

the third man book

the third man book is a captivating piece of literature that has intrigued readers for decades, especially those interested in post-war Europe, espionage, and classic noir thrillers. This book, based on the renowned film of the same name, offers a compelling narrative set against the backdrop of Vienna's devastated landscape after World War II. Its rich storytelling, complex characters, and atmospheric setting have cemented its status as a must-read for fans of historical fiction and suspense. In this article, we will explore the origins of the third man book, its plot, themes, historical context, and the impact it has had on both literature and popular culture.

Origins and Background of the Third Man Book

Adaptation from the Film

The third man book was originally written as a novelization of the 1949 British film *The Third Man*, directed by Carol Reed and written by Graham Greene. Greene, a prominent novelist and playwright, crafted the screenplay and subsequently expanded it into a novel that delves deeper into the characters' psyches and the moral ambiguities of post-war Vienna.

Graham Greene's Involvement

Graham Greene's involvement in the project was pivotal. His background as a novelist specializing in morally complex characters and themes of corruption and redemption made him an ideal author to flesh out the story's nuances. Greene's writing style, characterized by sharp dialogue and atmospheric descriptions, elevates the narrative beyond a mere movie adaptation to a standalone literary work.

Historical Context

Set in the immediate aftermath of World War II, Vienna was divided into zones controlled by the Allies—American, British, French, and Soviet. The city was a hotbed of espionage, black market activity, and political intrigue, providing a perfect setting for a story about moral ambiguity, clandestine operations, and human frailty. The book captures this tumultuous period with vivid detail, immersing readers in the chaos and hope of a city trying to rebuild.

Synopsis of the Third Man Book

Plot Overview

The narrative follows Holly Martins, an American novelist and aspiring writer, who arrives in Vienna to take a job offered by his old friend Harry Lime. Upon his arrival, Martins quickly becomes entangled in a web of deception and suspicion. Harry Lime has recently died in a mysterious accident, but rumors suggest he might still be alive and involved in illicit activities.

As Martins investigates, he uncovers a darker side of Vienna's underground world, including illegal black market operations, espionage, and moral corruption. His quest leads him to the shadowy underbelly of the city, where he encounters a cast of morally ambiguous characters, including the enigmatic Major Calloway, a British police officer, and Anna, Lime's lover.

The story's climax reveals the true nature of Harry Lime's activities—specifically, his role in a black market scheme involving diluted penicillin that caused the deaths of innocent children. Martins must navigate this moral minefield, grappling with issues of loyalty, guilt, and justice.

Key Themes and Motifs

- Moral Ambiguity: The characters often operate in shades of gray, challenging notions of good and evil.
- Corruption and Redemption: The city's decay mirrors the moral decay of its inhabitants, but moments of redemption are also present.
- Espionage and Suspense: Underlying spy elements add layers of intrigue and tension.
- Post-War Reconstruction: The setting underscores the chaos and hope of a city rebuilding itself.

Major Characters in the Third Man Book

Holly Martins

An honest but naive American writer, Martins' journey is both physical and moral. His innocence is tested as he uncovers the city's dark secrets.

Harry Lime

The charismatic but morally corrupt protagonist whose actions have devastating consequences. His character embodies the themes of moral

ambiguity.

Anna

Lime's lover and a symbol of innocence caught in a corrupt world. Her relationship with Martins adds emotional depth to the story.

Major Calloway

A British police officer dedicated to uncovering the truth, representing authority and moral clarity in the narrative.

Themes and Symbolism in the Third Man Book

Vienna as a Character

The city itself is central to the story, symbolizing decay, resilience, and moral complexity. Its labyrinthine streets and ruined buildings reflect the characters' inner struggles.

Light and Darkness

Greene's descriptions often contrast shadows and light, symbolizing the moral ambiguities faced by the characters.

The Black Market

Representing corruption and moral compromise, the black market is a metaphor for the broader societal decay.

Impact and Legacy of the Third Man Book

Critical Reception

The book was praised for its atmospheric depth, complex characters, and Greene's signature style. It is often regarded as a classic example of literary adaptation that enhances the original screenplay.

Influence on Popular Culture

The third man book helped cement the story's place in cultural history. The film's iconic score by Anton Karas, along with the memorable visuals and dialogue, are complemented by the novel's depth.

Adaptations and Continued Relevance

Beyond the original film and novel, The Third Man has inspired stage adaptations, radio dramas, and even contemporary reinterpretations. The book remains a valuable resource for understanding the story's themes and historical context.

Where to Find the Third Man Book

- **New and Used Bookstores:** Available in print, hardcover, and paperback editions.
- **Online Retailers:** Platforms like Amazon, Barnes & Noble, and AbeBooks offer various editions.
- **E-Books and Audiobooks:** Digital formats provide easy access for modern readers.

Conclusion

The third man book stands as a testament to Graham Greene's literary mastery and his ability to elevate a compelling screenplay into a profound exploration of morality, human nature, and the aftermath of war. Its richly drawn characters, atmospheric setting, and timeless themes continue to resonate with readers and viewers alike. Whether you are a fan of classic noir, post-war history, or psychological drama, the third man book offers a captivating journey into the shadows of Vienna and the complexities of the human soul. Exploring this book not only enriches your understanding of the story but also provides a lens through which to view the enduring struggles between good and evil in a fractured world.

Frequently Asked Questions

What is the main plot of 'The Third Man' book by

Graham Greene?

The novel follows Holly Martins as he arrives in post-war Vienna and becomes embroiled in a mysterious investigation into his friend's death, uncovering a web of crime and deception involving a notorious black market operator known as 'The Third Man.'

How does Graham Greene's 'The Third Man' differ from its film adaptation?

While both the book and film share the same basic story, the novel provides deeper insights into characters' internal thoughts and motivations, and includes additional background details not present in the film, offering a richer narrative experience.

Who is the protagonist in 'The Third Man' novel, and what is his background?

The protagonist is Holly Martins, an American novelist and writer of pulp fiction, who travels to Vienna to meet his old friend Harry Lime, only to become involved in uncovering the truth behind Lime's suspicious death.

What themes are explored in Graham Greene's 'The Third Man' book?

The novel explores themes of morality, corruption, innocence versus guilt, the ambiguity of good and evil, and the moral ambiguities faced in post-war Europe.

Is 'The Third Man' book part of a series or standalone?

'The Third Man' is a standalone novel written by Graham Greene specifically for the screenplay of the famous film, and it is not part of a series.

How does Graham Greene develop the character of Harry Lime in the book?

Through Holly Martins' perspective and Greene's narrative style, Harry Lime is portrayed as charming, morally ambiguous, and ultimately morally compromised, with Greene delving into his complex personality and questionable ethics.

Where can I find a copy of 'The Third Man' book to

read?

The novel is widely available in bookstores, online retailers, and digital platforms such as Kindle and Project Gutenberg, and can often be found in libraries as well.

Additional Resources

The Third Man Book: A Deep Dive into Graham Greene's Literary Masterpiece and Its Cultural Legacy

The Third Man book stands as a compelling literary adaptation of one of the most iconic films in cinematic history. Originally conceived as a screenplay, this story has since been transformed into a richly detailed novel that captures the complex moral landscape and atmospheric tension of post-war Vienna. Written by Graham Greene, the book offers readers an immersive experience into a city ravaged by war, rife with corruption, and teeming with moral ambiguity. This article explores the origins, themes, characters, and cultural significance of The Third Man book, providing a comprehensive analysis for enthusiasts of literature, film, and history alike.

Origins and Development of The Third Man Book

From Screenplay to Novel

The Third Man was initially conceived as a screenplay by Graham Greene, who collaborated closely with director Carol Reed and novelist Graham Greene's frequent associate, producer Alexander Korda. Greene's screenplay was pivotal in shaping the atmospheric noir tone that would define the film. However, Greene's talents as a novelist soon led him to adapt the screenplay into a full-fledged novel, published in 1950, shortly after the film's release.

The novelization process involved expanding the narrative beyond what was depicted visually, providing deeper insights into characters' inner thoughts, motivations, and the socio-political backdrop of Vienna. Greene's literary background allowed him to infuse the story with psychological depth and moral complexity, elevating it from a mere cinematic script to a standalone literary work.

Historical Context and Post-War Vienna

The setting of The Third Man is crucial to understanding its themes. Post-war

Vienna, divided into sectors controlled by the Allies, was a city rife with chaos, poverty, and the black market economy. Greene captured this atmosphere vividly in his novel, portraying Vienna as a city on the brink of moral collapse but also as a place of resilience and human drama.

The period following World War II was marked by disillusionment and the struggle for stability, themes that Greene explores through his characters' moral dilemmas. The novel reflects the real historical tensions of the Cold War era, with Vienna's unique position as a neutral zone acting as a microcosm of larger geopolitical conflicts.

Plot Summary and Narrative Structure

Overview of the Plot

At its core, *The Third Man* revolves around the character of Holly Martins, an American novelist and aspiring writer, who travels to Vienna upon hearing of a job offer from his old friend, Harry Lime. Upon arrival, Martins discovers that Lime has recently died in a mysterious accident. However, as Martins delves deeper into Lime's life, he uncovers a web of deception, moral ambiguity, and criminal activity.

The plot thickens when Martins encounters various characters, including the mysterious and enigmatic Major Calloway, representing the Allied authorities, and the shadowy figures involved in Lime's illicit dealings. The narrative culminates in a tense confrontation in the sewers beneath Vienna, revealing Lime's true nature and the moral choices faced by the characters.

Unique Narrative Elements

Greene employs a third-person narrative that offers multiple perspectives, allowing readers to see Vienna through the eyes of different characters. This multi-layered storytelling enhances the novel's themes of ambiguity and moral relativism. The pacing is deliberate, building suspense and atmosphere, with Greene's lyrical prose capturing the decay and vibrancy of post-war Vienna.

Themes and Symbolism in *The Third Man* Book

Morality and Moral Ambiguity

One of the central themes of *The Third Man* is the exploration of morality in a corrupt world. Lime's character embodies moral ambiguity—he is both a criminal and a victim of circumstance. Greene challenges readers to consider the relativity of good and evil, emphasizing that in a war-torn society, moral boundaries are often blurred.

Holly Martins exemplifies innocence and naivety, but as he unravels Lime's true nature, he must confront uncomfortable truths about human nature and complicity. The novel suggests that morality is often a matter of perspective, shaped by environment and circumstance.

The Nature of Corruption and Power

Vienna's black market economy symbolizes the pervasive corruption that infiltrates every aspect of life. Lime's involvement in illicit activities underscores how greed and moral compromise flourish in the chaos of post-war recovery. Greene depicts this environment with vivid detail, illustrating how power dynamics and economic desperation drive individuals toward morally questionable decisions.

Symbolism and Motifs

- The Sewers: Symbolic of hidden truths and the murky moral landscape, the sewers serve as the novel's climax, representing the depths to which characters must descend to confront reality.
- The Ferris Wheel: A recurring motif that symbolizes the cyclical nature of history and the fleeting nature of innocence.
- The "Third Man": The mysterious figure behind Lime's death, representing the unseen forces of corruption and moral compromise operating beneath surface appearances.

Character Analysis

Holly Martins

As the protagonist, Martins embodies innocence and idealism. His journey from naive outsider to morally aware individual reflects Greene's exploration of human fallibility. Martins' reactions to the corruption around him serve as a

lens through which readers can examine their own moral judgments.

Harry Lime

Lime is a morally complex antagonist whose charisma masks a ruthless criminal. Greene depicts Lime as a product of his environment—a man shaped by the chaos of war and the survival instincts it engenders. Lime's charm and cunning make him both compelling and morally repugnant.

Major Calloway

Representing the authoritative, moral voice of the Allied powers, Calloway is dedicated to justice but is also constrained by bureaucratic limitations. His character underscores the theme of moral compromise within institutional structures.

Cultural and Literary Significance

Impact on Film and Literature

The Third Man is celebrated not only as a film but also as a literary work that deepens the narrative with psychological nuance. Greene's novelization is often regarded as a prime example of how screenplays can be transformed into compelling literature, enriching the story beyond visual storytelling.

The novel's influence extends into popular culture, inspiring adaptations, stage productions, and academic analyses. Its depiction of post-war Vienna has become a cultural touchstone for the era's atmosphere and moral complexity.

Themes in Contemporary Context

The themes of The Third Man remain relevant today, resonating with issues of corruption, moral ambiguity, and the moral dilemmas faced in conflict zones. Greene's portrayal of a city and its inhabitants caught between chaos and order offers enduring insights into human resilience and moral choice.

Conclusion: The Enduring Legacy of The Third Man Book

The Third Man book stands as a testament to Graham Greene's literary mastery and his capacity to explore complex moral themes within richly atmospheric settings. It complements the cinematic legacy by providing a deeper psychological and philosophical understanding of the characters and the environment in which they operate.

By capturing the moral ambiguities of a fractured society, Greene's novel invites readers to reflect on the nature of good and evil, the corrupting influence of power and greed, and the resilience of human morality in the face of chaos. Its enduring relevance and layered storytelling ensure that The Third Man remains a significant work in both literary and cinematic history, continuing to inspire discussions on morality, human nature, and the complexity of post-war recovery.

In essence, The Third Man book is more than an adaptation; it is a profound exploration of morality and human resilience set against the haunting backdrop of Vienna's post-war landscape. Its legacy endures as a masterclass in storytelling, blending atmospheric detail with philosophical depth, and remains a vital part of literary and cultural discourse.

the third man book: *The Third Man* Graham Greene, 2015-06-04 Experience the thrilling search for the Third Man as you follow Harry Lime through the gloomy and treacherous streets of Vienna, a city divided by war and corruption. This undisputed spy classic is now available for the first time with video and photography from the film that inspired the novel. In this innovative new format, readers can see the development of Greene's masterful writing in the original script of the movie, with extra content showcasing the film's distinctive soundtrack and Oscar-winning cinematography. See clips and photos of Orson Welles embodying one of his most iconic characters alongside the text at key points. The unparalleled film and archive materials add new layers to the characters and the mystery at the heart of the story. This is a special digital edition to celebrate Studio Canal's restored edition of the film. It includes: - An array of film clips and stills embedded in the text of the novel - A large selection of behind-the-scenes photos from the archive, including candid photos of Orson Welles and the cast on set - Scans of the original post-production script

the third man book: *The Third Man* Rob White, 2019-07-25 A window is thrown open and sudden light illuminates the face of Orson Welles. Harry Lime's return from the dead in 'The Third Man' (1949), Carol Reed's unique thriller set in occupied Vienna, is one of the most famous scenes in all cinema. But there is more besides: the zither score, the tilted shots, the cuckoo-clock speech, the desperate manhunt in the city sewers. A British-American co-production overseen by Alexander Korda and David O. Selznick, 'The Third Man' was written by Graham Greene, photographed by Robert Krasker and featured, along with Welles, Joseph Cotten, Alida Valli and Trevor Howard. All of the did superb work under Reed's subtle direction. After 'The Third Man', Carol Reed was hailed as one of the world's great directors. This title sets out to understand what kind of artist Reed was and whether he deserved such accolades. Rob White explores how the film came to be made and seeks to explain its fascination.

the third man book: *The Third Man and The Fallen Idol* Graham Greene, 1958 Two BBC radio dramatisations based on Graham Greene stories. *The Third Man* is a thriller set in Vienna after World War II, and *The Fallen Idol* a psychological drama of personal relationships and a boy's tragic initiation into the world of adult emotions.

the third man book: *The Third Man and The Fallen Idol* Graham Greene, 1992-07-01 *The Third Man* is Greene's brilliant recreation of post-war Vienna, a city of desolate poverty occupied by four powers. Rollo Martins, a second-rate novelist, arrives penniless in Vienna to visit his old friend and hero Harry Lime. Harry is dead, but the circumstances surrounding his death are highly suspicious, and his reputation, at the very least, dubious. Graham Greene said of *The Third Man* that he wanted to entertain [people], to frighten them a little, to make them laugh and the result is both a compelling narrative and a haunting thriller. *The Fallen Idol* is the chilling story of a small boy caught up in the games that adults play. Left in the care of the butler, Baines, and his wife, Philip realizes too late the danger of lies and deceit. But the truth is even deadlier. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

the third man book: *The Third Man Syndrome* Dr. Ankit Kumar, 2025-07-30 Have you ever heard a voice when no one was around? Felt a presence during a moment of life-or-death struggle? Many have. And they all describe it the same way: an unseen force that guides, protects, or simply stays beside them when they are completely alone. Welcome to the world of the Third Man Syndrome a mysterious psychological and spiritual phenomenon reported by climbers stranded on icy peaks, soldiers caught in battle, pilots facing near-certain crashes, and survivors of disasters like 9/11. These people all claim to have encountered a third man an invisible companion who appeared at the very edge of consciousness, offering hope, direction, and survival. Is this merely a neurological trick of the brain? Or is it evidence of a higher force guardian angel, inner self, divine

intervention? In this groundbreaking book, Dr. Ankit Kumar, Ayurvedic physician, researcher, and author of *The Silent Nerve* and *Ayurvedic Neuroscience*, takes readers on an unforgettable journey into the heart of this unexplained experience. Blending modern neuroscience, survival psychology, Ayurvedic understanding of mind and prana, and spiritual insight from Indian and global traditions, he explores what might truly be happening when the Third Man appears. What you'll discover inside: Real-life case studies from climbers, explorers, war veterans, and survivors who encountered the Third Man in moments of crisis. Scientific explanations rooted in brain behavior under extreme stress: dissociation, sensory integration, dopamine surges, and the role of the right temporoparietal junction. Spiritual perspectives from Vedanta, Ayurveda, Christianity, Buddhism, and shamanic traditions that suggest this presence is more than just the mind. Ayurvedic insights into Manas, Sattva, Ojas, and Pranic intelligence that govern inner resilience. Tools and practices to cultivate mental strength, access inner guidance, and prepare for your own "Third Man moment" through breathwork, meditation, and solitude training. Reflections on post-traumatic transformation how some people don't just survive such encounters, but come back spiritually awakened. This book doesn't try to explain away the mystery it honours it, investigating it through the eyes of science and the soul alike. Whether you are a believer in the divine, a lover of neuroscience, or a curious reader of human potential, *The Third Man Syndrome* will challenge your assumptions, stir your emotions, and awaken something deep within. Perfect for readers of: *The Body Keeps the Score* by Bessel van der Kolk *Proof of Heaven* by Eben Alexander *Man's Search for Meaning* by Viktor E. Frankl *Dying to Be Me* by Anita Moorjani *The Untethered Soul* by Michael A. Singer If you've ever felt there's more to survival than just strength, more to the mind than just neurons, and more to life than just what we see—this book is your companion on that journey. You may never face Everest, a warzone, or a collapsing building. But you will face moments of inner darkness. In those times, your Third Man may appear. The question is: Will you recognize the whisper?

the third man book: *The Third Man and the Fallen Idol* Graham Greene, Carol Reed, 1981-06 Rollo Martins' usual line is the writing of cheap paperback Westerns under the name of Buck Dexter. But when his old friend Harry Lime invites him to Vienna, he jumps at the chance. With exactly five pounds in his pocket, he arrives only just in time to make it to his friend's funeral. The victim of an apparently banal street accident, the late Mr. Lime, it seems, had been the focus of a criminal investigation, suspected of nothing less than being the worst racketeer who ever made a dirty living in this city. the third man book: *In Search of the Third Man* Charles Drazin, 2000 (Limelight). Half a century after its opening, *The Third Man* remains an unquestioned masterpiece of film artistry and, for many, the greatest British movie ever made. Whether it is Harry Lime's magical first appearance or the celebrated cuckoo clock speech or the climactic chase through the sewers beneath Vienna or the haunting theme music of Anton Karas, the film contains some of the most memorable moments in screen history. Drawing on both contemporary documents and accounts of the people involved, *In Search of The Third Man* explores the many myths that over the years have grown around this extraordinary film, and seeks to unravel the facts from the fiction. ...you'll want to read *The Third Man*...The story of the film's creation is as intriguing as the film itself Leonard Maltin, *Playboy*

the third man book: *The Third Man Factor* John Geiger, 2009-09-01 *The Third Man Factor* is an extraordinary account of how people at the very edge of death often sense an unseen presence beside them who encourages them to make one final effort to survive. This incorporeal being offers a feeling of hope, protection, and guidance, and leaves the person convinced he or she is not alone. There is a name for this phenomenon: it's called the Third Man Factor. If only a handful of people had ever encountered the Third Man, it might be dismissed as an unusual delusion shared by a few overstressed minds. But over the years, the experience has occurred again and again, to 9/11 survivors, mountaineers, divers, polar explorers, prisoners of war, sailors, shipwreck survivors, aviators, and astronauts. All have escaped traumatic events only to tell strikingly similar stories of having sensed the close presence of a helper or guardian. The force has been explained as

everything from hallucination to divine intervention. Recent neurological research suggests something else. Bestselling and award-winning author John Geiger has completed six years of physiological, psychological, and historical research on the Third Man. He blends his analysis with compelling human stories such as that of Ron DiFrancesco, the last survivor to escape the World Trade Center on 9/11; Ernest Shackleton, the legendary explorer whose account of the Third Man inspired T. S. Eliot to write of it in *The Waste Land*; Jerry Linenger, a NASA astronaut who experienced the Third Man while aboard the Mir space station—and many more. Fascinating for any reader, *The Third Man Factor* at last explains this secret to survival, a Third Man who—in the words of famed climber Reinhold Messner—“leads you out of the impossible.”

the third man book: Eduard Strauss - The Third Man of the Strauss Family Leigh Bailey, 2017-03-17 Eduard Strauss I (1835–1916), the youngest of the three Strauss brothers – and hence the 'third man' of the family, has always been overshadowed by his siblings Johann II and Josef. However, he was the longest lived and most widely travelled of the three and, as sole conductor and manager of the Strauss Orchestra for thirty years, brought authentic performances of his family's music to audiences in hundreds of towns and cities in Europe and North America. At home in Vienna he made an invaluable contribution to the city's musical and cultural life, while having at the same time to cope with continual tensions and problems within the Strauss family.

the third man book: The Third Man of the Double Helix, 2005-07-14 Francis Crick and Jim Watson are well known for their discovery of the structure of DNA in Cambridge in 1953. But they shared the Nobel Prize for the discovery of the Double Helix with a third man, Maurice Wilkins, a diffident physicist who did not enjoy the limelight. He and his team at King's College London had painstakingly measured the angles, bonds, and orientations of the DNA structure - data that inspired Crick and Watson's celebrated model - and they then spent many years demonstrating that Crick and Watson were right before the Prize was awarded in 1962. Wilkins's career had already embraced another momentous and highly controversial scientific achievement - he had worked during World War II on the atomic bomb project - and he was to face a new controversy in the 1970s when his co-worker at King's, the late Rosalind Franklin, was proclaimed the unsung heroine of the DNA story, and he was accused of exploiting her work. Now aged 86, Maurice Wilkins marks the fiftieth anniversary of the discovery of the Double Helix by telling, for the first time, his own story of the discovery of the DNA structure and his relationship with Rosalind Franklin. He also describes a life and career spanning many continents, from his idyllic early childhood in New Zealand via the Birmingham suburbs to Cambridge, Berkeley, and London, and recalls his encounters with distinguished scientists including Arthur Eddington, Niels Bohr, and J. D. Bernal. He also reflects on the role of scientists in a world still coping with the Bomb and facing the implications of the gene revolution, and considers, in this intimate history, the successes, problems, and politics of nearly a century of science.

the third man book: The Third Man Nick A. Komons, 1987 This book examines the airline crew complement controversy, which is the idea of whether a plane needs a third cockpit crew member to operate safely.

the third man book: The Third Man, 1976

the third man book: The Third Man In G B Joyce, 2016-10-04 Corruption runs deep in the third installment of the Brad Shade thrillers, the series that inspired the hit Global TV show *Private Eyes*. When Brad Shade arrives in Russia, he knows exactly what to expect. As a former journeyman turned Scouting Director for Los Angeles, Shade is accustomed to delays at the world's worst airport, run-ins with Vlad Dubinin, once his rival, now his Moscow scout, and the perpetual headache of getting draft picks released from the KHL. But this trip starts off with a catastrophic bang: one player collapses suddenly mid-game, L.A.'s top prospect is missing, and a fatal explosion leaves deals dashed and the league reeling. Forced to contend with violent interference from the FSB, Shade becomes increasingly aware that what looks like a series of unrelated disasters may be something far more sinister. And when everything points to deception within his own organization, Shade realizes yet again that the game played off the ice is just as dangerous—and far more deadly—than

the game played on it.

the third man book: *my life with The Third Man in the Ring (the drama outside the ropes)*
Barbara Stolfi Maggio, 2009-03-12 My Life with The Third Man in the Ring by Barbara Stolfi Maggio tells the story of the author's life with her father, a celebrated professional fight referee, a member of a Boxing Hall of Fame, a bookmaker, a mob associate, a bon vivant, and a memorable New York character. The story also encompasses her love-hate relationship with her glamorous but volatile mother.
