

king david richard gere

king david richard gere is a phrase that captures a fascinating intersection of historical reverence and contemporary celebrity culture. While at first glance, the pairing might seem unconventional—combining the ancient biblical king with the modern Hollywood star—there's a compelling narrative that connects the two through themes of leadership, charisma, and cultural influence. Richard Gere, an acclaimed American actor known for his roles in romantic dramas and socially conscious films, has carved out a significant place in modern cinema. Meanwhile, King David, a biblical figure revered as a monarch, poet, and spiritual leader, continues to symbolize leadership and moral integrity across centuries and cultures. This article explores the intriguing connections, the life and legacy of Richard Gere, and how the image of King David might metaphorically resonate in Gere's career and persona.

Who Is Richard Gere?

Early Life and Career

Richard Gere was born on August 31, 1949, in Philadelphia, Pennsylvania. From a young age, Gere showed an interest in acting and performing arts, eventually studying drama at the University of Massachusetts and later at the Juilliard School in New York City. His early career saw him working in theater before transitioning to film and television.

Throughout the 1970s and 1980s, Gere built a reputation as a versatile actor, appearing in a range of films from dramas to comedies. However, it was his role in "American Gigolo" (1980) that propelled him into stardom, establishing him as a leading man in Hollywood.

Notable Films and Achievements

Richard Gere's filmography is marked by critically acclaimed performances and box office successes. Some of his most notable films include:

- An Officer and a Gentleman (1982)
- Pretty Woman (1990)
- Primal Fear (1996)
- Chicago (2002)
- The Jackal (1997)
- Unfaithful (2002)

Gere's acting has often been praised for its depth and sincerity, and he has received numerous awards, including a Golden Globe and nominations for

Academy Awards. Beyond his acting, Gere is also recognized for his advocacy work, particularly on issues related to human rights, Tibet, and social justice.

The Legacy of King David: A Biblical Overview

Historical and Religious Significance

King David is one of the most prominent figures in the Hebrew Bible, revered as the second king of Israel and an ancestor of Jesus Christ in Christian tradition. His story is detailed primarily in the books of Samuel, Kings, and Chronicles.

David's life is characterized by:

- His humble beginnings as a shepherd boy
- His legendary victory over Goliath
- His reign as king, marked by military expansion and political consolidation
- His poetic and musical talents, attributed to many Psalms
- His moral complexities, including episodes of sin and repentance

The figure of King David embodies leadership, faith, resilience, and artistic inspiration, making him a revered archetype across multiple faiths and cultures.

Symbolism and Cultural Impact

King David's legacy influences various aspects of culture:

- Religious rituals and teachings
- Artistic representations in paintings, music, and literature
- Political symbolism, representing righteous leadership
- Literary themes of redemption and moral struggle

He is often depicted with a harp, symbolizing his role as a psalmist, and his story is invoked as a model for both divine kingship and human fallibility.

Drawing Parallels: King David and Richard Gere

Leadership and Charisma

Both King David and Richard Gere exemplify qualities of leadership and charisma that inspire admiration. David's leadership was characterized by humility, faith, and strategic acumen, which allowed him to unify Israel and foster a sense of national identity. Gere, on the other hand, has led through his roles in film and his advocacy, using his platform to influence public opinion and champion social causes.

Gere's ability to portray complex characters with moral depth echoes the multifaceted nature of King David, who was both a warrior and a poet, a flawed human and a spiritual icon.

Artistic and Cultural Influence

While King David's influence is rooted in religious and literary traditions, Gere's impact lies in popular culture and social activism. Both figures have used their talents and influence to shape societal values:

- David through his psalms and stories in religious texts
- Gere through his performances and humanitarian work

Their legacies serve as examples of how leadership can transcend personal ambition to serve higher ideals.

Controversies and Moral Complexity

Neither figure is without controversy. King David's life included morally complex episodes, such as his affair with Bathsheba. Similarly, Gere has faced scrutiny and controversy related to his activism and personal life. Both stories highlight themes of redemption, moral growth, and the ongoing struggle to live up to aspirational ideals.

Richard Gere's Humanitarian Work and Social Advocacy

Advocacy for Tibet

Richard Gere is a prominent supporter of Tibetan independence and human rights. His advocacy has included:

- Public appearances and speeches supporting the Tibetan cause
- Working with organizations like the International Campaign for Tibet
- Using his fame to bring international attention to issues of cultural suppression and autonomy

His activism mirrors the moral leadership attributed to biblical figures like David, who fought for his people and moral righteousness.

Other Causes and Initiatives

Beyond Tibet, Gere has been involved in:

- HIV/AIDS awareness and prevention
- Environmental activism
- Promoting peace and social justice initiatives

His commitment to these causes demonstrates a leadership style rooted in moral conviction and compassion, akin to the spiritual leadership associated with King David.

Conclusion: The Enduring Legacy of Leadership and Inspiration

The phrase "king david richard gere" may initially seem like an unusual combination, but it encapsulates a broader narrative about leadership, influence, and moral integrity across different eras. King David remains an archetype of faith, artistry, and moral complexity, inspiring countless generations. Richard Gere, through his acting and activism, embodies similar qualities—using his platform to advocate for justice, inspire audiences, and lead by example.

Both figures remind us that leadership goes beyond titles and fame; it involves moral courage, artistic expression, and a commitment to higher ideals. Whether in the biblical age or modern Hollywood, the legacy of figures like King David and Richard Gere continues to influence and inspire, illustrating that true leadership is timeless and universal.

Meta Description: Explore the intriguing connection between King David and Richard Gere, highlighting leadership, artistry, and moral influence across history and modern culture.

Frequently Asked Questions

Who is King David Richard Gere?

There is no public figure or widely recognized individual named King David Richard Gere. It appears to be a mix of the biblical King David and the actor

Richard Gere, but no known person combines these names.

Is Richard Gere related to King David historically or biblically?

No, Richard Gere is a modern American actor with no historical or biblical connection to King David, who was a biblical figure and king of ancient Israel.

Has Richard Gere played a role related to King David in any film?

As of now, Richard Gere has not portrayed King David in any film or theatrical production.

Are there any upcoming projects involving Richard Gere that reference King David?

There are no publicly announced projects involving Richard Gere that specifically focus on King David.

Why do people often confuse Richard Gere with biblical kings?

The confusion may stem from the similarity in the names 'Gere' and 'Gad,' or from misconceptions, but Richard Gere is a modern actor unrelated to biblical figures.

What is the significance of King David in history and culture?

King David is a central figure in Jewish, Christian, and Islamic traditions, known for uniting Israel, establishing Jerusalem as its capital, and being an ancestor of Jesus Christ in Christian tradition.

King David Richard Gere: An In-Depth Expert Review of a Hollywood Legend

Introduction

When examining the pantheon of Hollywood icons, few names evoke the same blend of charm, talent, and cultural influence as Richard Gere. Known for his captivating performances, charismatic presence, and advocacy work, Gere has

established himself as a multifaceted figure whose career spans decades. In this comprehensive review, we explore the life, career milestones, acting style, philanthropic efforts, and enduring legacy of Richard Gere, often affectionately dubbed the "King" of Hollywood for his regal aura both on and off-screen.

Early Life and Background

Origins and Upbringing

Richard Gere was born on August 31, 1949, in Philadelphia, Pennsylvania, into a well-educated family. His father, Homer Gere, was an insurance agent, and his mother, Doris Ann, was a homemaker. Growing up in a nurturing environment, Gere's early years were marked by academic pursuits and a burgeoning interest in the arts.

Educational Foundations

Gere's educational journey led him to the University of Massachusetts Amherst, where he studied philosophy. This academic background provided him with a philosophical lens that would later influence his choice of film roles and his approach to acting. His initial interests were diverse, ranging from sports to literature, but the arts ultimately captured his imagination.

Career Trajectory: From Theater to Hollywood Stardom

The Beginnings in Theater and Modeling

Richard Gere's entry into the entertainment industry was gradual. He initially pursued theater, performing in off-Broadway productions and gaining experience that honed his craft. During this period, he also worked as a model, which helped him develop a commanding presence that would serve him well in film.

Breakthrough Roles and Hollywood Debut

Gere's big break came with his role in the 1970s television series "Report to Murphy", but it was his transition to film that cemented his status:

- "Looking for Mr. Goodbar" (1977): Gere's film debut showcased his potential as a serious actor.
- "American Gigolo" (1980): A pivotal role that established him as a leading man and sex symbol. His portrayal of Julian Kaye earned critical acclaim and a Golden Globe nomination.

Peak Career: Iconic Films and Critical Acclaim

The 1980s and 1990s marked Gere's golden years, with a string of successful films that showcased his versatility:

- "An Officer and a Gentleman" (1982): Gere's portrayal of Zack Mayo became iconic, blending charm with vulnerability.
- "Pretty Woman" (1990): Perhaps his most commercially successful film, this romantic comedy cemented Gere's status as a Hollywood A-lister.
- "Primal Fear" (1996): Demonstrating his range, Gere delivered a compelling performance in this psychological thriller.

Recent Work and Continued Relevance

While Gere's mainstream popularity waned slightly in the 2000s, he remained active, choosing roles that reflect his evolving interests:

- "The Jackal" (1997): An action-packed thriller showcasing his adaptability.
- "The Second Best Exotic Marigold Hotel" (2015): A charming role that appealed to a global audience.
- "Norman: The Moderate Rise and Tragic Fall of a New York Fixer" (2016): A critically acclaimed performance highlighting his depth as an actor.

Acting Style and Artistic Approach

The Charismatic Presence

Richard Gere is renowned for his magnetic screen presence. His ability to combine subtle facial expressions with nuanced body language makes his performances compelling and authentic. His charm is not superficial; it is rooted in a genuine sense of vulnerability and sincerity.

Method and Technique

Gere's acting style can be characterized as a blend of method acting and improvisation. He often immerses himself deeply into his characters, drawing from personal experiences and emotional memories. His background in theater has contributed to his precise timing and emotional delivery.

Notable Traits

- Expressive Eyes: Gere's expressive eyes communicate volumes, often conveying complex emotions without words.
- Versatility: From romantic leads to intense dramatic roles, Gere adapts seamlessly.
- Chemistry: His on-screen chemistry, especially with co-stars like Julia Roberts, is a hallmark of his performances.

Philanthropy and Advocacy

Humanitarian Efforts

Beyond his acting career, Richard Gere is known for his extensive humanitarian work, particularly in the following areas:

- Human Rights: Gere has been a vocal advocate for Tibetan independence and has worked closely with Tibetan spiritual leader the Dalai Lama.
- HIV/AIDS Awareness: He has supported initiatives aimed at combating HIV/AIDS stigma and providing medical care.
- Environmental Causes: Gere supports sustainable development and environmental conservation efforts.

Notable Campaigns and Organizations

- The Tibet House US: Gere is a founding member and has served as the president of this organization dedicated to preserving Tibetan culture.
- The International Campaign for Tibet: A leading advocacy organization that Gere actively supports.
- Film Festivals and Benefit Events: Gere frequently participates in charity screenings and fundraisers.

Impact and Public Perception

Gere's activism has sometimes been controversial but largely respected for its sincerity. His work has elevated awareness about issues often overlooked in mainstream media.

Personal Life and Public Image

Relationships and Family

Richard Gere has had a high-profile personal life, including relationships with supermodels and actresses. He is known for his privacy and dedication to his family.

Lifestyle and Values

Gere is often described as a spiritual individual, influenced by Buddhism and Eastern philosophy. He practices meditation regularly and approaches life with mindfulness and compassion.

Public Perception

Throughout his career, Gere has maintained a reputation as a gentleman, both professionally and personally. His dedication to craft, advocacy, and integrity has earned him admiration from fans and critics alike.

Legacy and Influence

Cultural Impact

Richard Gere's influence extends beyond his filmography. He became a symbol of charisma and activism, inspiring future generations of actors and humanitarians.

Awards and Honors

His accolades include:

- Golden Globe Award for "Chicago" (2002)
- Honorary awards recognizing his contributions to film and humanitarian efforts
- Recognition from various human rights organizations

Enduring Fame

Gere's timeless appeal continues as he takes on select roles that resonate with audiences worldwide. His commitment to social causes has also kept him relevant in contemporary discourse.

Conclusion

Richard Gere stands as a quintessential example of an actor who combines talent, charm, and purpose. From his early days in theater to his iconic Hollywood roles and impactful activism, Gere exemplifies a holistic approach to success. His career reflects a commitment to authenticity, artistry, and advocacy, making him not just a "king" in the realm of entertainment but also a true leader in humanitarian efforts. As Hollywood evolves, Gere's legacy endures as a testament to the power of integrity, talent, and compassion in shaping a lasting cultural imprint.

[King David Richard Gere](#)

king david richard gere: King David Steven L. McKenzie, 2000-04-27 One of the most important and complex characters in the Bible, King David has been the subject of innumerable portraits, both artistic and literary. Michaelangelo's magnificent sculpture of him is perhaps the single best known work of art in the world, and the story of the humble shepherd who slew Goliath and became king has assumed a powerful mythological status. But was David a real person--and if so what kind of person was he? Through a close and critical reading of biblical texts, ancient history, and recent archeological discoveries, Steven L. McKenzie concludes that David was indeed a real person. This David, however, was no hero but a usurper, adulterer, and murderer--a Middle Eastern despot of a familiar type. McKenzie shows that the story of humble beginnings is utterly misleading: shepherd is a metaphor for king, and David came from a wealthy, upper-class background. Similarly,

McKenzie reveals how David's ascent to power, traditionally attributed to popularity and divine blessing, in fact resulted from a campaign of terror and assassination. While instituting a full-blown Middle Eastern monarchy, David was an aggressive leader, a devious politician, and a ruthless war chief. Throughout his scandalous reign, important figures who stood in his way died at convenient times, under questionable circumstances. Even his own sons were not spared. David's story, writes McKenzie, reads like a modern soap opera, with plenty of sex, violence, and struggles for power. Carefully researched and vividly written, *King David: An Unauthorized Biography* offers a provocative reappraisal of the life of one of the Bible's most compelling figures.

king david richard gere: *The Fate of King David* Tod Linafelt, Timothy Beal, Claudia V. Camp, 2010-07-01 Celebrating the five hundredth volume, this *Festschrift* honors David M. Gunn, one of the founders of the *Journal of Old Testament Studies*, later the *Library of Hebrew Bible/Old Testament Studies*, and offers essays representing cutting-edge interpretations of the David material in the Hebrew Bible and later literary and popular culture. Essays in Part One, *Relating to David*, present David in relationship to other characters in Samuel. These essays demonstrate the value of close reading, analysis of literary structure, and creative, disciplined readerly imagination in interpreting biblical texts in general and understanding the character of David in particular. Part Two, *Reading David*, expands the narrative horizon. These essays analyze the use of the David character in larger biblical narrative contexts. David is understood as a literary icon that communicates and disrupts meaning in different ways in different context. More complex modes of interpretation enter in, including theories of metaphor, memory and history, psychoanalysis, and post-colonialism. Part Three, *Singing David*, shifts the focus to the portrayal of David as singer and psalmist, interweaving in mutually informative ways both with visual evidence from the ancient Near East depicting court musicians and with the titles and language of the biblical psalms. Part Four, *Receiving David*, highlights moments in the long history of interpretation of the king in popular culture, including poetry, visual art, theatre, and children's literature. Finally, the essays in Part Five, *Re-locating David*, represent some of the intellectually and ethically vital interpretative work going on in contexts outside the U.S. and Europe.

king david richard gere: Epic Films Gary Allen Smith, 2015-09-03 Epic films, those concerned with monumental events and larger-than-life characters, cover the period from the Creation to the A.D. 1200s and have been churned out by Hollywood and overseas studios since the dawn of filmmaking. Cecil B. DeMille, a master of the genre, hit upon the perfect mixture of sex, splendor, and the sacred to lure audiences to his epic productions. The 355 film entries include casts and credits, plot synopsis, and narratives on the making of the films. There are 190 photographs in this edition.

king david richard gere: Thirty Days With King David Larry Buxton, 2020-09-15 In turbulent times, King David united a nation—and his hard-earned wisdom can bring us together today. This new *30 Days With* book offers a month of readings plus ideas for small-group discussion. David ranks among the world's greatest heroes for defeating Goliath and best-selling authors for writing Psalms. He is honored by Jews, Christians and Muslims. In this book, pastor, educator and leadership coach Larry Buxton shows us how David embodies 14 crucial values shared by effective leaders to this day. Just as the first volume in this series invites readers to spend 30 Days With Abraham Lincoln, one of the greatest unifying figures in American history, Buxton's book is a call for all of us to remember values that unite us. Buxton dedicates "this book to everyone who believes that the character of any leader is of critical importance to our nation, our institutions, our congregations and our homes; and to all those who seek to let God shape their character as more virtuous human beings, that their influence may spread to heal our world." Answering that call in the opening pages are two nationally known political leaders—one a Democrat and one a Republican, who came together in these pages to urge all of us to read these 30 short stories drawn from David's often tragically learned lessons about life. In his Foreword, U.S. Sen. Tim Kaine writes: "From the blockbuster arc of David's life, Larry Buxton assembles 30 short chapters on key leadership traits—patience, vision, humility, integrity, openness, tenderness, forgiveness, courage,

gratitude, self-control, surrender, perseverance, calmness, justice. Buxton helps us see how David either exhibited these values or catastrophically failed to achieve them. The chapters are probing and conversational—with references from the worlds of literature, sports, politics and entertainment to illustrate how to apply these lessons to our everyday challenges.” In his Preface, Andrew H. Card, who served in Washington D.C. during two Bush administrations, writes: “No matter what your faith or tradition of worship—and, no matter your role in business, management, philanthropy, sports, politics, government or family—you will find the adventures in these 30 daily readings extremely relevant and highly motivating. We need to meet David again through Larry Buxton’s wise retelling of these stories—so that we all can lift up the best values in leadership in our institutions, our nation and our world.”

king david richard gere: New York Magazine , 1985-04-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine’s consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

king david richard gere: 100 Bible Films Matthew Page, 2022-05-19 Choice Outstanding Academic Title 2023 From The Passion of the Christ to Life of Brian, and from The Ten Commandments to Last Temptation of Christ, filmmakers have been adapting the stories of the Bible for over 120 years, from the first time the Hřřrtz Passion Play was filmed in the Czech Republic back in 1897. Ever since, these stories have inspired musicals, comedies, sci-fi, surrealist visions and the avant-garde not to mention spawning their own genre, the biblical epic. Filmmakers across six continents and from all kinds of religious perspectives (or none at all), have adapted the greatest stories ever told, delighting some and infuriating others. 100 Bible Films is the indispensable guide to this wide and varied output, providing an authoritative but accessible history of biblical adaptations through one hundred of the most interesting and significant biblical films. Richly illustrated with film stills, this book depicts how such films have undertaken a complex negotiation between art, commerce, entertainment and religion. Matthew Page traces the screen history of the biblical stories from the very earliest silent passion plays, via the golden ages of the biblical epic, through to more innovative and controversial later films as well as covering significant TV adaptations. He discusses films made not only by some of our greatest filmmakers, artists such as Martin Scorsese, Jean Luc Godard, Alice Guy, Roberto Rossellini, Pier Paolo Pasolini, Lotte Reiniger, Carl Dreyer and Luis Buñuel, but also those looking to explore their faith or share it with lovers of cinema the world over.

king david richard gere: The Films of the Eighties Robert A. Nowlan, 1991-01-01 The 1980s had more than its share of both emerging stars and final tributes paid to luminaries, as well as smash hits and bombs, memorable and boring performances, and new trends and tried-and-true formula offerings. The Film of the Eighties includes numerous examples of all of these. Each entry has the year of release, production company, country of origin (U.S., U.K., Australian, Canadian), leading performers and the characters they portrayed, and comprehensive credits. A brief description, review, and evaluation of the film’s cinematic values (if any) are also provided.

king david richard gere: The Bible: a history Stephen M Miller, Robert V Huber, 2015-05-15 The Bible has had a profound influence on the diverse cultures of Europe and the British Isles, the Americas, Australia and Africa, and has even left an imprint on Asia. It is a book that has inspired the whole range of human emotion and experience, including some of the finest art and literature. And even in this current age, which often considers itself secular and post-Christian, the Bible remains the biggest seller of all books. This engaging and colourful book explores the life, development and impact of the Bible, from Old Testament times through to the 21st century.

king david richard gere: The Bible in Motion Rhonda Burnette-Bletsch, 2016-09-12 This two-part volume contains a comprehensive collection of original studies by well-known scholars focusing on the Bible’s wide-ranging reception in world cinema. It is organized into sections

examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament; considering issues of biblical reception across a wide array of film genres, ranging from noir to anime; featuring directors, from Lee Chang-dong to the Coen brothers, whose body of work reveals an enduring fascination with biblical texts and motifs; and offering topical essays on cinema's treatment of selected biblical themes (e.g., lament, apocalyptic), particular interpretive lenses (e.g., feminist interpretation, queer theory), and windows into biblical reception in a variety of world cinemas (e.g., Indian, Israeli, and Third Cinema). This handbook is intended for scholars of the Bible, religion, and film as well as for a wider general audience.

king david richard gere: Encyclopedia of the Literature of Empire Mary Ellen Snodgrass, 2010 Examines the world's greatest literature about empires and imperialism, including more than 200 entries on writers, classic works, themes, and concepts.

king david richard gere: History vs Hollywood M J Trow, 2024-05-30 Film studios have been making historical movies now for over a century. In that time, thousands of films have been made covering not just centuries but millennia. Did Neanderthal woman really look like Raquel Welch in her bearskin bikini? Did 6,000 rebellious slaves claim that they were Spartacus? Did Berengaria complain to her husband, Richard the Lionheart, 'War, war; that's all you think about, Dick Plantagenet'? Was El Cid strapped to his horse's saddle to lead his army after he was dead? These aren't questions of history; they are questions of Hollywood. Charlton Heston was a foot too tall for General Charles Gordon. John Wayne was a tad too American for Genghis Khan. Eric von Stroheim's bald head was an odd choice for the perfectly hirsute Erwin Rommel. And Warren Beatty and Fay Dunaway were far too gorgeous for bank robbers Bonnie and Clyde. Hollywood never gets it right. History and its characters are endlessly complicated, and producers, directors and screenwriters have a simple story to tell. They have a maximum of two hours to explain what happened over weeks or months or years and many of it give it their best shot. Yet for all Hollywood's shortcomings in recreating the past, it has managed to evoke eras and people long dead in a magical way that has kept millions of us enthralled for generations.

king david richard gere: *Jesus Died for All Spiders* Johnny D., 2022-04-13 *Jesus Died for All Spiders: A Memoir of Faith, Excess, Weirdness, and Redemption* By: Johnny D. Drawing on Beat poetry and surrealism to create a visceral and emotional experience, Johnny D. shares his memoirs reconciling his spirituality and sexuality.

king david richard gere: Sacred Contracts Caroline Myss, 2013-09-04 Caroline Myss, author of the New York Times bestsellers *Anatomy of the Spirit* and *Why People Don't Heal and How They Can*, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, *Sacred Contracts* is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don't understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your

Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, Sacred Contracts is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.

king david richard gere: *The Bible in Asian America* Tat-siong Benny Liew, 2023-04-26 In this issue of the journal *Semeia*, readers will find essays less concerned with what the Bible says about Asian American lives than by how Asian Americans read biblical texts. Pulling together Asian American historians, rhetoricians, sociologists, biblical scholars, and theologians, the collection questions assumed understandings and challenges accepted practices of established disciplines in ways that are both transgressive and transformative. Essays in the first section deal with the Bible's role in constructing Asian American identity. The second section delves into how the Bible is read and interpreted in Asian American literature and churches. The third section includes a response. Contributors include Antony W. Alumkal, Rachel A. R. Bundang, Patrick S. Cheng, Peter Yuichi Clark, Eleazar S. Fernandez, Mary F. Foskett, Jane Naomi Iwamura, Russell M. Jeung, Eunjoo Mary Kim, Jung Ha Kim, Uriah (Yong-Hwan) Kim, Tat-siong Benny Liew, Leng Leroy Lim, Fumitaka Matsuoka, Russell G. Moy, Henry W. Rietz, Roy I. Sano, and Timothy Tseng.

king david richard gere: *Guide to Jewish Films on Video* Larry Anklewicz, 2000 A compendium of information on over 400 feature length films of Jewish interest available on video

king david richard gere: *Bad Girls of the Bible* Liz Curtis Higgs, 2004-01-20 Ten of the Bible's best-known femmes fatales parade across the pages of this popular and unforgettable study with situations that sound oh-so-familiar. Women everywhere marvel at those "good girls" in Scripture—Sarah, Mary, Esther—but on most days, that's not who they see when they look in the mirror. Most women (if they're honest) see the selfishness of Sapphira or the deception of Delilah. They catch a glimpse of Jezebel's take-charge pride or Eve's disastrous disobedience. Like Bathsheba, Herodias, and the rest, today's modern woman is surrounded by temptations, exhausted by the demands of daily living, and burdened by her own desires. So what's a good girl to do? Learn from their lives, says beloved Bible study teacher and speaker Liz Curtis Higgs, and choose a better path. Whether they were "Bad to the Bone," "Bad for a Season, but Not Forever" or only "Bad for a Moment," these infamous sisters show women how not to handle the challenges of life. With her trademark humor and encouragement, Higgs combines a contemporary retelling of the stories of these "other women" in Scripture with a solid, verse-by-verse study to teach us how to avoid their tragic mistakes and joyfully embrace grace. Let these Bad Girls show you why studying the Bible has never been more fun! Includes Discussion Questions and Study Guide

king david richard gere: *Christ Walk Crushed* Anna Fitch Courie, David W. Peters, 2019-04-17 Applies the popular Christ Walk approach as a path to reconciliation and healing "Walk it off," that much-used advice of coaches, turns out to work in the spiritual realm, too. Take a walk with Anna and David as they explore reconciliation and healing using the best-selling framework found in *Christ Walk: A 40 Day Spiritual Fitness Program*. Through their own experiences with moral injury, illness, and trauma, the authors have found that sometimes the best way to deal with stressful experiences is by moving their feet. Over the course of forty days, readers will experience God in each stage of the healing process in tandem with a biblically inspired journey.

king david richard gere: *Hollywood's Ancient Worlds* Jeffrey Richards, 2008-07-01 Jeffrey Richards examines the cultural, social, economic and technological circumstances that dictated the rise and decline of each successive cycle of Ancient World epics, from the silent film era, to the golden age of the 1950s, right up to the present day (*Gladiator*, *300*, *Rome*). Analysis reveals that historical films are always as much about the time in which they are made as they are about the time in which they are set. The ancient world is often used to deliver messages to the contemporary audience about the present: hostility to totalitarian regimes both Fascist and Communist, concern at the decline of Christianity, support for the new state of Israel, celebrations of equality and democracy, and concern about changing gender roles. The whole adds up to a fresh look at a body of films that people think they know, but about which they will learn a good deal more.

king david richard gere: Isn't This Bathsheba? Sara M. Koenig, 2011-11-08 Bathsheba is undeniably a minor character in the biblical plotline, appearing in only four chapters in Samuel and Kings combined, and even therein saying and doing very little. Thus she is often ignored or mentioned merely parenthetically. When Bathsheba has been considered, she has been depicted in a myriad of ways on the spectrum from helpless victim to hapless seductress. In fact, with so many different interpretations of her throughout the centuries, it is easy to find oneself asking, along with the anonymous informant in 2 Sam 11:3, Isn't this Bathsheba? This study argues that while she is a minor character, Bathsheba is complex and positive, and shows development from when she first appears in Samuel to when she fades out of the story in Kings. Koenig compares close and careful reading of Bathsheba in the Masoretic Text with the story as it appears in the versions of the Septuagint, the Peshitta, and the Targum of Jonathan. In those versions, Bathsheba's characterization as a complex, generally positive individual and as a character who shows development remains consistent with the Masoretic Text: not in spite of the changes from the Hebrew into Greek, Syriac, and Aramaic, but because of them. This study also considers how Bathsheba is portrayed in early Jewish interpretations from Josephus, the Talmud, and rabbinic Midrash. Even there, the portrayal of Bathsheba is rich and positive. Studying Bathsheba's character has implications for a broader understanding of how texts are read, how meanings are gathered, and how characters are built.

king david richard gere: Disneywar James B. Stewart, 2008-12-09 When you wish upon a star', 'Whistle While You Work', 'The Happiest Place on Earth' - these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Disney animation, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves throughout the world. DISNEYWAR is the dramatic inside story of what drove this iconic entertainment company to civil war, told by one of America's most acclaimed journalists. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as hundreds of pages of never-before-seen letters and memos, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years. In riveting detail, Stewart also lays bare the creative process that lies at the heart of Disney. Even as the executive suite has been engulfed in turmoil, Disney has worked - and sometimes clashed - with a glittering array of Hollywood players, many of who tell their stories here for the first time.
