Crowded House Best Of

Crowded House, the iconic Australian-New Zealand rock band formed in 1985, has carved out a significant place in the history of alternative and indie rock. Known for their melodic hooks, lyrical depth, and enduring appeal, the band has amassed a rich catalog of hits that continue to resonate with fans old and new. A "best of" compilation or collection is an excellent way to experience the essence of Crowded House's musical journey, capturing their most memorable songs and defining moments. This article delves into the band's greatest hits, their impact on the music scene, and what makes their best-of collections a must-listen for music enthusiasts.

Overview of Crowded House's Musical Legacy

The Formation and Evolution of the Band

Crowded House was formed in Melbourne, Australia, by New Zealand musician Neil Finn, along with Paul Hester and Nick Seymour. Over the years, the band has undergone several lineup changes but has maintained Neil Finn's distinctive songwriting core. Their sound is characterized by a blend of melodic pop, rock, and folk influences, often featuring introspective lyrics and memorable melodies.

Key Albums and Milestones

Throughout their career, Crowded House released multiple critically acclaimed albums, including:

- Crowded House (1986): Their debut album, featuring the hit "Don't Dream It's Over."
- Temple of Low Men (1988): A darker, more introspective follow-up.
- Woodface (1991): Featuring hits like "Weather with You" and "Four Seasons in One Day."
- Together Alone (1993): Known for its lush production and emotional depth.
- Time on Earth (2007): Marking their reunion after a hiatus.
- Intriguer (2010): Their final studio album to date, showcasing mature songwriting.

crowded house best of: **Crowded House: Something So Strong** Chris Bourke, 2014-08-14 'It's pretty stupid comparing us to the Beatles. There were four of them. There's only three of us.' — Paul Hester Crowded House promised to become the most successful band ever to have come out of Australasia. When 'Don't Dream It's Over' and 'Something So Strong' exploded in the US charts, worldwide success looked inevitable. Critics compared them musically to the Beatles and fans adored them for their warmth and humour on stage. Four brilliant albums later, their rollercoaster ride of achievements and disappointments came to an end on the steps of the Sydney Opera House, in front of one of the largest audiences in Australian history. The dream was over, the band had finally broken up, their enormous promise was only partially fulfilled. In this definitive account, New Zealand journalist Chris Bourke has written the true story of the first phase of Crowded House. With unparalleled access to all the band members, their families, friends, musical collaborators, managers, and record company personnel, he has captured their essence. It is a unique tale of musical chemistry, family bonds and the personal costs of pursuing an artistic vision. From the manic energy of the recording studio to the machinations of the record industry, this riveting account is a book for every Crowded House fan. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index

listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
