But in the season of 2012/13 he caught fire for Tottenham Hotspur and never looked back, bagging a PFA Player of the Year Award and—ultimately—a move to the world's biggest club. Its influence on the sporting field is well-known, but this book examines the roles played by Rugbeians in many different spheres during the Great War. Politicians and academics, Olympians and artists all left their ordinary lives to fight for their country and it was their school which bound them together.
