

steely dan reelin in the years

Steely Dan Reelin' in the Years

Steely Dan Reelin' in the Years is a phrase that resonates deeply with fans of one of the most influential and enduring bands in the history of jazz-rock and sophisticated pop music. Known for their intricate compositions, complex harmonies, and the distinctive voice of Donald Fagen paired with the precise guitar work of Walter Becker, Steely Dan has left an indelible mark on the musical landscape. Their album "Reelin' in the Years," released in 1972, became a hallmark of their early sound and remains a classic rock staple. This article explores the band's evolution, the significance of "Reelin' in the Years," and their enduring legacy, shedding light on their innovative approach to music, their influence, and their continued relevance.

The Origins of Steely Dan

Formation and Early Years

Steely Dan was formed in 1972 in Los Angeles by singer-songwriter Donald Fagen and guitarist Walter Becker. The duo initially started as a band that combined jazz, rock, and R&B influences, aiming to craft sophisticated, well-produced music that stood apart from mainstream rock trends.

Musical Influences and Style

Their early work drew from a variety of genres, including:

- Jazz
- Blues
- R&B
- Classic rock

This eclectic mix contributed to their signature sound, characterized by complex chord progressions, jazz-influenced arrangements, and lyrical sophistication.

The Breakthrough Album: Reelin' in the Years

Background and Recording

"Reelin' in the Years" was released in 1972 as part of their debut album, *Can't Buy a Thrill*. The song

"Reelin' in the Years" became an immediate hit, showcasing the band's knack for memorable melodies coupled with intricate musicianship.

Musical Composition and Style

The song features:

- A distinctive guitar riff played by Elliott Randall
- Sharp, witty lyrics
- A blend of rock and jazz elements
- Tight, layered arrangements

Critical Reception and Popularity

The track received widespread acclaim for its catchy chorus and technical prowess. It became one of the band's signature songs and is often regarded as a quintessential classic rock track.

The Significance of "Reelin' in the Years"

This song exemplifies Steely Dan's approach to music—combining commercial appeal with artistic complexity. It helped establish their reputation as innovative musicians who did not conform to typical rock band norms.

Evolution of Steely Dan's Sound

From Jazz-Rock to Studio Perfection

Following their debut, Steely Dan continued to evolve, moving towards more studio-centric recordings. Their subsequent albums, such as *Countdown to Ecstasy* (1973) and *Pretzel Logic* (1974), displayed increased sophistication and jazz influences.

The Role of Session Musicians

A defining characteristic of Steely Dan's work was their use of top-tier session musicians, which allowed for:

- Highly polished sound
- Complex arrangements
- A blend of various musical styles

Notable Albums and Tracks

Some key albums include:

- The Royal Scam (1976)
- Aja (1977)
- Gaucho (1980)

These records contain some of their most acclaimed tracks, such as "Kid Charlemagne," "Peg," and "Hey Nineteen."

The Hiatus and Rebirth

Breakup and Solo Careers

After the release of Gaucho, Steely Dan went on hiatus in the early 1980s, with both Fagen and Becker pursuing solo projects. During this period, they gained experience and explored new musical directions.

Reunion and Later Works

In the late 1990s, the duo reunited, releasing Two Against Nature in 2000, which won multiple Grammy Awards, including Album of the Year. Their later albums, like Everything Must Go (2003), continued to showcase their mastery of studio craftsmanship.

The Cultural Impact of Steely Dan and "Reelin' in the Years"

Influence on Musicians and Producers

Steely Dan's meticulous production techniques and use of jazz-influenced harmonies have influenced countless artists and producers, such as:

- Donald Fagen's distinctive vocal style
- The use of session musicians in popular music

Enduring Popularity and Legacy

Songs like "Reelin' in the Years" remain staples on classic rock radio, and their albums are frequently cited in lists of the greatest records of all time.

Cover Versions and Media Appearances

"Reelin' in the Years" has been covered by various artists and featured in films, commercials, and TV shows, cementing its place in popular culture.

Thematic and Lyrical Analysis

Lyrics and Themes

Steely Dan's lyrics often explore themes such as:

- Cynicism
- Love and relationships
- Social commentary
- Personal introspection

"Reelin' in the Years" reflects a sense of nostalgia and reflection, with lyrics that evoke a feeling of looking back on past experiences.

Musical Complexity and Artistic Expression

Their songwriting is notable for:

- Clever wordplay
- Juxtaposition of upbeat melodies with sometimes dark or satirical lyrics
- Use of unexpected chord changes and harmonies

The Enduring Relevance of Steely Dan

Modern Influence and Critical Reappraisal

In recent decades, critics and new generations of musicians have reevaluated Steely Dan's work, recognizing their innovative fusion of genres and studio mastery.

Continued Performances and Legacy Acts

Although Walter Becker passed away in 2017, the band's music continues to be celebrated through tribute acts, reissues, and ongoing concerts by Fagen and other musicians.

The Digital Era and Reissues

Remastered editions of their albums, including "Reelin' in the Years," have introduced their music to new audiences, ensuring their legacy endures.

Conclusion

Steely Dan Reelin' in the Years encapsulates a pivotal moment in rock history—a band that redefined what popular music could be through sophisticated arrangements, jazz-influenced harmonies, and lyrical depth. From their groundbreaking debut with "Reelin' in the Years" to their later acclaimed works, Steely Dan's influence continues to resonate across generations. Their unwavering commitment to studio perfection and artistic integrity has cemented their place as one of the most innovative and respected bands in music history. As they continue to inspire musicians and delight fans, the timeless appeal of "Reelin' in the Years" and the entire Steely Dan catalog remains a testament to their genius and enduring legacy.

Frequently Asked Questions

What is the song 'Reelin' in the Years' by Steely Dan about?

'Reelin' in the Years' is a song that reflects on themes of nostalgia, frustration, and the passage of time, often interpreted as a critique of superficiality and the music industry.

When was 'Reelin' in the Years' released and on which album?

'Reelin' in the Years' was released in 1973 on Steely Dan's album 'Countdown to Ecstasy.'

What inspired the lyrics of 'Reelin' in the Years'?

Donald Fagen and Walter Becker drew inspiration from their experiences in the music industry, capturing feelings of disillusionment and the desire to move beyond superficiality.

How has 'Reelin' in the Years' influenced popular culture?

The song has become a classic rock staple, frequently featured in movies, TV shows, and commercials, and is celebrated for its iconic guitar riff and memorable lyrics.

What are some notable cover versions of 'Reelin' in the Years'?

Steely Dan Reelin' in the Years: An Expert Review of a Timeless Classic

When it comes to defining the pinnacle of jazz-rock fusion and sophisticated songwriting, few tracks stand as tall as "Reelin' in the Years" by Steely Dan. Released in 1972 on their album *Can't Buy a Thrill*, this song has become an enduring staple in rock history. Its intricate arrangements, sharp lyrical wit, and memorable guitar riffs exemplify the band's unique fusion of jazz, rock, and pop sensibilities. In this comprehensive review, we'll explore the song's origins, musical components, lyrical themes, production techniques, and its lasting influence, providing a detailed insight into why "Reelin' in the Years" continues to resonate with audiences and critics alike.

Origins and Context: The Birth of a Classic

Steely Dan's Formation and Musical Philosophy

Formed in Los Angeles in 1972 by Walter Becker and Donald Fagen, Steely Dan was initially conceived as a rock band but quickly evolved into a studio-centric project known for their meticulous production and jazz-inflected arrangements. Their approach was characterized by an emphasis on craftsmanship, complex harmonies, and genre-blending influences, setting them apart from many contemporaries.

"Reelin' in the Years" was written during the early stages of their recording career, capturing the essence of their desire to craft songs that were both commercially accessible and musically sophisticated. The song's lyrics reflect themes of disillusionment and cynicism, common in the early 70s post-Vietnam era, yet delivered with a sharp wit and irony that became a hallmark of their style.

Musical Composition and Arrangement

Chord Progressions and Harmonic Complexity

One of the most compelling aspects of "Reelin' in the Years" is its harmonic sophistication. The song features a memorable guitar riff built around a descending chord progression that combines major and minor chords, creating tension and release. The progression moves through a series of jazz-influenced chords, including dominant sevenths and altered harmonies, which give the song its distinctive color.

Key elements include:

- A tight, syncopated rhythm guitar riff that forms the backbone of the song.
- Use of jazz-influenced chord voicings, such as seventh and ninth chords.
- A bridge section that introduces a modulation, providing variation and maintaining listener interest.

This harmonic richness is complemented by a driving bassline that anchors the harmony, played with a melodic sensibility that adds to the song's groove.

Instrumentation and Arrangements

The arrangement of "Reelin' in the Years" exemplifies Steely Dan's studio prowess. It features:

- Electric guitars with a distinctive, slightly overdriven tone, played with a combination of rhythmic chording and melodic solos.
- A tight rhythm section comprising drums, bass, and percussion, providing a syncopated, groove-oriented foundation.
- Keyboards that add harmonic depth, with subtle synthesizer layers that enrich the texture.
- A horn section that occasionally punctuates the arrangement, adding jazz flavor.

The production is crisp and layered, with each instrument occupying its own space, allowing the intricate interplay to shine through.

Lyrical Themes and Vocal Delivery

Lyric Analysis: Cynicism and Wit

The lyrics of "Reelin' in the Years" are sharp, witty, and somewhat cynical, reflecting on themes of betrayal, superficiality, and the passage of time. The opening lines set the tone:

> "Your everlasting summer / You can see it fading fast / So you grab a piece of something / That you think is gonna last."

This introspective yet sarcastic tone resonates with listeners who have experienced disillusionment or nostalgia.

Additional lyrical themes include:

- The fleeting nature of youth and success.
- Critiques of superficial relationships and societal pretenses.
- The inevitability of change and aging.

The lyrics are delivered with a sense of sardonic humor, characteristic of Fagen's vocal style.

Vocal Style and Delivery

Donald Fagen's vocal delivery is characterized by:

- A cool, detached tone that enhances the song's ironic themes.
- Precise diction and phrasing that emphasize the lyrical wit.
- Subtle vocal inflections that convey underlying emotion without overt sentimentality.

His vocal performance complements the sophisticated arrangement, embodying a sense of cool detachment while conveying complex emotions.

Production Techniques and Sound Engineering

Studio Craftsmanship

"Reelin' in the Years" benefits from Steely Dan's hallmark studio expertise. Key production elements

include:

- Use of analog recording equipment that imparts warmth and depth.
- Overdubbing multiple guitar tracks to create a full, layered sound.
- Precise editing and mixing to achieve clarity and balance among instruments.
- Incorporation of jazz improvisation within the studio, particularly in guitar solos and horn arrangements.

The meticulous attention to detail results in a polished yet lively sound that has stood the test of time.

Influence of Producers and Session Musicians

Walter Becker and Donald Fagen's production was complemented by a roster of top-tier session musicians, including:

- Jeff "Skunk" Baxter (guitar), whose distinctive tone and phrasing are central to the song.
- Jim Hodder (drums), providing a tight, syncopated rhythm.
- Michael Omartian (keyboards), adding harmonic richness.
- The session horn group, which enhances the jazz fusion feel.

This collaboration achieved a seamless blend of rock, jazz, and pop elements, setting a high standard for studio production.

Reception and Legacy

Critical Acclaim and Chart Performance

Upon release, "Reelin' in the Years" received widespread praise for its craftsmanship, wit, and musicality. It became a radio staple and is often regarded as one of Steely Dan's signature songs. Although it only peaked modestly on the Billboard Hot 100 (reaching No. 6 in Canada and No. 56 in the US), its influence far exceeds its chart position.

Enduring Influence and Cultural Impact

The song's influence extends beyond its initial release, impacting genres and artists across decades. Notable

aspects include:

- Its role in defining the jazz-rock fusion genre.
- Inspiration for subsequent songwriters who admire its harmonic sophistication.
- Frequent inclusion in classic rock compilations and live performances.
- Its appearance in films, TV shows, and commercials, cementing its cultural relevance.

Moreover, "Reelin' in the Years" is often used as an educational example in music theory and production courses due to its complex arrangements and studio techniques.

Cover Versions and Tributes

Throughout the years, numerous artists have covered or referenced "Reelin' in the Years," including:

- Guitarists paying homage through instrumental versions.
- Bands incorporating its riffs into live sets.
- Musicians analyzing its composition in academic settings.

These tributes underscore the song's enduring significance within the musical canon.

The Legacy of "Reelin' in the Years"

"Reelin' in the Years" stands as a testament to Steely Dan's mastery of craft, blending complex musical arrangements with sharp lyrical commentary. Its timeless appeal is rooted in:

- Its innovative harmonic structure.
- The meticulous studio production.
- Donald Fagen's distinctive vocal style.
- Its cultural resonance as a reflection of its era.

As a piece of musical artistry, it exemplifies the band's philosophy of combining intellectual rigor with accessible melodies. For audiophiles, musicians, and casual fans alike, the track offers a compelling listening experience that continues to inspire and captivate.

Conclusion

In summary, "Reelin' in the Years" is more than just a classic rock song; it's a masterclass in songwriting, arrangement, and production. Steely Dan's ability to craft a song that balances sophistication with catchiness has secured its place in music history. Whether appreciating its harmonic intricacies, lyrical wit, or studio craftsmanship, listeners are reminded of the timeless appeal of well-executed, thoughtfully composed music.

For anyone exploring the depths of 70s rock or looking to understand the art of studio production, "Reelin' in the Years" remains an essential listen. It exemplifies how a song, when crafted with intelligence and skill, can transcend its era and continue to inspire generations.

[Steely Dan Reelin In The Years](#)

steely dan reelin in the years: *Steely Dan: Reelin' in the Years* Brian Sweet, 2018-08-16
Reelin' in the Years tell the remarkable story of the American jazz rock band who have sold over 50 million albums during a career lasting over 20 years: Steely Dan. Updated and revised for 2018. Walter Becker and Donald Fagen, a couple of cynical New York jazz fans wormed their way into a record contract and astonished critics with their first album *Can't Buy a Thrill* in 1973. Nine albums later, they were among the biggest selling acts in the world. Steely Dan were different from the rest of rock's super-sellers. They rarely gave interviews and, after some early bad experiences on the road, they refused to tour. They didn't have their photographs taken and few people knew what they looked like. Steely Dan weren't even a proper group; it was two musicians and a producer, yet every top notch player in the world lined up to appear on their albums. This book, penned by Brian Sweet, the editor and publisher of *Metal Leg*, the UK-based Steely Dan fanzine, finally draws back the veil of secrecy that surrounded Walter Becker and Donald Fagen. Here is the story of how they made their music and lived their lives.

steely dan reelin in the years: Very Best of Steely Dan Steely Dan, 1985

steely dan reelin in the years: *Steely Dan's Aja* Don Breithaupt, 2007-05-15 *Aja* was the album that made Steely Dan a commercial force on the order of contemporaries like Fleetwood Mac, the Eagles and Chicago. A double-platinum, Grammy-winning bestseller, it lingered on the Billboard charts for more than a year and spawned three hit singles. Odd, then, that its creators saw it as an ambitious, extended work, the apotheosis of their anti-rock, anti-band, anti-glamour aesthetic. Populated by thirty-five mostly jazz session players, *Aja* served up prewar song forms, mixed meters and extended solos to a generation whose idea of pop daring was Paul letting Linda sing lead once in a while. And, impossibly, it sold. Including an in-depth interview with Donald Fagen, this book paints a detailed picture of the making of a masterpiece.

steely dan reelin in the years: 99 Red Balloons-- Brent Mann, 2003 The ultimate book for anyone who loves pop music and one-hit wonders, *99 Red Balloons* profiles and ranks all the greatest musical flashes in the pan. Each chapter spotlights a specific one-hit wonder, including sample lyrics and chart position. Controversial, informative and entertaining, this is a book that no music lover should be without.

steely dan reelin in the years: Uncle Vincent's House Steven Beai, 2024-05-28 At Uncle Vincent's house, unspeakable things come out at night. Julian Baker has heard hushed whispers about the mystery from his family his entire life. In his senior year in high school, he vows to

uncover the secret kept by those closest to him. What he discovers will change the lives of an entire town. High atop Crumpton Hill in Harris, Indiana there is a place locals shun once night falls. A place where the dead reach out to the living and nightmares come to life to walk the grounds. Whatever you do, don't go outside after dark at Uncle Vincent's house. Imagine a place of mystery, where ghostly visions appear, the dead walk, and your every nightmare comes alive. Welcome to Uncle Vincent's house. *** "All families have strange unanswered questions. But nothing compares with the secrets of the Baker family. Young Julian is determined to unearth family truths in the woods outside of Uncle Vincent's hill top house and is horrified by what he uncovers. Steven Beai's utterly-creepy new novel is must-have for horror fans!" - Elizabeth Massie, Stoker-winning author of *Sineater*, *Desper Hollow*, and more

steely dan reelin in the years: Duke Terry Teachout, 2013-10-17 A major new biography of Duke Ellington from the acclaimed author of *Pops: A Life of Louis Armstrong* Edward Kennedy "Duke" Ellington was the greatest jazz composer of the twentieth century—and an impenetrably enigmatic personality whom no one, not even his closest friends, claimed to understand. The grandson of a slave, he dropped out of high school to become one of the world's most famous musicians, a showman of incomparable suavity who was as comfortable in Carnegie Hall as in the nightclubs where he honed his style. He wrote some fifteen hundred compositions, many of which, like "Mood Indigo" and "Sophisticated Lady," remain beloved standards, and he sought inspiration in an endless string of transient lovers, concealing his inner self behind a smiling mask of flowery language and ironic charm. As the biographer of Louis Armstrong, Terry Teachout is uniquely qualified to tell the story of the public and private lives of Duke Ellington. A semi-finalist for the National Book Award, Duke peels away countless layers of Ellington's evasion and public deception to tell the unvarnished truth about the creative genius who inspired Miles Davis to say, "All the musicians should get together one certain day and get down on their knees and thank Duke."

steely dan reelin in the years: The Art of Record Production Simon Zagorski-Thomas, Katia Isakoff, Serge Lacasse, Sophie Stévanec, 2016-04-01 The playback of recordings is the primary means of experiencing music in contemporary society, and in recent years 'classical' musicologists and popular music theorists have begun to examine the ways in which the production of recordings affects not just the sound of the final product but also musical aesthetics more generally. Record production can, indeed, be treated as part of the creative process of composition. At the same time, training in the use of these forms of technology has moved from an apprentice-based system into university education. Musical education and music research are thus intersecting to produce a new academic field: the history and analysis of the production of recorded music. This book is designed as a general introductory reader, a text book for undergraduate degree courses studying the creative processes involved in the production of recorded music. The aim is to introduce students to the variety of approaches and methodologies that are currently being employed by scholars in this field. The book is divided into three sections covering historical approaches, theoretical approaches and case studies and practice. There are also three interludes of commentary on the academic contributions from leading record producers and other industry professionals. This collection gives students and scholars a broad overview of the way in which academics from the analytical and practice-based areas of the university system can be brought together with industry professionals to explore the ways in which this new academic field should progress.

steely dan reelin in the years: Let The Music Play: How R&B Fell In Love With 80s Synths Steven Vass, 2024-02-02 Let the Music Play is the overlooked story of how R&B, disco and funk were transformed by the explosion of music tech in the era of ghetto blasters and Ronald Reagan. It traces how pioneers like Stevie Wonder and Herbie Hancock inspired a new generation of black musicians and producers to reinvent music with a whole new set of rules. From superstars like Prince and Sade to production geniuses like Kashif and Jam & Lewis, it tells the fascinating stories of the artists involved and how they made some of the best-loved records of the era - creating a blueprint for music today.

steely dan reelin in the years: The Biographical Dictionary of Popular Music Dylan Jones,

2012-10-30 The Biographical Dictionary of Popular Music is an incredible and opinionated collection of celebrated cultural critic Dylan Jones's thoughts on more than 350 of the most important artists around the world—alive and dead, big and small, at length and in brief. This A to Z reference is the true musical heir to David Thomson's seminal The New Biographical Dictionary of Popular Film. Jones writes entertainingly about bands that have inspired, bedeviled, and fascinated him over the years.

steely dan reel in the years: The Beat Generation FAQ Rich Weidman, 2015-09-01 (FAQ). The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting-edge works that shaped this fascinating cultural and literary movement. Disillusioned with the repression and conformity encompassing post-World War II life in the United States, the Beat writers sought creative alternatives to the mind-numbing banality of modern culture. Beat Generation writers were no strangers to controversy: Both Allen Ginsberg's prophetic, William Blakean-style poem *Howl* (1956) and William S. Burroughs' groundbreaking novel *Naked Lunch* (1959) led to obscenity trials, while Jack Kerouac's highly influential novel *On the Road* (1957) was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle. The Beat writers shared a vision for a new type of literature, one that escaped the boundaries of academia and employed an organic use of language, inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism (Kerouac coined this writing style spontaneous prose). In search of deeper meaning, Beat Generation writers experimented not only with language but also with spirituality, art, drugs, sexuality, and unconventional lifestyles. Although the movement as a whole flamed out quickly in the early 1960s, replaced by the onset of the hippie counterculture, the Beats made an indelible mark on the nation's consciousness and left a long-lasting influence on its art and culture. This book details the movement its works, creative forces, and its legacy.

steely dan reel in the years: The King of All, Sir Duke Peter Lavezzoli, 2001-04-01 Twenty-five years ago in his hit song, *Sir Duke*, Stevie Wonder sings: Music knows it is and always will be one of the things that life just won't quit. / Here are some of music's basic pioneers that time will not allow us to forget: / There's Basie, Miller, Satchmo, and the King of All, Sir Duke! / And with a voice like Ella's ringing out, there's no way the band can lose! / You can feel it all over! To say that Ellington was a prominent jazz-band leader of the twentieth century would be like saying William Shakespeare was simply a prominent English playwright of the time. This book begins with personal reflections as well as the life before going on to consider--through anecdote, musical scholarship, and personal interviews--Ellington's profound and direct influence on an amazing range of pop artists: Stevie Wonder, Steely Dan, Miles Davis (who, in the ultimate tribute, had himself interred next to The Duke in New York's Woodlawn Cemetery), Sun Ra, James Brown, Sly Stone, George Clinton, Prince, Frank Zappa, Charles Mingus, and Ravi Shankar.

steely dan reel in the years: *Where Are They Going?* Stan Dotson, 2023-03-07 *Where They Are Going* narrates the comings and goings of five Cubans who represent some of the great cultural diversity making up *cubanía* (the essence of being Cuban), with ancestral ties to five different parts of the world. It is an alternative account to the stereotypical storyline about Cuba we often hear in the US media, that of refugees fleeing a dictatorship in search of a promised land. The largely untold story is that of people who find promise in their own patria, their homeland, despite the challenging circumstances they find there. Here you will find five Cubans who do not appear to feel "trapped" in tyranny; each of them has traveled the world and each made the decision to go back to their Cuban homes. The book not only tells their stories, but also narrates the imagined backstories of those ancestors who left their own homelands to come and contribute to the rich culture and resilient spirit that defines what it means to be Cuban. Listen to their stories and you might find yourself pulled away from your own patria, attracted to a land and a life that could prove to be well worth whatever challenges it poses.

steely dan reel in the years: *Nightfly* Peter Jones, 2024-04-24 Donald Fagen will forever be associated with Steely Dan, the band he formed with Walter Becker and four other musicians in 1972. The smooth, radio-friendly veneer of the duo's songs made Steely Dan internationally popular and famous in the 1970s, but the polish glossed over the underlying layers of anger, disappointment, sleaze, and often downright weirdness lurking just beneath the surface. The elliptical lyrics were—and continue to be—an endless source of fascination. What kind of person was capable of writing such songs? Fagen has always kept his true self hidden behind walls of irony, confounding most journalistic enquiries with a mixture of obscurity and sarcasm. *Nightfly* cracks open the door to reveal the life behind the lyrics and traces Fagen's story from early family life in suburban New Jersey, to his first encounter with Walter Becker at Bard College, their long struggle for recognition as songwriters, and the formation of Steely Dan. The band's break-up in 1981, re-formation in 1993, and Fagen's parallel solo career are covered in detail. Author Peter Jones seeks to explain the public's continuing fascination with Fagen's music, both in collaboration with Becker and as a solo artist.

steely dan reel in the years: *Bobby's Song* Rick Nicholson, 2013-01-15 It has been four years since Bob Moore died in a tragic car accident on a foggy California road. His best friend, Rick,

who regularly drives by the accident scene, cannot help but stare at the makeshift memorial that was erected on the side of the road. He desperately misses Bob and wishes for just one more conversation with his funny, humble, and loyal buddy. While driving by the site one day, Rick is overcome with an uncontrollable urge to stop. After he gets out of his truck, Rick receives the surprise of his life when Bob appears before him. Shocked that he is talking to a spirit, Rick can hardly contain his excitement as he invites Bob in his pickup and heads back to one of their favorite haunts to catch up. After the two pair up, Rick, who is a newly licensed private investigator, begins to rely on Bob for insight. Soon, Bob is helping Rick solve cases. But the tables turn when Bob allows Rick to see other spirits, instigating a journey into the past where Rick connects with his memories and faces his own mortality. Bobbys Song is the poignant tale of two friends determined to not let death separate them as they slowly learn that true friendship has the power to cross every dimension.

steely dan reelin in the years: 33 1/3 Revolutions Per Minute Mike Segretto, 2022-07-15 Whether you're a lifelong collector or have only just gotten hip to the vinyl revival, navigating the vast landscape of rock albums can be a daunting prospect. Enter Mike Segretto and his mammoth 33 1/3 Revolutions Per Minute, a history of the rock LP era told through a very personal selection of nearly 700 albums. Beginning with the birth of rock and roll in the 1950s, Segretto moves through the explosive innovations of the 1960s, the classic rock and punk albums of the 1970s, the new wave classics of the 1980s, and the alternative revolution of the 1990s, always with an eye to both the iconic and the ephemeral, the failed experiments and the brilliant trailblazers. It's all here: everything from the classics (Sgt. Pepper's Lonely Hearts Club Band, Purple Rain, Nevermind, and countless other usual suspects) to such oddities as albums by Johnny Guitar Watson, P. P. Arnold, The Dentists, and Holly Golightly. Throughout, Segretto reveals the perpetual evolution of a modern art form, tracing the rock album's journey from a vehicle for singles and filler sold to kids, through its maturation into a legitimate, self-contained medium of expression by 1967, and onward to its dominance in the '70s, '80s, and '90s. Whether you read it from cover to cover, seek out specific albums, or just dip in at random and let the needle fall where it may, 33 1/3 Revolutions Per Minute is a fun, informative, and unapologetically opinionated read.
