

how many bleach manga are there

How many Bleach manga are there?

The Bleach manga series, created by Tite Kubo, is one of the most popular and enduring manga franchises worldwide. Since its debut in 2001, Bleach has captivated fans with its compelling characters, intricate storylines, and dynamic battles. For new readers and longtime fans alike, understanding the scope of Bleach manga — including how many volumes, spin-offs, and related publications exist — is essential. In this comprehensive guide, we will explore the total number of Bleach manga titles, their publication history, and related works to provide a clear picture of the franchise's manga universe.

Overview of the Bleach Manga Series

The Original Bleach Manga

The main Bleach manga series was serialized in Shueisha's Weekly Shonen Jump magazine from August 2001 to August 2016. The story follows Ichigo Kurosaki, a teenager who gains Soul Reaper powers and becomes involved in the spiritual world's conflicts.

- Total Volumes: 74
- Serialization Period: 2001-2016
- Published by: Shueisha
- English Publisher: VIZ Media (for North America)

This core series is divided into multiple story arcs, including:

- The Soul Society Arc
- The Arrancar Arc
- The Hueco Mundo Arc
- The Fullbring Arc
- The Thousand-Year Blood War Arc

Final Arc and Its Significance

The Thousand-Year Blood War arc, which is the concluding part of the main series, was originally serialized from 2012 to 2016. It was later adapted into an anime, but the manga concluded with volume 74, wrapping up the primary story.

Spin-off and Side Manga Series

Beyond the main series, Bleach has spawned several spin-off manga titles, one-shots, and special editions. These works expand on side characters, alternative stories, or are created as tribute works.

Notable Spin-off and Side Manga Titles

1. Bleach: Spirits Are Forever With You
 - A side story published as a one-shot that ties into the main plot.

2. Bleach: The Death Save the Strawberry

- A humorous side story focusing on Ichigo and his friends.

3. Bleach: Can't Fear Your Own World

- A novel series that explores the aftermath of the main story, particularly focusing on the Soul Society and the Quincy conflict. It includes manga adaptations.

4. Bleach: Official Character Book

- Not a manga, but a companion book featuring character profiles, artwork, and concept sketches.

Bleach: Official Character Book and Artbooks

While not manga per se, these publications are essential for fans interested in the artwork and character details:

- Bleach: Official Character Book (2008)
- Bleach: Unmasked (2010)
- Bleach: All Color But The Black (2018)

These books compile artwork, interviews, and additional lore, enriching the manga universe.

Bleach Manga: Publication and Volumes Breakdown

Main Series Volumes

Aspect Details
----- -----
Total Volumes 74
Serialization Duration 2001-2016
Publisher Shueisha
English Publisher VIZ Media

Special Editions and Box Sets

In addition to individual volumes, various box sets and collector's editions have been released, often compiling multiple volumes for easier access.

Digital and Reprint Editions

With the rise of digital manga, Bleach is available on various platforms, and reprint editions often feature colored pages or special covers.

Other Related Manga Works

Bleach in Other Media

- Anime Adaptation: Covering the main story arcs.
- Light Novels: Including Bleach: Can't Fear Your Own World, which expands the lore.
- Video Games and Art Books: Not manga but part of the franchise's expanded universe.

How Many Bleach Manga Titles Are There?

To summarize:

- Main Series: 74 volumes covering the core story.
- Spin-off & Side Manga: Several one-shots, side stories, and manga adaptations, including Bleach: Can't Fear Your Own World.
- Supplementary Publications: Character books, artbooks, and special editions.

Total Count of Bleach Manga-Related Works

While the main series comprises 74 volumes, including all related manga and spin-offs, the total number of manga titles and volumes related to Bleach exceeds 80 when counting all side stories, special editions, and adaptations.

Conclusion

How many Bleach manga are there? The answer hinges on what qualifies as part of the franchise. The main manga series consists of 74 volumes, making it a substantial and complete story arc that fans can follow from start to finish. Beyond the core series, there are multiple spin-offs, side stories, and supplementary publications that expand the universe. Altogether, these works amount to over 80 manga titles and volumes related to Bleach.

For dedicated fans and new readers interested in exploring the full scope of Bleach's manga universe, starting with the main series is recommended, but exploring the spin-offs and special publications will provide a richer understanding of Ichigo Kurosaki's world and the intricate lore created by Tite Kubo.

How Many Bleach Manga Are There?

The manga series Bleach is one of the most iconic and influential titles in the world of manga and anime. Created by Tite Kubo, it has captivated millions of fans worldwide with its compelling story, intricate characters, and dynamic artwork. If you're a newcomer or a seasoned fan, you might wonder: how many Bleach manga volumes are there? This question can lead to exploring not only the main series but also its various spin-offs, side stories, and special editions. In this comprehensive guide, we'll delve into the total number of Bleach manga publications, their significance, and what fans can expect from each.

Overview of the Main Bleach Manga Series

The core of the Bleach franchise is its original manga series, which was serialized in Shueisha's Weekly Shonen Jump magazine. The series debuted in August 2001 and concluded in August 2016, spanning a total of 15 years. Over this period, Tite Kubo developed a rich universe filled with Soul Reapers, Hollows, Quincy, Fullbringers, and many more mystical elements.

Number of Main Manga Volumes

As of the final publication, the main Bleach manga comprises:

- Total Volumes: 74

This count is based on the officially published tankōbon (collected volumes) released by Shueisha in Japan and later translated into various languages. These 74 volumes form the comprehensive collection of the primary storyline, from Ichigo Kurosaki's first encounter with a Soul Reaper to the climactic battles that conclude the series.

Features of the Main Series:

- Rich storytelling with multiple arcs
- Deep character development
- Unique artwork style
- Incorporation of various mythologies and powers

Pros:

- Complete story arc from beginning to end
- Well-structured volume releases, making it easy to follow the storyline
- High-quality artwork and detailed fight scenes

Cons:

- The series' length can be daunting for new readers
- Some arcs received mixed reviews regarding pacing

Spin-offs, Side Stories, and Special Editions

Beyond the main series, Bleach has expanded into various spin-offs, side stories, and special editions that enrich the universe and provide additional context or entertainment for fans.

Major Bleach Spin-offs and Side Publications

1. Bleach Spirits Are Forever With You

- A one-shot manga published in 2017, serving as a sequel to the original series.
- Focuses on the characters' lives after the main story ends.
- No new volumes, but significant for fans wanting closure.

2. Bleach Official Character Book Series

- Includes Bleach Official Character Book volumes that contain character profiles, artwork, and additional lore.

- These are companion books rather than manga volumes but are considered essential for fans.

3. Bleach "Can't Fear Your Own World"

- A light novel series that expands on the story, focusing on the Quincy and other characters not deeply explored in the manga.
- Has a manga adaptation, which we'll discuss further.

4. Bleach Manga Side Stories and One-shots

- Several one-shot stories published over the years, often included in special editions or as bonus material.

Total Additional Volumes and Publications:

- While the main manga has 74 volumes, the combined official publications, including character books and side stories, add several more items, but not all are in manga volume format.

Bleach Manga Volumes: Are There Any New Releases or Reboots?

In 2020, Tite Kubo announced the return of Bleach with a new arc titled Thousand-Year Blood War, which was serialized in Weekly Shonen Jump from 2020 to 2021. This new arc was later compiled into additional volumes.

New Volumes for the Thousand-Year Blood War Arc

- Number of New Volumes: 20 (as of 2023)

These volumes pick up after the original ending, providing a conclusion to some unresolved plot points and expanding the universe further. They are considered part of the main manga series but are often categorized separately due to their late publication date.

Features of the New Volumes:

- Continuation of the original story
- High-stakes battles and character developments
- New characters and deeper lore

Pros:

- Completes the story arc that was left open-ended in 2016
- Fresh artwork and plot twists
- Offers closure for dedicated fans

Cons:

- Separate from the original 74 volumes (though connected)
- Some fans consider it a continuation rather than part of the original series

Summary: Total Count of Bleach Manga Publications

To answer the initial question clearly:

- Main Series: 74 volumes
- Thousand-Year Blood War Arc (New Volumes): 20 volumes
- Additional Material (Character Books, One-shots): Not counted as manga volumes but important for a comprehensive understanding

Grand Total of Bleach Manga Volumes (Main + New Arc): 94 volumes

This total reflects all the officially published manga volumes related to Bleach up to 2023, providing fans with a complete collection of the entire story universe, including the main series and its recent continuation.

Conclusion: How Many Bleach Manga Are There in Total?

In conclusion, the total number of Bleach manga volumes, including both the original series and the subsequent Thousand-Year Blood War arc, stands at 94 volumes. This figure showcases the series' longevity, popularity, and the depth of its universe. For collectors, readers, or fans wanting to experience the entire story, these volumes represent a substantial but rewarding commitment.

Final Tips for Fans:

- Start with the main 74 volumes to understand the core story.
- Explore the 20 volumes of the Thousand-Year Blood War for the latest developments.
- Supplement with character books and side stories for richer context.

Whether you're new or a long-time supporter, the Bleach manga remains a significant milestone in manga history, with a total volume count that reflects its enduring legacy.

Note: Always check the latest publications from official sources or publishers, as new editions or spin-offs could expand the number further.

How Many Bleach Manga Are There

how many bleach manga are there: Manga in America Casey Brienza, 2016-01-28 Japanese manga comic books have attracted a devoted global following. In the popular press manga is said to have “invaded” and “conquered” the United States, and its success is held up as a quintessential example of the globalization of popular culture challenging American hegemony in the twenty-first century. In *Manga in America* - the first ever book-length study of the history, structure, and practices of the American manga publishing industry - Casey Brienza explodes this assumption. Drawing on extensive field research and interviews with industry insiders about licensing deals, processes of translation, adaptation, and marketing, new digital publishing and distribution models, and more, Brienza shows that the transnational production of culture is an active, labor-intensive, and oft-contested process of “domestication.” Ultimately, *Manga in America* argues that the domestication of manga reinforces the very same imbalances of national power that might otherwise seem to have been transformed by it and that the success of Japanese manga in the United States actually serves to make manga everywhere more American.

how many bleach manga are there: Bleach, Vol. 1 Tite Kubo, 2011-06-17 Ichigo Kurosaki has always been able to see ghosts, but this ability doesn't change his life nearly as much as his close encounter with Rukia Kuchiki, a Soul Reaper and member of the mysterious Soul Society. While fighting a Hollow, an evil spirit that preys on humans who display psychic energy, Rukia attempts to lend Ichigo some of her powers so that he can save his family; but much to her surprise, Ichigo absorbs every last drop of her energy. Now a full-fledged Soul Reaper himself, Ichigo quickly learns that the world he inhabits is one full of dangerous spirits and, along with Rukia--who is slowly regaining her powers--it's Ichigo's job to protect the innocent from Hollows and help the spirits themselves find peace. -- VIZ Media

how many bleach manga are there: Manga and Anime Go to Hollywood Northrop Davis, 2015-12-17 The media industries in the United States and Japan are similar in much the same way animals on earth share a similar DNA, but while a horse and a kangaroo maybe 95% related on a biological level, they are also very different - this is the way it is with manga/anime in Japan and Hollywood animation/movies/TV. Although sharing some key common origins, they developed mostly separately but influenced each other significantly along the way. That confluence is now accelerating into new forms of hybridization that will drive much of future storytelling entertainment. Understanding these common and divergent DNA origins, the cross-influences and the independent traits is one of many reasons why this book is so important. Through original interviews with top creators in these fields and illuminating case studies including adaptations of Japanese mangas and animes for Hollywood remakes, *Manga and Anime go to Hollywood* analyzes the specific dynamics of this confluence between Japanese manga/anime and American film, animation and television. In addition, it shows how to use this knowledge creatively to shape the future of global narrative storytelling, including through the educational system. It is a fascinating to any reader with an interest in the inter-related history of Japanese manga/anime and Hollywood since the Meiji period through WW2, what is happening on the cutting edge right now - and into the future.

how many bleach manga are there: The Rough Guide to Manga Jason S. Yadao, 2009-10-01 *The Rough Guide to Manga* is the ultimate handbook offering a comprehensive overview of one of the most fashionable genre's in today's popular culture. The guide features the manga story: from manga's twelfth-century roots to the rise of English-language manga with profiles of influential creators like Leiji Matsumoto and CLAMP as well as publishers to look out for. You'll find an overview of manga's unique styles, techniques and genres decoded as well as a canon of fifty must-read manga, including the iconic *Astro Boy*, global hits *Fruits Basket* and *Battle Royale*, plus less well-known works like *Please Save My Earth*. *The Rough Guide to Manga* demystifies unfamiliar terms and genres for newcomers whilst offering manga fans plenty of new recommendations

including listings for manga magazines and websites along with a glossary of terms. Crammed with illustrations, and including a section on the anime connection, this is must-have Manga for beginners and enthusiasts alike.

how many bleach manga are there: Folktales and Fairy Tales Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage, this one-of-a-kind reference is ideal for students, scholars, and others who need reliable, up-to-date information on folk and fairy tales, past and present. Folktales and fairy tales have long played an important role in cultures around the world. They pass customs and lore from generation to generation, provide insights into the peoples who created them, and offer inspiration to creative artists working in media that now include television, film, manga, photography, and computer games. This second, expanded edition of an award-winning reference will help students and teachers as well as storytellers, writers, and creative artists delve into this enchanting world and keep pace with its past and its many new facets. Alphabetically organized and global in scope, the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter. The four-volume collection covers national, cultural, regional, and linguistic traditions from around the world as well as motifs, themes, characters, and tale types. Writers and illustrators are included as are filmmakers and composers—and, of course, the tales themselves. The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts. While most books either present readers with tales from certain countries or cultures or with thematic entries, this encyclopedia stands alone in that it does both, making it a truly unique, one-stop resource.

how many bleach manga are there: 1000 Facts about Animated Shows Vol. 2 James Egan, 2016-06 Skeletor was cut from He-Man in France because he was too scary. Lois from Family Guy has had eight children. Marceline from Adventure Time has a fear of celery. Steven Spielberg thinks Rugrats is one of the best cartoons ever. Homer Simpson's voice is the most popular GPS voice. Tom Cruise was meant to play Captain Planet. Tim Curry was meant to play the Joker in the Batman cartoon but was considered too scary. Spider-Man was banned in Hong Kong. Mickey Mouse has a brother... who is a rabbit. Bugs Bunny got his name by accident. Tom and Jerry has won seven Oscars. Beast was only meant to appear in a few episodes of X-Men. Winnie the Pooh was originally called Edward.

how many bleach manga are there: The Power of Comics Randy Duncan, Matthew J. Smith, 2009-07-01 Offers undergraduate students with an understanding of the comics medium and its communication potential. This book deals with comic books and graphic novels. It focuses on comic books because in their longer form they have the potential for complexity of expression.

how many bleach manga are there: Graphic Novels Beyond the Basics Martha Cornog, Timothy Perper, 2009-08-25 This study of the graphic novel and its growth in the library helps librarians utilize and develop this extraordinarily popular format in their library collections. What does the surge of popularity in graphic novels mean for libraries? *Graphic Novels Beyond the Basics: Insights and Issues for Libraries* goes deeper into this subject than any other volume previously published, bringing together a distinguished panel of experts to examine questions librarians may encounter as they work to enhance their graphic novel holdings. *Graphic Novels Beyond the Basics* begins by introducing librarians to the world of the graphic novel: popular and critically acclaimed fiction and nonfiction titles; a wide range of genres including Japanese manga and other international favorites; recurring story and character archetypes; and titles created for specific cultural audiences and female readers. The book then offers a series of chapters on key issues librarians will face with graphic novels on the shelves, including processing and retention questions, preservation and retention, collecting related media such as Japanese anime films and video games, potential grounds for patron or parental complaints, the future of graphic novels, and more.

how many bleach manga are there: Manga's Cultural Crossroads Jaqueline Berndt, Bettina

Kümmerling-Meibauer, 2014-03-14 Focusing on the art and literary form of manga, this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga's culturalization is related to its globalization. Through contributions from leading scholars in the fields of comics and Japanese culture, it describes manga culture in two ways: as a fundamentally hybrid culture comprised of both subcultures and transcultures, and as an aesthetic culture which has eluded modernist notions of art, originality, and authorship. The latter is demonstrated in a special focus on the best-selling manga franchise, NARUTO.

how many bleach manga are there: *3000 Facts about Animated Shows* James Egan, 2016-04-22 The Simpsons is banned in Burma because the show has too much yellow. In South Park, Stan's dog is voiced by George Clooney. Scrooge McDuck is the world's richest fictional character. In Family Guy, Meg's heart is in her head. Betty Boop was a dog in her first appearance. James Avery voiced Shredder in Teenage Mutant Ninja Turtles. He also played Uncle Phil in The Fresh Prince of Bel-Air. Ukraine's government believes Spongebob SquarePants is a real threat to children. The Road Runner Show was created to mock the absurd violence in Tom and Jerry. Bugs Bunny isn't a rabbit. In Scooby-Doo, Shaggy's real name is Norville. Mister Freeze's backstory was created in Batman: The Animated Series and was then incorporated into the comics. Simpsons toys are banned in Iran. Fans can't decide whether Avatar: The Last Airbender is an anime or not. Four actors died while working on the show Spider-Man.

how many bleach manga are there: *There Is No Place for Us* Brian Goldstone, 2025-03-25 Through the unforgettable stories of five Atlanta families, this landmark work of journalism exposes a new and troubling trend—the dramatic rise of the “working homeless” in cities across America “Read this extraordinary book. If you’re lucky, you’ll be changed.”—Adrian Nicole LeBlanc, author of *Random Family* The working homeless. In a country where hard work and determination are supposed to lead to success, there is something scandalous about this phrase. But skyrocketing rents, low wages, and a lack of tenant rights have produced a startling phenomenon: People with full-time jobs cannot keep a roof over their head, especially in America’s booming cities, where rapid growth is leading to catastrophic displacement. These families are being forced into homelessness not by a failing economy but a thriving one. In this gripping and deeply reported book, Brian Goldstone plunges readers into the lives of five Atlanta families struggling to remain housed in a gentrifying, increasingly unequal city. Maurice and Natalia make a fresh start in the country’s “Black Mecca” after being priced out of DC. Kara dreams of starting her own cleaning business while mopping floors at a public hospital. Britt scores a coveted housing voucher. Michelle is in school to become a social worker. Celeste toils at her warehouse job while undergoing treatment for ovarian cancer. Each of them aspires to provide a decent life for their children—and each of them, one by one, joins the ranks of the nation’s working homeless. Through intimate, novelistic portraits, Goldstone reveals the human cost of this crisis, following parents and their kids as they go to sleep in cars, or in squalid extended-stay hotel rooms, and head out to their jobs and schools the next morning. These are the nation’s hidden homeless—omitted from official statistics, and proof that overflowing shelters and street encampments are only the most visible manifestation of a far more pervasive problem. By turns heartbreaking and urgent, *There Is No Place for Us* illuminates the true magnitude, causes, and consequences of the new American homelessness—and shows that it won’t be solved until housing is treated as a fundamental human right.

how many bleach manga are there: *Manga* Toni Johnson-Woods, 2010-04-15 Once upon a time, one had to read Japanese in order to enjoy manga. Today manga has become a global phenomenon, attracting audiences in North America, Europe, Africa, and Australia. The style has become so popular, in fact, that in the US and UK publishers are appropriating the manga style in a variety of print material, resulting in the birth of harlequin mangas which combine popular romance fiction titles with manga aesthetics. Comic publishers such as Dark Horse and DC Comics are translating Japanese classics, like Akira, into English. And of course it wasn't long before Shakespeare received the manga treatment. So what is manga? Manga roughly translates as whimsical pictures and its long history can be traced all the way back to picture books of eighteenth

century Japan. Today, it comes in two basic forms: anthology magazines (such as *Shukan Shonen Jampu*) that contain several serials and manga 'books' (tankobon) that collect long-running serials from the anthologies and reprint them in one volume. The anthologies contain several serials, generally appear weekly and are so thick, up to 800 pages, that they are colloquially known as phone books. Sold at newspaper stands and in convenience stores, they often attract crowds of people who gather to read their favorite magazine. Containing sections addressing the manga industry on an international scale, the different genres, formats and artists, as well the fans themselves, *Manga: An Anthology of Global and Cultural Perspectives* is an important collection of essays by an international cast of scholars, experts, and fans, and provides a one-stop resource for all those who want to learn more about manga, as well as for anybody teaching a course on the subject.

how many bleach manga are there: *Soft Power Superpowers* Yasushi Watanabe, David L McConnell, 2015-01-28 The term soft power describes a country's ability to get what it wants by attracting rather than coercing others - by engaging hearts and minds through cultural and political values and foreign policies that other countries see as legitimate and conducive to their own interests. This book analyzes the soft power assets of the United States and Japan, and how they contributed to one of the most successful, if unlikely, bilateral relationships of the twentieth century. Sponsored by the U.S. Social Science Research Council and the Japan Foundation's Center for Global Partnership, the book brings together anthropologists, political scientists, historians, economists, diplomats, and others to explore the multiple axes of soft power that operate in the U.S.-Japanese relationship, and between the United States and Japan and other regions of the world. The contributors move beyond an either-or concept of hard versus soft power to a more dynamic interpretation, and demonstrate the important role of non-state actors in wielding soft power. They show how public diplomacy on both sides of the Pacific - bolstered by less formal influences such as popular cultural icons, product brands, martial arts, baseball, and educational exchanges - has led to a vibrant U.S.-Japanese relationship since World War II despite formidable challenges. Emphasizing the essentially interactive nature of persuasion, the book highlights an approach to soft power that has many implications for the world today.

how many bleach manga are there: *The Metaphor of the Monster* Keith Moser, Karina Zelaya, 2020-10-15 *The Metaphor of the Monster* offers fresh perspectives and a variety of disciplinary approaches to the ever-broadening field of monster studies. The eclectic group of contributors to this volume represents areas of study not generally considered under the purview of monster studies, including world literature, classical studies, philosophy, ecocriticism, animal ethics, and gender studies. Combining historical overviews with contemporary and global outlooks, this volume recontextualizes the monstrous entities that have always haunted the human imagination in the age of the Anthropocene. It also invites reflection on new forms of monstrosity in an era epitomized by an unprecedented deluge of (mis)information. Uniting researchers from varied academic backgrounds in a common effort to challenge the monstrous labels that have historically been imposed upon the Other, this book endeavors above all to bring the monster out of the shadows and into the light of moral consideration.
