white heat book marco pierre white: Food and Masculinity in Contemporary Autobiographies Nieves Pascual Soler, 2017-12-12 This book is concerned with food autobiographies written by men from the 1980s to the present. It concentrates on how food has transformed autobiographical narratives and how these define the ways men eat and cook nowadays. After presenting a historical overview of the place of food within men's autobiography, this volume analyzes the reasons for our present interest in food and the proliferation of life narratives focused on cooking. Then it centers

around the identities that male chefs are taking on in the writing of their lives and the generic models they use: the heroic, the criminal and the hunting autobiographical scripts. This study gives evidence that autobiographies are crucial in the redefinition of the new masculinities emerging in the kitchen. It will appeal to readers interested in Food Studies, Autobiographical Studies, Men's Studies and American Literature and Culture.

white heat book marco pierre white: The Cultivation of Taste Christel Lane, 2014-02-14 After many decades, if not centuries, of neglect of fine food and high-level restaurants in Britain, we are seeing a massive explosion of interest in food, cooking, and dining out. Christel Lane's book charts the process of this transformation and examines top contemporary restaurants and their chefs. *The Cultivation of Taste* presents a comparative study of Michelin-starred restaurants in Britain and Germany, focusing on two countries without an indigenous haute cuisine but which nevertheless have developed internationally reputed fine-dining sectors, and comparing their development to the fine-dining culture in France. Written from a sociological perspective, chefs are portrayed as part of a complex network, in their relationships with their employees, their customers, gastronomic critics, suppliers of food, and even their financiers. It will appeal to academics in the areas of economic and cultural sociology, and those with an interest in small entrepreneurial firms and their work relations, but also to all those who have an interest in fine-dining restaurants and the chef patrons at the centre of them. The book draws on a large number of interviews with renowned chefs, diners, and Michelin inspectors to provide an unprecedented insight into what goes on in Michelin-starred restaurants—what makes their chefs tick, intrigues their critics, and beguiles or annoys their customers. Restaurants are viewed not simply as businesses but as cultural enterprises that shape our taste in food, ambience, and sociality.

white heat book marco pierre white: Out of Line Barbara Lynch, 2017-04-11 "If you have an appetite for culinary adventure, you'll devour the feisty and fun memoir" (*Elle* magazine) by James Beard award-winning chef, restaurateur, and *Top Chef* judge Barbara Lynch as she recounts her rise from her rough "Southie" childhood to culinary stardom. Celebrated chef Barbara Lynch—named one of *Time* magazine's 100 Most Influential People in 2017—credits the defiant spirit of her upbringing in tough, poor "Southie," a neighborhood ruled by the notorious Whitey Bulger gang, with helping her bluff her way into her first professional cooking jobs; develop a distinct culinary style through instinct and sheer moxie; then dare to found an empire of restaurants ranging from a casual but elegant "clam shack" to Boston's epitome of modern haute cuisine. As award-winning chef Ana Sortun raves, "Her heroic story inspires us to remain true to who we are and honor our dreams with conviction." One of seven children born to an overworked single mother, Lynch was raised in a housing project. She earned a daredevil reputation for boosting vehicles (even a city bus), petty theft, drinking and doing drugs, and narrowly escaping arrest—haunted all the while by a painful buried trauma. *Out of Line* describes Lynch's remarkable process of self-invention, including her encounters with colorful characters of the food world, and vividly evokes the magic of creation in the kitchen. It is also a love letter to South Boston and its vanishing culture, governed by Irish Catholic mothers and its own code of honor. "Foodies will enjoy the vivid language used to describe Lynch's food exploits, and old neighbors will be treated to a trip around south Boston through the eyes of a local" (*Library Journal*). Through her story, Lynch explores how the past—both what we strive to escape from and what we remain true to—can strengthen and expand who we are.

Focusing particularly on Britain and North America from the early 19th century to the present, it covers a wide range of issues including the politics of food, food as performance, and its intersections with gender, class, fear and disgust. Combining the insights of food studies and literary analysis, Nicola Humble considers the multifarious ways in which food both works and plays within texts, and the variety of functions-ideological, mimetic, symbolic, structural, affective-which it serves. white heat book marco pierre white: Chiltern Firehouse Nuno Mendes, Andre Balazs, 2017-04-18 A cookbook showcasing the food and atmosphere of London's Chiltern Firehouse, a New York-style brasserie drawing praise and patrons from around the world. London's most fashionable, most talked about restaurant is Chiltern Firehouse, an iconic landmark and destination built in a stunning Victorian-Gothic firehouse in London's Marylebone neighborhood. Owned by hotelier André Balazs, whose other properties include the Chateau Marmont and the Mercer Hotel, the exquisitely designed space is overflowing with A-listers every night of the week. What draws them in is the design, but what makes them stay is chef Nuno Mendes's incredible food--crab doughnuts, monkfish cooked over pine, and wood-grilled Iberico pork. Chiltern Firehouse goes behind the scenes with exclusive photography and striking design, delves into the Firehouse's love affair with cocktails, and showcases the acclaimed recipes of Lisbon-born chef Nuno Mendes. Mendes draws on influences from his career split between the United States and Europe to create contemporary dishes with an American accent. With a lush, transporting package, Chiltern Firehouse delivers reimagined classics and bold new flavors, along with the charm of London's hottest restaurant, to America's shores.
