

lords and ladies pratchett

lords and ladies pratchett

Terry Pratchett, the legendary British author, is renowned for his witty, satirical, and richly imaginative fantasy novels, most notably the Discworld series. Among the many themes and characters woven into his expansive universe, the concepts of Lords and Ladies stand out as pivotal elements that explore themes of power, societal hierarchy, gender roles, and cultural traditions. This article delves into the significance of Lords and Ladies in Pratchett's works, examining their roles, symbolism, and impact within the Discworld universe and beyond.

Understanding the Discworld Universe

Before exploring the specific roles of Lords and Ladies, it's essential to understand the broader context of the Discworld universe created by Terry Pratchett. Discworld is a flat, disc-shaped world supported by four giant elephants standing on the back of a colossal turtle, Great A'Tuin, swimming through space. This fantastical setting serves as a backdrop for satirical reflections on human society, politics, religion, and more.

Within this universe, Pratchett constructs a multilayered society that mirrors and often lampoons real-world social structures. Among these structures, the titles of Lords and Ladies carry significant weight, representing both political authority and social standing.

The Role of Lords and Ladies in Discworld Society

Definition and Hierarchy

In the Discworld, the titles of "Lord" and "Lady" are primarily associated with nobility and aristocracy. These titles are often inherited but can also be granted through royal favor or achievement. The hierarchy generally follows a traditional European model, with Dukes, Earls, Viscounts, Barons, and other noble ranks.

Common Characteristics of Lords and Ladies in Discworld:

- Political Power: Many Lords and Ladies hold significant political influence, controlling land, resources, and armies.

- Social Privilege: Their titles afford them social prestige, access to the court, and influence over cultural and societal norms.
- Responsibilities: Nobility often bears responsibilities such as governance, justice, and military leadership.

Examples in the Series:

- Lord Vetinari: The Patrician of Ankh-Morpork, wielding power behind the scenes with a pragmatic and often humorous approach.
- Lady Sybil Ramkin: A noblewoman dedicated to dragon conservation, exemplifying how nobility can also embody progressive ideals.

Representation of Power and Authority

Pratchett's portrayal of Lords and Ladies often serves as a satirical commentary on the nature of authority. While they may seem glamorous or commanding, many are depicted as self-serving, petty, or out of touch with the common folk.

Key themes include:

- The absurdity of hereditary privilege
- The corrupting influence of power
- The often arbitrary nature of social hierarchy

For instance, in the novel *Witches Abroad*, the aristocratic characters are portrayed as superficial or hypocritical, highlighting societal flaws through humor.

Notable Lords and Ladies in Discworld

Lord Vetinari and the Power Behind the Throne

Vetinari, the ruler of Ankh-Morpork, is perhaps the most iconic Lord in the series. His role as a "Lord" is more political than noble in the traditional sense, but his leadership style is a sharp satire of authoritarian rule.

Characteristics:

- Highly intelligent and pragmatic
- Ruthlessly efficient
- Uses wit and cunning to maintain control

Vetinari's character exemplifies how titles can be wielded as tools of influence rather than mere symbols of birthright.

Lady Sybil Ramkin and Noble Responsibility

Lady Sybil is a prominent Lady in the series, known for her noble lineage and her passion for dragons. She embodies the idea that nobility can be aligned with progressive values and social responsibility.

Attributes:

- Compassionate and brave
- Dedicated to conservation and justice
- Challenges traditional stereotypes of aristocracy

Her character demonstrates that being a Lady involves responsibilities beyond privilege.

Other Noteworthy Nobles

- Lord Downey: The head of the Ankh-Morpork Assassin's Guild, representing the often shady and bureaucratic side of nobility.
- Lady Margolotta: An elegant and influential vampire noble who appears in the City Watch series, blending aristocratic demeanor with supernatural elements.

Symbolism and Cultural Significance of Lords and Ladies

Satire of Aristocratic Society

Pratchett frequently uses Lords and Ladies to parody real-world aristocracy, exposing its flaws and contradictions. The exaggerated pomp and ceremony serve to highlight the absurdity of inherited privilege and social stratification.

Examples of Satirical Elements:

- The triviality of noble titles
- The self-importance of aristocrats
- The disconnect between nobility and common folk

Gender Roles and Expectations

The series also explores gender dynamics within noble classes. Ladies are often depicted as both powerful and constrained by societal expectations, while Lords may wield authority but also face stereotypes.

Highlights:

- Strong female characters like Lady Sybil challenge traditional gender roles.
- Male Lords often display vanity or foolishness, critiquing masculinity stereotypes.

Mythology and Folklore

Some Lords and Ladies in Discworld are inspired by mythic or folklore figures, adding layers of cultural symbolism. For example, Lady Margolotta's vampiric heritage references vampire mythology, blending it with satire.

The Influence of Lords and Ladies on Discworld Narratives

Driving Plot Development

Noble characters often serve as catalysts for major plotlines, whether through political intrigue, social upheaval, or personal growth.

Examples include:

- The political machinations of Lord Vetinari
- Lady Sybil's efforts to reform her society
- The secret histories of noble families influencing events

Exploring Themes of Power and Morality

Through their actions and decisions, Lords and Ladies embody the complex themes of morality, justice, and governance that Pratchett seeks to explore.

Key themes:

- The corrupting influence of absolute power
- The importance of responsibility and integrity
- The potential for nobility to be a force for good or evil

Humor and Irony

Pratchett's witty writing infuses these characters with humor, often ironic or satirical, making them memorable and thought-provoking.

Conclusion

Lords and Ladies in Terry Pratchett's Discworld universe are more than just titles or societal roles; they are literary devices that allow the author to critique, parody, and reflect on real-world social structures. Through characters like Lord Vetinari and Lady Sybil Ramkin, Pratchett explores the complexities of power, responsibility, and societal expectations with humor, insight, and compassion. Their presence enriches the stories, making Discworld a vibrant mirror to our own world's follies and virtues. Whether serving as villains, heroes, or satirical symbols, Lords and Ladies remain integral to understanding the depth and humor of Pratchett's groundbreaking fantasy series.

Frequently Asked Questions

Who are the Lords and Ladies in Terry Pratchett's Discworld series?

In Discworld, Lords and Ladies refer to powerful supernatural beings and noble characters associated with the Ankh-Morpork city-state, including the Lords of the Unseen University and the noble families like the Patricians and influential figures such as Lord Vetinari.

What is the significance of the Lords and Ladies in Discworld's magic system?

Lords and Ladies are often depicted as embodiments of magical forces or deities that influence the world, representing the more mysterious and ancient aspects of magic that underpin the Discworld universe.

How do Lords and Ladies influence the political landscape in Discworld?

They often hold sway over mortal affairs through their supernatural powers or divine authority, impacting political decisions, societal hierarchies, and the balance of power among characters like Lord Vetinari and the noble houses.

Are Lords and Ladies in Pratchett's works based on real mythological figures?

Yes, many Lords and Ladies in Discworld draw inspiration from various mythologies and folklore, such as Celtic, Greek, and Egyptian deities, reimagined with Pratchett's characteristic humor and satire.

Which Discworld novels feature prominent Lords and Ladies characters?

Key novels include 'Witches Abroad', 'Lords and Ladies', and 'Maskerade', where supernatural beings and noble characters play vital roles in the storylines.

What is the tone of Pratchett's portrayal of Lords and Ladies?

Pratchett often presents Lords and Ladies with a mix of reverence and satire, highlighting their grandeur and absurdities, and exploring themes of power, tradition, and change through humorous storytelling.

How have fans and scholars interpreted the concept of Lords and Ladies in Discworld?

Many see them as allegories for human institutions, power structures, and societal ideals, reflecting Pratchett's critique of authority and the importance of questioning tradition, all delivered with wit and humor.

Lords and Ladies Pratchett: A Deep Dive into Terry Pratchett's Most Enchanting and Subversive Fantasy Saga

When exploring the expansive universe of Terry Pratchett's Discworld series, few titles evoke a sense of wonder, humor, and incisive social commentary quite like Lords and Ladies Pratchett. This novel, published in 1992, stands as one of the most beloved and critically acclaimed entries in the series, weaving together folklore, satire, and fantasy in a way that only Pratchett could masterfully execute. Whether you're a seasoned Discworld enthusiast or a newcomer curious about the nuances of this particular installment, understanding Lords and Ladies Pratchett offers insight into Pratchett's unique approach to storytelling—one that combines the whimsical with the profound.

Introduction to Lords and Ladies Pratchett

Lords and Ladies Pratchett is the 14th novel in the Discworld series and is often considered a quintessential example of Pratchett's ability to blend humor with sharp social critique. Set on the Disc's magical and flat world, the story centers around the witches of Lancre—Granny Weatherwax, Nanny Ogg, and Magrat Garlick—and their confrontation with the Elves, a race long thought to be mythical but very much real, and dangerously vengeful.

The novel explores themes of tradition versus change, the nature of belief, and the thin line between the mundane and the magical. Its rich tapestry of characters, mythological references, and satirical commentary makes it both an engaging read and a thoughtful reflection on human nature and societal norms.

The Significance of Lords and Ladies in the Discworld Universe

The Title: Lords and Ladies

The phrase Lords and Ladies Pratchett encapsulates the duality of power and femininity that permeates the novel. In the context of the story, "Lords and Ladies" refers not only to the noble and aristocratic figures within the narrative but also to the mystical, seductive, and sometimes dangerous qualities associated with the fairy and elven worlds.

The Role of Elves and Their Mythos

Elves in Discworld are inspired by traditional European folklore, where they embody both beauty and peril. In Lords and Ladies, they are depicted as ancient, capricious beings capable of enchantment, manipulation, and violence. Their connection to the natural world is both alluring and threatening, embodying the dangerous allure of forbidden knowledge and temptation.

Elves also symbolize societal outsiders—those who exist on the fringes of human understanding and control. Their interactions with the witches highlight themes of fear of the unknown, the power of tradition, and the importance of community resilience.

Plot Overview and Key Themes

The Return of the Elves

The story kicks off with the return of the elves to the land of Lancre, where they seek to reclaim their ancient domain. This re-emergence is not merely a fantasy trope but serves as a metaphor for societal upheaval and the resurgence of old beliefs that challenge the status quo.

The Witchcraft and the Power of Belief

Central to the novel is the power wielded by Granny Weatherwax, Nanny Ogg, and Magrat Garlick. Their magic is rooted in perception, willpower, and the strength of community bonds. Pratchett emphasizes that true power lies in understanding oneself and others, rather than in spells or magical artifacts.

The Clash of Cultures

A significant element of *Lords and Ladies* is the clash between the natural, earthy witches and the ethereal, often manipulative elves. This dichotomy explores the tension between tradition and innovation, nature and civilization, and the human desire to control or be controlled by unseen forces.

Character Breakdown

Granny Weatherwax

The quintessential witch, Granny Weatherwax embodies wisdom, strength, and a no-nonsense attitude. She is deeply connected to her moral compass and the natural world, often acting as the moral anchor of the story.

Nanny Ogg

Nanny Ogg provides comic relief and earthy wisdom. Her bawdy humor and practical approach contrast with Granny's more serious demeanor, yet both share a profound understanding of human nature.

Magrat Garlick

The youngest of the witches, Magrat's journey involves discovering her own power and place in the world. Her interactions with the elves challenge her understanding of magic and belief.

The Elves

Elves are depicted as capricious, seductive, and dangerous beings. They embody the allure of temptation, and their interactions with the witches serve as a commentary on the seductive nature of power and the importance of resistance.

Literary and Thematic Analysis

Folklore and Mythology

Pratchett's use of elves draws heavily from European folklore, where they are often mysterious, beautiful, and dangerous. The novel plays with these traditional images, subverting expectations by portraying elves as both

alluring and deadly.

Satire and Social Commentary

Lords and Ladies satirizes societal structures, such as aristocracy and gender roles, through its depiction of the elves and the witches' community. It questions the nature of power—both magical and political—and highlights the importance of community resilience in the face of external threats.

Humor and Wit

Pratchett's hallmark humor shines through in witty dialogue, satirical jabs, and clever wordplay. The novel balances darker themes with comedic moments, making profound statements accessible and engaging.

Symbolism and Underlying Messages

- The Power of Belief: The novel underscores that belief—whether in fairy tales, traditions, or oneself—is a powerful force that shapes reality.
- Resistance and Courage: The witches' determination to protect their community highlights themes of resilience and the importance of standing up against forces of chaos.
- Nature Versus Civilization: The elves represent primal, untamed forces, contrasting with the witches' emphasis on community and moral agency.

Legacy and Impact

Lords and Ladies Pratchett is often hailed as a masterpiece within the Discworld series, admired for its clever storytelling, layered themes, and memorable characters. It exemplifies Pratchett's talent for blending fantasy with social critique, making it relevant across generations.

The novel has inspired countless readers to question societal norms, embrace community values, and explore the power of belief. Its depiction of the delicate balance between human civilization and the wild forces of nature resonates deeply in contemporary discussions about environmentalism, tradition, and change.

Final Thoughts

In conclusion, Lords and Ladies Pratchett stands as a vibrant tapestry of folklore, humor, and insight. It offers a compelling exploration of the human condition through the lens of fantasy, reminding us that beneath the veneer of magic lies profound truths about ourselves and our society. Whether you're captivated by the witty dialogue, enchanted by the mythical creatures, or

moved by the underlying themes, this novel exemplifies Terry Pratchett's genius—an enduring testament to the power of storytelling.

lords and ladies pratchett: *Lords and Ladies* Terry Pratchett, 2009-10-13 Unadulterated fun . . . witty, frequently hilarious. . . Pratchett parodies everything in sight. —San Francisco Chronicle From bestselling author Sir Terry Pratchett, the world's foremost practitioner of satire and send-up, this delightful installment in the Discworld series finds Granny Weatherwax and her tiny coven of witches faced with their biggest challenge yet as an invasion of elves threatens to disrupt Lancre's dreamy Midsummer Night — and throw their world into chaos. It's a dreamy Midsummer Night in the Kingdom of Lancre, and music and romance fill the air. But on this night, dreams are especially powerful — strong enough to pull down the wall between realities. Magic and mischief are afoot, threatening to spoil the royal wedding of King Verence and his favorite witch, Magrat Garlick. The witches return home to discover that elves have invaded Lancre, particularly nasty creatures. Soon it won't be only champagne that's flowing through the streets . . . The Discworld novels can be read in any order, but *Lords and Ladies* is the fourth book in the Witches series. The Witches collection includes: *Equal Rites* *Wyrd Sisters* *Witches Abroad* *Lords and Ladies* *Maskerade* *Carpe Jugulum*

lords and ladies pratchett: *Lords and Ladies* Terry Pratchett, 1994-05-01 THE FAIRIES ARE BACK - BUT THIS TIME THEY DON'T JUST WANT YOUR TEETH... Granny Weatherwax and her tiny coven are up against real elves. It's Midsummer Night. No times for dreaming... With full supporting cast of dwarfs, wizards, trolls, Morris dancers and one orang-utan. And lots of hey-nonny-nonny and blood all over the place.

lords and ladies pratchett: *Lords And Ladies* Terry Pratchett, 2022-06-28 'People didn't seem to be able to remember what it was like with the elves around. Life was certainly more interesting then, but usually because it was shorter. And it was more colourful, if you liked the colour of blood . . . ' On Midsummer Night, dreams are especially powerful. So powerful, in fact, that they can cause the walls between realities to come crashing down. And some things you really don't want to break through. The witches Granny Weatherwax, Nanny Ogg and Magrat Garlick return home to discover that elves have invaded Lancre. And even in a world of wizards, trolls, dwarfs, Morris dancers - and the odd orangutan - they're spectacularly nasty creatures. The fairies are back - and this time they don't just want your teeth . . . 'His spectacular inventiveness makes the Discworld series one of the perennial joys of modern fiction' Mail on Sunday 'Cracking dialogue,

compelling illogic and unchained whimsy' The Sunday Times *Lords and Ladies* is the fourth book in the *Witches* series, but you can read the *Discworld* novels in any order.

lords and ladies pratchett: *Lords and Ladies* Terry Pratchett, 1996-08-23 When an infestation of Faerie Trash invades the Kingdom of Lancre, upsetting the royal wedding plans of King Verence and his favorite witch, Magrat Garlick, it's up to the witches, led by Granny Weatherwax, to deal with the vicious little things. lords and ladies pratchett: *The Intertextuality of Terry Pratchett's Discworld as a Major Challenge for the Translator* Aleksander Rzyman, 2017-01-06 For the translator, intertexts are among chief problems posed by the source text. Often unmarked typographically, direct or altered, not necessarily well-known and sometimes intersemiotic, quotations and references to other writings and culture texts call for erudition and careful handling, so that readers of the translation stand a chance of spotting them, too. For the reader, the rich intertextuality of Terry Pratchett's *Discworld* series is among its trademark features. Consequently, it should not be missed in translations whose success thus depends significantly on the quality of translation of the intertexts which, as is highlighted here, cover a vast and varied range of types of original texts. The book focuses on how to deal with Pratchett's intertexts: how to track them down, analyse their role, predict obstacles to their effective translation, and suggest translation solutions – complete with a discussion of the translation of selected intertextual fragments in the Polish version, *Świat Dysku*, a concise overview of intertextual theories, and an assessment of the translator's work.

lords and ladies pratchett: *Terry Pratchett's Ethical Worlds* Kristin Noone, Emily Lavin Leveret, 2020-08-05 Terry Pratchett's writing celebrates the possibilities opened up by inventiveness and imagination. It constructs an ethical stance that values informed and self-aware choices, knowledge of the world in which one makes those choices, the importance of play and humor in crafting a compassionate worldview, and acts of continuous self-examination and creation. This collection of essays uses inventiveness and creation as a thematic core to combine normally disparate themes, such as science fiction studies, the effect of collaborative writing and shared authorship, steampunk aesthetics, productive modes of ownership, intertextuality, neomedievalism and colonialism, adaptations into other media, linguistics and rhetorics, and coming of age as an act of free will.

lords and ladies pratchett: *Magic and the Supernatural* , 2020-04-28

lords and ladies pratchett: *Terry Pratchett's Narrative Worlds* Marion Rana, 2018-02-12 This book highlights the multi-dimensionality of the work of British fantasy writer and *Discworld* creator Terry Pratchett. Taking into account content, political commentary, and literary technique, it explores the impact of Pratchett's work on fantasy writing and genre conventions. With chapters on gender, multiculturalism, secularism, education, and relativism, Section One focuses on different characters' situatedness within Pratchett's novels and what this may tell us about the direction of his social, religious and political criticism. Section Two discusses the aesthetic form that this criticism takes, and analyses the post- and meta-modern aspects of Pratchett's writing, his use of humour, and genre adaptations and deconstructions. This is the ideal collection for any literary and cultural studies scholar, researcher or student interested in fantasy and popular culture in general, and in Terry Pratchett in particular.

lords and ladies pratchett: *Secrets of The Wee Free Men and Discworld* Carrie Pyykkonen, Linda Washington, 2008-04-15 A fascinating guide to the international bestselling *Discworld* series and the award-winning *The Wee Free Men*—soon to be a major motion picture Before J. K. Rowling became the best-selling author in Britain, Terry Pratchett wore that hat. With over 45 million books sold, Pratchett is an international phenomenon. His brainchild is the *Discworld* series—novels he

began as parodies of other works like Macbeth, Faust, and The Arabian Nights. The Wee Free Men, one of Pratchett's most popular novels, will be made into a movie by Spider-Man director Sam Raimi. It's the story of 9-year-old wannabe witch Tiffany Aching, who unites with the Nac Mac Feegle (6-inch-tall blue men who like to fight and love to drink) to free her brother from an evil fairy queen. A fun, interactive guide that will explore the land of Discworld, *Secrets of The Wee Free Men* and Discworld is filled with sidebars, mythology trivia, and includes a bio of the fascinating author Terry Pratchett, and an in-depth analysis of his work. This unofficial guide is a great resource for readers of The Wee Free Men and the other books of the Discworld series.

lords and ladies pratchett: *Power and Society in Terry Pratchett's Discworld* Justine Breton, 2025-04-24 A critical deep-drive into conceptions of power and society in Terry Pratchett's Discworld novels, this book brings together experts in fantasy literature, political sciences, economics, philosophy, history, and journalism to consider the intricate social tapestry of one of the most intricate worlds in modern fantasy. Surveying the Discworld's institutionalised power structures from government and police to civil services, banks and societies, it explores ideas such as language, translation, humour, crowds, community, justice and coercion in the series' major works. Featuring analyses of novels such as *Men at Arms*, *Equal Rites*, *Carpe Jugulum*, *Guards! Guards!*, *Jingo*, *Night Watch*, *Wyrd Sisters*, *Witches Abroad* and many more, this collection illuminates how Pratchett juxtaposed his narratives with contemporary reflections on social constructs. Broken down into parts looking at social power dynamics, building and destroying worlds and the power of language, the book offers a much-needed corrective to the dearth of scholarship on one of fantasy literature's worldbuilding titans.

lords and ladies pratchett: *Many Voices of Lydia Davis* Jonathan Evans, 2016-08-16 The first in-depth analysis of Lydia Daviss translations and writing The Many Voices of Lydia Davis shows how translation, rewriting and intertextuality are central to the work of Lydia Davis, a major American writer, translator and essayist. Winner of the Man Booker International Prize 2013, Davis writes innovative short stories that question the boundaries of the genre. She is also an important translator of French writers such as Maurice Blanchot, Michel Leiris, Marcel Proust and Gustave Flaubert. Translation and writing go hand-in-hand in Daviss work. Through a series of readings, this study investigates how Daviss translations and stories relate to each other, finding that they are inextricably interlinked. It explores how Davis uses translation - either as a compositional tool or a plot device - and other instances of rewriting in her stories, demonstrating that translation is central for understanding her prose. Understanding how Daviss work complicates divisions between translating and other forms of writing highlights the role of translation in literary production. Key Features The first monograph on this key contemporary writer that analyses texts from throughout her career A series of analyses of Daviss major translations and how her work interacts with them A rethinking of the role of translation in literary production and the boundaries between translating and writing

lords and ladies pratchett: *Fantasy and the Real World in British Children's Literature* Caroline Webb, 2014-09-15 This study examines the children's books of three extraordinary British writers—J.K. Rowling, Diana Wynne Jones, and Terry Pratchett—and investigates their sophisticated use of narrative strategies not only to engage children in reading, but to educate them into becoming mature readers and indeed individuals. The book demonstrates how in quite different ways these writers establish reader expectations by drawing on conventions in existing genres only to subvert those expectations. Their strategies lead young readers to evaluate for themselves both the power of story to shape our understanding of the world and to develop a sense of identity and agency. Rowling, Jones, and Pratchett provide their readers with fantasies that are pleasurable and imaginative, but far from encouraging escape from reality, they convey important lessons about the complexities and challenges of the real world—and how these may be faced and solved. All three writers deploy the tropes and imaginative possibilities of fantasy to disturb, challenge, and enlarge the world of their readers.

lords and ladies pratchett: *Fantasy* Adam Roberts, 2025-04-24 One of the most popular genres of modern times, fantasy literature has as rich a cultural and literary heritage as the magical worlds that so enrapture its readers. In this book, a concise history of the genre, Adam Roberts traces the central forms and influences on fantasy through the centuries to arrive at our understanding of the fantastic today. Pinning the evolution of fantasy on three key moments - the 19th-century resurgence of interest in Arthurian legend, the rise of Christian allegory, and a post-Ossian, post-Grimm emergence of a Norse, Germanic and Old English mythic identity □ Roberts explores how the logic of 'the fantastical' feeds through into the sets and trappings of modern fantasy. Tracking the creation of heroic and high fantasy subgenres through antiquarian tradition, through C. S. Lewis and J. R. R. Tolkien and into the post-Tolkien boom in genre fantasy writing, the book brings the manifestation of the fantastic beyond literature into art, music, film and TV, video games and other cultural productions such as fandoms. From Tennyson and Wagner, through Robert Graves, David Jones, Samuel Delany, *Dungeons and Dragons*, Terry Pratchett and Robin Hobb, to the *Game of Thrones*, *Skyrim*, *The Witcher* and *The Lord of the Rings* media franchises, the book digs into the global dissemination and diversity of 21st-century fantasy. Accessible and dynamic, wide-ranging but comprehensive, this is a crash-course in context for the most imaginative form of storytelling.

lords and ladies pratchett: *The Tropes of Fantasy Fiction* Gabrielle Lissauer, 2014-12-24 Comparing various fantasy fiction stories, this book shows that it is not the tropes and clichés that make a story good or bad but how the author applies them. The book also explores the concept of text versus meta-text—that is, when the story's world and character actions contradict the reader's expectations based on the tropes being used. Covering authors from Mercedes Lackey and Brandon Sanderson to Christopher Paolini and Stephenie Meyer, the author finds that it is the nature of tropes and the language used that make a fantasy story, for bad or good.

lords and ladies pratchett: Encyclopedia of Fantasy and Horror Fiction Don D'Amassa, 2015-04-22 Presents articles on the horror and fantasy genres of fiction, including authors, themes, significant works, and awards.
