with you every step: *With You Every Step of the Way* Christopher B. Wolf, 2011-09 Where are you on your faith journey? Many have described faith as a journey, and it seems very accurate and appropriate to do so. Now, to be sure, it's no random jaunt or spree! It is a lifelong expedition with much uncertainty and loneliness. The weight we carry rarely gets lighter, and it requires more strength than we know we have. Along this journey, we lose our way and our confidence. We get distracted and stuck and sometimes become hopeless and despairing, but we also learn and gain wisdom, celebrate and find meaning, and ultimately arrive at discovering who God created us to be and who God really is. As with every long journey, our faith journey needs a map, perhaps even an atlas. Thankfully, each and every step of our journey is intimately and definitively known by our loving God, who is there With You Every Step of the Way. Christopher B. Wolf's new book is for everyone who desires to navigate and draw closer to God along the unpredictable but exhilarating journey of faith. It serves as a 'word atlas' of both the things we need along the way and what we receive: assurance, heart and soul, fellowship, possibilities, and transformation. Formatted for the individual who needs insight and support, as well as for the small group that wants to grow, study, and think together, *With You Every Step of the Way* includes thoughtful messages as well as reflection questions that will inspire compelling contemplation and discussion. Christopher B. Wolf is the author of *Giving Faith a Second Chance: Restarts, Mulligans and Do-Overs*. He has served and led churches in New Jersey and Michigan and now lives in Saddle Brook, New Jersey, with his wife, Jennifer, and children, Brian and Madelyn. He also writes a weekly message called *Living Water*. To sign up and visit with him, go to his website, www.christopherbwolf.com, or you can find him on Facebook and Twitter.

its simplest description, is a self-help book designed to help one along on their own spiritual path to finding a more complete and satisfying relationship with God. Most of us have already begun our own journey with God. This is not a book designed to reroute your ideas and beliefs; it is designed to help us develop a greater sense of God's love for ourselves and for others. A spiritual journey is always a very personal and highly individual path that will look and feel much different for each person. There is no right or wrong way and certainly no time frame to attain all the glory that lies ahead of us. This book simply outlines concepts and ideas that will help us achieve a more connected relationship with God and, in doing so, might just help us heal some of the pains and baggage we carry with us daily. By taking a few steps in the right direction, we will also learn to have a better relationship with our self, allowing us to see ourselves as God sees us. Once we become a little more complete and whole, we can venture out and become godlike to others and, therefore, becoming One with God.

with you every step: "Thoughts for Each Step... Every Day" John Graham, 2011-06-10
 Humanity must have food and drink each day in order to survival. Humanity must pause for a time of rest each day in order to maintain the strength to perform the task of the following day. Humanity must enter into some type of relationship with another person each day unless he began to feel isolated and inferior. Just as the physical and psychological aspects of man must have certain needs met each day, so must the spirit of man. We may go with the flow for awhile, but deep within the confines of humanity is the soul. And that soul must experience and enjoy a renewal. Such renewal is found in a daily relationship with the Creator of life. Man must pause from his daily routine and purposefully focus on the Word of God which in turn will enrich, encourage and enable him to face each circumstance and condition that a days activities may confront him. The Bible declares, they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint (Isaiah 40:31 KJV). Within the pages of this daily devotional, you will find strength, stability and satisfaction awaiting you each step of every day.
