

northanger abbey austen jane

northanger abbey austen jane is a timeless novel penned by the celebrated English author Jane Austen. Published posthumously in 1817, this fascinating work offers readers a witty and insightful satire of Gothic fiction, intertwined with Austen's characteristic social commentary and keen observations of human nature. As one of Austen's early novels, *Northanger Abbey* provides a delightful blend of romance, humor, and critique, making it a beloved classic in English literature.

In this comprehensive article, we will explore the background of *Northanger Abbey*, analyze its themes, characters, and significance, and provide insights into why it remains relevant today. Whether you're a literary scholar, a student, or an avid reader, understanding this novel deepens appreciation for Jane Austen's craftsmanship and her influence on the literary canon.

Background and Context of Northanger Abbey

Jane Austen's Life and Literary Environment

Jane Austen (1775-1817) was a prolific novelist renowned for her keen social commentary, memorable characters, and masterful use of irony. Living during the late 18th and early 19th centuries, Austen's works often critique societal norms, especially regarding marriage, class, and gender roles.

During Austen's lifetime, Gothic fiction surged in popularity, characterized by tales of mystery, horror, and the supernatural. Writers like Ann Radcliffe and Matthew Lewis captured the imagination of readers with their elaborate plots and atmospheric settings. Austen, however, satirized these conventions in her own subtle and humorous way, which is vividly evident in *Northanger Abbey*.

Publication History and Reception

Although Austen completed the manuscript in 1803, *Northanger Abbey* was not published until 1817, shortly after her death. The novel was initially released anonymously, a common practice at the time, with the title page attributing it to "By the Author of *Sense and Sensibility*."

The novel received mixed reviews initially but gained recognition over time as a clever parody and an insightful coming-of-age story. Today, it is considered a pivotal work in Austen's oeuvre, showcasing her talent for blending humor with social critique.

Plot Summary of *Northanger Abbey*

Northanger Abbey follows the young and naïve Catherine Morland, who embarks on a journey of self-discovery, romance, and adventure. The story is set in the late 18th century, primarily in the fictional town of Northanger Abbey and Bath, a fashionable spa town.

Key plot points include:

- Catherine's introduction to high society during her stay in Bath.
- Her growing fascination with Gothic novels and her tendency to interpret real-life events through that lens.
- Her friendship with Isabella Thorpe and the more sensible Eleanor Tilney.
- Her romantic involvement with Henry Tilney, a witty and charming clergyman.
- The misadventures at Northanger Abbey, where Catherine's imagination leads her to believe in dark secrets and hidden dangers, only to find that reality is less sinister than her Gothic fantasies.

Through these events, Austen explores themes of innocence, perception, and the contrast between fiction and reality.

Major Themes in *Northanger Abbey*

Satire of Gothic Fiction and Literary Parody

One of Austen's primary objectives in *Northanger Abbey* was to parody the Gothic genre, which was immensely popular at the time. Catherine's overactive imagination, fueled by Gothic novels, often leads her into humorous and sometimes embarrassing situations. Austen cleverly lampoons the conventions of Gothic fiction, such as:

- Mysterious abbeys and secret passages
- Dark family secrets
- Supernatural occurrences

This satire underscores Austen's critique of the sensationalism in Gothic literature and emphasizes the importance of rationality and common sense.

Coming of Age and Personal Growth

The novel is also a bildungsroman, depicting Catherine's journey from innocence to maturity. Her experiences at Northanger Abbey and in society help her develop a more realistic understanding of human nature and social interactions.

Key aspects of her growth include:

- Recognizing her own imagination and biases
- Learning to distinguish between fiction and reality

- Developing confidence in her judgments and feelings

Social Class and Marriage

As with many Austen novels, *Northanger Abbey* explores societal expectations, particularly regarding marriage and social mobility. Catherine's interactions with various characters highlight the importance placed on social standing, wealth, and appropriate courtship.

Important points include:

- The difference between superficial flirtations and genuine affection
- The role of social class in marriage prospects
- Austen's subtle critique of societal pressures

Friendship and Female Agency

The novel also examines female relationships and the importance of female agency. Catherine's friendships with Eleanor Tilney and her own personal development illustrate Austen's interest in the roles women could play in their own lives.

Characters in Northanger Abbey

Catherine Morland

The protagonist, a young, imaginative girl from a modest family. Her love for Gothic novels influences her perceptions of the world, leading to humorous misunderstandings. Over the course of the story, Catherine matures into a more rational and confident individual.

Henry Tilney

A witty and kind-hearted clergyman who becomes Catherine's love interest. His intelligence and sense of humor make him one of Austen's most charming male characters.

Eleanor Tilney

Henry's sister, who is sensible and compassionate. She befriends Catherine and provides a contrast to her overly imaginative tendencies.

Isabella Thorpe

A flirtatious and manipulative young woman who seeks to marry well. Her superficiality and

schemes serve as a foil to Catherine's sincerity.

John Thorpe

Isabella's brother, a boastful and somewhat foolish man. His character adds humor and chaos to the plot.

General Tilney

The stern owner of Northanger Abbey, whose initial suspicion and later kindness reveal Austen's nuanced portrayal of social authority.

Significance and Legacy of Northanger Abbey

Literary Significance

Northanger Abbey stands out as one of Austen's most playful and inventive works. Its parody of Gothic fiction was innovative at the time and influenced subsequent literary satire. The novel's focus on a young woman's personal growth and realistic social observations set new standards for the coming-of-age genre.

Impact on Popular Culture

The novel's themes and characters have inspired numerous adaptations, including films, television series, stage plays, and even modern reinterpretations. Its enduring appeal lies in its humor, relatable characters, and incisive social critique.

Relevance Today

Though set in a specific historical context, *Northanger Abbey* resonates with contemporary readers through its exploration of imagination, perceptions, and societal expectations. It encourages readers to question assumptions and value authentic relationships over superficial appearances.

Conclusion

Northanger Abbey by Jane Austen is a masterful blend of satire, romance, and social commentary. Through the lively character of Catherine Morland and her humorous adventures, Austen offers a keen critique of Gothic fiction while celebrating the importance of rationality and self-awareness. Its themes remain relevant, reminding readers of the timeless importance of genuine understanding

and personal growth.

Whether viewed as an amusing parody or a profound coming-of-age story, *Northanger Abbey* continues to captivate audiences worldwide. Its legacy as a pioneering work in both Gothic parody and Austen's literary canon underscores its enduring significance in the landscape of English literature.

Frequently Asked Questions

What is the main theme of Jane Austen's 'Northanger Abbey'?

The main themes of 'Northanger Abbey' include the contrast between appearance and reality, the importance of reason over imagination, and the critique of Gothic novels and their influence on young readers.

How does 'Northanger Abbey' explore the concept of Gothic fiction?

'Northanger Abbey' satirizes Gothic novels by depicting the protagonist, Catherine Morland, whose vivid imagination and love for Gothic stories lead her to misinterpret real-life events, highlighting the dangers of excessive romantic and Gothic fantasies.

What role does the character of Catherine Morland play in Austen's critique of society?

Catherine Morland embodies the innocent and naive young woman whose experiences critique social norms, marriage expectations, and the tendency to judge others based on superficial appearances in Regency society.

Why is 'Northanger Abbey' considered a coming-of-age novel?

The novel is considered a coming-of-age story because it follows Catherine's personal growth from naive innocence to a more mature understanding of love, society, and her own perceptions.

How does Jane Austen's writing style in 'Northanger Abbey' compare to her other works?

'Northanger Abbey' features Austen's characteristic wit, irony, and social commentary, similar to her other novels like 'Pride and Prejudice,' but it also uniquely parodies Gothic fiction and emphasizes satire of popular literary trends.

What is the significance of the title 'Northanger Abbey'?

The title refers to the abbey where much of the story takes place; it symbolizes the Gothic setting that Catherine imagines as mysterious and romantic, while also serving as a backdrop for the novel's satirical critique of Gothic tropes.

How has 'Northanger Abbey' been received and adapted in modern times?

'Northanger Abbey' remains popular for its humor and satire; it has been adapted into films, television series, and stage productions, and continues to be studied for its commentary on literature, society, and coming-of-age themes.

Northanger Abbey Austen Jane: An Investigation into Gothic Parody and Romantic Realism

Jane Austen's *Northanger Abbey* stands as a distinctive entry in the canon of English literature, often lauded for its sharp wit, keen social observation, and playful engagement with the Gothic novel genre. As Austen's first completed novel, it offers a compelling blend of parody and realism, revealing the author's nuanced critique of contemporary literary trends and societal norms. This investigative review aims to delve deeply into the novel's themes, stylistic features, and enduring significance, providing a comprehensive analysis suitable for scholars, critics, and dedicated readers alike.

Introduction: Context and Significance of *Northanger Abbey*

Published posthumously in 1817, *Northanger Abbey* occupies a unique space within Austen's oeuvre. While it often receives less attention than *Pride and Prejudice* or *Sense and Sensibility*, its importance lies in its playful subversion of Gothic clichés and its pioneering exploration of a young woman's coming-of-age within a rapidly changing social landscape.

Set during the late 18th century, the novel captures the tension between traditional societal expectations and the burgeoning desire for individual agency. Austen's novel is not merely a parody but also a subtle critique of the Gothic genre's conventions, which had gained immense popularity at the time through writers like Ann Radcliffe and Matthew Lewis. By examining Austen's narrative techniques, character development, and thematic concerns, scholars have identified *Northanger Abbey* as both a satire and a reflection of its cultural moment.

Plot Overview and Structural Analysis

At its core, *Northanger Abbey* follows Catherine Morland, a naïve and imaginative young woman from a modest family who is captivated by Gothic novels. Her journey begins with an invitation to visit the wealthy Tilney family at *Northanger Abbey*, where her romantic notions and Gothic fantasies are both challenged and reinforced.

The narrative unfolds in a series of episodes that build toward Catherine's eventual maturation. Key plot points include:

- Catherine's initial obsession with Gothic tropes and her misinterpretations of everyday events.
- Her developing romantic interest in Henry Tilney and her evolving understanding of love and social propriety.
- The satirical portrayal of the Gothic genre through Catherine's misadventures and fantasies.
- The resolution, where Catherine's innocence is tempered with experience, and her romantic ideals are aligned with her reality.

Structurally, Austen employs a third-person omniscient narrator who interjects wit and irony, often breaking the fourth wall to comment on Gothic conventions or societal norms. The novel's episodic structure facilitates a comedic effect, contrasting Catherine's youthful imaginings with her eventual enlightenment.

Gothic Parody and Literary Critique

The Gothic Genre in Context

To fully appreciate Austen's parody, it is necessary to understand the Gothic genre's characteristics during the late 18th century:

- Emphasis on mystery, horror, and the supernatural.
- Settings featuring castles, abbeys, and dark landscapes.
- Plot devices such as secret passages, ghosts, and buried secrets.
- The portrayal of damsels in distress and brooding villains.

Radcliffe's *The Mysteries of Udolpho* epitomized the genre's conventions, which Austen both admired and critically examined.

Austen's Satirical Strategies

Austen employs various techniques to parody Gothic tropes:

- Characterization: Catherine's overactive imagination and credulity contrast sharply with Henry's rational skepticism.
- Narrative Voice: The narrator's frequent ironic asides highlight the absurdities of Gothic clichés.
- Plot Devices: Scenes reminiscent of Gothic novels—such as secret passages and mysterious warnings—are rendered humorous through their exaggerated portrayal.
- Dialogue: Witty exchanges, especially between Henry and Catherine, underscore the contrast between fantasy and reality.

Through these methods, Austen not only lampoons popular Gothic novels but also critiques the

romanticization of mystery and the tendency to conflate imagination with truth.

Themes and Symbolism

Innocence and Experience

Catherine's journey from naive enthusiast to mature individual encapsulates the novel's central theme. Her initial credulity and susceptibility to Gothic fantasies symbolize childhood innocence, which she gradually sheds through real-world experiences and rational reflection.

Reality versus Imagination

A recurring motif is the tension between Catherine's romanticized notions and the pragmatic realities she encounters. Austen advocates for a balanced perspective—celebrating imagination while emphasizing the importance of rational judgment.

Social Class and Marriage

While lighter on social critique than Austen's later works, *Northanger Abbey* subtly explores the importance of social standing and the potential pitfalls of marrying for superficial reasons. The novel ultimately endorses genuine affection and character over wealth and status.

Symbolism of Northanger Abbey

The titular abbey functions as a symbol of Gothic fantasy—dark, mysterious, and filled with secrets. Its eventual portrayal as a peaceful, ordinary residence underscores the novel's message that true happiness resides in authentic human relationships rather than in dramatic or exotic settings.

Character Analysis

- Catherine Morland: An idealistic and imaginative young woman, whose naivety serves as both a source of comedy and growth.
- Henry Tilney: The witty and rational love interest, embodying Austen's ideal of sensible romance.
- Isabella Thorpe: A foil to Catherine, representing superficiality and social climbing.
- John Thorpe: The boisterous, boastful suitor, who exemplifies foolishness and arrogance.

- Mrs. Allen: A social climber and minor character, illustrating Austen's critique of superficial manners.

The character arcs demonstrate Austen's mastery in using humor and irony to explore human nature and societal expectations.

Stylistic Features and Literary Techniques

- Irony: A hallmark of Austen's style, used extensively to critique societal norms and literary conventions.
- Free Indirect Discourse: Austen's narrative voice seamlessly blends third-person narration with characters' internal thoughts, enriching character development.
- Wit and Humor: Sharp dialogue and humorous narration sustain engagement and underscore thematic points.
- Parody: The novel's playful mimicry of Gothic tropes is both affectionate and satirical.

Enduring Legacy and Critical Reception

Northanger Abbey has been recognized for its innovative approach to satire and its nuanced portrayal of young women's education and independence. Its influence extends beyond literary circles, shaping perceptions of Gothic fiction and contributing to the development of the novel as a genre.

Critical reception has evolved over time. Initially overshadowed by Austen's later works, modern critics appreciate Northanger Abbey for its inventive humor and insightful social commentary. Its candid exploration of imagination versus reality continues to resonate, especially in contemporary discussions about genre parody and gender roles.

Conclusion: Northanger Abbey in Austen's Literary Canon

Jane Austen's Northanger Abbey remains a vital text for understanding her literary artistry and social critique. Its clever parody of Gothic conventions reflects Austen's keen awareness of literary trends, while its thematic depth offers timeless insights into innocence, perception, and societal expectations.

As an early work, it foreshadows Austen's mastery of irony and character development, setting the stage for her later masterpieces. Its playful tone and incisive commentary ensure its enduring

relevance, inviting readers to question the boundaries between fantasy and reality, appearances and authenticity.

In the landscape of English literature, *Northanger Abbey* stands as a testament to Austen's inventive spirit—a novel that combines humor, critique, and insight in a way that continues to captivate and challenge readers nearly two centuries after its publication.

Northanger Abbey Austen Jane

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 1993 Story follows the social and romantic trials of the book's heroine, Catherine Morland.

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 2003-04-29 Austen's witty exploration of the perils of mistaking fiction for reality During an eventful season at Bath, young, naïve Catherine Morland experiences the joys of fashionable society for the first time. She is delighted with her new acquaintances: flirtatious Isabella, who shares Catherine's love of Gothic romance and horror, and sophisticated Henry and Eleanor Tilney, who invite her to their father's mysterious house, Northanger Abbey. There, her imagination influenced by novels of sensation and intrigue, Catherine imagines terrible crimes committed by General Tilney. With its broad comedy and irrepressible heroine, this is the most youthful and optimistic of Jane Austen's works. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

northanger abbey austen jane: *Northanger Abbey - Second Edition* Jane Austen, 2002-04-29 First accepted by a publisher in 1803, *Northanger Abbey* was eventually published posthumously in 1818. In it Austen weaves a romance full of suspense and comedy around the heroine Catherine Morland's first foray into society. The style of the novel is a unique hybrid; along the way Austen parodies the eighteenth-century novel of manners, the Gothic novel, and even the educational treatises of the time. The second Broadview edition includes a revised introduction, notes, bibliography, and expanded appendices of background contextual materials.

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 1994 Though *Northanger Abbey* is one of Jane Austen's earliest novels, it was not published until after her death--well after she'd established her reputation with works such as *Pride and Prejudice*, *Emma*, and *Sense and Sensibility*. the novel is modeled after the day's popular romances and Gothic thrillers, which it then proceeds to ridicule. The heroine is Catherine Morland, who encounters upper-crust society at Bath, falls in love, and becomes targeted by misinformed fortune-seekers. After moving to Northanger Abbey, her imagination goes to work and dreams up mysteries that lead to various social disasters.

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 2006-10-19 The most authoritative and most fully annotated critical edition available of Austen's first novel.

northanger abbey austen jane: *Jane Austen's Northanger Abbey* Jane Austen, 2005 This edition places Jane Austen and *Northanger Abbey* in the major conversations of Romanticism, not just the gothic novel and female education. It places the novel in two contexts, 1798, when it was written, and 1818, when it was published, illustrating its relevance to both periods and the major

writers, especially the poets.

northanger abbey austen jane: Northanger Abbey Austen, Jane, 2017-02-28 Northanger Abbey was the first of Jane Austen's novels to be completed for publication, but published after her death, at the end of 1817. The novel is a satire of the Gothic novels popular at the time of its first writing in 1798-99. The heroine, Catherine, thinks life is like a Gothic novel, but her real experiences bring her down to earth as an ordinary young woman.

northanger abbey austen jane: Northanger Abbey (Jane Austen Collection) Jane Austen, 2023-03-14 Obsessed with Gothic fiction, seventeen-year-old Catherine Morland is wintering in Bath when she encounters dashing gentleman Henry Tilney and the charismatic Thorpe siblings. Swept up by the high society she has found herself in, Catherine and her overactive imagination lead her into numerous comical misunderstandings with the Tilney family. Northanger Abbey boldly and humorously explores society in Regency-era England. The Northanger Abbey Jane Austen Edition is a beautiful and unique special edition, perfect for book collectors, Jane Austen lovers, and fans of classic literature. Whether you're buying this as a gift or as for yourself, this remarkable edition features: Decorative interior pages featuring quotes distributed throughout Part of a 6-volume Jane Austen series including Mansfield Park, Pride and Prejudice, Sense and Sensibility, Emma, and Persuasion Northanger Abbey by Jane Austen is one of three inaugural titles in the Jane Austen collection and also includes Mansfield Park and Pride and Prejudice. The series will conclude with Sense and Sensibility, Emma, and Persuasion.

northanger abbey austen jane: Northanger Abbey Jane Austen, 2017-07-22 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About Northanger Abbey by Jane Austen Northanger Abbey was the first of Jane Austen's novels to be completed for publication, though she had previously made a start on Sense and Sensibility and Pride and Prejudice. According to Cassandra Austen's Memorandum, Susan (as it was first called) was written circa 1798-99. It was revised by Austen for the press in 1803, and sold in the same year for £10 to a London bookseller, Crosby & Co., who decided against publishing. In the spring of 1816, the bookseller was content to sell it back to the novelist's brother, Henry Austen, for the exact sum--£10--that he had paid for it at the beginning, not knowing that the writer was by then the author of four popular novels. The novel was further revised by Austen in 1816/17, with the intention of having it published. Among other changes, the lead character's name was changed from Susan to Catherine, and Austen retitled the book Catherine as a result. Austen died in July 1817. Northanger Abbey (as the novel was now called) was brought out posthumously in late December 1817 (1818 given on the title page), as the first two volumes of a four-volume set that also featured another previously unpublished Austen novel, Persuasion. Neither novel was published under the title Jane Austen had given it; the title Northanger Abbey is presumed to have been the invention of Henry Austen, who had arranged for the book's publication.

northanger abbey austen jane: Northanger Abbey - Jane Austen Jane Austen, 2021-06-10 Jane Austen's first novel published posthumously in 1818 tells the story of Catherine Morland and her dangerously sweet nature, innocence, and sometime self-delusion. Though Austen's fallible heroine is repeatedly drawn into scrapes while vacationing at Bath and during her subsequent visit to Northanger Abbey, Catherine eventually triumphs, blossoming into a discerning woman who learns truths about love, life, and the heady power of literature. The satirical novel pokes fun at the gothic novel while earnestly emphasizing caution to the female sex. Northanger Abbey is a coming-of-age novel and a satire of Gothic novels written by Jane Austen. Northanger Abbey was actually the first finished novel that Jane Austen wrote. The story revolves around Catherine Morland, the young and naïve heroine, and her journey to a better understanding of herself and the world around her. When she is invited by her wealthy neighbors, the Fullertons, to accompany them to the spa town of Bath she experiences her first taste of the fashionable upper class society of England. While there she meets the clever young gentleman, Henry Tilney, his sister Eleanor, and their father, the imposing General Tilney. The Tilneys invite Catherine to come stay with them at their estate, the titular Northanger Abbey. Catherine's naïve over-active imagination quickly leads to embarrassment when

she infers some sinister circumstances regarding the lack of emotion that General Tilney shows for the loss of his deceased wife. Eventually she realizes that real life is not at all like that of a Gothic novel. Noted for the insight it gives to Austen's one opinion of the literature of her day. *Northanger Abbey* is both a satirical parody of the gothic romance novel and the story of a young girl's maturation into womanhood.

northanger abbey austen jane: *Northanger Abbey* by Jane Austen Jane Austen, 2019-12-04
Oh! I am delighted with the book! I should like to spend my whole life in reading it. -Jane Austen ;
Northanger Abbey *Northanger Abbey* was the first of Jane Austen's novels to be completed for publication, in 1803. However, it was not published until after her death in 1817, along with another novel of hers, *Persuasion*. *Northanger Abbey* is a satire of Gothic novels, which were quite popular at the time, in 1798-99. This coming-of-age story revolves around Catherine Morland, a young and naïve heroine, who entertains the reader on her journey to a better understanding of the world and those around her. In the course of the novel, she discovers that she differs from those other women who crave wealth or social acceptance, as instead she wishes only to have happiness supported by genuine morality A True Classic that Belongs on Every Bookshelf!

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 2007-10 Jane Austen (1775-1817) was an English novelist. Her novels were all written and set around Regency Era. The theme of her stories centered upon the limited provincial world in which she lived for the first twenty-six years of her life. She never married and died at age 41. She began writing her first novel in 1789. Her family life was conducive to writing; the Austen family often enacted plays, which gave her an opportunity to present her stories. Her close analysis of character displayed both a warm sense of humour and a hardy realism: vanity, selfishness and a lack of self-knowledge are among the faults most severely judged in her novels. Criticized for being repetitive, her plots are nonetheless well structured, and reveal a sincere love of perfection and minutiae of detail that she believed was one of the prerogatives of any potential writer. Amongst her famous works are: *Sense and Sensibility* (1811), *Pride and Prejudice* (1813), *Mansfield Park* (1814), *Emma* (1816), *Northanger Abbey* (1818), and *Persuasion* (1818).

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 2024-01-18 In *Northanger Abbey*, Jane Austen deftly navigates the landscape of Gothic literature while simultaneously critiquing the very conventions that define it. The novel follows the spirited Catherine Morland, whose passion for sensational novels leads her to the mysterious Northanger Abbey, where her imaginative yet naïve interpretations collide with reality. Austen employs her signature irony and keen social commentary to explore themes of romance, morality, and the sometimes ludicrous nature of societal expectations, all while engaging readers with her elegant prose and witty dialogue. Jane Austen, one of the foremost novelists of the early 19th century, spent her life observing the nuances of social class and gender roles in her contemporary England. The combination of her own experiences and her keen analytical mind informed her portrayal of strong, complex female protagonists. *Northanger Abbey*, originally written in the late 1790s but published posthumously in 1817, reveals Austen's ability to blend humor with serious reflections on literature and society, suggesting that she understood the implications of the very Gothic tropes she parodied. I highly recommend *Northanger Abbey* for both its entertaining narrative and its rich commentary on the nature of fiction itself. Austen's playful exploration of the interplay between reality and imagination offers readers not only a delightful story filled with intrigue and romance but also a thoughtful examination of how literature shapes our perceptions of the world.

northanger abbey austen jane: *Jane Austen - Northanger Abbey* Jane Austen, 2021-04-17
Jane Austen's first novel-published posthumously in 1818-tells the story of Catherine Morland and her dangerously sweet nature, innocence, and sometime self-delusion. Though Austen's fallible heroine is repeatedly drawn into scrapes while vacationing at Bath and during her subsequent visit to Northanger Abbey, Catherine eventually triumphs, blossoming into a discerning woman who learns truths about love, life, and the heady power of literature. The satirical novel pokes fun at the gothic novel while earnestly emphasizing caution to the female sex. Includes a biography of the

author.

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 2017-12 *Northanger Abbey* was the first of Jane Austen's novels to be completed for publication, in 1803. However, it was not until after her death in 1817 that it was published, along with her other novel, *Persuasion*. [1] The novel is a satire of Gothic novels, which were quite popular at the time in 1798-99. This coming of age, story revolves around the main character, Catherine, a young and naïve heroine, who entertains her reader on her journey of self-knowledge, as she gains a better understanding of the world and those around her. Because of her experiences, reality sets in and she discovers that she is not like other women who crave for wealth or social acceptance, but instead she is a true heroine in that she is an ordinary young woman who wishes to have nothing but happiness and a genuine sense of morality. Austen first titled *Northanger Abbey* as *Susan*, when she sold it in 1803 for £10 to a London bookseller, Crosby & Co., who decided against publishing. Austen reportedly threatened to take her work back from them, to which they responded to by informing her that she would face legal consequences for reclaiming her text. [5] Austen further revised the novel in 1816-1817, with the intention of having it published, and in the spring of 1816, the bookseller sold it back to the novelist's brother, Henry Austen, for the same sum, as the bookseller did not know that the writer was by then the author of four popular novels. Austen had rewritten sections, renaming the main character to Catherine, and using that as her working title.

northanger abbey austen jane: *Northanger Abbey* Jane Austen, 2015-10-21 No one who had ever seen Catherine Morland in her infancy would have supposed her born to be an heroine. Her situation in life, the character of her father and mother, her own person and disposition, were all equally against her. Her father was a clergyman, without being neglected, or poor, and a very respectable man, though his name was Richard—and he had never been handsome. He had a considerable independence besides two good livings—and he was not in the least addicted to locking up his daughters. Her mother was a woman of useful plain sense, with a good temper, and, what is more remarkable, with a good constitution. She had three sons before Catherine was born; and instead of dying in bringing the latter into the world, as anybody might expect, she still lived on—lived to have six children more—to see them growing up around her, and to enjoy excellent health herself. A family of ten children will be always called a fine family, where there are heads and arms and legs enough for the number; but the Morlands had little other right to the word, for they were in general very plain, and Catherine, for many years of her life, as plain as any. She had a thin awkward figure, a sallow skin without colour, dark lank hair, and strong features—so much for her person; and not less unpropitious for heroism seemed her mind. She was fond of all boy's plays, and greatly preferred cricket not merely to dolls, but to the more heroic enjoyments of infancy, nursing a dormouse, feeding a canary-bird, or watering a rose-bush. Indeed she had no taste for a garden; and if she gathered flowers at all, it was chiefly for the pleasure of mischief—at least so it was conjectured from her always preferring those which she was forbidden to take. Such were her propensities—her abilities were quite as extraordinary. She never could learn or understand anything before she was taught; and sometimes not even then, for she was often inattentive, and occasionally stupid. Her mother was three months in teaching her only to repeat the Beggar's Petition; and after all, her next sister, Sally, could say it better than she did. Not that Catherine was always stupid—by no means; she learnt the fable of *The Hare and Many Friends* as quickly as any girl in England. Her mother wished her to learn music; and Catherine was sure she should like it, for she was very fond of tinkling the keys of the old forlorn spinnet; so, at eight years old she began. She learnt a year, and could not bear it; and Mrs. Morland, who did not insist on her daughters being accomplished in spite of incapacity or distaste, allowed her to leave off. The day which dismissed the music-master was one of the happiest of Catherine's life. Her taste for drawing was not superior; though whenever she could obtain the outside of a letter from her mother or seize upon any other odd piece of paper, she did what she could in that way, by drawing houses and trees, hens and chickens, all very much like one another. Writing and accounts she was taught by her father; French by her mother: her proficiency in either was not remarkable, and she shirked her lessons in both

whenever she could. What a strange, unaccountable character!—for with all these symptoms of profligacy at ten years old, she had neither a bad heart nor a bad temper, was seldom stubborn, scarcely ever quarrelsome, and very kind to the little ones, with few interruptions of tyranny; she was moreover noisy and wild, hated confinement and cleanliness, and loved nothing so well in the world as rolling down the green slope at the back of the house....

northanger abbey austen jane: Northanger Abbey by Jane Austen (Illustrated Edition)

Jane Austen, 2019-08-30 Jane Austen's earliest novel, *Northanger Abbey*, perhaps is the author's most satiric work. The main character, Catherine Morland, whose perception of the world is influenced by numerous gothic novels she has read, enters Bath, a place beloved by members of the high society. As she makes new friends, naive and impressionable Catherine looks at them through the prism of the these novels popular at that time and, as a result, creates comical misunderstandings throughout the story. Both a Gothic novel and an amusing satire, *Northanger Abbey* is a must-read, which became even more entertaining in this exclusive illustrated edition.

northanger abbey austen jane: Northanger Abbey Annotated & Illustrated Edition by Jane Austen

Jane Austen, 2021-03-18 Jane Austen wrote *Northanger Abbey* while she was residing in her childhood home in Steventon, England, but the novel is largely set in the resort town of Bath, where Austen visited for a month-long vacation in 1797. Originally entitled *Susan*, the first draft of the novel was written between 1798-9, and it was the earliest novel Austen completed and intended for publication. In 1803, Austen made the final changes to *Susan* and sold it to publisher Benjamin Crosby and Co. for 10 pounds, but for unknown reasons the publisher never saw fit to print the manuscript. After enduring years of frustration, Austen bought back the manuscript in 1816, several years after her famous novels *Pride and Prejudice* and *Mansfield Park* had already been published. Austen changed the heroine's name to Catherine By that time, Austen was already ill, and on July 18th 1817 she would die of kidney disease, five months before her earliest novel was published as *Northanger Abbey*. Her brother Henry oversaw the publication of the novel, and the Biographical Notice he added to the novel was the first public disclosure of Jane Austen's identity as an author, though her friends and families had enjoyed her private readings for years. In the Notice, Henry mournfully laid out the merits of his recently deceased sister, remembering that her temper was as polished as her wit. Henry also attached a Postscript to the Notice in which he quotes from a letter that Austen herself wrote a few weeks before her death. In the letter, Austen modestly describes her prose as a little bit of ivory, two inches wide, on which I work with a brush so fine as to produce little effect after much labor. But if Austen's novels are akin to miniature portraits, her literary brush never fails to portray the subtle shades of each character, and her skill is already evident in her youthful novel *Northanger Abbey*.

northanger abbey austen jane: Northanger Abbey Jane Austen, 1980 Jane Austen is a genius, and *Northanger Abbey* is hugely underrated. --Martin Amis Catherine Morland is a young girl with a very active imagination. Her naivety and love of sensational novels lead her to approach the fashionable social scene in Bath and her stay at nearby *Northanger Abbey* with preconceptions that have embarrassing and entertaining consequences. - With a new introduction by P.D. James - Jane Austen is the pinnacle to which all other authors aspire. --J.K. Rowling

northanger abbey austen jane: Northanger Abbey Jane Austen, 2016-04-08 Why buy our paperbacks? Unabridged (100% Original content) Printed in USA on High Quality Paper 30 Days Money Back Guarantee Standard Font size of 10 for all books Fulfilled by Amazon Expedited shipping BEWARE OF LOW-QUALITY SELLERS Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. About *Northanger Abbey* by Jane Austen *Northanger Abbey* was the first of Jane Austen's novels to be completed for publication, though she had previously made a start on *Sense and Sensibility* and *Pride and Prejudice*. According to Cassandra Austen's Memorandum, *Susan* (as it was first called) was written circa 1798-99. It was revised by Austen for the press in 1803, and sold in the same year for £10 to a London bookseller, Crosby & Co., who decided against

publishing. In the spring of 1816, the bookseller was content to sell it back to the novelist's brother, Henry Austen, for the exact sum-£10-that he had paid for it at the beginning, not knowing that the writer was by then the author of four popular novels. The novel was further revised by Austen in 1816/17, with the intention of having it published. Among other changes, the lead character's name was changed from Susan to Catherine, and Austen retitled the book Catherine as a result. Austen died in July 1817. Northanger Abbey (as the novel was now called) was brought out posthumously in late December 1817 (1818 given on the title page), as the first two volumes of a four-volume set that also featured another previously unpublished Austen novel, Persuasion. Neither novel was published under the title Jane Austen had given it; the title Northanger Abbey is presumed to have been the invention of Henry Austen, who had arranged for the book's publication.
