

story of the eye george bataille

Story of the Eye George Bataille

The Story of the Eye by Georges Bataille is a provocative and controversial work that delves into themes of sexuality, obsession, transcendence, and the limits of human experience. Published in 1928, this novella has garnered both admiration and condemnation for its explicit content and philosophical undertones. As a seminal piece of surrealist literature, it challenges conventional notions of morality and explores the depths of human desire through a visceral and often shocking narrative. In this article, we will explore the origins, themes, symbolism, and impact of Story of the Eye, providing a comprehensive overview of this literary masterpiece.

Introduction to Georges Bataille and the Context of the Work

Who Was Georges Bataille?

- French intellectual, philosopher, and writer born in 1897.
- Known for his provocative writings on taboo, eroticism, mysticism, and the nature of human existence.
- Founder of the journal Critique and the College of Sociology.
- His work often challenges societal norms and explores the relationship between death, sexuality, and transcendence.

Historical and Cultural Context

- Published in the early 20th century, a period marked by upheaval and radical artistic experimentation.
- Surrealism and Dadaism influenced Bataille's approach to literature and philosophy.
- The novella reflects the era's fascination with breaking taboos and exploring subconscious drives.

Overview of Story of the Eye

Plot Summary

Story of the Eye narrates the journey of a young couple, the narrator and their lover, who engage in increasingly extreme acts of sexuality and violence. Their escapades are intertwined with surreal and symbolic episodes involving various characters like a priest, a maid, and an old man, each

representing different facets of taboo and desire. The narrative culminates in scenes of brutal violence, ritualistic acts, and symbolic confrontations with mortality and transcendence.

Key Characters

- The Narrator: The unnamed protagonist, embodying curiosity and a desire to push boundaries.
- The Lover: The narrator's partner, whose obsession with taboo drives the narrative.
- The Priest: Represents religious authority and moral repression.
- The Maid: Symbolizes innocence corrupted by desire.
- The Old Man: Embodies wisdom and the confrontation with death.

Thematic Analysis of Story of the Eye

Sexuality and Desire

- Central themes exploring the extremities of human sexuality.
- The narrative blurs the line between pleasure and pain, life and death.
- Represents the pursuit of absolute experience beyond societal constraints.

Taboo and Transgression

- The characters engage in acts considered morally unacceptable, challenging societal norms.
- Bataille uses taboo as a means to confront the limits of human experience.
- The work questions the morality of societal repression and the necessity of transgression.

Death and Mortality

- Encounters with death are intertwined with acts of desire.
- The novella portrays death not as an end but as a form of transcendence.
- The symbolic and literal presence of death underscores the themes of sacrifice and renewal.

Surrealism and Symbolism

- The narrative employs surreal imagery to evoke subconscious desires.
- Symbols such as the eye, the egg, and rituals serve as representations of knowledge, fertility, and enlightenment.
- The work embodies the surrealist aim to access the unconscious beyond rational thought.

Symbolism in Story of the Eye

The Eye

- Represents perception, consciousness, and the gateway to knowledge.
- Symbolizes insight into taboo and hidden truths.
- Recurrent imagery of eyes suggests voyeurism, awareness, and spiritual awakening.

The Egg

- Embodies fertility, rebirth, and potential.
- Often associated with erotic symbolism and the divine feminine.
- Used in ritualistic acts within the narrative to evoke transformation.

Rituals and Sacrifice

- Ritualistic acts serve as metaphors for spiritual initiation.
- Sacrifice signifies the surrender of ego and the pursuit of transcendence.
- These acts blur the boundaries between the sacred and profane.

Philosophical Underpinnings

Bataille's Philosophy of Excess

- Emphasizes the importance of excess, loss, and the taboo in human life.
- Argues that true experience involves embracing chaos and destruction.
- Sees transgression as a path to authentic existence and spiritual insight.

Relation to Surrealism and Mysticism

- The novella aligns with surrealist ideals of tapping into the unconscious.
- Explores mystical themes of unity, sacrifice, and transcendence.
- Suggests that embracing the taboo can lead to a form of spiritual liberation.

Impact on Literary and Philosophical Thought

- Influenced existentialism, postmodernism, and critical theory.
- Challenged conventional morality and aesthetic standards.
- Inspired writers, artists, and thinkers to explore taboo subjects.

Controversies and Criticisms

Explicit Content and Ethical Concerns

- The novella's graphic depictions of sexuality and violence have sparked debates about morality and censorship.
- Critics question whether the work promotes harmful behavior or serves as a philosophical critique.

Literary Reception

- Praised for its boldness, originality, and philosophical depth.
- Criticized for its perceived nihilism and potential to glorify taboo acts.
- Remains a controversial yet influential piece in modern literature.

Legacy and Influence of Story of the Eye

Impact on Literature and Art

- Inspired surrealist and avant-garde artists like Salvador Dalí and Man Ray.
- Influenced writers such as William S. Burroughs and Hubert Selby Jr.
- Contributed to the discourse on sexuality, taboo, and human psychology.

Modern Interpretations and Relevance

- Considered a seminal work examining the darker aspects of human nature.
- Used in academic discussions on psychoanalysis, existentialism, and cultural studies.
- Continues to provoke debates about morality, art, and the limits of expression.

Conclusion

Story of the Eye by Georges Bataille remains one of the most provocative and philosophically rich works of 20th-century literature. Its exploration of taboo, desire, death, and transcendence challenges readers to confront uncomfortable truths about human nature. While controversial, the novella's influence extends across art, philosophy, and literary criticism, cementing its place as a seminal text that pushes the boundaries of expression and thought. Whether viewed as a work of

shocking realism or symbolic mysticism, *Story of the Eye* continues to inspire and provoke, inviting ongoing reflection on the nature of human experience.

- Influence on modern art and literature

Frequently Asked Questions

What is the main theme of George Bataille's 'Story of the Eye'?

The story explores themes of sexuality, taboo, desire, and the intersection of eroticism with violence and death, challenging conventional moral boundaries.

How does 'Story of the Eye' reflect Bataille's philosophical ideas?

The novella embodies Bataille's concepts of excess, transgression, and the pursuit of intense experiences beyond societal norms, emphasizing the limits of human desire.

What is the significance of the symbolism used in 'Story of the Eye'?

Symbols such as eyes, eggs, and the eye motif represent perception, voyeurism, fertility, and the act of seeing or being seen, highlighting themes of voyeurism and the gaze.

How has 'Story of the Eye' influenced modern literature and art?

The provocative narrative has inspired numerous writers and artists to explore taboo subjects, pushing boundaries around sexuality and morality in their work.

Is 'Story of the Eye' considered a work of surrealism?

While not officially part of the surrealist movement, the novella contains surrealist elements such as dream-like sequences, irrational associations, and shocking imagery.

What is the narrative style of 'Story of the Eye'?

The story is told in a raw, unfiltered, and often shocking prose that combines eroticism with explicit violence, creating a visceral reading experience.

How does 'Story of the Eye' challenge societal taboos?

By depicting taboo subjects like sexual violence, death, and transgression openly, the novella forces readers to confront uncomfortable aspects of human nature and societal morals.

Why is 'Story of the Eye' considered a controversial classic?

Its explicit content, exploration of taboo themes, and provocative narrative have sparked debates about morality, freedom of expression, and the limits of literary art.

Story of the Eye: An Investigative Analysis of Georges Bataille's Provocative Masterpiece

In the realm of avant-garde literature and philosophical exploration, few works have ignited as much controversy, debate, and scholarly inquiry as Georges Bataille's *Story of the Eye*. First published in 1928, this novella is often considered a cornerstone of transgressive fiction, blending surreal imagery, philosophical musings, and explicit sexual symbolism into a provocative narrative that challenges conventional morality and aesthetic standards. As a piece that defies easy categorization, *Story of the Eye* has garnered both condemnation and admiration, prompting literary critics and psychologists alike to probe its depths for meaning, intent, and impact.

This comprehensive investigation aims to unpack the complex layers of Bataille's *Story of the Eye*, examining its historical context, thematic richness, stylistic features, and enduring influence. Through meticulous analysis, we seek to understand why this work remains a pivotal yet controversial artifact in the landscape of modern literature.

Historical and Biographical Context

Understanding *Story of the Eye* requires situating it within Georges Bataille's broader philosophical and personal framework. Born in 1897 in France, Bataille was a philosopher, novelist, and essayist whose work often revolved around themes of excess, taboo, and the limits of human experience. His own life was marked by a fascination with the sacred and the profane, often exploring the boundaries between religious mysticism and visceral corporeality.

In the 1920s, Bataille was involved with surrealist circles and was deeply influenced by Freud's psychoanalytic theories, especially regarding sexuality and the unconscious. His interest in transgression—the act of crossing societal and moral boundaries—became a central motif in his writings. *Story of the Eye* epitomizes this ethos, serving as a literary exploration of taboo-breaking behaviors and the pursuit of ultimate existential experiences.

Summary and Narrative Structure

At its surface, *Story of the Eye* narrates the scandalous exploits of a young couple, the narrator and Simone, whose sexual adventures escalate into acts of violence, fetishism, and ritualistic violence. The narrative is nonlinear, often esoteric, filled with allegorical imagery and symbolic references that evoke a surreal dreamscape.

The story unfolds through episodic vignettes, each more shocking than the last, involving:

- Sexual explorations with objects and animals
- Ritualistic acts intertwined with violence
- Encounters with authority figures, including priests and police
- An overarching motif of the dissolution of boundaries—between life and death, human and animal, sacred and profane

Throughout, Bataille employs a poetic yet disjointed prose style, emphasizing the visceral over the rational, aiming to evoke an emotional and visceral response rather than a straightforward plot.

Thematic Deep Dive

Taboo and Transgression

At its core, *Story of the Eye* is an unflinching exploration of societal taboos—sexual, religious, and moral. Bataille deliberately confronts readers with acts considered obscene or immoral, positing that transgression is an essential aspect of human existence and a pathway to authentic experience.

Key points include:

- The breaking of sexual norms and constraints
- Encounters with religious sacraments juxtaposed with sexual acts
- Violence as a form of spiritual and corporeal liberation

This thematic focus raises questions about the boundaries of acceptable behavior and the nature of morality itself.

Flesh and Spirit

Bataille's work blurs the dichotomy between the physical and the spiritual, suggesting that true transcendence can only be achieved through embracing the bodily and the taboo. The characters'

acts symbolize a desire to transcend mundane reality via extreme experiences, echoing Bataille's philosophical ideas about excess and the sacred.

Death and Eros

Death is a recurring motif, intertwined with sexual desire. The narrative's depiction of violence and mortality underscores a philosophical pursuit of the sublime—where the acknowledgment of death heightens the intensity of life and desire.

Stylistic and Literary Techniques

Bataille's literary style in *Story of the Eye* is characterized by:

- Surreal imagery that distorts reality
- A poetic, almost hypnotic prose that emphasizes sensations
- Symbolic references (e.g., eyes, eggs, animals) that evoke deeper meanings
- Fragmented narrative structure that mimics dream logic

His use of allegory and symbolism invites multiple interpretations, from psychoanalytic to existentialist, making the work a fertile ground for scholarly debate.

Philosophical Underpinnings

Bataille's *Story of the Eye* is more than a shock novel; it embodies his philosophical stance on excess, sovereignty, and the sacred. Drawing influence from Freud, Nietzsche, and mysticism, Bataille advocates for embracing the irrational and the taboo as pathways to authentic experience and understanding.

Notably, the work aligns with Bataille's concept of the "accursed share," where excess—be it in sexuality, violence, or consumption—is necessary for societal renewal and individual transcendence.

Controversies and Criticisms

Since its publication, *Story of the Eye* has faced significant criticism and censorship, primarily due to its explicit content. Critics have accused it of gratuitousness, nihilism, and moral depravity, arguing that it pushes boundaries to the point of insensitivity.

However, defenders interpret the work as a profound philosophical statement about human nature's darker aspects and the importance of confronting taboo to attain authentic freedom.

Key criticisms include:

- Perceived misogyny and exploitation
- Potential glamorization of violence and sexual abuse
- Lack of narrative empathy or moral judgment

Conversely, scholars have praised Bataille for his courage to confront uncomfortable truths and for his innovative literary style.

Influence and Legacy

Story of the Eye has left a lasting imprint on literature, philosophy, and art. Its influence can be traced in:

- Transgressive fiction (e.g., works by William S. Burroughs, Georges Bataille himself)
- Postmodernist and avant-garde movements
- The exploration of sexuality and taboo in contemporary art and literature

Moreover, the novella has inspired various adaptations and references in pop culture, including films, visual art, and philosophical discourse.

Conclusion: A Controversial Classic

Story of the Eye remains a provocative, challenging, and profoundly influential work. It exemplifies Bataille's commitment to exploring the limits of human experience, pushing readers to question their moral assumptions and confront the visceral realities of desire, death, and transcendence.

While its explicit content continues to spark debate, its philosophical depth and stylistic innovation secure its place as a seminal work in modern literature. As an investigative lens reveals, Bataille's novella is less about the acts themselves and more about an existential inquiry—an unflinching look into the sacred and profane, the conscious and unconscious, that define the human condition.

Whether seen as a work of shock, philosophy, or art, Story of the Eye endures as a testament to the power of literature to confront, disturb, and ultimately expand the boundaries of understanding.

End of Article

Story Of The Eye George Bataille

story of the eye george bataille: *Story of the Eye* Georges Bataille, 2013-09-26 Bataille's first novel, published under the pseudonym 'Lord Auch', is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacreligious, *Story of the Eye* is the fullest expression of Bataille's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.

story of the eye george bataille: *On Bataille* Leslie Anne Boldt-Irons, 1995-07-01 This book examines the significance of Bataille's contributions to various areas of investigation: philosophical inquiry in the broadest sense; economic theory relative to waste, expenditure, and the heterogeneous; the political commitment expected of the intellectual and his relationship to the whole man; the experience of a subject at its limits, in moments of alterity, or of inscription within the literary text. Contributors include Robert Sasso, Lionel Abel, Denis Hollier, Tony Corn, Rodolphe Gasché, Pierre Klossowski, Jean Piel, Arkady Plotnitsky, Jean Borreil, Julia Kristeva, Jean-Louis Baudry, Paul Smith, Michael Halley, Mikhal Popowski, and Susan Rubin Suleiman.

story of the eye george bataille: *Textual Practice* Terence Hawkes, 2005-08-04 First published in 1993. Routledge is an imprint of Taylor & Francis, an informa company.

story of the eye george bataille: *The Shock of the Other*, 2015-06-29 Alterity is not a mere synonym of difference; what it signifies is otherness, a distinction or separation that can entail similarity as well as difference. The articles collected here explore ways to define, situate and negotiate alterity in a manner that does not do away with the other through negation or neutralization but that instead engages alterity as a reconfiguring of identities that keeps them open to change, to a becoming without horizon. Alterity and its situated negotiations with identity are configured through the body, through the psyche and through translational politics. From critical readings of angels, specters, grotesque bodies, online avatars, *Sex and the City*, pornography in French literature, Australian billboard art, Pina Bausch, Adrian Piper, Kashmiri poetry, contemporary German fiction, Jacques Brault and Northern-Irish poetry, there emerges a vision of identities as multi-faceted constructions that are continually being transformed by the various alterities with which they intersect and which they must actively engage in order to function effectively in the social, political, and aesthetic realm.

story of the eye george bataille: *Obscene Modernism* Rachel Potter, 2013-08-29 During the period 1900-1940 novels and poems in the UK and US were subject to strict forms of censorship and control because of their representation of sex and sexuality. At the same time, however, writers were more interested than ever before in writing about sex and excrement, incorporating obscene slang words into literary texts, and exploring previously uncharted elements of the modern psyche. This book explores the far-reaching literary, legal and philosophical consequences of this historical conflict between law and literature. Alongside the famous prosecutions of D. H. Lawrence's *The Rainbow* and James Joyce's *Ulysses* huge numbers of novels and poems were altered by publishers and printers because of concerns about prosecution. Far from curtailing the writing of obscenity, however, censorship seemed to stimulate writers to explore it further. During the period covered by this book novels and poems became more experimentally obscene, and writers were intensely

interested in discussing the author's rights to free speech, the nature of obscenity and the proper parameters of literature. Literature, seen as a dangerous form of corruption by some, was identified with sexual liberation by others. While legislators tried to protect UK and US borders from obscene literature, modernist publishers and writers gravitated abroad, a development that prompted writers to defend the international rights of banned authors and books. While the period 1900-1940 was one of the most heavily policed in the history of literature, it was also the time when the parameters of literature opened up and writers seriously questioned the rights of nation states to control the production and dissemination of literature.

story of the eye george bataille: *Images of the Corpse* Elizabeth Klaver, 2004 This compelling book brings together physicians, artists, and scholars of film, literature, philosophy, art, and politics to discuss the representation of the corpse in Western culture. Spanning a timeline from the Renaissance to the present, these essays introduce readers to a modern autopsy, a public execution and dissection in seventeenth-century England, the genre of postmortem photography, the corpse as artist's model, images of dead women in such popular films as *Copycat* and *The Silence of the Lambs*, and post-mortem scenes in the works of Flaubert, Balzac, Andres Serrano, and others.

story of the eye george bataille: *The Evil, the Fated, the Biblical* Hanna Boguta-Marchel, 2012-04-25 The most intriguing aspect of Cormac McCarthy's writing is the irresistible premonition that his sentences carry an exceptional potential, that after each subsequent reading they surprise us with increasingly deeper layers of meaning, which are often in complete contradiction to the readers' initial intuitions. His novels belong to the kind that we dream about at night, that follow us and do not let themselves be forgotten. Cormac McCarthy's prose has been read in the light of a variety of theories, ranging from Marxist criticism, the pastoral tradition, Gnostic theology, the revisionist approach to the American Western, to feminist and eco-critical methodology. The perspective offered in *The Evil, the Fated, the Biblical* is an existentialist theological approach, which proposes a reading of McCarthy that focuses on the issue of evil and violence as it is dealt with in his novels. "Evil," unquestionably being a metaphysical category and, as a result, quite commonly pronounced passé, is a challenging and overwhelming topic, which nevertheless deeply concerns all of us. Boguta-Marchel's book is therefore an attempt to confront a theme that is an unpopular object of scholarly examination and, at the same time, a commonly shared experience in the everyday life of all human beings. The book follows the pattern of an increasingly in-depth analysis of the drama of evil that is omnipresent in McCarthy's books: from the level of the visual (grotesque images, hyperbolic depictions of violence, cinematic precision of matter-of-fact descriptions), through the level of events (circularity and repetitiveness of action, characters conceptualizing and enacting the struggle between predetermined fate and good will), to the level of the metaphysical (existential crises, grappling with the idea and the person of God, biblical allusions reappearing in the text). This way, *The Evil, the Fated, the Biblical* provides a complete picture of McCarthy's contest with one of the most troublesome issues that humanity has ever faced.

story of the eye george bataille: *Litcomix* Adam Geczy, Jonathan McBurnie, 2023-03-17 Drawing from literary critics like Georg Lukács and case studies from across the world of comics, *Litcomix* develops a theoretical approach for reading graphic novels as literature. Whether looking at Yoshihiro Tatsumi's groundbreaking manga, graphic adaptations of Proust, or Jack Kirby's Balzacian use of intertextuality, this book offers fresh perspectives on the graphic novel.

story of the eye george bataille: *Temporality and Film Analysis* Matilda Mroz, 2013-08-12 This book traces the operation of duration in cinema, and argues that temporality should be a central concern of film scholarship. It explores the concepts of duration and rhythm, resonance and uncertainty, affect, sense and texture, to bring a fresh perspective.

story of the eye george bataille: *Tough Ain't Enough* Lester D. Friedman, David Desser, 2018-06-29 No detailed description available for *Tough Ain't Enough*.

story of the eye george bataille: *Adaptation and the Avant-Garde* William Verrone, 2011-09-29 Adaptations have occurred regularly since the beginning of cinema, but little recognition has been given to avant-garde adaptations of literary or other texts. This compelling study corrects such

omissions by detailing the theory and practice of alternative adaptation practices from major avant-garde directors. Avant-Garde films are often relegated to the margins because they challenge our traditional notions of what film form and style can accomplish. Directors who choose to adapt previous material run the risk of severe critical dismay; making films that are highly subjective interpretations or representations of existing texts takes courage and foresight. An avant-garde adaptation provokes spectators by making them re-think what they know about film itself, just as much as the previous source material. Adaptation and the Avant-Garde examines films by Peter Greenaway, Jean-Luc Godard, Guy Maddin, Jan Svankmajer and many others, offering illuminating insights and making us reconsider the nature of adaptation, appropriation, borrowing, and the re-imagining of previous sources.

story of the eye george bataille: *The Poetics of Genre in the Contemporary Novel* Tim Lanzendörfer, 2015-11-19 The Poetics of Genre in the Contemporary Novel investigates the role of genre in the contemporary novel: taking its departure from the observation that numerous contemporary novelists make use of popular genre influences in what are still widely considered to be literary novels, it sketches the uses, the work, and the value of genre. It suggests the value of a critical look at texts' genre use for an analysis of the contemporary moment. From this, it develops a broader perspective, suggesting the value of genre criticism and taking into view traditional genres such as the bildungsroman and the metafictional novel as well as the kinds of amalgamated forms which have recently come to prominence. In essays discussing a wide range of authors from Steven Hall to Bret Easton Ellis to Colson Whitehead, the contributors to the volume develop their own readings of genre's work and valence in the contemporary novel.

story of the eye george bataille: *Good Day Today* Daniel Neofetou, 2012-12-07 This book argues that the films of David Lynch pose a radical challenge to conservative and absolutist ideologies. ,

story of the eye george bataille: *The Scandal of Sacramentality* Brannon Hancock, 2014-03-17 The sacrament par excellence, the Eucharist, has been upheld as the foundational sacrament of Christ's Body called Church, yet it has confounded Christian thinking and practice throughout history. Its symbolism points to the paradox of the incarnation, death, and resurrection of God in Jesus of Nazareth, which St. Paul describes as a stumbling-block (skandalon). Yet the scandal of sacramentality, not only illustrated by but enacted in the Eucharist, has not been sufficiently accounted for in the ecclesiologies and sacramental theologies of the Christian tradition. Despite what appears to be an increasingly post-ecclesial world, sacrament remains a persistent theme in contemporary culture, often in places least expected. Drawing upon the biblical image of the Word made flesh, this interdisciplinary study examines the scandal of sacramentality along the twofold thematic of the scandal of language (word) and the scandal of the body (flesh). While sacred theology can think through this scandal only at significant risk to its own stability, the fictional discourses of literature and the arts are free to explore this scandal in a manner that simultaneously augments and challenges traditional notions of sacrament and sacramentality, and by extension, what it means to describe the Church as a eucharistic community.

story of the eye george bataille: *Camille Henrot* Jane Devery, Dan Fox, 2021-01-01 Das künstlerische Spektrum der französischen Künstlerin Camille Henrot (*1978) umfasst die Bereiche Film, Malerei, Zeichnung, Skulptur und Installation. Henrots Einflüsse sind vielfältig und reichen von der Selbsthilfe über die Kulturanthropologie bis hin zu den sozialen Medien in ihrer Auseinandersetzung mit dem sich verändernden Status der Informationsverbreitung und der zwischenmenschlichen Beziehungen. Henrots vielschichte Kunst stellt die Frage, was es bedeutet, gleichzeitig ein privates Individuum und ein globales Subjekt zu sein. Diese erste große Monografie über die Künstlerin zeigt Schlüsselwerke vom Beginn von Henrots Karriere bis zum Jahr 2020 und bietet einen intimen Blick auf neue Arbeiten auf Papier und immersive Ausstellungen wie *The Pale Fox* (2014) und *Grosse Fatigue* (2013). Über 200 Bilder werden von neuen wissenschaftlichen Erkenntnissen über die Künstlerin begleitet. Die Bandbreite der versammelten Stimmen – Dan Fox, Shanay Jhaveri, Clara Meister, Jane Devery und Pip Wallis – wird dem Facettenreichtum von Henrots

Werk gerecht.

story of the eye george bataille: Modernism and Masculinity Natalya Lusty, Julian Murphet, 2014-03-31 Modernism and Masculinity explores the varied dimensions and manifestations of masculinity in modernist literature and culture.

story of the eye george bataille: Performance and Cultural Politics Elin Diamond, 2015-04-15 Performance and Cultural Politics is a groundbreaking collection of essays which explore the historical and cultural territories of performance, written by the foremost scholars in the field. The essays, exploring performance art, theatre, music and dance, range from Oscar Wilde to Eric Clapton; from the Rose Theatre to U.S. Holocaust museums. The topic includes: * Sex Play: Stereotype, Pose and Dildo * Grave Performances: The Cultural Politics of Memory * Genealogies: Critical Performances * Identity Politics: Passing, Carnival and the Law In the concluding section, 'Performer's Performance', performance artist Robbie McCauley offers the practitioner's perspective on performance studies. Interdisciplinary, thought-provoking and rich in new ideas, Performance and Cultural Politics is a landmark in the emerging field of performance studies.
