Major Planetary Influences This Week

Before diving into the individual horoscopes, it's essential to understand the key planetary transits shaping this week:

- Mercury in Retrograde: Expect communication glitches, delays, or misunderstandings. Use this time for reflection and revisiting old projects.
- Venus in the Sun: A strong focus on love, harmony, and aesthetic pursuits. Opportunities for romance or creative expression may arise.
- Mars in Action: Increased energy and motivation, ideal for tackling long-overdue tasks.
- Jupiter's Expansion: Opportunities for growth, travel, or learning. Be cautious of overextending yourself.

These influences create a tapestry of energies that can be harnessed for personal growth if approached mindfully.

Weekly Horoscope Overview by Zodiac Sign

Aries (March 21 – April 19)

Focus: Initiative and leadership

This week, Aries, Eugenia Last suggests you harness your natural leadership qualities. With Mars energizing your sector of action, you'll feel motivated to start new projects. However, be cautious of impulsiveness—think before you act during Mercury's retrograde. Relationships may require patience; avoid jumping to conclusions. Use your energy to complete existing tasks and set a clear plan for the future.

Taurus (April 20 – May 20)

Focus: Stability and values

Taurus, your focus this week should be on grounding yourself. Venus's influence enhances your appreciation for beauty and comfort, making it a good time to indulge in self-care or redecorate your space. Be mindful of overextending financially, especially with Mercury retrograde affecting communications. Revisit past financial plans or negotiations to ensure clarity.

Gemini (May 21 – June 20)

Focus: Communication and social connections

For Gemini, this week emphasizes your communication skills. Eugenia Last advises expressing your ideas clearly, especially in professional settings. Avoid misunderstandings by double-checking details. Your social calendar may be lively, but remember to listen as much as you speak. Opportunities for collaboration could arise, so stay open and adaptable.

Cancer (June 21 – July 22)

Focus: Emotional balance and home life

Cancer, the cosmic energies encourage you to focus on your emotional well-being and domestic environment. With Mercury retrograde affecting communication at home, revisit unresolved issues with family members. This is a good time for interior decorating or making plans for future stability. Trust your intuition when making decisions about your personal space.

Leo (July 23 – August 22)

Focus: Creativity and recognition

Leo, your natural charisma is amplified this week. Eugenia Last notes that opportunities for recognition or career advancement may surface. Use your creative talents to showcase your abilities. Be cautious of overconfidence; listen to constructive feedback. In love, sparks could fly—embrace spontaneity but stay grounded.

Virgo (August 23 – September 22)

Focus: Practicality and health

This week, Virgo, focus on organizing your routines and health habits. Mercury's retrograde suggests

reviewing your diet, exercise, or work schedule. Small adjustments can lead to significant improvements. Avoid overcommitting; prioritize what matters most. Professional collaborations may require extra attention to detail.

Libra (September 23 – October 22)

Focus: Relationships and harmony

Libra, balance and harmony are your themes this week. Eugenia Last emphasizes nurturing your relationships—romantic or otherwise. Venus's influence favors meaningful conversations. Be open to compromise, but also set boundaries if needed. Financial negotiations or shared resources may come into focus; approach with diplomacy.

Scorpio (October 23 – November 21)

Focus: Transformation and personal growth

Scorpio, this is a powerful week for transformation. Use the energy of Jupiter to explore new philosophies or expand your knowledge. Mercury retrograde may cause communication hiccups—double-check details in important discussions. Trust your intuition when making decisions, especially regarding personal or financial changes.

Sagittarius (November 22 – December 21)

Focus: Exploration and learning

Sagittarius, your adventurous spirit is heightened. Eugenia Last suggests seeking new experiences or educational opportunities. Travel plans may come together, but delays are possible—be flexible. Focus on expanding your horizons mentally and spiritually. Sharing your ideas can inspire others.

Capricorn (December 22 – January 19)

Focus: Ambition and career

Capricorn, this week is ideal for focusing on your professional goals. With Mars energizing your sector of ambition, you'll be motivated to push forward. However, Mercury retrograde advises caution in contracts or negotiations—review all details carefully. Your leadership qualities can shine if you communicate clearly.

Aquarius (January 20 – February 18)

Focus: Innovation and social networks

Aquarius, your innovative ideas may attract attention. Eugenia Last highlights opportunities in technology or social causes. Use your unique perspective to inspire change. Be mindful of misunderstandings in group settings due to Mercury retrograde. Networking can lead to new collaborations.

Pisces (February 19 – March 20)

Focus: Intuition and creativity

Pisces, your intuitive side is amplified this week. Focus on artistic or spiritual pursuits that nourish your soul. Relationships may deepen if you express your feelings honestly. Mercury retrograde urges you to revisit past creative projects or ideas. Trust your inner voice when making decisions.

Practical Tips for Making the Most of This Week

- Stay Flexible: Planetary retrogrades can cause delays; patience and adaptability are your allies.
- Double-Check Communications: Clarify messages to avoid misunderstandings, especially during Mercury retrograde.
- Prioritize Self-Care: Use the cosmic energies to recharge emotionally and physically.
- Revisit Past Projects: This is an ideal time to review and refine ongoing endeavors.
- Harness Your Strengths: Focus on what you excel at—leadership, creativity, communication—and leverage these qualities.

Final Thoughts

This week, Eugenia Last's horoscope encourages a blend of action and reflection. While planetary influences may introduce some challenges, they also offer opportunities for growth, deeper understanding, and meaningful connections. By being mindful of the cosmic energies and aligning your actions accordingly, you can turn potential obstacles into stepping stones toward success.

Remember, astrology is a tool for self-awareness and guidance. Use these insights to navigate your week with confidence, optimism, and clarity. Embrace the opportunities ahead, stay adaptable, and trust in your ability to create a positive path forward.

weekly horoscope eugenia last: *Implausible Beliefs* Allan Mazur, 2017-07-05 Why do people accept ideas that are contradicted by science or logic? In *Implausible Beliefs*, Allan Mazur offers a comparative look at the nature of irrational belief systems, their social roots, and their cultural and political impact. He begins by providing standards for judging beliefs implausible and assessing the impact of such belief systems on politics and social policy in the US. Mazur describes and defends commonsense criteria for establishing that certain views should not be sustained in the face of present-day understanding. He presents a statistical portrait of implausible beliefs rampant in the US, and who tends to accept them. Mazur applies criteria for implausibility to the Bible, astrology, and visitation to Earth of intelligent beings from other worlds. Pointing out that everyone knows the

Bible but few actually read it, the author scrolls through the first five books of the text, noting points that undermine the scripture's natural history and moral guidance. Working on the assumption that implausible religious views are fundamentally no different from implausible secular views, he critiques secular beliefs in astrology and UFOs. Mazur concludes the volume with an attempt to explain why most people accept implausibility'some more than others despite evidence and logic that refute them. Looking to mainstream sociology and psychology, Mazur shows how children are socialized into such beliefs, and how adults are influenced by spouses and friends. Personality is also a factor, sometimes abetted by stressful or lonely life situations. Lucidly written, this is a provocative and informative contribution to social psychology, sociology, religion, political science, and American studies.

weekly horoscope eugenia last: Jenny's Coffee House Eugenia Jenny Williams, 2009 In May 1969 seven assisted migrants stepped out of the plane that had touched down in a strange place called Hobart. Jenny Williams, the author of *Yenni*, was one of those adults. From this time on little of what Jenny and her family knew was of any use to them. Like newborns they had to learn to exist in a different world. From factory to restaurant work, to new relationships, Jenny's Coffee House takes the reader into the rich heart of a hard working family searching for their niche in life. Full of the drama and humour of a life fully lived (love, disappointment, separation and triumph), this is an evocative and compelling book. Much like the author herself, Jenny's Coffee House is inspiring, honest and real. Hobart shimmers and enchants, Europe is never far away, while Jenny welcomes us all like best friends into her world.
