legends of manchester city: [The Legends of Manchester City](#) Ian Penney, 2002 IN 120 years more than 800 players have turned out in the colours of Manchester City Football Club or the club's earlier guises. Of these many have earned legendary status. This book lists a personal choice of 100 of these legends (one of them never even kicked a ball) who the author thinks warrants the description. Not intended as a complete biographical dictionary, it will hopefully stimulate discussion among supporters and bring back memories of former players and former glories. Names such as Meredith, Browell and Cookson from the early days may not be too familiar to the younger supporter; likewise Swift, Cowan, Doherty and prolific goalscorer Johnson from the 1920s, 30s and 40s. In the 1950s Blues fans witnessed the efforts of Messrs Trautmann, Barnes, Clarke and Paul. The late 1960s and early 1970s brought Joe Mercer and Malcolm Allison together and their combined efforts provided the wonderful triumvirate of Lee, Bell and Summerbee (not to mention Book, Young and Doyle) along with superb enjoyment and entertainment to Maine Road. In more recent times Kinkladze, Bishop, Weaver and Goater have all earned the right to be included in the club's Hall of Legends.

legends of manchester city: *The talkSPORT Book of Premier League Legends* Bill Borrows, talkSPORT, 2012-08-02 In this wonderful celebration of all that is best about the world's greatest football league, talkSPORT has taken on the challenge of listing the 100 greatest Premiership legends. Featuring contributions from many of talkSPORT's presenters, including Alan Brazil, Darren Gough and Stan Collymore, the talkSPORT team has drawn up its definitive listing of Premiership stars. Of course, being talkSPORT, nothing is straightforward and the opinions are hotly debated. Some surprising names make into the list, while others are relegated to the bottom or even fail to appear at all. Who comes out on top: Gianfranco Zola or Alan Shearer? How do you decide who's in and who's out from 20 years of footballing genius? Each of the stars is fully profiled, with surprising and fascinating information revealed about all of them, and their individual ranking in the list is fully justified. In short, this book will not only provide great football memories of moments that won leagues, spared clubs from relegation, and drew stunned silence from watching crowds, but cause much controversy - just like talkSPORT itself.

legends of manchester city: Undercover Legends David Le Courageux, 2025-08-13 Four lives... Two people... One question... What do you really know about the people around you? To the residents of leafy Acacia Avenue, Mr and Mrs Smith were like any other couple. Living a very ordinary life, in a very ordinary suburb, on the outskirts of a very ordinary city. But behind closed doors, Mr and Mrs Smith were at the heart of a world filled with deception and organised crime - and they were the good guys. Inspired by true events and detailing Mr and Mrs Smith's covert deployments, this is first in a series of gripping tales. 'Undercover Legends' is a fascinating insight into the double lives of two undercover officers. First as individuals and then as a couple, they had to balance the stresses and strains of their real lives, families and relationships, with the murky underworld they found themselves enmeshed in. In many ways, their legends, those false identities and lives that inhabited the criminal world, were no less real than the lives they were born into. That was a must as their lives may have depended on the robustness of their cover. Four lives... two people. One question... will you join them on their extraordinary story?

legends of manchester city: The Charlatans We Are Rock John Robb, 2010-10-31 In the crazed aftermath of the late '80s northern pop explosion there have been few survivors. The Charlatans, however, still prosper despite once being perceived as runts of the Manchester music scene. The cruellest of luck has visited heartbreaking death, nervous exhaustion, a jail sentence, and the prospect of falling almost totally out of fashion upon them. And yet, a deceptively tough band with a charismatic lead singer, their combination of unnerving honesty, sheer pop talent, great live shows, and a total and touching commitment to their fans has seen them survive some of the worst disasters that fate has thrown at any pop group. They have remarkable street suss that, with their small town backgrounds makes them totally at one with their huge following -- a relationship that has given them a fistful of number one albums. This is a tale of a love of pop and a lust for life. A story of northern pop and a band with guts and a passion for creativity. It traces the rise of the Charlatans from the fringes of the Manchester scene in the late Eighties to their current position at the top of British music, one of the key bands of the Nineties in possession of a rare and beautiful canon of great pop tunes.

legends of manchester city: Best, Pele and a Half-Time Bovril: A Nostalgic Look at the 1970s - Football's Last Great Decade Andrew Smart, 2014-05-08 THE 1970S - THE LAST DECADE WHEN EVERY FAN OF EVERY CLUB COULD WISH FOR THE STARS. For supporters of provincial lightweights like Derby County, Nottingham Forest and Leeds United, their wishes came true in the seventies when they landed the Division One title. It was the decade of the underdog - when the FA Cup was still football's Holy Grail and teams like Sunderland, Ipswich and Southampton came in from the sticks to produce their own brand of Wembley magic. It is not like that today. It was the decade when every team had its characters: Stan Bowles, Charlie George, Duncan McKenzie, Frank Worthington, Tony Currie, Rodney Marsh. These personalities are gone now, replaced by an influx of anonymous foreign journeymen. This book harks back to a lost era when the game still belonged to the fans; they could identify with the players, recognise their heroes, and believe they all had a shot at glory. It remembers dramatic matches packed with action and controversy; recalls mercurial managers like Shankly, Clough, Revie and the Doc - and asks the question: who was the finest player from football's last great decade?

legends of manchester city: The Nail in the Skull and Other Victorian Urban Legends

Simon Young, 2022-06-27 Winner of the 2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years, folklorists have amassed an extraordinary corpus of contemporary legends including the "Choking Doberman," the "Eaten Ticket," and the "Vanishing Hitchhiker." But what about the urban legends of the past? These legends and tales have rarely been collected, and when they occasionally appear, they do so as ancestors or precursors of the urban legends of today, rather than as stories in their own right. In *The Nail in the Skull and Other Victorian Urban Legends*, Simon Young fills this gap for British folklore (and for the wider English-speaking world) of the 1800s. Young introduces seventy Victorian urban legends ranging from "Beetle Eyes" to the "Shoplifter's Dilemma" and from "Hands in the Muff" to the "Suicide Club." While a handful of these stories are already known, the vast majority have never been identified, and they have certainly never received scholarly treatment. Young begins the volume with a lengthy introduction assessing nineteenth-century media, emphasizing the importance of the written word to the perpetuation and preservation of these myths. He draws on numerous nineteenth-century books, periodicals, and ephemera, including digitized newspaper archives—particularly the British Newspaper Archive, an exciting new hunting ground for folklorists. *The Nail in the Skull and Other Victorian Urban Legends* will appeal to an academic audience as well as to anyone who is interested in urban legends.
