

shakespeare quotations about love

Shakespeare quotations about love have stood the test of time, offering timeless insights into one of the most profound human emotions. William Shakespeare, often regarded as the greatest playwright and poet in the English language, masterfully captured the complexities, joys, and sorrows of love through his words. His quotations continue to resonate today, inspiring lovers, writers, and thinkers alike. In this article, we will explore some of Shakespeare's most famous and meaningful quotations about love, their contexts, and what they reveal about human nature.

Understanding Shakespeare's Perspective on Love

William Shakespeare's works span a wide range of genres, from tragic to comedic, but love remains a central theme throughout his oeuvre. His quotations reflect a deep understanding of love's multifaceted nature—its beauty, its pain, its power, and its unpredictability. Shakespeare's portrayal of love often combines poetic elegance with profound psychological insight, making his words relatable across centuries.

Popular Shakespeare Quotations About Love

Below are some of the most renowned Shakespeare quotations about love, along with their origins and interpretations.

1. "Love looks not with the eyes, but with the mind; / And therefore is winged Cupid painted blind."

— *A Midsummer Night's Dream*, Act 1, Scene 1

This quotation emphasizes that true love goes beyond superficial appearances. Shakespeare suggests that genuine affection is rooted in understanding and mental connection rather than merely physical attraction. Cupid, the symbol of love, is depicted as blind, reinforcing the idea that love often defies logic and reason.

2. “The course of true love never did run smooth.”

– *A Midsummer Night’s Dream*, Act 1, Scene 1

This famous line acknowledges the obstacles and challenges that lovers often face. Shakespeare’s realism reminds us that love’s journey is seldom straightforward, but perseverance and patience are essential.

3. “My bounty is as boundless as the sea, / My love as deep; the more I give to thee, / The more I have, for both are infinite.”

– *Romeo and Juliet*, Act 2, Scene 2

In this evocative metaphor, Juliet expresses the vastness of her love for Romeo. It highlights love’s endless capacity to grow and the idea that true love is generous and limitless.

4. “Love is a smoke made with the fume of sighs.”

– *Romeo and Juliet*, Act 1, Scene 1

This poetic line depicts love as a fleeting, intoxicating, and sometimes confusing emotion. The imagery of smoke and sighs captures love’s passionate and ephemeral nature.

5. “If music be the food of love, play on.”

– *Twelfth Night*, Act 1, Scene 1

Here, Orsino laments his lovesickness and suggests that music might cure or intensify his feelings. The line underscores the powerful influence of music and art in expressing and amplifying love.

Deeper Insights from Shakespeare's Love Quotations

Shakespeare's quotations reveal much about how love is intertwined with human experience. Let's examine some themes that emerge from his work.

Love as an Illusion and a Reality

- Shakespeare recognizes love's illusions, as seen in "Love is a smoke made with the fume of sighs," but also its tangible impact, as in "My love as deep; the more I give to thee."
- He often portrays love as both a dream and a reality, reflecting its mysterious, sometimes contradictory nature.

The Obstacles and Trials of Love

- Quotes like "The course of true love never did run smooth" highlight that love often faces societal, personal, or external challenges.
- Shakespeare suggests that overcoming these obstacles is part of the love journey, adding depth and value to the experience.

Love's Power to Transform

- In “Love looks not with the eyes, but with the mind,” Shakespeare emphasizes love’s ability to elevate and transform perceptions, moving beyond superficial appearances.
- Love is depicted as a force that can inspire greatness and change individuals.

Shakespeare's Quotations About Love in Context

Understanding the contexts of these quotations enriches their meanings.

A Midsummer Night's Dream

This comedic play explores the magical and sometimes chaotic nature of love. The quote about love’s blindness reflects the whimsical and irrational aspects of romantic affection.

Romeo and Juliet

As a tragedy centered on youthful and passionate love, this play explores love’s intensity and its tragic potential. Juliet’s expressions of boundless love underscore the idealism and depth of her feelings.

Twelfth Night

This comedy examines love’s playful and unpredictable qualities, with music serving as a metaphor for love’s emotional influence.

Applying Shakespeare's Love Quotations Today

Shakespeare's insights on love remain relevant in contemporary relationships. Here are some ways to apply his quotations:

1. **Recognize the depth beyond appearances:** Remember that true love involves understanding and emotional connection, not just physical attraction. As Shakespeare wrote, "Love looks not with the eyes."
2. **Expect challenges:** Be prepared for obstacles in love, and see them as part of the journey, echoing "The course of true love never did run smooth."
3. **Express love generously:** Embrace the idea that love is infinite and meant to be shared, as Juliet's metaphor suggests.
4. **Appreciate love's complexity:** Acknowledge that love can be both joyful and painful, fleeting and enduring, much like the smoke and sighs Shakespeare describes.

Conclusion

Shakespeare quotations about love offer a treasure trove of wisdom that continues to inspire and resonate. From the idealism of Juliet's deep affection to the acknowledgment of love's challenges, his words encapsulate the universal human experience of love. Whether you seek poetic inspiration, reassurance during difficult times, or a deeper understanding of your own feelings, exploring Shakespeare's quotations provides timeless insights into the heart's most profound emotions. Embrace his words, and let them guide you through the complex, beautiful journey of love.

Frequently Asked Questions

What is one of William Shakespeare's most famous quotes about love?

"Love looks not with the eyes, but with the mind, and therefore is winged Cupid painted blind." – A Midsummer Night's Dream

How does Shakespeare describe love in Romeo and Juliet?

He describes love as a powerful and consuming force, saying "My bounty is as boundless as the sea, my love as deep; the more I give to thee, the more I have, for both are infinite."

What quote from Shakespeare emphasizes love's enduring nature?

"Love is not love which alters when it alteration finds, or bends with the remover to remove." – Sonnet 116

Which Shakespeare quote suggests that love can be blind?

"Love is blind and lovers cannot see the pretty follies that they themselves commit." – A Midsummer Night's Dream

What does Shakespeare say about love and time in his Sonnets?

"Shall I compare thee to a summer's day? Thou art more lovely and more temperate." – Sonnet 18, highlighting the timeless beauty of love.

How does Shakespeare depict love's complexity?

In Hamlet, he writes, "Doubt thou the stars are fire; Doubt that the sun doth move; Doubt truth to be a liar; But never doubt I love." showing love's certainty amidst uncertainty.

What is a famous Shakespeare quote about love's sacrifice?

"Love is a smoke made with the fume of sighs." – Romeo and Juliet, illustrating love's passionate and sometimes painful nature.

How does Shakespeare portray love's power to transform?

"My love is as a fever, longing still for that which longer nurseth the disease." – Sonnet 147, depicting love as an all-consuming passion.

What Shakespeare quote reflects on love's universality?

"If music be the food of love, play on." – Twelfth Night, emphasizing love's fundamental and universal role in human experience.

Shakespeare Quotations About Love: Exploring the Bard's Eternal Wisdom on the Heart's Most Profound Emotion

Introduction

Shakespeare quotations about love have resonated through centuries, capturing the complexities, passions, and paradoxes of human affection. The Bard's works—rich in poetic imagery and nuanced understanding of the human condition—offer timeless insights into love's multifaceted nature. Whether celebrating its joys, lamenting its pains, or pondering its mysterious essence, William Shakespeare's words continue to inspire readers, writers, and lovers alike. This article delves into some of Shakespeare's most memorable quotations about love, examining their meanings, contexts, and enduring relevance in today's world.

The Nature of Love in Shakespeare's Writings

To understand Shakespeare's perspective on love, it's essential to recognize that he approached the subject as both poet and observer of human behavior. His plays and sonnets reveal a spectrum of love—romantic, platonic, fleeting, eternal, unrequited, and tragic. This breadth allows us to appreciate the depth of his insights, which often blend realism with idealism.

Key themes in Shakespeare's quotations about love include:

- The transformative power of love
- The pain and longing associated with love
- The enduring nature of true love
- The complexities and contradictions inherent in love

By exploring these themes through his quotations, we can better understand how Shakespeare's ideas remain relevant today.

Celebrating Love: Quotes That Embrace Its Beauty and Power

1. "Love looks not with the eyes, but with the mind; and therefore is winged Cupid painted blind." — A Midsummer Night's Dream

This line emphasizes that true love transcends superficial appearances. Shakespeare suggests that genuine affection is rooted in the mind and soul rather than physical beauty alone. It reminds us that authentic love involves perception, understanding, and emotional connection.

2. "The course of true love never did run smooth." — A Midsummer Night's Dream

Perhaps one of the most famous quotations about love's challenges, this line acknowledges that

obstacles and difficulties are intrinsic to romantic relationships. It resonates with anyone who has faced setbacks in love, affirming that struggles are part of the journey toward lasting affection.

3. “My bounty is as boundless as the sea, my love as deep; the more I give to thee, the more I have, for both are infinite.” — Romeo and Juliet

In this declaration, Juliet expresses the limitless nature of her love. It exemplifies love’s capacity to grow and deepen when shared, emphasizing its generous and expansive qualities.

4. “When I saw you I fell in love, and you smiled because you knew.” — Romeo and Juliet

This quote captures the spontaneity and joy of falling in love at first sight. It highlights the emotional immediacy and the mutual recognition that often characterizes romantic connections.

Impact and Relevance

These quotations celebrate love’s positive aspects—the joy of connection, the power to transform lives, and the beauty of emotional intimacy. They remind us that love, in its purest form, is about perception, patience, and openness.

Love in Its Trials: Quotes Reflecting Pain, Longing, and Sacrifice

1. “Parting is such sweet sorrow, that I shall say good night till it be morrow.” — Romeo and Juliet

Here, Juliet expresses the bittersweet feeling of saying goodbye to loved ones, capturing the paradoxical nature of love that brings both joy and pain. The anticipation of reunion makes parting temporarily sweet, yet inevitable sorrow lingers.

2. “Love is a smoke raised with the fumes of sighs.” — Romeo and Juliet

This poetic metaphor suggests that love can be ephemeral or intoxicating, sometimes leading to pain or melancholy. It underscores the idea that love's intensity can produce longing and suffering.

3. "My love is as deep as the sea, and as high as the heaven." – Henry VI, Part 2

While emphasizing love's depth and height, Shakespeare also hints at its boundlessness, which can be both a source of fulfillment and vulnerability. The vastness of love can be overwhelming, reflecting the pain of unfulfilled or impossible love.

4. "Love's not Time's fool, though rosy lips and cheeks / Within his bending sickle's compass come." – Sonnet 116

In this sonnet, Shakespeare posits that true love is steadfast and unchanging, even in the face of aging and mortality. It contrasts superficial love, which fades with time, with the enduring love that withstands life's trials.

Impact and Relevance

These quotations acknowledge the darker side of love—the suffering, sacrifices, and inevitable separations. They resonate with those who have experienced heartbreak, unrequited love, or the emotional toll of longing, offering a poetic understanding of love's trials.

The Enduring and Eternal: Quotations About Love's Lasting Power

1. "Love is not love which alters when it alteration finds." – Sonnet 116

Perhaps one of Shakespeare's most influential lines, it affirms that true love remains constant despite challenges or changes. It stresses loyalty, steadfastness, and the ideal of love that endures beyond superficial shifts.

2. “For thy sweet love remembered such wealth brings / That then I scorn to change my state with kings.” – Sonnet 29

This quotation highlights how love’s memory can be a source of joy and contentment, elevating the lover above material riches. It underscores love’s spiritual and emotional wealth.

3. “Love’s gentle stirrings, like the spring’s first bud, / Do bloom within my heart forevermore.” – Unattributed paraphrase from Shakespearean themes

While not a direct quote, this paraphrase captures Shakespeare’s frequent depiction of love as an eternal, renewing force—like spring’s perpetual rebirth.

4. “Love alters not with his brief hours and weeks, / But bears it out even to the edge of doom.” – Sonnet 116

Reinforcing the theme of love’s permanence, this line suggests that true love withstands the test of time and adversity.

Impact and Relevance

These quotations inspire hope and confidence in love’s lasting nature. They encourage us to seek relationships grounded in loyalty, constancy, and emotional depth, serving as timeless ideals for lovers across generations.

The Complexity and Contradictions of Love

Shakespeare’s quotations also reveal that love is rarely simple or one-dimensional. It often contains contradictions—joy and sorrow, hope and despair, permanence and change.

1. “O, beware, my lord, of jealousy! / It is the green-eyed monster which doth mock / The meat it feeds on.” – Othello

Though not directly about love, this quote warns of the destructive potential of jealousy—a dark facet of passionate love.

2. “The lunatic, the lover, and the poet / Are of imagination all compact.” – A Midsummer Night’s Dream

This line suggests that love, along with madness and poetry, springs from the imagination, highlighting its often irrational and creative nature.

3. “Love is a kind of warfare.” – Henry V

This metaphor underscores the struggles, conflicts, and sacrifices involved in love, portraying it as a battleground that requires resilience and strategy.

4. “Love’s not love / Which alters when it alteration finds.” – Sonnet 116

While emphasizing constancy, this line also hints at the tension between love's ideal and its real-world challenges, acknowledging that love can be tested and questioned.

Relevance in Modern Context

These quotations remind us that love is complex, sometimes tumultuous, and always deeply human. They validate the full spectrum of emotions involved in loving and being loved, reinforcing the idea that love’s contradictions are part of its beauty.

Conclusion: The Timeless Wisdom of Shakespeare on Love

William Shakespeare's quotations about love continue to echo through the ages because they articulate universal truths about this profound emotion. His words serve as poetic reflections, offering solace, inspiration, and understanding to lovers and skeptics alike. From celebrating love's beauty and power to acknowledging its trials and complexities, Shakespeare's insights remind us that love, in all its forms, is a fundamental aspect of the human experience.

In a world that often seeks quick fixes or superficial connections, revisiting Shakespeare's quotations encourages us to cherish love's depth, loyalty, and resilience. Whether experienced as a fleeting spark or an enduring flame, love remains one of life's greatest treasures—forever captured in the Bard's immortal words.

Shakespeare Quotations About Love

shakespeare quotations about love: Romantic Shakespeare William Shakespeare, 2001

shakespeare quotations about love: *Shakespeare on Love* William Shakespeare, 1991-01-15

William Shakespeare is considered the greatest playwright and poet in history not merely for his extraordinary gift for language, but more because he was also the world's greatest psychologist, with an uncanny ability to see and describe people's most subtle emotional states, as renowned author, psychologist, and Shakespearean scholar George Weinberg says in his introduction to this volume. Nowhere are the Bard's insights more apparent than in his writings on that most sublime of human endeavors: love. No human being has ever captured the beauty, intensity, sadness, power, and magic of love so perfectly. All the wondrous guises of love are presented here, from courtship to parting, from passion to jealousy, from unrequited love to the kiss. Throughout, the special genius of William Shakespeare shines through.

shakespeare quotations about love: *Shakespeare on Love* William Shakespeare, 1991

shakespeare quotations about love: *Shakespeare's Greatest Love* David Medina, 2025-04-22

Relying on historical and literary evidence hidden in plain sight, *Shakespeare's Greatest Love* tells the true, uncensored love story of William Shakespeare and Henry Wriothesley, 3rd Earl of Southampton. Shall I compare thee to a summer's day? Thou art more lovely and more temperate. —Shakespeare's Sonnet 18, written for and about Southampton. Leaving behind a wife and three young children in Stratford-upon-Avon, Shakespeare moved to London for its thrilling theater scene, where everyone mixed freely across ages, classes, and ranks. It was through their mutual passion for the theater that the handsome twenty-seven-year-old playwright first met and fell deeply in love with the effeminate seventeen-year-old earl who beguiled men and women alike and avowed that 'desire and pleasure [should] sometimes triumph over reason.' Author David Medina demonstrates that Shakespeare wrote more of his plays and poems for and about Southampton than anyone else—works that are sexually charged, romantic, and homoerotic. He also chronicles the evidence that Southampton provided Shakespeare the support he needed to secure his acting company share, coat of arms, family residence, royal commission, life portrait, and funerary bust. Shakespeare and Southampton's personal and professional relationship evolved privately and publicly over a quarter century against the backdrop of a national anti-sodomy law, multiple plague outbreaks, unexpected

pregnancies, rushed and possibly forced marriages, a failed rebellion, and political imprisonments. Shakespeare's *Greatest Love* challenges us all to recognize Southampton as the individual who had the most significant impact on Shakespeare's life, literature, and legacy.

shakespeare quotations about love: *Shakespeare and the Truth of Love* J. Bednarz, 2012-04-02 A comprehensive study of Shakespeare's forgotten masterpiece *The Phoenix and Turtle*. Bednarz confronts the question of why one of the greatest poems in the English language is customarily ignored or misconstrued by Shakespeare biographers, literary historians, and critics.

shakespeare quotations about love: Shakespeare and Quotation Julie Maxwell, Kate Louise Rumbold, 2018-04-26 Shakespeare is both the world's most quoted author and a frequent quoter himself. This volume unites these creative practices.

shakespeare quotations about love: Love from Shakespeare William Shakespeare, 1930

shakespeare quotations about love: *Shakespeare's Quotations: A Timeless Treasury* Pasquale De Marco, 2025-05-09 Embark on a captivating exploration of William Shakespeare's literary masterpieces in this comprehensive guide to his works. Delve into the depths of his language, the complexities of his characters, the universality of his themes, and his profound impact on our cultural heritage. Within these pages, you will discover a world of eloquence and wit, where words dance and emotions soar. Shakespeare's plays and poems traverse the vast spectrum of human experience, from the heights of love and joy to the depths of despair and tragedy. His characters, drawn from the annals of history and the tapestry of human nature, embody our deepest fears and aspirations, our triumphs and our follies. Through Shakespeare's evocative language, we are transported to realms both familiar and fantastical, where kings and queens, lovers and fools, heroes and villains grace the stage. His plays hold a mirror to society, reflecting the political, social, and cultural landscapes of his time, while also exploring timeless themes that resonate with audiences of all ages. Beyond his literary genius, Shakespeare's influence extends far beyond the confines of the theater. His works have shaped the course of Western literature and culture, inspiring countless artists, writers, and thinkers throughout history. His plays have been adapted into films, operas, ballets, and countless other artistic expressions, ensuring his legacy continues to thrive in new and innovative ways. Immerse yourself in the artistry of Shakespeare's language, the complexity of his characters, and the universality of his themes. Discover the timeless appeal of his works and gain a deeper understanding of the human condition through the lens of his literary masterpieces. If you like this book, write a review on google books!

shakespeare quotations about love: The Shakespeare Almanack and Companion [1870-1875], Containing Nearly Two Thousand Quotations from Shakespeare, Etc, 1875

shakespeare quotations about love: Shakespeare's cinema of love R. S. White, 2016-10-03 This engaging and stimulating book argues that Shakespeare's plays significantly influenced movie genres in the twentieth century, particularly in films concerning love in the classic Hollywood period. Shakespeare's 'green world' has a close functional equivalent in 'tinseltown' and on 'the silver screen', as well as in hybrid genres in Bollywood cinema. Meanwhile, *Romeo and Juliet* continues to be an enduring source for romantic tragedy on screen. The nature of generic indebtedness has not gained recognition because it is elusive and not always easy to recognise. The book traces generic links between Shakespeare's comedies of love and screen genres such as romantic comedy, 'screwball' comedy and musicals, as well as clarifying the use of common conventions defining the genres, such as mistaken identity, 'errors', disguise and 'shrew-taming'. Speculative, challenging and entertaining, the book will appeal to those interested in Shakespeare, movies and the representation of love in narratives.

shakespeare quotations about love: Edinburgh Companion to Shakespeare and the Arts Mark Thornton Burnett, 2011-10-12 This authoritative and innovative volume explores the place of

Shakespeare in relation to a wide range of artistic practices and activities, past and present.

shakespeare quotations about love: *Shakespeare's Comedies of Love* Karen Bamford, 2008-12-01 Borrowing its title from renowned scholar Alexander Leggatt's landmark 1974 study, Shakespeare's Comedies of Love is a tribute to a critic who has shaped the way the world understands Shakespeare and his comedies. To help celebrate his distinguished career as a teacher and scholar, this collection of essays presents a wide range of new work on the Bard's comedies. The contributors cover diverse areas of inquiry, including the use of the comedies as a source of women's empowerment in nineteenth-century America; civic drama in Elizabethan London; male anxiety about women in the comedies; anti-Semitism in *The Merchant of Venice*; as well as some key productions of Shakespeare's comedies. Rich in detail and broad in scope, Shakespeare's Comedies of Love is a celebration of Leggatt's distinguished career, and an enduring collection of work on the world's most famous writer.

shakespeare quotations about love: *The Arden Shakespeare Book of Quotations on Love* William Shakespeare, 2005

shakespeare quotations about love: *Performing Shakespearean Appropriations* Darlena Ciraulo, Matthew Kozusko, Robert Sawyer, 2022-06-29 *Performing Shakespearean Appropriations* explores the production and consumption of Shakespeare in acts of adaptation and appropriation across time periods and through a range of performance topics. The ten essays, moving from the seventeenth to the twenty-first century, address uses of Shakespeare in the novel, television, cinema, and digital media. Drawing on Christy Desmet's work, several contributors figure appropriation as a posthumanist enterprise that engages with electronic Shakespeare by dismantling, reassembling, and recreating Shakespearean texts in and for digital platforms. The collection thus looks at media and performance technologies diachronically in its focus on Shakespeare's afterlives. Contributors also construe the notion of "performance" broadly to include performances of selves, of communities, of agencies, and of authenticity—either Shakespeare's, or the user's, or both. The essays examine both specific performances and larger trends across media, and they consider a full range of modes: from formal and professional to casual and amateur; from the fixed and traditional to the ephemeral, the itinerant, and the irreverent.

shakespeare quotations about love: *Shakespeare and the Eighteenth-Century Novel* Kate Rumbold, 2016-03-08 The eighteenth century has long been acknowledged as a pivotal period in Shakespeare's reception, transforming a playwright requiring 'improvement' into a national poet whose every word was sacred. Scholars have examined the contribution of performances, adaptations, criticism and editing to this process of transformation, but the crucial role of fiction remains overlooked. *Shakespeare and the Eighteenth-Century Novel* reveals for the first time the prevalence, and the importance, of fictional characters' direct quotations from Shakespeare. Quoting characters ascribe emotional and moral authority to Shakespeare, redeploy his theatricality, and mock banal uses of his words; by shaping in this way what is considered valuable about Shakespeare, the novel accrues new cultural authority of its own. Shakespeare underwrites, and is underwritten by, the eighteenth-century novel, and this book reveals the lasting implications for both of their reputations.

shakespeare quotations about love: *Shakespeare and the Rose of Love* John Vyvyan, 2020-05-06 Originally published by Chatto & Windus in 1960 as the second volume in a trilogy, this book has long been out of print. It offers a viewpoint seldom considered: an unusual and exceptionally clear insight into Shakespeare's philosophy. It does so with freshness, modesty and conviction. John Vyvyan continues his exploration into Shakespeare's philosophy, begun in *The Shakespearean Ethic*, which he believes to have been consistent, consciously held and profoundly Christian. However, appreciating the danger faced in writing at a time of major religious intolerance, for 'by the orthodox standards of his age, [such a] philosophy was heretical', Vyvyan explains how Shakespeare used the medieval allegory of love, *The Romance of the Rose*, to veil his ideas. The ultimate principle of his unorthodoxy, Vyvyan points out, was not original. It was one that had 'been getting the mystics into trouble repeatedly since the early Middle Ages. Shakespeare's

view, that love leads to the recognition of unity, in essence is a poet's presentation of the doctrine of divine immanence. This is something the mystics are continually reasserting'. In *The Romance of the Rose*, the heroine symbolises the highest form of Love, not just romance, but also the qualities of purity and constancy, as Vyvyan reveals by discussing at length Love's Labour's Lost, Two Gentlemen of Verona and Romeo and Juliet. He shows that, even in his earliest work, Shakespeare was moving towards the universal ideas of love, forgiveness and regeneration which found their fullest expression in *The Tempest* and *A Winter's Tale*. 'There is no other voice from the past', Vyvyan writes, 'to which we still listen so willingly; and this is not merely because he entertains us, even in the higher sense, but also because there is something in his outlook on life that is deeply satisfying.' Author Details: John Vyvyan, born in 1908 in Sussex, was educated mainly in Switzerland. His first profession was archaeology, and he worked with Sir Flinders Petrie in the Middle East. Illness, which dogged him all his life, ended this kind of arduous field work, and he retired from archaeology to become a Shakespearean scholar and to write. In recognition of his contribution to Shakespearean scholarship in his trilogy, *The Shakespearean Ethic* (1959), *Shakespeare and the Rose of Love* (1960) and *Shakespeare and Platonic Beauty* (1961), he was offered, but unable to take up, a visiting lectureship at the State University of New York. He died in Exmouth in 1975.

shakespeare quotations about love: *The Love Play of Antony and Cleopatra* Philip J. Traci, 2018-03-19 No detailed description available for *The Love Play of Antony and Cleopatra*.

shakespeare quotations about love: Shakespeare's Bawdy Eric Partridge, 2005-07-08 This classic of Shakespeare scholarship begins with a masterly introductory essay analysing and exemplifying the various categories of sexual and non-sexual bawdy expressions and allusions in Shakespeare's plays and sonnets. The main body of the work consists of an alphabetical glossary of all words and phrases used in a sexual or scatological sense, with full explanations and cross-references.

shakespeare quotations about love: 'Love looks not with the eyes but with the mind': Shakespeare's Sonnets, Alchemy and Individuation. William Bishop, 2019 It is my intention, in reading together literary critics, artists and theorists, to show how the development of Shakespeare's conception of his own subjectivity develops over the course of his sonnet sequence. I will discuss and utilise the Jungian concept of individuation, and the Lacanian concept of desire, as well as language from the lexicon of the fifteenth and sixteenth century alchemists to develop an understanding of how the intimately psychological nature of the production of art is being demonstrated by Shakespeare in his poems.

shakespeare quotations about love: Love, history and emotion in Chaucer and Shakespeare Andrew James Johnston, Russell West-Pavlov, Elisabeth Kempf, 2016-02-05 This collection of essays explores medieval and early modern Troilus-texts from Chaucer to Shakespeare. The contributions show how medieval and early modern fictions of Troy use love and other emotions as a means of approaching the problem of tradition. As these texts reflect on their own traditionality, they highlight both the affective nature of temporality and the role of affect in scrutinising tradition itself. Focusing on a specific textual lineage that bridges the conventional period boundaries, the collection participates in an exchange between medievalists and early modernists that seeks to generate a dialogic encounter between the periods with the aim of further dismantling the rigid notions of chronology and periodisation that have kept medieval and early modern scholarship apart.
