Marilyn Monroe Some Like It Hot is undoubtedly one of the most iconic and enduring comedies in cinematic history. Released in 1959, this film has solidified its place as a classic Hollywood comedy that continues to entertain audiences over six decades later. With its sharp wit, memorable performances, and clever storyline, Some Like It Hot remains a must-watch for film enthusiasts and casual viewers alike. This review explores the various facets that contribute to its timeless appeal, from its plot and characters to its humor and cultural significance.

Overview of the Film

Some Like It Hot was directed by Billy Wilder, a master filmmaker known for his sharp scripts and keen sense of satire. The screenplay, co-written by Wilder and I.A.L. Diamond, is a brilliant blend of comedy, romance, and social commentary. The film stars Marilyn Monroe, Tony Curtis, and Jack Lemmon, each delivering performances that have become legendary.

Set during the Prohibition era, the story follows two musicians, Joe and Jerry, who inadvertently witness a mob hit. To escape the wrath of the gangsters, they disguise themselves as women and join an all-female band heading to Florida. The film then explores the chaos, misunderstandings, and romantic entanglements that ensue, all set against a lively jazz soundtrack.

Plot and Storytelling

The plot of *Some Like It Hot* is a masterclass in comedic timing and narrative pacing. The story is straightforward yet layered with clever twists and satirical jabs at gender roles and societal expectations. The disguises and mistaken identities create a series of humorous situations that keep the audience engaged throughout.

Strengths:

- Well-structured storyline with a perfect blend of comedy and romance
- Clever use of disguise and mistaken identity tropes
- Social commentary subtly woven into the humor

Weaknesses:

- Some plot devices may feel dated or predictable to modern audiences
- Certain scenes rely heavily on slapstick, which might not appeal to all viewers

Overall, the storytelling remains sharp and engaging, with a satisfying blend of humor and heart.

Performance of the Lead Actors

The film's success is largely attributed to its stellar cast. Marilyn Monroe's portrayal of Sugar Kane is both charismatic and vulnerable, embodying the quintessential blonde bombshell with a touch of innocence and humor. Her musical performance of "I Wanna Be Loved by You" remains iconic.

Tony Curtis and Jack Lemmon deliver equally memorable performances as Joe and Jerry. Curtis's charm and wit perfectly complement Lemmon's neurotic and anxious persona. Their chemistry and comedic timing elevate the film from a simple comedy to a genuine cinematic gem.

Pros of the performances:

- Marilyn Monroe's magnetic presence and comedic timing
- Tony Curtis and Jack Lemmon's impeccable chemistry and comic delivery
- Supporting performances from George Raft and Joe E. Brown add depth

Cons:

- Some critics argue Monroe's role is more style than substance
- Certain elements of the performances are exaggerated for comedic effect, which might not resonate with all viewers

In sum, the cast's performances are a primary reason *Some Like It Hot* remains a classic.

Cinematography and Direction

Billy Wilder's direction is crisp, ensuring that comedic moments land perfectly while maintaining a lively pace. The cinematography by Charles Lang captures the vibrant atmosphere of the 1950s, highlighting the colorful costumes and lively jazz scenes.

The film employs a variety of camera techniques to enhance humor, such as close-ups during comedic reveals and dynamic shots during musical sequences. Wilder's direction balances slapstick humor with sharp dialogue, creating a seamless viewing experience.

Features:

- Bright, colorful visuals that evoke the era
- Effective framing to emphasize comedic timing
- Musical sequences shot with energy and flair

Drawbacks:

- Some visual elements may feel stylized or theatrical by modern standards
- Limited use of innovative cinematography techniques, typical for the era

The film's visual style complements its playful tone and adds to its nostalgic charm.

Humor and Cultural Impact

Some Like It Hot is renowned for its witty humor and clever satire. The comedy ranges from slapstick and physical gags to sharp dialogue and innuendo. The film pushes boundaries for its time, especially in its playful treatment of gender roles and sexuality.

Highlights of its humor:

- Double entendres and innuendos that remain witty
- Physical comedy sequences that are timeless
- Satirical take on societal norms and gender stereotypes

The film's humor has had a lasting influence on comedy and has contributed to conversations about gender and sexuality in media. The playful subversion of gender roles, with men dressing as women and vice versa, was groundbreaking and remains relevant today.

Cultural impact:

- Inspired numerous parodies and references in pop culture
- Contributed to the discussion of gender fluidity and norms
- Recognized as one of the funniest films ever made by many critics and fans

Music and Soundtrack

The soundtrack of *Some Like It Hot* is an integral part of its charm. Featuring jazz standards and lively musical numbers, the score amplifies the film's energetic atmosphere. Marilyn Monroe's performance of "I Wanna Be Loved by You" has become an iconic moment in film history.

The musical sequences are seamlessly integrated into the narrative, serving both as entertainment and character development. The jazz band's lively tunes evoke the era and set the mood for the comedy.

Features:

- Memorable musical performances
- Jazz soundtrack that energizes the film
- Songs that have become standards

Pros:

- Enhances the overall entertainment value
- Adds a layer of nostalgia and period authenticity

Cons:

- Some may find the musical moments slightly dated
- The focus on musical scenes may disrupt narrative flow for some viewers

Overall, the soundtrack is a vital part of the film's enduring appeal.

Themes and Social Commentary

Beyond its comedy, *Some Like It Hot* offers insightful commentary on gender roles, sexuality, and societal expectations. The film subtly critiques the rigidity of 1950s social norms through its characters and plot.

Key themes:

- Gender fluidity and performance

- The absurdity of societal constraints
- The pursuit of happiness beyond societal expectations

Monroe's Sugar Kane embodies innocence and vulnerability, while Curtis and Lemmon challenge traditional gender stereotypes through their disguises. The film invites viewers to question societal norms and embrace individuality.

Relevance today:

- Continues to inspire conversations about gender identity
- Celebrated for its progressive approach during its time

Pros and Cons Summary

Pros:

- Timeless humor with witty dialogue and physical comedy
- Stellar performances, especially Marilyn Monroe

Phillips, 2010-02-05 A biography of the six-time Oscar-winning director of films like *Some Like It Hot* and *Double Indemnity*, featuring analysis of his work. Although his career spanned fifty years and included more than fifty films, Austrian-American film director Billy Wilder (1906-2002) may be best known for the legendary shot of Marilyn Monroe's dress billowing over a subway grating in *The Seven Year Itch* (1955). This "shot seen round the world" is representative not only of Hollywood's golden era of cinema but also of one of its most prolific and brilliant directors. Wilder, whose filmography includes such classics as *Sunset Boulevard* (1950), *Sabrina* (1954), *Witness for the Prosecution* (1957), and

Some Like It Hot (1959), is often remembered for his versatility, biting wit, and passion for challenging social and moral conventions. Author Gene D. Phillips departs from the traditional biography in *Some Like It Wilder*, offering new insights into the acclaimed director's professional and private life. In preparation for the book, Phillips conducted personal interviews with Wilder and other key players from the legendary director's life and times. Phillips's unique combination of analysis and biographical detail brings Wilder to life, as both an artist and man. Phillips traces Wilder's path from Berlin, where he worked as a scriptwriter for one of the city's largest studios, to Hollywood, where he would quickly establish himself as a premier film director. Forming a partnership with writer-producer Charles Brackett, Wilder directed the classic films *Five Graves to Cairo* (1943), *Double Indemnity* (1945), and *The Lost Weekend* (1945), which earned Academy Awards for best picture, best director, and best screenplay. During the 1960s, Wilder continued to direct and produce controversial comedies, including *Kiss Me Stupid* (1964) and *The Apartment* (1960). *The Apartment* brought Wilder another round of Oscars for best picture, best director, and best screenplay. Wilder's maverick approach and independent artistic vision pushed boundaries and ensured his legacy as one of the Hollywood greats. Sharply written, *Some Like It Wilder* serves as a comprehensive companion to Wilder's films, offering a personalized and heartfelt account of the life and genius of this compelling director. Praise for *Some Like It Wilder* "Featuring Gene D. Phillips' unique, in-depth critical approach, *Some Like It Wilder* . . . provides a groundbreaking overview of a filmmaking icon . . . This definitive biography reveals that Wilder was, and remains, one of the most influential directors in filmmaking." —Turner Classic Movies "[Phillips] goes beyond the surface and deep into the complex mind and soul of the famous film director . . .
