehensive look into the experience of gangs across the world and in doing so challenges conventional notions of identity. Contributors: Enrique Desmond Arias, George Mason U; José Miguel Cruz, Florida International U; Steffen Jensen, DIGNITY-Danish Institute Against Torture; Gareth A. Jones, London School of Economics and Political Science; Marwan Mohammed, École Normale Supérieure, Paris; Jacob Rasmussen, Roskilde U; Loren Ryter, U of Michigan; Rustem R. Safin, National Research Technological U, Russia; Alexander L. Salagaev, National Research Technological U, Russia; Atreyee Sen, U of Manchester; Mats Utas, Nordic Africa Institute; Sudhir Venkatesh, Columbia U; James Diego Vigil, U of California, Irvine; Lening Zhang, Saint Francis U.

ross kemp on gangs: Ethical Reporting of Sensitive Topics Ann Luce, 2019-02-22 *Ethical Reporting of Sensitive Topics* explores the underlying complexities that journalists may face when covering difficult news stories. Reporting on issues such as suicide, sexual abuse, or migration is a skill that is often glossed over in a journalist's education. By combining theory and practice, this collection will correct this oversight and give journalists the expertise and understanding to report on these subjects responsibly and ethically. Contributors to this volume are an international group of

journalists-turned- academics, who share their first-hand experiences and unique professional insight into best ethical journalistic practice for reporting on sensitive topics. Drawing from a range of case studies, contributors discuss the most appropriate approach to, for example, describing a shooter who has killed a group of schoolchildren or interviewing someone who has lost everything in a natural disaster. Readers are invited to consider factors which have the potential to influence the reporting of these sorts of topics, including bias, sensationalism, conflict of interest, grief, vulnerability, and ignorance of one's own privilege. Ethical Reporting of Sensitive Topics aims to support all journalists, from students of journalism and individuals encountering a newsroom for the first time, to those veteran journalists or specialist journalists who seek to better their reporting skills.

ross kemp on gangs: Bioethics of Displacement and Its Implications Rodríguez, Manuel Lozano, 2023-06-19 Bioethics aims to provide a framework for making informed and ethical decisions in the face of complex and often controversial issues. It is concerned with issues such as informed consent, autonomy, justice, beneficence, non-maleficence, and respect for persons and seeks to balance the interests of individuals, communities, and society. Defining the bioethics of displacement presents a challenge; despite bioethicists' efforts to raise multidisciplinary, the truth is that narrow medical bioethics focused on health is currently mainstream. Bioethics of Displacement and Its Implications defines the bioethics of displacement, explains why it is necessary, and sets the basic curricula on the bioethics of displacement. This book puts displacement in context through historical reflections and stresses how psychological inflexibility and the politics of pain work are reflected in the context of bioethics both in the nature of the research and in bioethics as a force of displacement and the challenges in the bioethical discourse. Finally, the book frames the bioethics of displacement (Bodi) in the modern bioethics discourse and how it can become a game changer. This work focuses on bioethics, confinement, displacement, global public health, and politics. This premier reference source is an essential resource for medical professionals, pharmacists, hospital administrators, government officials, students and faculty of higher education, librarians, researchers, and academicians.

ross kemp on gangs: Gamechanger Spencer FC, 2018-08-09 How one man went from gaming and making videos at home to becoming a football club owner 'The bizarre new world of football' Guardian I lifted the trophy triumphantly over my head, just as I'd seen so many FA Cup, World Cup and Champions League winners do on TV. It was quite simply the best moment of my life. Hashtag United had won. So, how on earth did this happen? How did a kid who at one point couldn't even get in his school team end up playing at Wembley Stadium in front of 20,000 people? How did someone who spent his life playing computer games get to play football in the same side as World Cup- and Champions League-winning players? I'm hardly sure myself. But here's my attempt to tell the story.

ross kemp on gangs: Troy Deeney: Redemption Troy Deeney, 2021-09-30 *** 'Footie book of the year.' - The Sun TROY DEENEY is best known as Watford FC's former captain and a thorn in Arsenal's side. But behind the successful and gritty football persona is a remarkable story of resilience. In this brutally honest and inspirational memoir, Troy shares what it was like to grow up on Europe's largest council estate, where his mum worked three jobs and his father, a notorious drug dealer, was frequently in and out of prison. He shares stories of self-sabotage, from simply not turning up to Aston Villa's football trials as a teenager, playing while drunk to being imprisoned for affray at the height of his career. But Troy never gave up, even when it meant playing professional football with an ankle tag. He went on to score 20+ goals in three successive seasons and became the Club Captain, an FA Cup finalist, promotion winner and Watford's record scorer. He also became an outspoken player advocate and - in an age of bland footballer interviews - is a sought after voice on football and footballers today. Engaging, endearing and insightful, this book is where Troy comes to terms with his turbulent past.

ross kemp on gangs: The Battle for Sky Christopher Williams, 2019-05-30 From perilous early years through clashes with the BBC and BT, not to mention the News Corporation bid for full control that failed in the wake of 2010's phone hacking scandal, there has been no shortage of

drama in Sky's history – nor in its likely future. In 2018, the organization was the target of bids from two true titans of the global media industry – Disney and Comcast – with a dramatic bidding war waged for ultimate ownership. Throw in an industry already shaken by the arrival of newer media players such as Netflix, the declining circulation of Murdoch newspapers such as The Sun and The Times, as well as the UK government's scrutiny of the Murdoch family's influence on UK media, and the scene was set for a major corporate battle of a size rarely seen on the global business stage. But how exactly did Comcast win in the battle for shareholder votes? How will the Murdoch empire fare when the dust finally settles? And what does it mean now for the future of entertainment in a streaming, downloadable and digital world? Featuring interviews with key individuals and stakeholders from around the world, The Battle for Sky offers a timely and intriguing glimpse into the workings of media empires, and a gripping account of one of the largest corporate battles in recent years.

ross kemp on gangs: Handbook of Global Media Ethics Stephen J.A. Ward, 2021-09-02 This handbook is one of the first comprehensive research and teaching tools for the developing area of global media ethics. The advent of new media that is global in reach and impact has created the need for a journalism ethics that is global in principles and aims. For many scholars, teachers and journalists, the existing journalism ethics, e.g. existing codes of ethics, is too parochial and national. It fails to provide adequate normative guidance for a media that is digital, global and practiced by professional and citizen. A global media ethics is being constructed to define what responsible public journalism means for a new global media era. Currently, scholars write texts and codes for global media, teach global media ethics, analyse how global issues should be covered, and gather together at conferences, round tables and meetings. However, the field lacks an authoritative handbook that presents the views of leading thinkers on the most important issues for global media ethics. This handbook is a milestone in the field, and a major contribution to media ethics.
