Mouse, 2019-01-26 The Indians manifest their poetry in their huge temples; the Persians in their holy books; the Egyptian in pyramids, obelisks and the like; the Hellene in their magnificent statues; the Romans in their enchanting pictures; the Germans in their beautiful music—but the Slavs have poured out their soul and their intimate thoughts in ballads and tales. Herein are 33 Serbian superstitions and national customs, 12 legends of Prince Marko, a Serbian national hero, the epic poem of the hero knight Banovitch Strahinya, 3 epic Serbian ballads, the marriages of Maximus Tzrnoyevitch, Tsar Doushan The Mighty, King Voukashin, and of Stephan Yakshitch, each filled with drama and awe, plus 20 folk tales and 7 Serbian anecdotes. All-in-all a complete volume of Serbian folklore which includes 32 colour illustrations of the stories and events contained therein. So compelling are these stories and tales that in the first half of the nineteenth century various German poets transversified some of the Serbian national ballads into German. One of these, Jacob Grimm, of Grimm's Fairy Tales, learned Serbian so that he might acquaint himself with these Serbian literary treasures. So, we invite you to get yourself a hot toddy, download this book, then sit back in front of a roaring fire and read these tales. the inn on the moor: *The Moor* William Atkins, 2014-05-13 In this deeply personal journey across our nation's most forbidding and most mysterious terrain, William Atkins takes the reader from south to north, in search of the heart of this elusive landscape. His account is both travelogue and natural history, and an exploration of moorland's uniquely captivating position in our literature, history and psyche. Atkins may be a solitary wanderer across these vast expanses, but his journey is full of encounters, busy with the voices of the moors, past and present: murderers and monks, smugglers and priests, gamekeepers and ramblers, miners and poets, developers and environmentalists. As he travels, he shows us that the fierce landscapes we associate with *Wuthering Heights* and *The Hound of the Baskervilles* are far from being untouched wildernesses. Daunting and defiant, the moors echo with tales of a country and the people who live in it - a mighty, age-old landscape standing steadfast against the passage of time.
