

curse on kennedy family

Understanding the Curse on the Kennedy Family: Myth or Reality?

The **curse on Kennedy family** has been a subject of intrigue, speculation, and fascination for decades. From political triumphs to tragic losses, the Kennedy family's history is often viewed through the lens of a supposed curse that has seemingly haunted its members. This article explores the origins of this belief, examines notable incidents, and attempts to distinguish fact from superstition.

The Origins of the Kennedy Family Curse

Historical Background of the Kennedy Dynasty

The Kennedy family, often called America's Royal Family, rose to prominence in the early 20th century. Founded by Joseph P. Kennedy Sr., a wealthy businessman and diplomat, the family quickly became known for its political influence, wealth, and public service. Key members include President John F. Kennedy, Senators Robert and Ted Kennedy, and numerous other relatives involved in politics, business, and philanthropy.

The Roots of the Curse Narrative

The idea of a curse associated with the Kennedy family likely gained momentum after a series of tragic events involving its prominent members. These incidents, which include assassinations, accidents, and health issues, fostered the belief that a supernatural curse was at play. Media coverage, popular books, and public speculation further fueled this narrative, creating a mythos around the family's supposed curse.

Major Tragedies Linked to the Kennedy Family

Assassination of President John F. Kennedy

- Date: November 22, 1963

- Location: Dallas, Texas
- Details: JFK was shot while riding in a motorcade, leading to his untimely death. The event shocked the nation and the world.

Assassination of Robert F. Kennedy

- Date: June 5, 1968
- Location: Los Angeles, California
- Details: Robert, then a presidential candidate, was shot and died days later, deepening the family's tragedy.

Death of Ted Kennedy

- Year: 2009
- Details: Ted Kennedy, the last surviving brother of the original Kennedy trio, died after battling brain cancer.

Other Notable Incidents

1. **Chappaquiddick Incident (1969):** Senator Ted Kennedy was involved in a car accident that resulted in the death of Mary Jo Kopechne.
2. **Plane Crashes:** Several family members and associates have died in aircraft accidents, including Robert Kennedy Jr.'s son, Robert F. Kennedy III.
3. **Health Issues:** Many Kennedy members suffered from severe health problems, including JFK's Addison's disease and brain aneurysms affecting other relatives.

Theories Surrounding the Kennedy Curse

Supernatural Explanations

Some believe that a literal curse was cast upon the Kennedy family, perhaps by a wronged individual or a mystical force. This supernatural perspective often cites:

- The number of tragedies occurring over generations.
- Occurrences of misfortune involving family members in public and private spheres.
- Claims of ancestral curses or misdeeds manifesting as family misfortune.

Psychological and Sociological Perspectives

Others interpret the Kennedy curse as a manifestation of psychological phenomena or media-driven myth-making:

- **Confirmation bias:** Once tragedies began, subsequent misfortunes were viewed as part of a curse.
- **Media sensationalism:** The press amplified stories of tragedy, creating a narrative of inevitable doom.
- **Family dynamics:** High-profile families under intense public scrutiny may experience stress leading to accidents or health issues.

Historical Patterns and Coincidences

Some scholars argue that the tragedies are statistically explainable, considering the prominence of the family and their exposure to risk, such as:

- High-risk professions (politics, aviation).
- Public scrutiny and media pressure.
- Genetic health issues that were not well understood at the time.

Notable Incidents That Fuel the Curse Narrative

JFK's Assassination and Its Aftermath

The assassination of JFK in Dallas marked one of the most defining moments in American history. The subsequent events, including the death of his brother Robert and the health decline of JFK Jr., contributed to the idea that the family's misfortunes are interconnected and ongoing.

The Tragedy of Robert F. Kennedy

Robert Kennedy's assassination in 1968, just months after JFK's death, reinforced the perception of a familial curse. The loss of the charismatic senator was a devastating blow to the family and the nation.

The Death of Ted Kennedy

As the last of the "original" Kennedy brothers, Ted Kennedy's death in 2009 was seen by some as the final chapter of the curse story, symbolizing the end of an era and cementing the family's tragic reputation.

Other Tragedies and Scandals

- Chappaquiddick scandal involving Ted Kennedy.
- Aircraft crashes involving family members and associates.
- Health issues and untimely deaths among younger family members.

Debunking the Myth: Is There Evidence of a Real Curse?

Statistical Analysis of the Kennedy Tragedies

While the tragedies are undeniably numerous and publicized, statistical analysis suggests that such misfortunes are within the realm of probability for any family with high public exposure. The high-profile nature of the Kennedys makes their misfortunes more visible and memorable.

Genetic and Environmental Factors

Many health issues faced by Kennedy family members, such as JFK's Addison's disease and various cancers, have known genetic components. Additionally, the intense stress and pressure of public life can contribute to health problems.

Media Influence and Cultural Narratives

The media has played a significant role in perpetuating the curse myth. Sensational stories and conspiracy theories have kept the narrative alive, often overshadowing rational explanations.

The Cultural Impact of the Kennedy Curse

In Literature and Popular Media

The Kennedy curse has inspired numerous books, documentaries, and fictionalized accounts, cementing its place in American cultural mythology. Notable examples include:

- Books exploring conspiracy theories around the Kennedy assassinations.
- Movies depicting the tragedies and mysteries surrounding the family.
- Documentaries analyzing the historical and cultural significance of the Kennedy legacy.

Influence on Public Perception and Family Legacy

The curse narrative has affected how the public perceives the Kennedy family, blending admiration with tragedy. It has also influenced the family's legacy, often overshadowing their achievements with stories of misfortune.

Conclusion: Myth, Reality, or Something Else?

The **curse on Kennedy family** remains a compelling story that captures the imagination of many. While the number of tragedies is undeniable, most experts agree that these incidents can be explained through a combination of genetics, chance, media sensationalism, and the pressures of public life. Whether viewed as a supernatural curse or a series of unfortunate events, the Kennedy family's story continues to evolve, serving as a reflection of both American history and the human fascination with myth and tragedy.

Ultimately, understanding the Kennedy curse involves recognizing the power of storytelling and the ways in which society interprets and romanticizes tragedy. The legacy of the Kennedy family endures, not just because of their accomplishments, but also due to the enduring myth of their cursed fate.

Frequently Asked Questions

What is the origin of the curse allegedly associated with the Kennedy family?

The supposed curse on the Kennedy family is believed to have originated from a combination of tragic events, including assassinations and deaths of family members, which some attribute to a supernatural curse dating back to the family's involvement in Irish and American history.

Have any members of the Kennedy family publicly addressed the supposed curse?

While some family members have acknowledged the series of tragedies, most have dismissed the idea of a curse, viewing it as superstition or media sensationalism rather than a real supernatural phenomenon.

What notable tragedies have fueled the belief in a Kennedy family curse?

Significant tragedies include President John F. Kennedy's assassination, Robert Kennedy's assassination, the death of John F. Kennedy Jr., and the deaths of other family members in accidents or health issues, which have contributed to the curse narrative.

Is there any historical or cultural basis for believing in curses like that of the Kennedy family?

Curses are a common theme in folklore and history, often used to explain repeated misfortunes. However, there is no scientific evidence supporting supernatural curses; the Kennedy tragedies are generally viewed as a series of unfortunate events.

How has the media influenced the perception of a Kennedy family curse?

Media coverage has often sensationalized the family's tragedies, framing them as part of a curse narrative, which has perpetuated public fascination and belief in supernatural explanations.

Are there any conspiracy theories related to the Kennedy family curse?

Yes, some conspiracy theories suggest that powerful groups or entities may have been involved in orchestrating or influencing the tragedies, though these claims lack credible evidence.

What impact has the idea of a curse had on the Kennedy family's legacy?

The curse narrative has added a layer of tragedy and mystique to the Kennedy family's legacy, influencing public perception and contributing to the family's mythos, while also overshadowing their political achievements.

Is the belief in the Kennedy family curse still prevalent today?

While some continue to believe in or discuss the curse, many see it as a myth. The family's tragedies are generally regarded as unfortunate but coincidental events rather than the result of a supernatural curse.

Additional Resources

Curse on Kennedy Family: An In-Depth Exploration of Myth, Reality, and Historical Perspectives

The Kennedy family, often dubbed as America's "Royal Family," has long been associated with glamour, political power, and tragedy. Over the decades, numerous misfortunes, deaths, and scandals have marred the Kennedy legacy, prompting widespread speculation about a supposed "curse" that haunts this influential clan. This review delves deep into the origins, instances, and theories surrounding the alleged curse on the Kennedy family, analyzing whether it is merely a series of unfortunate events or a genuine supernatural phenomenon.

Origins of the Kennedy Curse

Historical Background and Early Tragedies

The roots of the Kennedy curse are often traced back to the early 20th century when Joseph P. Kennedy Sr., the family patriarch, amassed significant wealth and political influence. However, it

wasn't until the mid-20th century that the family began experiencing a series of devastating tragedies that would cement their reputation for misfortune.

Key early tragedies include:

- The death of Joseph Kennedy's son, Joseph P. Kennedy Jr., in WWII during a bombing mission in 1944.
- The assassination of President John F. Kennedy in 1963.
- The assassination attempt on his brother Robert F. Kennedy in 1968, which ultimately led to Robert's death.

These tragic events, combined with other personal losses, set the stage for the popular belief of a family curse.

Media Amplification and Public Perception

The media played a significant role in propagating the idea of a curse:

- Sensational headlines linked Kennedy tragedies to supernatural causes.
- The family's high-profile nature made every misfortune more conspicuous.
- Public fascination with the "Kennedy curse" grew as tragedies seemed to multiply over the decades.

Major Tragedies and Incidents Associated with the Kennedy Family

1. The Deaths of Prominent Family Members

The list of Kennedy family members who have died prematurely or under tragic circumstances is extensive:

- Joseph P. Kennedy Jr. (1915-1944): Died during WWII, his plane was shot down over Europe.
- Kathleen "Kick" Kennedy (1920-1948): Died in a plane crash in France.
- John F. Kennedy (1917-1963): Assassinated in Dallas, Texas.
- Robert F. Kennedy (1925-1968): Shot and killed in Los Angeles during his presidential campaign.
- Edward M. Kennedy (1932-2009): Died from brain cancer, though not tragic in the same sense, his health decline was often linked to the curse narrative.
- Michael Kennedy (1958-1997): Died in a skiing accident.
- John F. Kennedy Jr. (1960-1999): Died in a plane crash along with his wife and sister-in-law.

2. Accidents and Health Issues

Many family members have faced serious health challenges or accidents:

- Ted Kennedy's 1964 car accident that resulted in a death.
- Multiple family members battling cancer, including Joseph P. Kennedy II.

- Several members involved in fatal or near-fatal accidents, often while traveling or engaging in risky activities.

3. Political and Public Scandals

While not tragedies in the traditional sense, scandals have tarnished the family's reputation:

- Chappaquiddick incident involving Ted Kennedy.
- Allegations of infidelity and corruption among various members.
- The media's focus often intertwines scandals with the idea of a curse.

Theories Behind the Kennedy Curse

Supernatural and Mythical Explanations

Many believe that the Kennedy curse is supernatural in origin:

- Ancient curses: Some suggest the family is cursed due to ancestral sins or misdeeds, though no concrete historical evidence supports this.
- Omen-based theories: Each tragedy is seen as an ominous sign of a supernatural curse affecting the family generations.

Psychological and Sociological Perspectives

Others argue that the perception of a curse is a product of:

- Confirmation bias: Once a pattern of tragedy emerges, subsequent misfortunes are seen as proof of a curse.
- Media sensationalism: The media amplifies the tragedies, leading the public to believe in supernatural causation.
- Family dynamics: High-profile family members often lead stressful lives, and their prominence makes their tragedies more visible.

Genetic and Environmental Factors

Some experts consider biological or environmental factors:

- Family history of health issues such as cancer.
- The stress of political life and public scrutiny.
- Engagement in risky activities or decisions that increase the likelihood of accidents.

Critical Analysis of the Kennedy Curse Narrative

Is There Evidence of a Curse?

Despite the numerous tragedies, there is no scientific evidence supporting the existence of a supernatural curse:

- Many tragedies are statistically explainable: war, accidents, illnesses.
- The idea of a curse often arises from the clustering of misfortunes within a particular family.

Coincidence or Pattern?

The clustering of tragedies can be explained through:

- Statistical probability: High-profile families with many members naturally experience some misfortunes.
- Media focus: The media's intense coverage amplifies perception.
- Public memory: Selective remembrance of tragedies reinforces the narrative.

Impact on the Family and Public Perception

The curse narrative has:

- Caused suffering and stigma for surviving family members.
- Influenced political and public opinion about the Kennedy legacy.
- Led to conspiracy theories about assassinations and cover-ups.

Notable Public and Cultural Reactions

Literature, Films, and Popular Culture

The Kennedy curse has been explored extensively in:

- Books such as "The Kennedy Curse" by Edward Klein.
- Documentaries and TV series examining tragedies.
- Films depicting the Kennedy family's tumultuous history.

Conspiracy Theories and Speculations

Beyond the accepted explanations, some conspiracy theories suggest:

- Political assassinations were orchestrated by unseen forces.
- The family's tragedies are part of a larger conspiracy involving government or secret societies.

Family's Response and Perspective

Members of the Kennedy family have often dismissed the curse:

- Many attribute their misfortunes to coincidence or personal choices.
- Some have expressed frustration over being labeled victims of a curse.

Conclusion: Myth, Reality, or Both?

The narrative of a curse on the Kennedy family is a compelling mixture of myth, tragedy, and media storytelling. While the family has endured an extraordinary number of tragedies, these events can largely be explained through natural causes, coincidence, and the intense scrutiny they have faced over generations. The idea of a supernatural curse persists largely because of the human tendency to find patterns in tragedy and the allure of conspiracy theories.

Ultimately, whether viewed as a supernatural curse or a series of unfortunate events, the Kennedy family's story serves as a poignant reminder of the fragility of life, the power of media, and the complex interplay between perception and reality. Their legacy continues to evoke both admiration and sorrow, cementing their place in American history and cultural mythology.

In summary, the "curse" on the Kennedy family is more a reflection of their high-profile existence and the human propensity for pattern recognition than an actual supernatural phenomenon. It remains a fascinating topic that combines history, psychology, media influence, and cultural mythology—an enduring story of tragedy and resilience.

Curse On Kennedy Family

curse on kennedy family: *The Kennedy Curse* Edward Klein, 2025-09-23 Death was merciful to Jacqueline Kennedy Onassis, for it spared her a parent's worst nightmare: the loss of a child. But if Jackie had lived to see her son, JFK Jr., perish in a plane crash on his way to his cousin's wedding, she would have been doubly horrified by the familiar pattern in the tragedy. Once again, on a day that should have been full of joy and celebration, America's first family was struck by the Kennedy Curse. In this probing expose, renowned Kennedy biographer Edward Klein--a bestselling author and journalist personally acquainted with many members of the Kennedy family--unravels one of the great mysteries of our time and explains why the Kennedys have been subjected to such a mind-boggling chain of calamities. Drawing upon scores of interviews with people who have never spoken out before, troves of private documents, archives in Ireland and America, and private conversations with Jackie, Klein explores the underlying pattern that governs the Kennedy Curse. The reader is treated to penetrating portraits of the Irish immigrant Patrick Kennedy; Rose Kennedy's father, Honey Fitz; the dynasty's founding father Joe Kennedy and his ill-fated daughter Kathleen, President Kennedy, accused rapist William Kennedy Smith, and the star-crossed lovers, JFK Jr. and Carolyn Bessette. Each of the seven profiles demonstrates the basic premise of this book: The Kennedy Curse is the result of the destructive collision between the Kennedy's fantasy of

omnipotence-an unrelenting desire to get away with things that others cannot-and the cold, hard realities of life.

curse on kennedy family: The Kennedy Curse Edward Klein, 2003 The Kennedy curse: why America's First Family has been haunted by tragedy for 150 years/Edward Klein-1st. ed.

curse on kennedy family: The Kennedy Curse Edward Klein, 2004 In this probing expose Edward Klein unravels one of the great mysteries of our time, and explains why the Kennedys have been subjected to the chain of many calamities, The Kennedy Curse is an attempt to to de-mystify the family

curse on kennedy family: The Kennedy Curse Les Williams, 2016 The Kennedys rose from the slums of Boston to become one of the wealthiest and most powerful families in the United States, but their journey had not been an easy one. Of Joe Kennedy's nine children, two were killed in plane crashes, two were assassinated in public office, one was institutionalised and one had his political career ruined by an accident that resulted in the death of a young campaign worker. These and other tragedies have given rise to the legend of the Kennedy Curse, but this book aims to show that there was no curse at all. We look at each of these events in some detail and in context with one another and we see that they follow the simple rule of cause and effect. Most of the tragedies that have befallen the Kennedy family were borne out of Joseph Kennedy's obsessive desire for wealth and political power. He drove his children hard and many achieved great things, but they made a lot of dangerous enemies along the way. The Kennedys were raised to believe that they were better than anyone else and that the normal rules of life did not apply to them. They were ruthlessly ambitious and would stop at nothing to get what they wanted and they pursued Joe Kennedy's dream with the passion of a crusade. But there would be a heavy price to pay and old Joe could only look on as one after another of his precious children were either taken from him or ruined. He witnessed almost all of these tragic events as they unfolded and as he saw the pain and misery the family had endured, he must have wondered if it had all been worthwhile.

curse on kennedy family: The Kennedy Curse Edward Klein, 2005-10 Explains why the Kennedy's have been subjected to such a mind-boggling chain of calamities. Explores the underlying pattern that governs the Kennedy Curse. Offers penetrating portraits of the Irish immigrant Patrick Kennedy; Rose Kennedy's father; the dynasty's founding father, Joe Kennedy, & his ill-fated daughter Kathleen; Pres. Kennedy; accused rapist William Kennedy Smith; & the star-crossed lovers, JFK Jr. & Carolyn Bessette. Each of the 7 profiles demonstrates the basic premise of this book: the Kennedy Curse is the result of the destructive collision between the Kennedys' fantasy of omnipotence -- a desire to get away with things that others cannot -- & the cold, hard realities of life. Black & white photos.

curse on kennedy family: The Kennedy Family S. J. Fuller, 2007 America has no official royalty by design. Yet there have been the Roosevelts, the Adams, the Bushes, the wannabe Clintons and most intriguing of all -- the Kennedys. The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert, and the trials and tribulations of the family members and society in general continue to fascinate the world. This new book presents more than 1200 citations of books and related materials arranged by family member. The accompanying CD-ROM offers ready access and easy searching.

curse on kennedy family: The Ultimate Book of Top Ten Lists Jami Frater, 2009-11-03 A collection of obscure facts, impressive achievements, despicable crimes, bizarre records, unforgettable films and more from the authors of listverse.com. Discover bizarre facts, amazing trivia, astonishing mysteries, natural wonders, little-known people, useful tips and much more in this mammoth bathroom reader. From crime, movies and music to science, history and literature, this book offers an incredible array of intriguing top-ten lists, including: • Urban Legends—Debunked • Influential People Who Never Lived • Ancient Methods of Execution • Poisonous Foods We Love to Eat • Inventions of the Middle Ages • Gruesome Fairytale Origins • Secret Societies • Amazing Film Swordfights • Bizarre Animal Mating Rituals • Misconceptions About Evolution • Tips for Frugal Living • Fascinating Graveyards You Must See

curse on kennedy family: Real-Life X-Files Joe Nickell, 2001-10-24 “Excellent background research . . . on-site investigations of mysteries ranging from crop circles and lake monsters to spiritualist mediums and stigmata.” —Booklist As a former private investigator and forensic writer, Joe Nickell has spent much of his career identifying forged documents, working undercover to infiltrate theft rings, and investigating questioned deaths. Now he turns his considerable investigative skill toward the paranormal, researching the most well-known and mysterious phenomena all over the world—spontaneous human combustion, UFO visitations, auras, electronic poltergeists, and many, many more—with an eye toward solving these mysteries rather than promoting or dismissing them. *Real-Life X-Files: Investigating the Paranormal* examines the cases of over forty paranormal mysteries. Using a hands-on approach, Nickell visits the scene of the so-called unexplainable activity whenever possible and attempts to physically duplicate the miraculous. Whether he’s inflicting stigmata on himself or recreating the liquefying blood of Saint Januarius, Nickell does whatever necessary to eliminate the probable before considering the supernatural. What is left is that much more fascinating. Nickell reports on familiar legends from American history such as the supernatural events surrounding Abraham Lincoln’s death and the supposed crash landing of an alien spacecraft near Roswell, New Mexico. He closely examines claims of the miraculous, from rose petals bearing the likeness of Jesus to photographs of a “golden door” to heaven. Controversial mysteries such as clairvoyance and “spirit painting,” haunted places, and

freaks of nature are just a few of the many topics covered. Suspenseful, engrossing, funny, and grounded in scientific methodology, Real-Life X-Files provides real explanations for the “paranormal” activities that have intrigued human beings for centuries.

curse on kennedy family: Ancient Curses Amelia Khatri, AI, 2025-02-26 Ancient Curses explores the historical prevalence of curses across cultures, examining cursed objects, places, and figures. It delves into historical accounts, folklore, and mythology to understand how societies have perceived and feared malevolent forces throughout time. The book argues that beliefs in curses, though often seen as superstition, reflect a society's values, fears, and worldview. For example, the Hope Diamond's history is intertwined with tales of misfortune, illustrating the perceived power of cursed objects. The book progresses by categorizing curses, starting with cursed objects and moving to cursed places like battlefields associated with tragic events and then examining cursed figures such as the Kennedys. It connects these beliefs to fields like folklore studies and anthropology, providing a comprehensive view of how curses have shaped cultural history and belief. The approach contextualizes these beliefs within broader historical narratives, making it accessible to readers interested in history, mythology, and the supernatural.

curse on kennedy family: The End Of Earth Philip N. Moore, 2024-11-01 In this eye-opening exploration, discover how Moses' ancient prophecies on Israel, the coming of Jesus, and the End Times have striking connections to modern-day events. Delve into how these timeless predictions align with the unexpected rise of Donald Trump, Nostradamus' cryptic visions, and the eerie legacy of the Kennedy curse. With meticulous research, this book unravels a complex web of prophetic clues, leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved. Prepare to be astonished as you uncover the undeniable threads that tie together history's greatest mysteries with prophetic foresight. Is it coincidence, or is there a higher plan at work?

In When Ghosts Speak, Mary Ann will tell the amazing story of growing up with this gift, and will share tips on how to recognize when you're not alone, and what to do if you are in the presence of a ghost.

curse on kennedy family: The Cult of Camelot Pasquale De Marco, 2025-07-20 The Kennedy family is one of the most famous and powerful families in American history. But behind the carefully crafted public image of a political dynasty, there lies a darker truth. This book tells the real story of

the Kennedys, a story of power, wealth, and privilege, but also of corruption, scandal, and tragedy. From Joseph P. Kennedy Sr. to John F. Kennedy Jr., the Kennedys have left an indelible mark on the United States. But their legacy is a complicated one, and it is important to look beyond the myth of Camelot to understand the true impact of the Kennedy family on American politics and culture. This book examines the myth of Camelot, the media's role in creating and perpetuating it, and the truth about the Kennedy presidency. It also delves into the dark side of Jack Kennedy, his womanizing, his connections to organized crime, and his involvement in the Bay of Pigs invasion and the Cuban Missile Crisis. The book also explores Bobby Kennedy's quest for power, his ambitions for the presidency, and his tragic assassination. It examines Teddy Kennedy's long tenure in the Senate, his failed presidential bid, and his personal scandals. And it investigates the Kennedy curse, the tragic deaths of Kennedy family members that have plagued the family for generations. This book is a must-read for anyone who wants to understand the true story of the Kennedy family, a story that is both fascinating and cautionary. It is a story of power, wealth, and privilege, but also of corruption, scandal, and tragedy. It is a story that will stay with you long after you finish reading it. If you like this book, write a review!

curse on kennedy family: The Man Who Killed Kennedy Roger Stone, 2014-09-02 We appreciate Roger Stone, he is one tough cookie. - President Trump The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated. The Man Who Killed Kennedy: The Case Against LBJ hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President Kennedy on November 22, 1963. In The Man Who Killed Kennedy, you will find out how and why he did it. Legendary political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
