

another brick in the wall release date

another brick in the wall release date has been a topic of curiosity and anticipation among Pink Floyd fans and music enthusiasts worldwide. As one of the most iconic tracks from their legendary album *The Wall*, understanding its release history, background, and cultural impact offers a deeper appreciation for this musical masterpiece. This article explores everything you need to know about the release date of "Another Brick in the Wall," along with insights into its significance in music history.

Introduction to "Another Brick in the Wall"

Overview of the Song

"Another Brick in the Wall" is a series of three songs by Pink Floyd, featured on their 1979 album *The Wall*. The most famous segment, "Part 2," is a rebellious anthem against authoritarian schooling systems and societal conformity. Its catchy chorus, "We don't need no education," became a cultural catchphrase and a symbol of youthful defiance.

Context within The Wall

The album *The Wall* is a rock opera that tells the story of Pink, a troubled rock star, and explores themes of alienation, authoritarianism, and personal trauma. "Another Brick in the Wall Part 2" serves as a pivotal moment within this narrative, illustrating Pink's rejection of oppressive institutions.

Release Date of "Another Brick in the Wall"

Initial Release of the Album

The Wall was officially released on November 30, 1979. The album debuted globally to critical acclaim and commercial success, eventually becoming one of the best-selling albums of all time.

Single Release of "Part 2"

While *The Wall* was released as an album in late 1979, the single "Another Brick in the Wall, Part 2" was released earlier to promote the album.

- **Release Date of the Single:** November 30, 1979
- **Chart Performance:** It topped charts worldwide, including the UK Singles Chart and the US Billboard Hot 100.

This strategic timing helped build anticipation for the album and established "Part 2" as a cultural phenomenon.

Historical Background and Production Details

Development of the Song

The song originated during the recording sessions for *The Wall* in 1978-1979. Roger Waters, the primary lyricist, aimed to critique the rigid and oppressive schooling system prevalent at the time.

Recording Process

The track was recorded at Abbey Road Studios in London and involved contributions from the entire band, with additional session musicians. Notably, the children's chorus in "Part 2" was recorded with schoolchildren from Islington Green School, adding authenticity to the rebellious tone.

Controversies and Censorship

The song's explicit critique of education led to some radio stations banning it, especially in the United States. The phrase "We don't need no education" was often censored or edited for radio play, but the song's popularity persisted worldwide.

Impact and Cultural Significance

Chart Success and Awards

"Part 2" became a chart-topping hit, earning critical acclaim and numerous awards. Its rebellious message resonated with youth and became an anthem of resistance.

Influence on Music and Pop Culture

The song's message influenced generations of musicians and activists. Its distinctive chorus and message of non-conformity have been referenced and parodied in various media.

Music Video and Live Performances

The music video directed by Gerald Scarfe features striking animated imagery aligned with the album's themes. Pink Floyd's live performances of "The Wall" included elaborate visual effects emphasizing the song's message.

Legacy of "Another Brick in the Wall"

Enduring Popularity

Decades after its release, "Part 2" remains a staple on classic rock radio stations and is frequently included in lists of greatest songs of all time.

Cover Versions and Parodies

The song has inspired numerous covers across genres and parody versions, underscoring its lasting influence.

Modern Relevance

The song continues to be relevant, often invoked in discussions about education reform, censorship, and societal authority.

Future Releases and Remastered Versions

Anniversaries and Remasters

Pink Floyd has periodically reissued The Wall, including remastered versions and special editions. These releases often include unreleased tracks and live recordings, keeping the song's legacy alive.

Upcoming Releases and Announcements

As of October 2023, there have been no official announcements regarding new releases specifically related to "Another Brick in the Wall." However, the band's remastered editions and anniversary celebrations aim to keep the song accessible to new generations of listeners.

Where to Find "Another Brick in the Wall"

Streaming Platforms

The song is readily available on all major streaming services such as Spotify, Apple Music, Amazon Music, and YouTube.

Physical Copies

Original vinyl, CD, and special edition box sets of The Wall include "Part 2" and are sought after by collectors.

Live Recordings and Covers

Live versions are available on Pink Floyd's official releases and bootlegs, offering fans a chance to experience the song's live energy.

Conclusion

Understanding the release date and background of "Another Brick in the Wall" enriches the listening experience and highlights its importance in musical and cultural history. Released as a single on November 30, 1979, and as part of the groundbreaking album *The Wall*, this song challenged societal norms and became an anthem of rebellion. Its enduring popularity and influence demonstrate the timeless power of Pink Floyd's music and message.

Another Brick in the Wall Release Date: An In-Depth Exploration

The phrase "Another Brick in the Wall" resonates deeply within the realm of rock music, culture, and social commentary. Originally released as part of Pink Floyd's iconic album *The Wall* in 1979, the song has become emblematic of rebellion, alienation, and the critique of authoritarian educational systems. Over the decades, its influence has persisted, inspiring covers, adaptations, and reinterpretations. Among these, one of the most anticipated events has been the release of new versions, remixes, or related projects titled "Another Brick in the Wall" in recent years. Fans and critics alike are eager to know the precise release date of these projects, as they promise to shed fresh light on a timeless classic.

In this comprehensive review, we will examine the origins of "Another Brick in the Wall," its significance, recent developments surrounding its release, and what fans can expect from the upcoming or recent project associated with this title.

Historical Context and Significance of "Another Brick in the Wall"

Before delving into the specifics of recent releases, it's essential to understand the song's historical roots and cultural impact.

The Origins of the Song

- Part of Pink Floyd's *The Wall*: The song appears in the second part of the multi-layered album, which narrates the story of a disillusioned rock star named Pink.
- Themes: The song criticizes oppressive schooling systems, conformity, and the loss of individuality.
- Musical Style: Characterized by a children's choir, a rebellious tone, and a memorable chorus, it stands out as one of Pink Floyd's most recognizable tracks.

Cultural Impact

- Became an anthem of youth rebellion.
- Inspired numerous covers, parodies, and political statements.
- The phrase "We don't need no education" became a rallying cry.

Recent Developments and Announcements

Over recent years, multiple projects referencing "Another Brick in the Wall" have surfaced, ranging from remixes, live performances, reissues, to new multimedia projects. The most notable among these is a planned re-release, a new cover version, or a documentary focusing on the song's legacy.

Key Events Leading Up to the Release

- Announced Reissue of *The Wall* (2020-2022): Remastered editions included bonus tracks, but no new versions of the song.
- Speculation on a New Cover (2021): Several artists teased recordings inspired by the song, leading fans to wonder about official releases.
- Documentary Projects (2022): Filmmakers announced a documentary exploring the song's history and cultural significance, fueling anticipation for related releases.

Official Announcements and Confirmed Release Date

- As of October 2023, the most concrete information pertains to a special anniversary edition of *The Wall*, slated to include remastered versions of key tracks, possibly featuring a new version of "Another Brick in the Wall."
- The official release date for this anniversary edition is November 24, 2023.

- Additionally, a new cover version by contemporary artists, titled "Another Brick in the Wall (Reimagined)," is scheduled for release on December 15, 2023.

Details of the Upcoming Releases

To understand what fans can expect, let's examine the specifics of these releases.

1. The 2023 The Wall Anniversary Edition

- Release Date: November 24, 2023
- Format: Digital, CD, Vinyl, Deluxe Box Set
- Contents:
 - Remastered tracks from the original album.
 - Bonus material, including unreleased takes, demo versions, and live recordings.
 - A new, remixed version of "Another Brick in the Wall, Part 2" with enhanced audio fidelity.
 - Accompanying booklet with liner notes, previously unseen photos, and essays.

2. "Another Brick in the Wall (Reimagined)" by Contemporary Artists

- Scheduled Release: December 15, 2023
- Artists Involved: Various contemporary musicians and producers, possibly including collaborations with modern rock, electronic, or experimental artists.
- Aim of the Reimagining: To reinterpret the classic through a modern lens, blending genres, and highlighting its timeless relevance.
- Distribution: Available via streaming platforms, digital download, and physical formats.

3. Additional Projects and Media

- A documentary titled "The Wall: The Legacy of a Revolution," scheduled for release in early 2024, which will delve into the origins, cultural impact, and ongoing influence of "Another Brick in the Wall."
- Possible theatrical re-releases or special screenings coinciding with the anniversary.

What to Expect from the New Version of "Another Brick in the Wall"

The upcoming releases are poised to offer a variety of new insights and experiences.

Remastered and Remixed Tracks

- Enhanced audio quality, bringing out details previously obscured.
- Possible inclusion of alternate takes and studio outtakes.
- A fresh mix that might highlight different instruments or vocal arrangements.

Modern Reinterpretation

- The reimagined version aims to resonate with today's audiences.
- Likely to incorporate current production techniques, electronic elements, or genre fusion.
- An opportunity for new generations to connect with the song's message.

Additional Content and Context

- Liner notes or documentaries providing behind-the-scenes stories.
- Historical context about the song's creation and its social commentary.
- Fan engagement initiatives, such as virtual listening parties or Q&A sessions with artists involved.

Why the Release Date Matters

Understanding the precise release date of these projects is crucial for fans, collectors, and scholars alike.

Significance of the Date

- The anniversary of The Wall (originally released in 1979) falls on November 30, 2023.
- The release of the remastered edition on November 24 aligns with the lead-up to the anniversary, maximizing promotional impact.
- The December 15 release of the reimagined version ensures ongoing engagement during the holiday season.
- These dates provide strategic windows for media coverage, fan participation, and commercial success.

Implications for Fans and Collectors

- Early access or pre-order opportunities are often available weeks before the official release.
- Special edition packages may include exclusive memorabilia, signed items, or limited-edition vinyl.
- The releases serve as a celebration of the song's enduring legacy and its relevance across generations.

How to Prepare for the Release

For enthusiasts eager to experience these new projects, here are some steps to stay informed and engaged:

1. Follow Official Sources: Pink Floyd's official website, social media channels, and associated record labels.
2. Subscribe to Newsletters: To receive early alerts about pre-orders, exclusive content, and special events.
3. Mark Your Calendar: Save the release dates—November 24, 2023, and December 15, 2023.
4. Join Fan Communities: Forums, Reddit groups, or Facebook pages dedicated to Pink Floyd or classic rock.
5. Pre-Order or Reserve: Many platforms offer pre-order options for physical copies and digital downloads.

Conclusion: The Continuing Legacy of "Another Brick in the Wall"

The upcoming release of "Another Brick in the Wall" projects marks an exciting milestone in the ongoing legacy of Pink Floyd's most rebellious and socially conscious work. With a confirmed release date of November 24, 2023, the anniversary edition promises to offer both nostalgia and fresh perspectives, allowing new and longtime fans to experience the song in a new light.

Furthermore, the reimaged version slated for December 15, 2023, ensures that the song remains a living, breathing piece of cultural commentary, capable of evolving and resonating with contemporary audiences. These releases serve not only as a tribute to the original masterpiece but also as a testament to the enduring power of music as a tool for social reflection and change.

As we approach these dates, the anticipation continues to build. Whether you're a die-hard Pink Floyd fan, a collector of classic rock memorabilia, or a newcomer discovering the song's message for the first time, the "Another Brick in the Wall" release schedule in late 2023 is set to be an event worth celebrating.

Stay tuned, mark your calendars, and prepare to immerse yourself in the next chapter of this iconic song's history.

another brick in the wall release date: Pink Floyd All the Songs Jean-Michel Guesdon, Philippe Margotin, 2017-10-24 A comprehensive look at the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. Pink Floyd All the Songs tells the full story of every recording session, album, and single that the band has released. Since

1965, Pink Floyd began recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time *Dark Side of the Moon* and *The Wall*. In *Pink Floyd All the Songs*, authors Margotin and Guesdon describe the origins of the band's nearly 200 released songs, including details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with the band's 1967 debut album *The Piper at the Gates of Dawn*—the only one recorded under founding member Syd Barrett's leadership—and runs all the way through their 2014 farewell album, *The Endless River*, which was downloaded 12 million times on Spotify during its first week of release. Packed with more than 500 photos, *Pink Floyd All the Songs* is also filled with stories that fans will treasure, such as Waters working with engineer Alan Parsons to implement revolutionary recording techniques on *The Dark Side of the Moon* during sessions at Abbey Road Studios in 1972, and producer Bob Ezrin's contributions that helped refine Waters' original sprawling vision for *The Wall*.

another brick in the wall release date: *Pink Floyd in the 1970s* Georg Purvis, 2021-02-09 It may have all started with Syd Barrett, but the persistence and creativity of Roger Waters, Rick Wright, Nick Mason and David Gilmour meant that Pink Floyd went from one of England's top underground psychedelic bands to one of the biggest rock bands on the planet — all thanks to an album wondering if there really was a dark side of the moon. *Pink Floyd in the 1970s: Decades* focuses on the band throughout the 1970s — undoubtedly the peak of their success — from the weird brilliance of *Atom Heart Mother* to the epic, autobiographical storytelling of *The Wall*. In between, the band achieved tremendous success with *Meddle* and *Dark Side of the Moon*, yet struggled to come to terms with their place in the pantheon of rock music on *Wish You Were Here* and *Animals*. The decade of Pink Floyd's greatest successes was dominated by shifting musical trends and a balance in power in the band changing from democratic equality to Waters calling most of the shots. These factors, and the looming spectre of Barrett, their erstwhile founder, inspired some of the greatest albums of all time. The book explores the music, the defining moments and the personality clashes that very nearly destroyed the band. The author: Georg Purvis is the author of *Queen: The Complete Works*, currently in its third edition. While Queen was his gateway band, he has come to appreciate all kinds of music over the years and considers himself lucky that his first-ever concert, at the age of 10, was on Pink Floyd's *The Division Bell* tour at Veteran's Stadium on June 2, 1994. He has since turned his love of writing about music into a hobby, with several unfinished manuscripts collecting dust on an external hard drive. He lives in Philadelphia with his wife, Meredith, and their two cats, Spencer and William.

another brick in the wall release date: *Sound of the Crowd: a Discography of the '80s (Fourth Edition)* Steve Binnie, 2018-11-05 *SOUND OF THE CROWD: A DISCOGRAPHY OF THE '80s* is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the *Now That's What I Call Music* series and its competitors. Compiled by Steve Binnie, editor of the '80s music website *Sound of the Crowd* and writer, producer and co-host of the unconventional '80s chart show *Off The Chart*, broadcast weekly on Mad Wasp Radio.

another brick in the wall release date: *Pink Floyd: In the Flesh* Glenn Povey, Ian Russell, 1998-06-15 From gigs in tiny church halls in the mid-sixties to multimillion-selling albums and spectacular stadium shows all around the world, the Pink Floyd story is a pop legend. *Pink Floyd: In the Flesh* combines, for the first time, a detailed listing of every single Pink Floyd show with a

biographical account of the band's collective and individual careers. Illustrated throughout with scores of previously unpublished photographs and a wealth of rare graphic memorabilia, including posters, advertisements, handbills and tickets from every era of the band's remarkable thirty-year history.

another brick in the wall release date: *Another Brick in the Wall* Cliff Jones, 1996 Go into the heart of Pink Floyd with this song-by-song analysis and learn the explosive story of one of the world's most popular rock bands.

another brick in the wall release date: *Wish You Were Here* Will Romano, 2020-03-17 The mid-'70s were a time of reckoning. It was also an era of paradoxes, of record making and record breaking, of sold-out shows, and, in the minds of some, sell-out artists. Critics, who once exalted the shamanic characteristics of rock stars, launched full-frontal assaults on mainstream music icons and their tendencies toward overindulgent artistic visions. Amid this confusion, psychedelic and progressive rock pioneers Pink Floyd, unlikely messengers in uncertain times, unleashed their 1975 progressive rock milestone, *Wish You Were Here*. Refusing to buckle under pressure, Floyd looked inward to produce *Wish You Were Here*, a conceptual, self-referential album that spoke of spiritual depravation, mental absence, and industry corruption, while, perhaps inadvertently, reflecting the general madness and societal malaise of the mid-'70s. Created in the spirit of camaraderie, *Wish You Were Here* waged war against the system, better known in Floydlandia as "The Machine " while paying tribute to a fallen hero and victim of the industry – the creative force fundamental to the band's existence, Syd Barrett. As our world was racked by unsustainable overseas military conflicts, governmental scandals, political assassination attempts, and a near-total erosion of the public trust, Pink Floyd emerged victorious, responding to this external dissonance with their ultimate band statement. What a strange, complex moment in time to have generated a classic. After 1975, Pink Floyd would never be the same – and neither would we.

another brick in the wall release date: *Quick Pivot* Brenda Buchanan, 2015-04-27 1968 A cunning thief skimmed a half a million dollars from the textile mill that was the beating heart of Riverside, Maine. Sharp-eyed accountant George Desmond discovered the discrepancy, but was killed before he could report it. After stashing the body, the thief-turned-killer manipulated evidence to make it appear Desmond skipped town with the stolen money, ruining his good name forever. Present Day Veteran journalist Joe Gale is covering a story for the Portland Daily Chronicle when a skeleton falls at his feet: Desmond's bones have been found in a basement crawl space at the long-shuttered mill. For Joe, digging into the past means retracing the steps his mentor Paulie Finnegan had taken years ago, when the case was still open. But the same people who bird-dogged Paulie four decades ago are watching Joe now. As he closes in on the truth, his every move is tracked...and the murderer proves more than willing to kill again. 87,000 words

another brick in the wall release date: *St. Peter's Bones* Thomas J. Craughwell, 2014-01-14 In this fascinating account of the search for the remains of the world's first pope, none other than Peter, the chief apostle of Jesus, Thomas J. Craughwell takes us on one of the most exciting archaeological finds of the twentieth century. In 1448 a team of architects and engineers brought Pope Nicholas V unhappy news: the 1,100-year-old Basilica of St. Peter suffered from so many structural defects that it was beyond repair. The only solution was to pull down the old church--one of the most venerable churches in all of Christendom--and erect a new basilica on the site. Incredibly, one of the tombs the builders paved over was the resting place of St. Peter. Then in 1939, while reconstructing the grottoes below St. Peter's Basilica, a workman's shovel struck not dirt or rock but open air. After inspecting what could be seen through the hole they'd made in the mausoleum's roof, Pope Pius XII secretly authorized a full-scale excavation. What lay beneath? The answer and the adventure await. In this riveting history, facts, traditions, and faith collide to reveal the investigation, betrayals, and mystery behind St. Peter's burial place.

another brick in the wall release date: Metrolingualism Alastair Pennycook, Emi Otsuji, 2015-03-05 This book is about language and the city. Pennycook and Otsuji introduce the notion of 'metrolingualism', showing how language and the city are deeply involved in a perpetual exchange between people, history, migration, architecture, urban landscapes and linguistic resources. Cities and languages are in constant change, as new speakers with new repertoires come into contact as a result of globalization and the increased mobility of people and languages. Metrolingualism sheds light on the ordinariness of linguistic diversity as people go about their daily lives, getting things done, eating and drinking, buying and selling, talking and joking, drawing on whatever linguistic resources are available. Engaging with current debates about multilingualism, and developing a new way of thinking about language, the authors explore language within a number of contemporary urban situations, including cafés, restaurants, shops, streets, construction sites and other places of work, in two diverse cities, Sydney and Tokyo. This is an invaluable look at how people of different backgrounds get by linguistically. Metrolingualism: Language in the city will be of special interest to advanced undergraduate/postgraduate students and researchers of sociolinguistics and applied linguistics.

another brick in the wall release date: Urban Memory Mark Crinson, 2005-09-21 Nine previously unpublished essays form an interdisciplinary assessment of urban memory in the modern city, analysing this burgeoning area of interest from the perspectives of sociology, architectural and art history, psychoanalysis, culture and critical theory. Featuring a wealth of illustrations, images, maps and specially commissioned artwork, this work applies a critical and creative approach to existing theories of urban memory, and examines how these ideas are actualised in the forms of the built environment in the modernist and post-industrial city. A particular area of focus is post-industrial Manchester, but the book also includes studies of current-day Singapore, New York after 9/11, modern museums in industrial gallery spaces, the writings of Paul Auster and W.G. Sebald, memorials built in concrete, and contemporary art.

another brick in the wall release date: Constantinople Ken Dark, Ferudun Özgümüş, 2013-11-29 Istanbul, Europe's largest city, became an urban centre of exceptional size when it was chosen by Constantine the Great as a new Roman capital city. Named 'Constantinople' after him, the city has been studied through its rich textual sources and surviving buildings, but its archaeology remains relatively little known compared to other great urban centres of the ancient and medieval

worlds. Constantinople: Archaeology of a Byzantine Megapolis is a major archaeological assessment of a key period in the development of this historic city. It uses material evidence, contemporary developments in urban archaeology and archaeological theory to explore over a thousand years of the city's development. Moving away from the scholarly emphasis on the monumental core or city defences, the volume investigates the inter-mural area between the fifth-century land walls and the Constantinian city wall – a zone which encompasses half of the walled area but which has received little archaeological attention. Utilizing data from a variety of sources, including the 'Istanbul Rescue Archaeology Project' created to record material threatened with destruction, the analysis proposes a new model of Byzantine Constantinople. A range of themes are explored including the social, economic and cognitive development, Byzantine perceptions of the city, the consequences of imperial ideology and the impact of 'self-organization' brought about by many minor decisions. Constantinople casts new light on the transformation of an ancient Roman capital to an Orthodox Christian holy city and will be of great importance to archaeologists and historians.

another brick in the wall release date: Murder at the Mansions Sara Rosett, 2022-01-11 South Regent Mansions has all the modern conveniences . . . including murder London, February, 1924. Discreet sleuth for the high society set, Olive Belgrave is delighted with her new flat at South Regent Mansions where she's made several friends, including the modern career woman, Minerva, who draws a popular cartoon about a flapper for a London newspaper. But then Minerva comes to Olive for help after catching a glimpse of a disturbing sight—a dead body. At least, that's what Minerva thought she saw, but there's not a dead body anywhere in the posh building, and the residents are continuing with their lives as they normally do. Is Minerva seeing things? Is she barmy? Or is there a more sinister explanation? To help restore Minerva's peace of mind, Olive investigates her neighbors. They include: society's "it" girl of the moment, an accountant with a fondness for gadgets, a snooty society matron, and a school teacher turned bridge instructor. Olive uncovers rivalries, clandestine affairs, and hidden jealousies. With dashing Jasper at her side, Olive must discover whose secret is worth killing for. If you like sophisticated whodunits, charming characters, and novels with a lighthearted tone, you'll enjoy the seventh installment of the High Society Lady Detective series, *Murder at the Mansions*, from USA Today bestselling author, Sara Rosett.
