

funny things to say

Funny things to say are an essential part of social interactions, helping to break the ice, lighten the mood, and bring smiles to people's faces. Whether you're looking for witty quips to use in everyday conversations, humorous remarks for parties, or clever comebacks to keep the conversation lively, knowing what to say can make all the difference. In this comprehensive guide, we'll explore various funny things to say across different contexts, along with tips on timing, delivery, and selecting the right humor to fit your audience. Get ready to inject some laughter into your interactions!

Why Saying Funny Things Matters

Humor is a powerful social tool. It fosters connections, eases tension, and makes interactions memorable. Here's why incorporating funny things to say is beneficial:

- Builds rapport: Light-hearted humor creates a sense of camaraderie.
 - Enhances mood: Laughter triggers the release of endorphins, improving everyone's mood.
 - Displays wit and intelligence: Clever humor can showcase your quick thinking.
 - Breaks the ice: Perfect for starting conversations with strangers or new acquaintances.
 - Makes you memorable: People tend to remember those who make them laugh.
-

Types of Funny Things to Say

Different situations call for different kinds of humor. Below are common types of funny remarks you can incorporate:

1. Punny Jokes and Wordplay

Puns are playful and often groan-worthy, but they can be very effective in lightening the mood.

- "I'm reading a book on anti-gravity. It's impossible to put down."
- "Did you hear about the guy who invented Lifesavers? They say he made a mint."
- "I used to be a baker, but I couldn't make enough dough."

2. Self-Deprecating Humor

Self-deprecating jokes show humility and can make you appear more approachable.

- "I'm on a whiskey diet — I've lost three days already."
- "I'm not lazy; I'm just on energy-saving mode."
- "My idea of a balanced diet is a cookie in each hand."

3. Observational Humor

Commenting on everyday quirks or common experiences can resonate with your audience.

- "Why is it that whenever you're looking for something, it's always in the last place you look?"
- "I'm convinced that some people just like to hear themselves talk."

4. Clever Comebacks and Retorts

Quick-witted responses can turn a boring conversation into a funny one.

- When asked if you're busy: "No, I'm just ignoring everyone perfectly."
- If someone calls you slow: "I'm not slow, I just enjoy taking my time."

5. Absurd or Surreal Humor

Humor that's unexpected or bizarre can catch people off guard and generate laughs.

- "I told my computer I needed a break, and now it's frozen in shock."
- "Why did the scarecrow become a successful neurosurgeon? Because he was outstanding in his field."

Popular Funny Sayings for Different Occasions

Here are some ready-to-use funny phrases tailored for various situations:

Casual Conversations

- "I'm on a seafood diet. I see food and I eat it."
- "I'm not arguing, I'm just explaining why I'm right."
- "My bed is a magical place where I suddenly remember everything I forgot to do."

Social Media Posts

- "My favorite exercise is a cross between a lunge and a crunch... I call it lunch."
- "I'm not lazy, I'm on energy-saving mode."
- "Some people graduate with honors, I am just honored to graduate."

Workplace Humor

- "I'm great at multitasking. I can waste time, be unproductive, and procrastinate all at once."
- "My boss told me to have a good day... so I went home."
- "I'm not saying I'm a superhero, but have you ever seen me and my coffee in the same room?"

Family and Friends

- "You know you're getting old when your candles cost more than your cake."
- "I smile because I have no idea what's going on."
- "I'm not arguing, I'm just passionately expressing my point of view."

How to Deliver Funny Things to Say Effectively

Timing and delivery are critical to humor. Here are tips to maximize your comedic impact:

1. Know Your Audience

Understand what kind of humor your audience appreciates. Some people love puns; others prefer sarcasm or slapstick humor. Adjust your jokes accordingly.

2. Use Appropriate Timing

Wait for the right moment—often when the conversation is relaxed or when a light-hearted moment arises. Forced jokes can fall flat.

3. Practice Your Delivery

Confidence is key. Practice your timing, tone, and facial expressions to enhance the humor.

4. Keep It Light and Respectful

Avoid humor that could offend or hurt others. Focus on inclusive, harmless jokes.

5. Be Authentic

Use humor that aligns with your personality. Authenticity makes jokes feel natural and genuine.

Creating Your Own Funny Sayings

While using popular jokes and phrases is great, crafting your own humorous lines can be even more impactful. Here's how:

- Play with words: Combine unexpected words or phrases.
- Use exaggeration: Amplify situations for comic effect.
- Incorporate personal experiences: Relate humor to your life.
- Stay observant: Notice funny patterns or behaviors around you.

Example process: Notice someone struggling with their umbrella in the wind. Say, "That umbrella has commitment issues—it keeps flipping out on me."

Funny Things to Say in Specific Contexts

Different scenarios call for specific types of humor. Here are some tailored suggestions:

First Date

- "Are you a magician? Because whenever I look at you, everyone else disappears."
- "I'd tell you a chemistry joke, but I don't think it'd get a good reaction."

Meetings and Professional Settings

- "I'm not great at small talk, but I can make a big impression with my silence."
- "I have a presentation on procrastination... but I'll give it later."

Parties and Celebrations

- "I came for the drinks and stayed for the bad dance moves."
- "My dance moves are so impressive, they're illegal in 17 states."

Family Gatherings

- "I love my family, but I'd love them more if they paid for my therapy."
- "Family: where life begins and love never ends... or at least it's supposed to."

Conclusion: Keep the Laughter Going

Incorporating funny things to say into your daily interactions can transform mundane moments into memorable ones. Whether you favor witty puns, clever comebacks, or silly jokes, the key is to be genuine, respectful, and well-timed. Remember, humor is subjective, so always consider your audience and context. Practice makes perfect—so don't hesitate to experiment with your humor style and watch as your conversations become more engaging and fun. Embrace your inner comedian and spread laughter wherever you go!

Additional Tips for Staying Funny

- Stay updated on current jokes and memes.
- Observe what makes others laugh and learn from it.
- Don't force humor; let it come naturally.
- Use humor to connect, not to offend.

By mastering the art of funny things to say, you'll enrich your social life, make new friends, and create joyful moments that everyone will remember. Happy joking!

Frequently Asked Questions

What's a funny way to break the ice at a party?

You can say, 'I'm on a whiskey diet—I've lost three days already!' It's silly and can get a good laugh to start the conversation.

How can I make my friends laugh with a funny one-liner?

Try saying, 'I told my computer I needed a break, and now it won't stop sending me vacation ads.' It's relatable and humorous!

What's a funny thing to say when someone asks how you're feeling?

You could reply, 'I'm like a software update—waiting for a restart and a few improvements!'

Can you give an example of a funny compliment?

Sure! Say, 'Are you a magician? Because whenever I look at you, everyone else disappears... and I forget what I was supposed to do!'

What's a humorous way to respond to a silly question?

You might say, 'That's a great question! Unfortunately, my crystal ball is out of batteries today.'

How can I make a joke about everyday chores?

Try saying, 'Doing laundry is just me trying to find out if my clothes are secretly hiding snacks.'

Additional Resources

Funny things to say can be a powerful tool in your social toolkit, transforming awkward silences into laughter-filled moments and turning mundane conversations into memorable exchanges. Whether you're aiming to break the ice on a first date, lighten the mood at a tense meeting, or simply entertain friends during a casual hangout, knowing a few clever, humorous lines can make all the difference. In this guide, we'll explore the art of humor through funny things to say, offering tips, examples, and strategies to help you master the craft of witty communication.

The Power of Humor in Conversation

Humor is a universal language that bridges gaps, fosters connection, and makes interactions more enjoyable. When used effectively, funny things to say can:

- Ease tension
- Showcase your personality
- Make you more memorable
- Create shared experiences
- Improve your mood and those around you

However, humor is subjective, and what makes one person laugh might not work for another. The key is understanding your audience and choosing the right moments and types of humor.

Types of Funny Things to Say

To diversify your comedic arsenal, it's helpful to understand the different styles of humor you can employ. Here are some common categories:

1. Puns and Wordplay

Puns involve playing with words that have double meanings or similar sounds. They're light-hearted and often elicit groans or laughs.

Examples:

- "I'm reading a book on anti-gravity. It's impossible to put down."
- "I'd tell you a construction joke, but I'm still working on it."

2. Self-Deprecation

Making fun of yourself can be charming and disarming, as long as it's done in moderation.

Examples:

- "I'm on a whiskey diet. I've lost three days already."
- "I have a photographic memory, but I always forget to bring my camera."

3. Absurd or Surreal Humor

These involve bizarre or unexpected statements that catch listeners off guard.

Examples:

- "Why did the scarecrow win an award? Because he was outstanding in his field."
- "I told my computer I needed a break, and now it won't stop sending me vacation ads."

4. Observational Humor

Commenting on everyday life in a witty way can resonate with audiences.

Examples:

- "I'm not saying I'm lazy, but I just saw someone do a plank and I thought, 'That's a lot of effort.'"
- "Why is it that when you're driving and looking for a street, you turn down the radio, but when you find it, you turn it back up?"

5. Hyperbole and Exaggeration

Exaggerating for comic effect can be very funny.

Examples:

- "I have a million things to do, and I'm only one person!"
- "This bag is so heavy, it's practically carrying itself."

Practical Tips for Using Funny Things to Say

While knowing what to say is important, how you say it can make all the difference. Here are some tips for effectively incorporating humor into your conversations:

1. Know Your Audience

Tailor your humor to the context and the people you're talking to. What works in a casual setting might not be appropriate at work or with strangers.

2. Timing Is Everything

Deliver your funny lines at natural pauses or moments when a little levity is needed. Forced jokes often fall flat.

3. Keep It Light and Respectful

Avoid humor that could offend or alienate others. Steer clear of sensitive topics unless you're confident it will be received well.

4. Use Self-Deprecation Sparingly

While self-deprecating humor can be endearing, overdoing it may undermine your confidence or credibility.

5. Practice Delivery

A good joke can fall flat without proper timing and tone. Practice your delivery to maximize comedic effect.

Examples of Funny Things to Say for Different Occasions

Here are some curated lines and phrases suitable for various social scenarios:

Casual Conversations

- "I'm on a seafood diet. I see food, and I eat it."
- "I told my plants a joke. Now they're rooting for me."

First Dates

- "Are you a magician? Because whenever I look at you, everyone else disappears."
- "Do you believe in love at first sight, or should I walk by again?"

Workplace Humor

- "I'm not saying I'm organized, but my desk is a work of abstract art."
- "My computer is like a cat. It only responds when it wants to."

Parties and Social Gatherings

- "I'm just here for the snacks."
- "If we're not supposed to have midnight snacks, why is there a light in the fridge?"

During Difficult Moments

- "Well, this is a fine mess we're in, but at least we have each other's company."
- "If life gives you lemons, add vodka and call it a party."

Creative and Original Funny Things to Say

Sometimes, crafting your own humorous lines can be more impactful than memorizing jokes. Here are some ideas to inspire you:

- Combine two unrelated ideas for a humorous twist.
- Use exaggerated descriptions of everyday situations.
- Play with common sayings or idioms for comic effect.
- Incorporate current trends or pop culture references.

Example:

- "My bank account and I are in a long-distance relationship — we're constantly apart, and it's getting awkward."

Final Tips for Mastering the Art of Funny Things to Say

- Be authentic: Genuine humor resonates more than forced jokes.
- Observe and learn: Pay attention to what makes others laugh and adapt.
- Stay positive: Focus on light-hearted humor rather than sarcasm or negativity.
- Practice: Like any skill, humor improves with practice and experience.
- Have fun: Remember that humor is meant to bring joy, not stress.

Conclusion

Funny things to say are invaluable tools for enhancing social interactions, building rapport, and spreading joy. Whether you prefer witty puns, clever observations, or goofy self-deprecating lines, the key is to know your audience and deliver your humor with confidence and timing. Keep experimenting with different styles, stay true to your personality, and most importantly, enjoy the process of making people laugh. After all, a good sense of humor is one of the most charming qualities you can develop.

Funny Things To Say

funny things to say: Many More Funny Things B. E. White, Jr., 2014-08-29 After his first book, Dr. White thought that he had exhausted his memory of funny things in his life and ministry, but with the passing of time he has remembered many more funny things. He has written them down to make us laugh out loud and silently reflect on what they have to say. Brightie White tells amusing and interesting story after story about people in and out of the church. You may have a hard time believing that some of the stories are true, but if you can't believe a preacher, whom can you believe? Most of the stories are humorous, but some of them are unusual. All are about real people and the way religion makes them act. Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author's life.

funny things to say: What's So Funny? Cherie Kerr, 2000-06

funny things to say: 73 Ways To Make Her Laugh CR James, 2015-04-14 CR James (author of Super Seduction Power) shows you easy ways to make a woman laugh.

funny things to say: 101] Ways to Tell If the Person You're Dating Is Crazy Jeff Hodge, 2009-03-06 Jeff Hodge, a fifteen-year stand-up comedian, has written two relationship books previously that include: 101+ Ways To Keep A Man and 101+ Ways To Tell When The Relationship Is Over. Jeff's twenty-five years of dating and being in numerous relationships gives him credibility on this subject matter. Since writing his two previous books on relationship, Jeff has co-created a relationship seminar titled, Unlock The Secrets To Finding Your Soul mate. This seminar offers single woman a step-by-step approach to finding real and lasting love. Jeff also has a one-man show titled, 101 Ways To Keep A Man that deals specifically with relationship matters. Jeff currently resides in Los Angeles, California but can be found performing at a comedy venue somewhere across the United States or acting in a movie. Jeff credits include appearances in the feature films Crocodile Dundee in LA and Deuce Bigalow: Male Gigolo. Look for Jeff in his first starring role in the short film titled, Comedy Traffic School, which was created and produced by Jeff Hodge, himself. Jeff has also written for Arsenio Hall, George Lopez & The Steve Harvey Radio Show. For more information on Jeff, visit his Website: www.jeffhodge.com or www.101waystokeepaman.com. You can also find Jeff on Facebook and Myspace: www.myspace.com/jeffhodgecomedian.

funny things to say: Stupid Sh*t You Say Brad Gosse, 2019-07-02 A funny look at the ridiculous things we say. The English language is full of phrases and sayings that make no sense, are mean, sound funny or make us sound like jerks. We tell people to get over it or everything happens for a reason when they're mourning. We tell kids don't fall and work hard. We tell our friends we have better stories than they do. We say words like antithesis to sound smarter. We copy and paste bogus legal declarations on social media. This book is intended to be taken with a light heart. Maybe you'll find some of the things you say in this book and it will make you angry. Ask yourself why it's here and why you're angry. Maybe we have a different context, or maybe you should stop saying them.

funny things to say: ,

funny things to say: It's a Funny Thing, Humour Antony J. Chapman, Hugh C. Foot, 2013-10-22 It's a Funny Thing, Humour contains the papers presented at the International Conference on Humor and Laughter, held in Cardiff in July 1976. The symposium provides a platform from which authors from different professional and personal background can talk about their own definition and analysis of humor. The book is structured into 10 main sections that reflect the structure of the conference and presents various studies and research on the nature of humor and laughter. Contributions range from theoretical discussions to practical and experimental expositions. Topics on the psychoanalytical theory of humor and laughter; the nature and analysis of jokes; cross-cultural research of humor; mirth measurement; and humor as a tool of learning are some of the topics covered in the symposium. Psychologists, sociologists, teachers, communication

experts, psychiatrists, and people who are curious to know more about humor and laughter will find the book very interesting and highly amusing.

funny things to say: American Idioms for English Speakers Pasquale De Marco, 2025-07-24 American idioms are a fascinating and integral part of the English language. They add color, humor, and depth to our conversations and writings. But for non-native speakers, idioms can be a bit of a mystery. That's where this book comes in. This book is a comprehensive guide to American idioms, designed specifically for English speakers. It covers over 1,500 of the most common and useful idioms, with clear explanations and examples. You'll learn how to use idioms correctly in your own speech and writing, and you'll gain a deeper understanding of American culture. These sections will help you expand your vocabulary and gain a deeper understanding of the nuances of American English. So what are you waiting for? Start learning American idioms today! With this book as your guide, you'll be speaking like a native in no time. This book is your key to unlocking the secrets of American idioms. With its clear explanations, helpful examples, and comprehensive coverage, this book will help you master American idioms and communicate like a native speaker. If you like this book, write a review!

funny things to say: Humor and Laughter, Playfulness and Cheerfulness: Upsides and Downsides to a Life of Lightness Willibald Ruch, Tracey Platt, René T. Proyer, Hsueh-Chih Chen, 2019-08-12 The emergence of Positive Psychology has highlighted the importance of studying the good life and how to attain it. Positive life outcomes, such as well-being, thriving, flourishing, and happiness were discussed and investigated. Among them, different orientations to happiness were identified, such as a life of pleasure, life of meaning, and life of engagement. Other outcomes, such as subjective and objective fulfillment in life or societal recognition have been less studied. Among the characteristics that facilitate positive outcomes, the VIA-classification of strength and virtues distinguishes 24 strengths with humor/playfulness being one of them. Only a small segment of humor entered the definition of humor as character strengths, namely the parts that contain some "goodness". Humor as a character strength facilitates a lot of positive outcomes, such as positive emotions and positive relationships, and there is a "lightness" accompanying humor/playfulness. The field is broader though and transcends the definition of humor as used in positive psychology, in at least two ways. First, there is actually a family of overlapping but still distinct concepts with different research traditions. We include next to humor (and types of humor), also laughter, playfulness, and cheerfulness. We think that more research is needed on how they do overlap and what makes them distinct. Second, while positive psychology is interested in the goodness of we do want to stress that there is the need to study the non-virtuous parts as well. That is, laughter may not only be expressing amusement but scorn directed at people, humor may be benevolent but there is also sarcasm, and playfulness may elicit positive emotions but also risk-prone and immature types of behavior. Therefore, the aim of this Research Topic was to collect current perspectives on humor, playfulness, laughter, and cheerfulness in both adults and children, to study their full diversity but also interrelations and overlapping features, to introduce new instruments or ways for their assessment in future studies, and to study their causes and consequences in a variety of life domains. We encouraged studies on differences due to gender or nationality, the embodiment in different groups (e.g., class clowns, psychiatric patients), or whether or not they can be trained. We also welcomed contributions from adjacent disciplines (e.g., education, leisure studies, or therapy/counseling) and different regions of the earth. The outcome is a set of 33 manuscripts from altogether 101 authors. Not all areas are covered and not all aims were met; while we made progress there is much left to do. In this sense, the merging of these topics may be the first milestone but like every milestone, it only marks the beginning of a long journey.

funny things to say: The Funny Thing Is... Ellen DeGeneres, 2003-10-28 An indispensable

reference for anyone who knows how to read—or wants to fool people into thinking they do—The Funny Thing Is... is sure to make you laugh. Ellen DeGeneres published her first book of comic essays, the #1 bestselling *My Point...And I Do Have One*, way back in 1996. Not one to rest on her laurels, the witty star of stage and screen has since dedicated her life to writing a hilarious new book. That book is this book. After years of painstaking, round-the-clock research, surviving on a mere twenty minutes of sleep a night, and collaborating with lexicographers, plumbers, and mathematicians, DeGeneres has crafted a work that is both easy to use and very funny. Along with her trademark ramblings, *The Funny Thing Is...* contains hundreds of succinct insights into her psyche and offers innovative features including: -More than 50,000 simple, short words arranged in sentences that form paragraphs. -Thousands of observations on everyday life—from terrible fashion trends to how to handle seating arrangements for a Sunday brunch with Paula Abdul, Diane Sawyer, and Eminem. -All twenty-six letters of the alphabet.

funny things to say: *A Funny Thing Happened on My Way to Heaven* ,

funny things to say: *Hawks on Hawks* Joseph McBride, 2013-12-03 A portrait of the renowned film director based on seven years of interviews: “I am very happy that this book exists.” —François Truffaut Howard Hawks is often credited as the most versatile of the great American directors, having worked with equal ease in screwball comedies, westerns, gangster movies, musicals, and adventure films. He directed an impressive number of Hollywood’s greatest stars—including Humphrey Bogart, Cary Grant, John Wayne, Lauren Bacall, Rosalind Russell, and Marilyn Monroe—and some of his most celebrated films include *Scarface*, *Bringing Up Baby*, *The Big Sleep*, *Red River*, *Gentlemen Prefer Blondes*, and *Rio Bravo*. *Hawks on Hawks* draws on interviews that author Joseph McBride conducted with the director over the course of seven years, giving rare insight into Hawks’s artistic philosophy, his relationships with the stars, and his position in an industry that was rapidly changing. In its new edition, this classic book is both an account of the film legend’s life and work and a guidebook on how to make movies. “There are going to be many biographies of Howard Hawks, but they will all lean heavily on this book; the pioneer so honestly reveals himself and the people with whom he worked.” —Los Angeles Times

funny things to say: *Garner's Modern English Usage* Bryan A. Garner, 2022 Garner's Modern English Usage is one of the most influential style guides ever written for the English language. With more than a thousand new entries, 200 replacement entries, and thoroughly updated usage data, this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing.

funny things to say: *Fun* , 1865

funny things to say: *The Humor Hack* Michael K. Cundall Jr., 2022-04-28 The Humor Hack is an entirely different book about using humor to lead a more engaged life. It's a playbook filled with anecdotes, exercises, and discussion of topics that will provide readers a way to understand how humor works and how they can take this knowledge and enrich their personal and professional lives with more laughs, enjoyment, and mirth. The book's content is based in research, but not academic in tone or format, and is accessible to the general reader. The subject matter is broken into chapters that teach people how to understand, recognize, and produce more humor in their day-to-day lives. It is written in a friendly and warm tone and avoids being nothing more than a series of stories about humor or an overly theory-laden academic book. It provides readers with a book that is enjoyable to read, informative, playful, and educational. That's why this is best described as a playbook. The book is meant to provide a sort of text that is missing in the current books out there that profess to be humor how-tos. It takes research related to humor and discusses it in an informed yet accessible fashion.

funny things to say: *Thoughtless: Think Less, Be More* William Sharkey, 2014-05 We as humans experience much stress and suffering, yet we aren't really sure why this is so. We guess that our stress and suffering comes from a lack of money, security, loving relationships, a difficult childhood, lack of religious faith, because we suffer from depression or some other sort of chemical deficiency in the brain or a variety of other reasons. But there is another explanation. We suffer

because we think too much. We have stress because we are too attached to our thought. Thoughtless will show you why thoughts are the reason behind the stress and suffering that is common to almost all humans and how to do something about it, how to end it. William illustrates how it is possible to allow joy and inner peace to fill your experience of life, by becoming thoughtless.

funny things to say: *Mind, Language, and Metaphilosophy* Richard Rorty, 2014-02-13 This volume presents a selection of the philosophical essays which Richard Rorty wrote during the first decade of his career, and complements four previous volumes of his papers published by Cambridge University Press. In this long neglected body of work, which many leading philosophers still consider to be his best, Rorty develops his views on the nature and scope of philosophy in a manner which supplements and elucidates his definitive statement on these matters in *Philosophy and the Mirror of Nature*. He also develops his groundbreaking version of eliminative materialism, a label first coined to describe his position, and sets out original views on various central topics in the philosophy of language, concerning private language, indeterminacy, and verificationism. A substantial introduction examines Rorty's philosophical development from 1961 to 1972. The volume completes our understanding of Rorty's intellectual trajectory and offers lucid statements of positions which retain their relevance to current debates.

funny things to say: *Garner's Modern English Usage* Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2,300 word-frequency ratios, the magisterial fourth edition of this book-now renamed *Garner's Modern English Usage* (GMEU)-reflects usage lexicography at its finest. Garner explains the nuances of grammar and vocabulary with thoroughness, finesse, and wit. He discourages whatever is slovenly, pretentious, or pedantic. GMEU is the liveliest and most compulsively readable reference work for writers of our time. It delights while providing instruction on skillful, persuasive, and vivid writing. Garner liberates English from two extremes: both from the hidebound purists who mistakenly believe that split infinitives and sentence-ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted. The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available. In this fourth edition, Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources. No other resource provides as comprehensive, reliable, and empirical a guide to current English usage. For all concerned with writing and editing, GMEU will prove invaluable as a desk reference. Garner illustrates with actual examples, cited with chapter and verse, all the linguistic blunders that modern writers and speakers are prone to, whether in word choice, syntax, phrasing, punctuation, or pronunciation. No matter how knowledgeable you may already be, you're sure to learn from every single page of this book.

funny things to say: *The Lively Audience* Patricia Palmer, 2023-12-22 *The Lively Audience* (1986) studies television from the children's own point of view. Contrary to most prevailing opinion, it contends that television has much to teach children, and that their relationship with the medium is not one of passive dependency after all. Research shows that what children gain from television depends very much on the child's age and social experience, and that children 'see' television differently from adults. This book examines this issue, and gives us a different understanding of the child audience and the impact of their television viewing.

funny things to say: *Coffee and Cupid* Elizabeth Pulliam, 2017-07-14 *Coffee and Cupid in Cranbury* On October 27, almost 70 years after they first met, 89 Year-old Drewey Pulliam finally married Elisabeth Gatzio. Drewey had first proposed to Elisabeth when he was a young soldier during World War II. Injured during the war and suffering with malaria, Drewey was reluctant to burden young Elisabeth with his problems so he broke off the engagement. They both ended up marrying other people, and raising families with their new spouses. In December 2011, both were single again and Cupid's arrow once again found its mark. Elisabeth's daughter, also named Elisabeth, contacted Drewey's son Ray, and on January 7, the couple re-connected. During a visit in June, Drewey proposed once again, only to be rebuffed initially by Elisabeth. She had after all been

married for some 65 years previously and wasn't interested in more married life. Drewey persisted and when he proposed again a month later, she relented. Their story began in 1942, when the 15 year-old Elizabeth and her friends wanted to volunteer at the local USO. Though she wasn't old enough to volunteer, her friends encouraged her to lie about her age. She did the patriotic thing and volunteered. She was pit on the coffee line because it was "one of the easier jobs." She remembers Drewey coming up three separate time for coffee in that first fateful evening. She suspected that he was desperately shy but wanted to talk to her. After doling out Drewey's third serving of coffee Elizabeth decided to investigate more closely. She told her friends about the young man's mysterious fondness for coffee and they advised her to take the initiative if he came up again. Fortunately Drewey did come up for his fourth cup, at which point the young Elizabeth broke the ice. Soon after, the young Elizabeth excused herself from her vending duties and the young couple sat down to talk. Drewey Pulliam was clearly smitten that evening and after a while invited his young lady to the movies. Elizabeth now recalls, "we went to the movies the following Saturday even though I was not supposed to date at the age of fifteen." The bride had set her heart on getting married in Cranbury. David Cook, Cranbury's genial Mayor bent the rules for the couple (who were not at this point residents of Carnbury). He officiated at a simple ceremony which was held at the Gazebo in Village Park not far from the 34 Maplewood Avenue home where the young Elizabeth had once lived. The picturesque Village Park overlooks Brainerd Lake where the young couple had once swam. The weather was gorgeous and the still handsome couple finally wed supported by family and close friends.
