

andrew marr history of modern britain

Andrew Marr History of Modern Britain

The Andrew Marr History of Modern Britain is a comprehensive exploration of the nation's political, social, and economic transformations from the post-World War II era to the present day. Presented by the renowned journalist and broadcaster Andrew Marr, this series offers an insightful narrative that examines how Britain has evolved over the decades, shaping its identity and position on the global stage. This article delves into the key themes, episodes, and historical insights of Marr's work, providing a detailed overview suitable for history enthusiasts, students, and anyone interested in understanding modern Britain.

Overview of Andrew Marr's Approach to Modern British History

Methodology and Perspective

Andrew Marr's historical narrative is characterized by a blend of thorough research, engaging storytelling, and a focus on political personalities and pivotal moments. His approach combines:

- Chronological storytelling that traces the timeline of major events.
- Biographical insights into influential leaders and figures.
- Analysis of social change and cultural shifts.
- Integration of economic data to understand the broader context.

Marr's perspective emphasizes how political decisions, leadership styles, and societal movements intertwine to shape modern Britain.

Target Audience and Accessibility

Designed for a broad audience, Marr's series makes complex historical topics accessible through:

- Clear explanations of political processes.
- Use of compelling anecdotes.
- Visual aids, including archival footage and interviews.

This approach ensures that viewers and readers gain a nuanced understanding of Britain's recent history without feeling overwhelmed.

Key Themes Explored in Andrew Marr's Series

Post-War Reconstruction and Welfare State

The series begins with Britain's recovery after World War II, highlighting:

- The establishment of the welfare state under Prime Minister Clement Attlee.
- The creation of the National Health Service (NHS).
- The shift from imperial dominance to a more domestically focused nation.

Marr discusses how these foundational policies laid the groundwork for modern Britain's social fabric.

The Rise of Conservatism and Labour Politics

A significant portion of the series examines the political rivalry between:

- The Labour Party's push for social equality and nationalization.
- The Conservative Party's emphasis on free markets and individual responsibility.

Key elections, policy debates, and leadership styles are analyzed to show how these two parties have shaped the political landscape.

Economic Transformations and Challenges

Marr details Britain's economic journey, including:

- The decline of traditional industries like coal and steel.
- The shift towards service-based industries and financial sectors.
- The impact of globalization and European integration.
- Economic crises, including the 1970s stagflation and 2008 financial crash.

These economic shifts have had profound social consequences, influencing employment, migration, and national identity.

Devolution and National Identity

The series explores the rise of devolution movements:

- The establishment of the Scottish Parliament and Welsh Assembly.
- The push for greater autonomy in Northern Ireland.
- The impact of regional identities on national politics.

Marr considers how devolution has reshaped the idea of a united Britain and influenced political debates.

Modern Political Turning Points

Key modern events covered include:

- The Thatcher era's conservative revolution.
- The New Labour government under Tony Blair.
- The Brexit referendum and its aftermath.
- The rise of populism and changing political alignments.

These moments reflect a Britain grappling with its place in a changing world.

Episodes and Highlights of Andrew Marr's Series

Episode 1: Post-War Britain and the Birth of the Welfare State

Focuses on the immediate aftermath of WWII, the Labour government's reforms, and the creation of the NHS. Marr narrates how these policies transformed societal expectations and national identity.

Episode 2: The Conservative Resurgence and Economic Change

Details the rise of Margaret Thatcher, her economic policies, and the ideological battles of the 1980s. Marr explores how Thatcher's leadership redefined Britain's relationship with the state.

Episode 3: Labour's New Era and Social Reforms

Examines Tony Blair's New Labour, the peace process in Northern Ireland, and Britain's role in global conflicts. Marr discusses the balance between modernisation and tradition.

Episode 4: Britain in the 21st Century

Covers the financial crisis, the coalition government, and Brexit. Marr analyzes how these events have shifted political allegiances and public opinion.

Episode 5: The Future of Britain

Reflects on contemporary challenges such as climate change, technological change, and national identity. Marr speculates on the country's future trajectory.

Significance and Impact of Andrew Marr's Historical Narrative

Educational Value

Marr's series serves as an invaluable educational resource, providing:

- A chronological understanding of recent history.

- Contextual analysis of political decisions.
- Insights into the social and cultural shifts.

It is often used in academic settings and by history enthusiasts to deepen understanding.

Contribution to Public Discourse

By making history accessible and engaging, Marr has contributed to public discourse on:

- The importance of political leadership.
- The legacy of historical policies.
- The ongoing debates about national identity and sovereignty.

His work encourages viewers to reflect on how history influences current affairs.

Critical Reception

The series has been praised for:

- Its comprehensive coverage.
- Marr's straightforward narration.
- The inclusion of diverse perspectives.

Some critics note that it simplifies complex issues, but overall, it remains a highly regarded portrayal of modern Britain's history.

Conclusion: Why Andrew Marr's History of Modern Britain Matters

The Andrew Marr History of Modern Britain provides an essential overview of the nation's recent past, weaving together political, social, and economic narratives to create a cohesive story of resilience, transformation, and identity. Marr's engaging storytelling makes complex history accessible to a broad audience, fostering a deeper understanding of how Britain has arrived at its current state. Whether you are a student, a history enthusiast, or simply curious about Britain's journey, Marr's series offers valuable insights into the forces that have shaped modern Britain and continue to influence its future.

Meta Description: Discover the comprehensive overview of Andrew Marr's "History of Modern Britain," exploring key political, social, and economic transformations that have shaped contemporary Britain.

Additional Resources

Andrew Marr: A Comprehensive Examination of His Contribution to the History of Modern Britain

In the landscape of contemporary journalism and historical analysis, Andrew Marr stands out as a towering figure whose work has significantly shaped public understanding of Britain's recent past. His nuanced approach combines

rigorous research with engaging storytelling, making complex political and social developments accessible to a broad audience. This review aims to dissect Marr's contributions to the history of modern Britain, assessing his methodologies, themes, and impact through an in-depth, critical lens.

Introduction: The Significance of Andrew Marr in Modern British Historiography

Andrew Marr is primarily known as a distinguished journalist, broadcaster, and author. Over the years, he has transitioned from reporting on current affairs to examining Britain's recent history with a keen eye for detail and context. His works often serve as a bridge between academic scholarship and mainstream media, offering a detailed yet accessible narrative of Britain's political evolution, societal transformations, and cultural shifts since the mid-20th century.

Marr's approach is characterized by a commitment to objectivity, thorough research, and storytelling prowess. This combination has made his historical narratives not just informative but also compelling, engaging a diverse audience from students to policymakers. His influence is evident in the way contemporary Britain perceives its own recent history—through a lens that marries journalistic immediacy with scholarly depth.

Key Works and Contributions

To understand Marr's impact on the history of modern Britain, it is essential to analyze his major works and their themes.

"The Making of Modern Britain" (2011)

This seminal book is arguably Marr's most influential contribution to modern British historiography. It offers a sweeping narrative from the end of World War II to the early 21st century, emphasizing political, social, and economic transformations.

Scope and Structure

- **Post-War Reconstruction:** Marr begins with Britain's recovery after WWII, tackling issues like austerity, social welfare expansion, and decolonization.
- **Political Shifts:** He chronicles the rise of the Labour and Conservative parties, highlighting key figures like Clement Attlee, Margaret Thatcher, Tony Blair, and others.
- **Economic Changes:** The transition from a manufacturing-based economy to a service-oriented one, including the decline of traditional industries.
- **Cultural and Social Movements:** The civil rights movements, the rise of multiculturalism, and shifts in social attitudes.
- **Devolution and European Integration:** The gradual decentralization of power and Britain's relationship with Europe.

Methodology and Style

Marr combines chronological narration with thematic analyses, supported by interviews, archival research, and personal insights. His journalistic background ensures that complex political developments are explained with clarity, often highlighting the personalities and controversies driving history.

Critical Reception

The book was praised for its readability, comprehensive scope, and balanced perspective. Critics appreciated Marr's ability to synthesize vast amounts of information, making it accessible without oversimplifying.

Other Notable Works

- "My Trade: A Short History of British Journalism" - Reflects Marr's deep engagement with the media's role in shaping modern Britain.
- "The Diamond Queen" - A documentary and accompanying book exploring the reign of Queen Elizabeth II, offering insights into the monarchy's evolution in modern society.
- "A History of Modern Britain" (2017) - A televised series and book that revisits many themes from his earlier work, providing updated analysis and reflections.

Themes and Analytical Frameworks

Marr's portrayal of modern Britain revolves around several recurring themes, which are explored with depth and nuance.

Political Evolution and Leadership

Marr emphasizes the importance of leadership personalities in shaping Britain's course. From Attlee's post-war reforms to Thatcher's neoliberal revolution and Blair's New Labour, Marr argues that individual leaders and their policies have left indelible marks.

Key points:

- The shift from consensus politics to ideological clashes.
- The impact of political scandals and crises on public trust.
- The role of political parties adapting to changing societal demands.

Socioeconomic Transformation

He documents the decline of traditional industries, the rise of the service sector, and the increasing economic inequality. Marr discusses how economic policies affected social mobility and regional disparities.

Notable insights:

- The “post-industrial society” and its social implications.
- The growth of multiculturalism and diversity.
- The changing nature of work and employment structures.

Cultural and Societal Shifts

Marr explores Britain’s evolving cultural identity, including shifts in attitudes towards race, gender, and sexuality. He highlights key moments like the legalization of same-sex marriage, immigration debates, and the rise of youth culture.

Decentralization and Devolution

A significant theme is the gradual dispersal of political power from Westminster to Scotland, Wales, and Northern Ireland, reshaping the constitutional landscape.

Britain and Its Place in Europe

Marr critically examines Britain’s ambivalent relationship with Europe, from entry to Euroscepticism, culminating in Brexit—a defining moment in recent history.

Methodological Strengths and Limitations

Strengths:

- Narrative Clarity: Marr’s journalistic background ensures that complex political histories are made accessible.
- Human-Centered Approach: His focus on personalities and stories makes history relatable.
- Use of Interviews and Oral Histories: Adds depth and varied perspectives to his narratives.
- Balanced Perspective: Marr strives for objectivity, acknowledging multiple viewpoints.

Limitations:

- Potential Bias as a Journalist: His narrative style may prioritize storytelling over theoretical analysis.
- Scope Constraints: While comprehensive, some critics argue that Marr’s focus on political figures may overshadow broader social forces.
- Temporal Focus: His emphasis on recent history might limit engagement with longer-term historical processes.

Impact and Legacy

Andrew Marr's work has significantly shaped the public understanding of Britain's modern history. His ability to distill complex developments into compelling narratives has influenced both popular perceptions and academic discussions.

Educational Influence

Marr's books and documentaries are widely used in educational settings, fostering a broader appreciation for Britain's recent past among students and educators alike.

Public Discourse

By framing recent history through engaging storytelling, Marr has contributed to informed debates on national identity, political accountability, and societal change.

Critical Reception

While celebrated for clarity and accessibility, some historians critique his work for lacking the depth of specialized academic scholarship. Nonetheless, his influence as a 'public historian' remains substantial.

Conclusion: The Value of Marr's Historical Legacy

Andrew Marr's contribution to understanding modern Britain is both broad and profound. His works serve as vital resources for anyone seeking to comprehend the political, social, and cultural currents that have shaped the nation over the past seventy years. Marrying journalistic flair with scholarly rigor, Marr provides a compelling chronicle that informs, educates, and sparks debate.

For those evaluating the history of modern Britain, Marr's narratives are invaluable for their clarity, engagement, and balanced perspective. While they may not replace specialized academic histories, they succeed in making Britain's recent past accessible and relevant—an achievement that cements his place as a key figure in the historiography of contemporary Britain.

In summary: Andrew Marr's history of modern Britain exemplifies a masterful blend of storytelling and analysis, offering an insightful, nuanced, and engaging perspective on Britain's recent past. His work continues to influence how the nation views its identity, challenges, and triumphs—a testament to his enduring legacy as a historian in the public sphere.

Andrew Marr History Of Modern Britain

andrew marr history of modern britain: A History of Modern Britain Andrew Marr, 2024-09-04 Sunday Times Bestseller: "Lively, full of rich anecdotes . . . He has the rare gift of being able to explain complex issues in a few crisp sentences." —Sunday Telegraph A History of Modern Britain confronts head-on the victory of shopping over politics. It tells the story of how the great political visions of New Jerusalem or a second Elizabethan Age, rival idealisms, came to be defeated by a culture of consumerism, celebrity, and self-gratification. In each decade, political leaders think they know what they are doing, but find themselves confounded. Every time, the British people turn out to be stroprier and harder to herd than predicted. Throughout, Britain is a country on the edge—first of invasion, then of bankruptcy, then on the vulnerable front line of the Cold War and later in the forefront of the great opening up of capital and migration now reshaping the world. This history follows all the political and economic stories, but deals too with comedy, cars, the war against homosexuals, Sixties anarchists, oilmen and punks, Margaret Thatcher's wonderful good luck, political lies, and the true heroes of British theatre. "His grasp of recent politics and economics is superbly authoritative, never better than when discussing [Britain's] changing relationship with the United States." —Observer "Richer and deeper than television commentary can ever hope to be." —Daily Mail Includes illustrations and photographs

andrew marr history of modern britain: Elizabethans: A History of How Modern Britain Was Forged Andrew Marr, 2020-10-01 The Sunday Times bestseller THE STORY OF BRITAIN during the long reign of Queen Elizabeth II. Find out how Britain changed in this entrancing, lively portrait of Britain's Elizabethan Age by bestselling writer and broadcaster Andrew Marr

andrew marr history of modern britain: *A History of the World* Andrew Marr, 2012-09-27 Fresh, exciting and vividly readable, this is popular history at its very best. Our understanding of world history is changing, as new discoveries are made on all the continents and old prejudices are being challenged. In this truly global journey, political journalist Andrew Marr revisits some of the traditional epic stories, from classical Greece and Rome to the rise of Napoleon, but surrounds them with less familiar material, from Peru to the Ukraine, China to the Caribbean. He looks at cultures that have failed and vanished, as well as the origins of today's superpowers, and finds surprising echoes and parallels across vast distances and epochs. A History of the World is a book about the great change-makers of history and their times, people such as Cleopatra, Genghis Khan, Galileo and Mao, but it is also a book about us. For 'the better we understand how rulers lose touch with reality, or why revolutions produce dictators more often than they produce happiness, or why some parts of the world are richer than others, the easier it is to understand our own times.'

andrew marr history of modern britain: A History of Modern Britain Andrew Marr, 2009-07-03 A History of Modern Britain by Andrew Marr confronts head-on the victory of shopping over politics. This edition also includes an extra chapter charting the course from Blair to Brexit. It tells the story of how the great political visions of New Jerusalem or a second Elizabethan Age, rival idealisms, came to be defeated by a culture of consumerism, celebrity and self-gratification. In each decade, political leaders think they know what they are doing, but find themselves confounded. Every time, the British people turn out to be stroprier and harder to herd than predicted. Throughout, Britain is a country on the edge – first of invasion, then of bankruptcy, then on the vulnerable front line of the Cold War and later in the forefront of the great opening up of capital and migration now reshaping the world. This history follows all the political and economic stories, but deals too with comedy, cars, the war against homosexuals, Sixties anarchists, oil-men and punks,

Margaret Thatcher's wonderful good luck, political lies and the true heroes of British theatre.

andrew marr history of modern britain: Elizabethans: How Modern Britain Happened

Andrew Marr, 2020-10-07 In a brilliantly entertaining, living history of the modern United Kingdom, Andrew Marr traces how radically we have transformed through the course of Queen Elizabeth II's reign. When the Queen stepped up her crown in 1953 at the age of twenty-five, Britain was a very different nation. In this vital history, bestselling author Andrew Marr tells the story of modern Britain through the people who shaped it: from Sylvia Plath to Elvis Costello, Frank Critchlow to Bob Geldof, Zaha Hadid to James Dyson, David Attenborough to the Beatles. How did our activists, our innovators, our artists, our every-kind-of-mover-and-shaker define and progress this new Elizabethan era over the last seven decades? How did the seventies shape the eighties, shape the nineties to incrementally land us where we are today? And where exactly is that?

andrew marr history of modern britain: The Making of Modern Britain

Andrew Marr, 2009-10-02 In *The Making of Modern Britain*, Andrew Marr paints a fascinating portrait of life in Britain during the first half of the twentieth century as the country recovered from the grand wreckage of the British Empire. Between the death of Queen Victoria and the end of the Second World War, the nation was shaken by war and peace. The two wars were the worst we had ever known and the episodes of peace among the most turbulent and surprising. As the political forum moved from Edwardian smoking rooms to an increasingly democratic Westminster, the people of Britain experimented with extreme ideas as they struggled to answer the question 'How should we live?' Socialism? Fascism? Feminism? Meanwhile, fads such as eugenics, vegetarianism and nudism were gripping the nation, while the popularity of the music hall soared. It was also a time that witnessed the birth of the media as we know it today and the beginnings of the welfare state. Beyond trenches, flappers and Spitfires, this is a story of strange cults and economic madness, of revolutionaries and heroic inventors, sexual experiments and raucous stage heroines. From organic food to drugs, nightclubs and celebrities to package holidays, crooked bankers to sleazy politicians, the echoes of today's Britain ring from almost every page.

andrew marr history of modern britain: History on Television

Ann Gray, Erin Bell, 2013 In recent years non-fiction history programmes have flourished on television. This interdisciplinary study of history programming identifies and examines different genres employed by producers and tracks their commissioning, production, marketing and distribution histories. With comparative references to other European nations and North America, the authors focus on British history programming over the last two decades and analyse the relationship between the academy and media professionals. They outline and discuss often-competing discourses about how to 'do' history and the underlying assumptions about who watches history programmes. *History on Television* considers recent changes in the media landscape, which have affected to a great degree how history in general, and whose history in particular, appears onscreen. Through a number of case studies, using material from interviews by the authors with academic and media professionals, the role of the 'professional' historian and that of media professionals - commissioning editors and producer/directors - as mediators of historical material and interpretations is analysed, and the ways in which the 'logics of television' shape historical output are outlined and discussed. Building on their analysis, Ann Gray and Erin Bell ask if history on television fulfils its potential to be a form of public history through offering, as it does, a range of interpretations of the past to and originating from or including those not based in the academy. Through consideration of the representation, or absence, of the diversity of British identity - gender, ethnicity and race, social status and regional identities - the authors substantially extend the scope of existing scholarship into history on television. *History on Television* will be essential reading for all those interested in the complex processes involved in the representation of history on television.

andrew marr history of modern britain: A History of 20th Century Britain

Andrew Marr, 2011-12-02 Between the death of Queen Victoria and the turn of the Millennium, Britain has been utterly transformed by an extraordinary century of war and peace. *A History of 20th Century Britain* collects together for the first time Andrew Marr's two bestselling volumes *A History of Modern*

Britain and The Making of Modern Britain. Together, they tell the story of how the country recovered from the grand wreckage of the British Empire only to stumble into a series of monumental upheavals, from World Wars to Cold Wars and everything in between. In each decade, political leaders thought they knew what they were doing, but found themselves confounded. Every time, the British people turned out to be stroppier and harder to herd than predicted. This wonderfully entertaining history follows all the political and economic stories, but deals too with the riotous colour of an extraordinary century: a century of trenches, flappers and Spitfires; of comedy, punks, Margaret Thatcher's wonderful good luck, and the triumph of shopping over idealism.

andrew marr history of modern britain: Access to History: Britain 1951-2007 Third Edition Michael Lynch, 2019-10-07 Exam board: AQA; OCR Level: AS/A-level Subject: History First teaching: September 2015 First exams: Summer 2016 (AS); Summer 2017 (A-level) Put your trust in the textbook series that has given thousands of A-level History students deeper knowledge and better grades for over 30 years. andrew marr history of modern britain: Tourism and Brexit Hazel Andrews, 2020-10-09 This book is the first to explore the relationship between tourism and Brexit from a social science perspective. As the UK repositions itself in the uncharted waters of a post-Brexit world the book considers three interconnected themes all bound up in touristic practices: travel, borders and identity. The volume uses diverse examples, including UK-Polish tourism, royal events, Arthurian-based heritage in Cornwall, media representations of Brits abroad, ideas of freedom on holiday in Mallorca, the impacts of Brexit on migrant workers in Mallorca and on tourism for Commonwealth and Overseas Territories. Contributors to the book are based in the UK, EU, Southeast Asia, USA, Australia and New Zealand, giving the analysis a strongly international focus. It will be useful for students and researchers in tourism, migration, European studies, social anthropology, geography and sociology.

andrew marr history of modern britain: Britain's Secret Treasures Mary-Ann Ochota, 2013-09-26 For hundreds of thousands of years our ancestors have walked these isles burying, dropping and throwing away their belongings, and now these treasures lie waiting for us, keeping their secrets until we uncover them once more. Every year, hundreds of valuable artefacts are discovered by ordinary members of the British public. Here in Britain's Secret Treasures, which accompanies the ITV series, the British Museum chooses eighty of the most fascinating finds ever reported and Mary-Ann Ochota shares with us the moving histories that bring each piece to life. There is also a detailed chapter showing you how you can get involved in archaeology too. From hoards of Roman gold and Bronze Age drinking vessels to tiny Viking spindle whorls and weapons from dozens of wars, all manner of treasures are described here. Some help prove that our ancestors were alive over half a million years ago, some saw their modern-day finders receive a generous reward, all provide an insight into the wonderful, dynamic, colourful history of our nation.

andrew marr history of modern britain: The Man behind the Beard Graham Dominy,

2023-12-01 Deneys Schreiner was an academic, a scientist and a man of strong liberal principles, with a good sense of humor and widespread interests in the sciences, arts and public affairs. In his steady way, he transformed the University of Natal and the community around it. Between the 1960s and 1980s, Schreiner supported and initiated several endeavors to promote constitutional futures other than those imposed by the apartheid government. One of the most significant was the Buthelezi Commission, which he chaired. This biography sets out the context of the times in which Schreiner lived and his life from his ancestors to his tenure as Vice-Principal. This book is created with extensive archival research, supported by interviews with family members, former colleagues, friends, and journalists. Schreiner was a man who made a considerable contribution to the struggle for democracy in South Africa. And then there is the story of his beard, once described as a potent symbol of his presence and implacable integrity. Print edition not for sale in Sub Saharan Africa.

andrew marr history of modern britain: *History Made Conscious* Geoff Eley, 2023-08-22 How History has changed in the half-century since the 1960s During the last fifty years, the writing of history underwent two massive transformations. First, powered by Marxism and other materialist sociologies, the great social history wave instated the value of social explanation. Then, responding to new theoretical debates, the cultural turn upset many of those freshly earned certainties. Each challenge was profoundly informed by politics, from issues of class, gender, and race to those of identity, empire, and the postcolonial. The resulting controversies brought historians radically changed possibilities, expanding subject matters, unfamiliar approaches, greater openness to theory and other disciplines, a new place in the public culture. *History Made Conscious* offers snapshots of a discipline continuously rethinking its charge. How might we understand the social and the cultural together? How do we collaborate most fruitfully across disciplines? If we take theory seriously, how does that change what historians do? How should we think differently about politics?

andrew marr history of modern britain: *Consuming History* Jerome de Groot, 2016-02-08 *Consuming History* examines how history works in contemporary popular culture. Analysing a wide range of cultural entities from computer games to daytime television, it investigates the ways in which society consumes history and how a reading of this consumption can help us understand popular culture and issues of representation. In this second edition, Jerome de Groot probes how museums have responded to the heritage debate and how new technologies from online game-playing to internet genealogy have brought about a shift in access to history, discussing the often conflicted relationship between 'public' and academic history and raising important questions about the theory and practice of history as a discipline. Fully revised throughout with up-to-date examples from sources such as *Wolf Hall*, *Game of Thrones* and *12 Years a Slave*, this edition also includes new sections on the historical novel, gaming, social media and genealogy. It considers new, ground-breaking texts and media such as YouTube in addition to entities and practices, such as re-enactment, that have been underrepresented in historical discussion thus far. Engaging with a broad spectrum of source material and comparing the experiences of the UK, the USA, France and Germany as well as exploring more global trends, *Consuming History* offers an essential path through the debates for readers interested in history, cultural studies and the media.

andrew marr history of modern britain: *The Great Democracy* Ganesh Sitaraman, 2019-12-10 A leading progressive intellectual offers an illuminating agenda for how real democracy can triumph in America and beyond (Ari Berman, *New York Times*). Since the New Deal in the 1930s, there have been two eras in our political history: the liberal era, stretching up to the 1970s, followed by the neoliberal era of privatization and austerity ever since. In each period, the dominant ideology was so strong that it united even partisan opponents. But the neoliberal era is collapsing, and the central question of our time is what comes next. As acclaimed legal scholar and policy expert Ganesh Sitaraman argues, two political visions now contend for the future. One is nationalist oligarchy, which rigs the system for the rich and powerful while using nationalism to mobilize support. The other is the great democracy, which fights corruption and extends both political and economic power to all people. At this decisive moment in history, *The Great Democracy* offers a bold, transformative agenda for achieving real democracy.
