

my dad wrote a book

my dad wrote a book – a phrase that can evoke a mix of pride, curiosity, and excitement. For many, hearing that a parent has authored a book is a milestone worth celebrating, signifying dedication, passion, and a desire to share knowledge or stories with the world. Whether it's a memoir, a novel, a cookbook, or a guide on a specialized topic, a father's book is often a reflection of his experiences, beliefs, and creativity. In this article, we explore the significance of such an achievement, the journey behind writing a book, and how it can impact both the author and the family.

The Significance of a Father Writing a Book

Writing a book is no small feat. It requires perseverance, discipline, and a clear sense of purpose. When a dad writes a book, it often symbolizes more than just words on paper; it embodies his life's dedication, expertise, or stories he wants to pass down. This achievement can have various meanings:

Leaving a Legacy

A book can serve as a lasting legacy, capturing a father's insights, wisdom, or life experiences for future generations. It can become a family heirloom, inspiring children and grandchildren to pursue their passions and appreciate their roots.

Sharing Passion and Expertise

Many dads write to share their knowledge on a subject they are passionate about—be it gardening, history, technology, or personal development. Publishing a book can establish credibility and allow others to benefit from their expertise.

Personal Fulfillment and Achievement

Completing a book is a significant personal achievement. It can boost confidence and provide a sense of fulfillment, especially after years of hard work and dedication.

The Journey of Writing a Book: From Idea to

Publication

The process of writing a book is often long and challenging, but it can also be incredibly rewarding. Here's a general overview of the steps involved:

1. Conceptualizing and Planning

Every book begins with an idea. For many dads, this might stem from their career, hobbies, or life experiences. Planning involves outlining chapters, organizing thoughts, and setting goals for the project.

2. Writing and Drafting

This stage involves turning ideas into words. It's important to establish a routine, set aside dedicated time, and accept that the first draft is just the beginning. Patience is key.

3. Revising and Editing

Once the initial draft is complete, the process of revising begins. This might include self-editing, seeking feedback from trusted friends or editors, and refining the language and structure.

4. Publishing Options

Today, authors have multiple avenues for publishing:

- **Traditional Publishing:** Submitting to publishers or literary agents, which often involves a proposal and query letter.
- **Self-Publishing:** Using platforms like Amazon Kindle Direct Publishing or IngramSpark to publish independently.

Each approach has its benefits and challenges, and the choice depends on goals, resources, and preferences.

5. Marketing and Promotion

Publishing is only part of the journey. Promoting the book involves:

- Creating a website or social media presence
- Organizing book launch events
- Seeking reviews and media coverage

- Engaging with readers and communities

How a Father's Book Can Impact the Family

When a dad writes and publishes a book, it can have profound effects on his family life:

Inspiration for Children

Seeing a parent achieve such a milestone can motivate children to pursue their own passions, whether in writing, arts, sciences, or other fields.

Family Pride

A published book often becomes a source of pride. Family members may celebrate the achievement by sharing the news, hosting gatherings, or even participating in promotional activities.

Shared Experiences

The process of writing a book can bring family members closer, especially if they contribute ideas, serve as beta readers, or help with marketing efforts.

Educational Opportunities

If the book is educational or instructional, it can serve as a resource for family learning activities, fostering discussions and curiosity.

Overcoming Challenges in the Writing Journey

Writing a book is rewarding but often filled with hurdles. Here are some common challenges and tips to overcome them:

Time Management

Balancing writing with work, family, and other responsibilities can be tough.

Strategies include:

- Setting aside dedicated writing time
- Breaking the project into manageable chapters or sections
- Using tools like calendars and reminders

Maintaining Motivation

Long-term projects can lose steam. To stay motivated:

- Remind yourself of the purpose behind the book
- Celebrate small milestones
- Seek support from fellow writers or family members

Handling Criticism

Constructive feedback is vital for growth. Approaching criticism with an open mind can lead to a better finished product.

Celebrating the Achievement: Publishing and Beyond

Once the book is published, it's time to celebrate. This might include:

- Hosting a launch party with friends and family
- Sharing the news on social media
- Arranging book signings or readings
- Reflecting on the journey and setting new goals

Publishing a book is not the end but the beginning of a new chapter. It opens doors to new opportunities, collaborations, and adventures.

Conclusion

When a dad writes a book, it's more than just an accomplishment; it's a testament to his passions, perseverance, and desire to make a lasting impact.

Whether it's a personal memoir, a professional guide, or a collection of stories, the act of writing and publishing a book can transform lives—those of the author and his family alike. For children, it's an inspiring legacy; for the father, a source of pride and fulfillment. For families and readers, it offers insights, entertainment, and a window into the mind and heart of a dedicated individual. So, if your dad has written a book, celebrate his achievement, support his journey, and cherish the stories he has shared with the world.

Frequently Asked Questions

What is 'My Dad Wrote a Book' about?

'My Dad Wrote a Book' is a humorous children's picture book that tells the story of a young boy discovering that his dad has written a book, highlighting themes of family, creativity, and imagination.

Who is the author of 'My Dad Wrote a Book'?

Yes, the book has received positive reviews and has been recognized for its charming illustrations and heartwarming story, making it a popular pick in children's literature awards and reading lists.

Additional Resources

My Dad Wrote a Book: An Intimate Exploration of Creativity, Legacy, and Personal Discovery

In the vast landscape of contemporary literature, where voices often echo within the confines of genre and trend, a heartfelt memoir or personal narrative can serve as a breath of fresh air—offering authenticity, vulnerability, and a glimpse into the human experience. "My Dad Wrote a Book" is one such title, not merely a story about a father and his literary endeavor but an intricate tapestry woven with themes of family, identity, perseverance, and the transformative power of storytelling. This long-form review aims to dissect the book's core elements, contextual significance, and its resonance with readers seeking genuine connection and inspiration.

Overview and Context

"My Dad Wrote a Book" is penned by acclaimed author and storyteller [Author's Name], who channels personal history and familial relationships to craft a narrative that is as compelling as it is revealing. The book chronicles the journey of [Dad's Name], a man with a passion for writing that remained dormant for years, only to be rekindled in his later years. Through candid anecdotes, reflective essays, and heartfelt reflections, the narrative explores the motivations, struggles, and triumphs associated with bringing a lifelong dream to fruition.

Published in [Year], the book arrived at a time when discussions about mental health, aging, and the importance of creative expression are increasingly prominent. Its candid portrayal of an ordinary man's pursuit of his passion elevates it beyond a simple memoir, transforming it into a testament to the enduring human spirit.

Core Themes and Literary Style

Family and Legacy

At its core, "My Dad Wrote a Book" is an intimate exploration of familial bonds and the desire to leave a legacy. The author reflects on their relationship with their father, capturing moments of pride, frustration, and profound love. The act of writing the book becomes a metaphor for this desire—an effort to document, preserve, and honor a life well-lived.

Key elements include:

- Personal anecdotes that depict the father's struggles with self-doubt and

perseverance.

- Insights into how the act of creating something meaningful can reshape familial understanding.
- The ripple effect on the author's own perspective on creativity and resilience.

Creativity and Personal Growth

The narrative delves into the transformative power of creative expression. For [Dad's Name], writing becomes more than a hobby; it's a journey toward self-discovery and healing. The process highlights:

- The challenges of starting late in life with a new craft.
- Overcoming internal and external doubts.
- The sense of accomplishment that accompanies completing a meaningful project.

The book emphasizes that age is no barrier to creativity and that personal growth is a lifelong pursuit, often ignited by seemingly small but significant acts.

Memory, Reflection, and Narrative Construction

A significant portion of the book examines how storytelling shapes memory and identity. The author discusses:

- The importance of capturing stories before they fade.
- How narrative editing allows for personal reflection and understanding.
- The role of storytelling in forging connections across generations.

This theme resonates with readers who value memoirs not only as personal histories but as acts of cultural and familial preservation.

Structural and Stylistic Analysis

The book employs a conversational, accessible tone that invites readers into intimate moments. Its structure interweaves chronological storytelling with thematic essays, creating a layered experience. Notable stylistic features include:

- Use of vivid, sensory-rich descriptions that bring scenes to life.
- Incorporation of humor and humility to balance emotional depth.
- Short chapters and vignettes that facilitate reflection and maintain engagement.

The writing style reflects the author's background as a storyteller, blending literary finesse with colloquial authenticity. This approach democratizes the narrative, making it approachable for a broad audience.

Critical Reception and Audience Impact

Since its release, "My Dad Wrote a Book" has garnered positive reviews from critics and readers alike. Common praise points include:

- Its heartfelt honesty and emotional resonance.
- The universal appeal of its themes.
- Its inspiring message that it's never too late to pursue one's passions.

Some critics note that the book's strength lies in its authenticity rather than literary perfection, positioning it as a relatable and motivational read. Readers have reported feeling a renewed sense of purpose, particularly those grappling with aging or contemplating creative pursuits.

Influence and Cultural Significance

While the book is rooted in personal narrative, its broader implications are noteworthy:

- Challenging stereotypes about aging and creativity.
- Encouraging intergenerational dialogue about family histories and stories.
- Highlighting the significance of personal projects in mental health and well-being.

In a cultural landscape often dominated by celebrity memoirs or genre fiction, "My Dad Wrote a Book" stands out as a heartfelt reminder of the power of ordinary stories to inspire extraordinary change.

Potential Critiques and Limitations

No work is without its criticisms, and "My Dad Wrote a Book" is no exception. Some readers may find:

- The narrative occasionally lacks pacing, with introspective sections that may feel slow.
- Limited exploration of the technical aspects of writing, focusing more on emotional journey than craft.
- The deeply personal nature of the story may not resonate with everyone seeking a more universal narrative.

However, these aspects can also be viewed as strengths, emphasizing the book's authenticity over polish.

Conclusion: A Testament to the Human Spirit

"My Dad Wrote a Book" is more than a personal memoir; it's a celebration of perseverance, love, and the unyielding desire to create. It challenges societal perceptions of aging, underscores the importance of storytelling, and offers a heartfelt message that it's never too late to pursue one's dreams. Its candid narrative and relatable themes make it a valuable addition to contemporary literature, especially for those seeking inspiration or contemplating their own creative journeys.

This book reminds us that stories—whether written by a father, a daughter, or anyone in between—are vital threads in the fabric of human experience. They connect us, define us, and, ultimately, help us understand ourselves and others better. Whether you're a seasoned reader or new to memoirs, "My Dad Wrote a Book" deserves a place on your reading list for its authenticity, warmth, and timeless message.

In sum, this work exemplifies how ordinary lives, when shared with honesty and courage, can profoundly impact others. It's a testament to the enduring power of storytelling and a reminder that it's never too late to write your own story.

my dad wrote a book: My Dad Wrote a Porno Jamie Morton, Alice Levine, James Cooper, Rocky Flintstone, 2017-09-26 Belinda blinked, it wasn't a dream, the job interviewer had just asked her to remove her jacket and silk blouse.

my dad wrote a book: MY DAD WROTE A PORNO JAMIE MORTON JAMES C, 2026-12-31

my dad wrote a book: How to Make Successful Students in One Year - a Model for the World Nicholas Aggor, 2014-06-23 I wrote the book, How To Make Successful Students In One Year - A Model For The World, as a true testament of real world academic success for parents, teachers, students, school districts and governments of the world. I used my skills as a very successful senior engineer (with critical engineering quality controls) and a very successful parent to design many practical innovations to help parents, teachers, students, school districts and governments to make successful students starting from today. The results from using this book are immediate, effective, significant and they work for all determined students of the world. I recommend this book for all parents, teachers, students, school districts and governments of the world.

my dad wrote a book: The Unwritten Book Samantha Hunt, 2022-04-05 "One of our most interesting and bold writers . . . [offers] a characteristically wild effort that defies genre distinctions, flits from the profound to the mundane with fierce intelligence and searching restlessness, and at its best, delves deep into the recesses of the human heart with courageous abandon . . . An intoxicating blend of humor and pathos." —Priscilla Gilman, The Boston Globe "Eerie, profound, and daring, this is a book only the inimitable Hunt could write." —Adrienne Westenfeld, Esquire From Samantha

Hunt, the award-winning author of *The Dark Dark*, comes *The Unwritten Book*, her first work of nonfiction, a genre-bending creation that explores the importance of books, the idea of haunting, and messages from beyond I carry each book I've ever read with me, just as I carry my dead—those things that aren't really there, those things that shape everything I am. A genre-bending work of nonfiction, Samantha Hunt's *The Unwritten Book* explores ghosts, ghost stories, and haunting, in the broadest sense of each. What is it to be haunted, to be a ghost, to die, to live, to read? Books are ghosts; reading is communion with the dead. Alcohol is a way of communing, too, as well as a way of dying. Each chapter gathers subjects that haunt: dead people, the forest, the towering library of all those books we'll never have time to read or write. Hunt, like a mad crossword puzzler, looks for patterns and clues. Through literary criticism, history, family history, and memoir, inspired by W. G. Sebald, James Joyce, Ali Smith, Toni Morrison, William Faulkner, and many others, Hunt explores motherhood, hoarding, legacies of addiction, grief, how we insulate ourselves from the past, how we misinterpret the world. Nestled within her inquiry is a very special ghost book, an incomplete manuscript about people who can fly without wings, written by her father and found in his desk just days after he died. What secret messages might his work reveal? What wisdom might she distill from its unfinished pages? Hunt conveys a vivid and grateful life, one that comes from living closer to the dead and shedding fear for wonder. *The Unwritten Book* revels in the randomness, connectivity, and magic of everyday existence. And at its heart is the immense weight of love.

my dad wrote a book: *Dating & Dismemberment* A. L. Brody, 2024-10-08 Emily Henry meets Grady Hendrix in the funniest and most original romantic comedy of the year: a monstrously feel good cozy fantasy full of love, laughter, lore, and limbs... Now with brand new bonus content! Darla Drake, Duchess of Death, is a legendary monster who has haunted the woods around Camp Clear Creek for years. Until an existential crisis forces her to take a sabbatical from wreaking havoc on pimply teens while she figures out what she really wants from the rest of her (possibly infinite) life. But what does a monster do when her malevolent days are over? For Darla, it's spending time with the decapitated—yet still overbearing—head of her mother, reading romance novels she steals from campers, and struggling with one monstrous case of melancholy. Until Jarko Murkvale arrives in Clear Creek and turns Darla's life upside down. Jarko is a conceited, arrogant, infuriating, and unfortunately for Darla, kind of hot. And with the Duchess of Death on the shelf, Jarko has staked his claim on Camp Clear Creek. But Darla refuses to go down without a fight, and so in order to reclaim her territory she challenges Jarko to a series of hunts to see who the most fearsome monster really is. But the more mayhem they cause, the more Darla begins to realize there's more to this brash monster than she believed...and that Jarko may just be the antidote to her ennui. But there's a reason Jarko came to Clear Creek, and in order to fill her nine-chambered heart, Darla will have to unravel the mystery of who this closed-off monster really is. And if they can manage to not literally tear each other limb from limb, Darla and Jarko just might find that couples who slay together, stay together. The *Mating and Monsters* series is best enjoyed in order. Reading Order: Book #1 *Dating & Dismemberment* Book #2 *Weddings & Witchcraft*

my dad wrote a book: *My Father is a Book* Janna Malamud Smith, 2013-02-12 Bernard Malamud was one of the most accomplished American novelists of the postwar years. From the Pulitzer Prize winner *The Fixer* as well as *The Assistant*, named one of the best 100 All-Time Novels by Time Magazine—to mention only two of the more than a dozen published books—he not only established himself in the first rank of American writers but also took the country's literature in new and important directions. In her signature memoir, Smith explores her renowned father's life and literary legacy. Malamud was among the most brilliant novelists of his era, and counted among his friends Philip Roth, Saul Bellow, Theodore Roethke, and Shirley Jackson. Yet Malamud was also very private. Only his family has had full access to his personal papers, including letters and journals that offer unique insight into the man and his work. In her candid, evocative, and loving memoir, his daughter brings Malamud to vivid life.

my dad wrote a book: *The Senator Next Door* Amy Klobuchar, 2015-08-25 One of the U.S. Senate's most candid--and funniest--women tells the story of her life and her unshakeable faith in

our democracy Minnesota Senator Amy Klobuchar has tackled every obstacle she's encountered--her parents' divorce, her father's alcoholism and recovery, her political campaigns and Washington's gridlock--with honesty, humor and pluck. Now, in *The Senator Next Door*, she chronicles her remarkable heartland journey, from her immigrant grandparents to her middle-class suburban upbringing to her rise in American politics. After being kicked out of the hospital while her infant daughter was still in intensive care, Klobuchar became the lead advocate for one of the first laws in the country guaranteeing new moms and their babies a 48-hour hospital stay. Later she ran Minnesota's biggest prosecutor's office and in 2006 was the first woman elected to the U.S. Senate from her state. Along the way she fashioned her own political philosophy grounded in her belief that partisan flame-throwing takes no courage at all; what really matters is forging alliances with unlikely partners to solve the nation's problems. Optimistic, plainspoken and often very funny, *The Senator Next Door* is a story about how the girl next door decided to enter the fray and make a difference. At a moment when America's government often seems incapable of getting anything done, Amy Klobuchar proves that politics is still the art of the possible.

my dad wrote a book: *The Director's Cut* Erik L. Strandness, MD, MATH, 2014-03 Believer and unbeliever alike are subtly evangelized every day of their lives by the ambient glow of God's cinematic masterpiece. They sense something grand but are confused by the incoherent cultural edits scattered throughout the film. The Good News is that the deleted scenes are not lost but can be found in our shared human experiences, and once spliced back together reveal an epic of Biblical proportions, *The Director's Cut of the Greatest Story Ever Told*. Dr. Erik Strandness takes a unique "bottom up" approach to apologetics by investigating experiences common to all people and concluding that they can only be adequately understood through a Biblical filter. The goal is to empower lay Christians to confidently share their faith in a concrete, friendly, real-world context that effectively engages the day-to-day realities of their audience. Dr. Strandness writes in a clear, engaging, and witty style, combining the thoughts of many great Christian thinkers with culturally relevant illustrations in order to make a solid real world case for the Christian worldview. "Once in a while, someone manages to put ageless truth in such a fresh package that it cries out, 'Read on!' That's the way I felt when reviewing Erik Strandness's book. What a pleasure it is to read! But it's not just Erik's engaging word images that make it such a great read. It's the profound and timely message he is communicating in such an intelligent and winsome way. This is a book you will be telling others about." —Dr. Christian Overman, Director, Worldview Matters, biblicalworldview.com

my dad wrote a book: *Rides a Stranger* David Bell, 2013-11-19 After the death of his father, a literature professor is drawn into the murder investigation of a bookstore proprietor. Though Don and his father both love books, their tastes couldn't be more different. Don is a scholar, and his father reads nothing but schlock. His house is full of dime paperbacks, battered thrillers, and case after case of western novels, none of which his son could ever bear to read. At his father's funeral, Don is approached by a strange man, a rare book dealer named Lou Caledonia. Don assumes the man wants to buy his dad's old westerns, but Lou explains that something far more important is on the line. Don finds the cramped confines of Lou's used bookstore immensely comforting, but a surprise waits for him downstairs. Caledonia has been shot dead, and Don is in danger, too. The boy who was too smart to read pulp fiction is about to find himself trapped in a thriller of his own. The Bibliomysteries are a series of short tales about deadly books, by top mystery authors.

my dad wrote a book: *Sins of My Father* Lily Dunn, 2022-03-17 'An extraordinary story' CLOVER STROUD 'Astonishing and valuable' THE SPECTATOR 'Beautifully written' DAILY MAIL 'Intensely gripping . . . as brutal and funny as it is raw and candid' VIV GROSCHOP 'As vivid an account of addiction as I can remember reading' GUARDIAN 'Will resonate with anyone who has loved a difficult parent and spent a lifetime trying to work them out' ALI MILLAR When Lily Dunn was six years old, her father left for India to join the cult of Bhagwan Shree Rajneesh. She grew up enthralled by the myth of him - a brilliant, charismatic writer and entrepreneur who would appear with gifts from faraway places. Yet he was also a compulsive liar whose pursuit of transcendence took him from sex addiction, via the Rajneesh cult, to a relentless chase of money, which ended in

ruin and finally addiction to alcohol and prescription drugs. A daughter's investigation into a father who was always out of reach, *Sins of My Father* is a gripping detective story that asks how much we can forgive of those we love.

my dad wrote a book: *The Third Book* Vincent Peter Hamilton, 2021-12-06 This is my third published book called *The Third Book*. The short stories are always written for movies. First off want to thank again writer author Stephen King for liking my stories and my books. That brought 300 Hollywood celebrities to come see me on his praise. My stories continue from the first two books on GOD and Jesus, Saints and family, Heaven and Hell, Planets, Satan, military, police, politics, music, and Hollywood. Stories from the past and present. People of fame are named and written in many stories. I want to thank The United States Secret Service, Thanking The White House staff of The United States, The United States Army, The United States Army Fort Benning Division, The United States Air Force, and The United States Department of Defense. And special thanks to The President of The United States of America. Thank you Mr. President Joe Biden. I want to thank NASA The National Aeronautics and Space Administration. I want to thank the Ottawa Police Services and O.P.P. Ontario Provincial Police and RCMP Royal Canadian Mounted Police for your public support for my books. I want to thank the F.D.A. Food and Drug administration for helping me with curing cancer.

my dad wrote a book: *The War with Grandma* Robert Kimmel Smith, Ann Dee Ellis, 2021-07-13 Don't miss the laugh-out-loud companion to the classic, *The War with Grandpa*--now a major motion picture--about a girl who must face off against her grandma or risk losing the biggest competition of summer. Meg is excited when she hears the Centennial Strawberry Days Celebration is holding a competition for kids. The winner will be crowned the official Strawberry Days Ambassador and get a pair of electric bikes! Meg knows with Dad as her partner, there's no way she can lose. But Meg's strawberry dreams turn sour when Dad can't participate and, worse, he's already invited Grandma Sally to replace him. Without even asking Meg! Grandma likes to play by her own rules and Meg realizes her chances at winning are at an all-time low. For Meg this means war! Only, Grandma is tougher than she looks and willing to give as good as she gets. As the competition begins, it becomes clear that Meg's summer will have the most epic showdown ever.

my dad wrote a book: *The Belinda Blinked Character Rankings Nos 1-122* Rocky Flintstone, 2025-08-07 *The Belinda Blinked Character Rankings* from No1 to No 122 Do you want the inside dirt...? Do you want to understand the plot of *Belinda Blinked*?? Do you want to know more about the Duchess and her secret visit to Brazil??? Do you need to know where your fav character ended up in these rankings???? Do you need to know why Jim Stirling took Bella to Forster's of Knightsbridge????? Then read on for the best gossip you've ever had on the *Belinda Blinked* characters...

my dad wrote a book: *Tough Jews* Rich Cohen, 2013-06-18 Award-winning writer Rich Cohen excavates the real stories behind the legend of infamous criminal enforcers Murder, Inc. and contemplates the question: Where did the tough Jews go? In 1930s Brooklyn, there lived a breed of men who now exist only in legend and in the memories of a few old-timers: Jewish gangsters, fearless thugs with nicknames like Kid Twist Reles and Pittsburgh Phil Strauss. Growing up in Brownsville, they made their way from street fights to underworld power, becoming the execution squad for a national crime syndicate. Murder Inc. did for organized crime what Henry Ford did for the automobile, and *Tough Jews* is the first in-depth portrait of these men, a thrilling glimpse at the muscle that made possible the success of gangster statesmen such as Bugsy Siegel, Meyer Lansky, and Lucky Luciano. For Rich Cohen, who grew up in suburban Illinois in the 1980s taunted by the stereotype of Jews as book-reading rule followers, the very idea of the Jewish gangster was a relief; for once, a Jew in jail did not have to be a white collar criminal. With a clear eye and a comic sensibility, Cohen looks beyond the blood and ultimately encounters each of these ruthless killers' matzo-ball heart. *Tough Jews* shows what can happen when a member of the tribe combines brains, heart, and a dangerous determination never to back down.

my dad wrote a book: *My Father, the Pornographer* Chris Offutt, 2017-04-11 A memoir in

which writer Chris Offutt struggles to understand his recently deceased father based on his reading of the 400-plus novels [Andrew Offutt]--a well-known writer of pornography in the 1970s and 80s--left him in his will--Publisher marketing.

my dad wrote a book: The Territory of Men Joelle Fraser, 2009-03-04 Born into the turmoil of mid-sixties San Francisco, the daughter of a flower child and a surfer, Joelle Fraser grew up with no bedtime, no boundaries, and no father. But “dads” she had in abundance, as her mother worked her way through boyfriends and husbands, caught between the traditional rules of her upbringing and the new freedoms of the “me generation” and women’s lib. Moving every few months, from houseboats and beach shacks to run-down apartments, Joelle came to learn that a woman’s life, free or not, is played out on men’s territory. Set in northern California, Hawaii, and the small coastal towns of Oregon, Fraser’s engrossing memoir captures this centerless childhood in wonderfully vivid, frank writing, then goes on to show how a legacy like this affects a girl as she grows up. Pretty, blond, precociously aware of her own sexuality, Joelle was drawn to men early, eager to unlock their mysteries. Working in bars, prisons, and firing ranges, she liked to hang out where they congregated. To her the only worlds that counted were men’s worlds. Men held the power; they made life matter. Fraser’s sharp vignettes of her intense relationships, brief, turbulent marriage, and itinerant life are haunting echoes of her early memories. In *The Territory of Men*, she brilliantly portrays the way a rootless childhood leads to a restless adulthood, and how a mother’s aimless life serves as a blueprint for her daughter.

my dad wrote a book: **Graceful: A Wish Novel** Wendy Mass, 2015-04-28 The final story in the bestselling Willow Falls series from Wendy Mass, now coming to WISH! Angelina D'Angelo has left town to see the world. It's now Grace's turn to use her magic to protect the people of Willow Falls, and she is up to the challenge. This is her destiny, after all. But destiny is a funny thing -- it doesn't always behave the way you'd expect it to. Mysterious postcards from Angelina begin showing up in the mail, Grace's parents are freaking out with worry, and something BIG is coming to town that will affect everybody who lives there. But all Grace is powerful enough to do is turn leftover meatloaf into pizza. Fortunately, she's not alone. She has Team Grace on her side! Amanda, Leo, Rory, Tara, David, and Connor know a thing or two about magic and how it works. But none of them are prepared for what's coming, and none of them know how to stop it. Life in Willow Falls is about to change forever.

my dad wrote a book: Raised By Unicorns Frank Lowe, 2018-06-12 I am honored to recommend this book to ALL parents. . . . [I]t relates to all families, tolerance, and love. — Greg Berlanti, writer, producer, director Raw and unfiltered. . . Lowe breaks new ground, highlighting the dire need for further exploration. 5 Hearts. — Foreword Reviews [A] powerful eye-opener. — Amanda Hopping-Winn, chief program officer, Family Equality Council Raw, personal, and uncensored, this must-read book gives us insight as to what it’s like to be raised by same-gender parents and how that can impact one’s life. —Eric Rosswood, author of *The Ultimate Guide for Gay Dads* and *Journey to Same-Sex Parenthood* In recent years, the world has been saturated by endless blogs, articles, and books devoted to the subject of LGBTQ+ parenting. On the flip side, finding stories written by the children of LGBTQ+ parents is akin to searching for a needle in a haystack. Now that the world is more accepting than ever of non-traditional families, it's time to create a literary space for this not-so-unique, shared, but completely individual experience. In *Raised by Unicorns: Stories from People with LGBTQ+ Parents*, Frank Lowe has carefully edited an anthology that reflects on the upbringing of children in many different forms of LGBTQ+ families. From Baby Boomers to Generation Z, it features diverse stories that express the distinctiveness of this shared journey and of each particular family. It's visceral, raw, and not always pretty, but love is always the common thread. Lowe candidly reveals true accounts of this particular niche of humanity, while simultaneously creating a moving snapshot of the world in which we live. *Raised by Unicorns* guides the reader through an empathetic journey that is nothing short of compelling and poignant. We've all heard the phrase raised by wolves. Now we have a window into the complex world of being Raised by Unicorns.

my dad wrote a book: Lies My Teacher Told Me James W. Loewen, 2008 Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

my dad wrote a book: More Than A Manny (Gay Romance) Trina Solet, 2019-05-13 A very young, wealthy widower needs a nanny, but a hot nanny would be even better. That's where Nate comes in. Brent is a loving but irresponsible father to two young children from a marriage of convenience. He needs Nate in his life, but how will Nate, a first time nanny, fit into his unconventional household? The kids are a handful, especially little Georgie. Her big brother, Ricky, has a few issues of his own. But Nate is more than ready to take on the challenge and let all three of them steal his heart.
