Lorraine Johnson and Brian Alderson trace the history of the Ladybird venture from its wobbly beginning through Wills & Hepworth's triumphant management of the series up to its sale in 1972, with further chapters on the last decades at the printworks in Loughborough down to 1999. A comprehensive bibliography of books edited under the Wills & Hepworth imprint gives ample evidence of their catering for children at all stages of development, a central element in the millions of books that they sold.
