inspirational quotes by famous people: Unleashing Your Inner Leader Vickie Bevenour, 2015-02-17 Leverage your brand of leadership for maximum results Unleashing Your Inner Leader: Executive Coach Tells All presents the premise that there is a powerful leader inside each of us. The focus is on real life exercises and case studies to help you discover, release, and leverage your inner leader: to reach heights in your career that you never thought possible. The book discusses the individual's impact on the organization and which professional behaviors most frequently demonstrate leadership competencies. Conduct a "forensic intervention" to find out what is going awry in your professional development, or what has gone wrong in the past, and craft a strategy to overcome obstacles, gain unmistakable clarity about yourself, and focus your abilities to match organizational needs. Great leaders start their assessments from the inside out, and their passion is so strong that it permeates their organizations and builds the culture, regardless of rank. They inspire their teams by sharing the spotlight and encouraging coworkers to excel, operating with clean authenticity to maximize results. Unleashing Your Inner Leader helps you recognize where you fall on the leadership spectrum, and provides practical advice for shaping your brand of leadership to capitalize on your authentic capability and potential.
