Garth Hallberg City on Fire: An In-Depth Exploration of the Iconic Novel and Its Impact

Introduction

In the landscape of contemporary literature, few novels have managed to evoke such widespread discussion and admiration as Garth Hallberg's *City on Fire*. This sprawling, multi-layered narrative captures the essence of New York City in the 1970s and explores themes of friendship, identity, art, and societal upheaval. The phrase **Garth Hallberg City on Fire** has become synonymous with this literary milestone, signaling a work that combines meticulous storytelling, rich character development, and a profound reflection on a turbulent era.

About Garth Hallberg and *City on Fire*

Who is Garth Hallberg?

Garth Hallberg is a renowned American novelist and writer, known for his detailed research and immersive storytelling. His debut novel, *City on Fire*, was published in 2015 to critical acclaim, establishing him as a significant voice in modern American literature.

The Overview of *City on Fire*

City on Fire is an epic novel set against the backdrop of 1970s New York City. Spanning over 700 pages, the book chronicles the lives of a diverse cast of characters whose stories intertwine amidst the chaos and vibrancy of the city. From punk rock musicians to aspiring artists, from teenagers to seasoned residents, Hallberg creates a vivid tapestry of life during a tumultuous decade.

The Significance of "*City on Fire*" in Modern Literature

A Reflection of the 1970s NYC

The novel offers an authentic portrayal of New York City during a period marked by economic decline, rising crime rates, and cultural revolution. Hallberg's detailed descriptions bring the city to life, capturing its grit, glamour, and contradictions.

Themes Explored in the Novel

- Friendship and Loyalty: The bonds forged among characters in times of hardship.
- Art and Creativity: The influence of music, visual arts, and literature.
- Socioeconomic Struggles: The impact of urban decay and inequality.
- Personal Identity and Growth: Characters' journeys of self-discovery amidst chaos.

Critical Reception and Impact

City on Fire received praise for its immersive narrative and meticulous detail. Critics lauded Hallberg's ability to weave multiple storylines seamlessly and his deep understanding of the era's cultural landscape. The novel has become a benchmark for depicting urban life and has influenced many contemporary authors.

In-Depth Analysis of City on Fire

The Narrative Structure

Hallberg employs a non-linear narrative, shifting perspectives among various characters and timelines. This approach enriches the storytelling by providing multiple viewpoints and highlighting the interconnectedness of lives in the city.

Major Characters and Their Arcs

- Maggie: An aspiring artist navigating the challenges of a male-dominated art scene.
- Danny: A musician caught between the punk movement and his personal aspirations.
- Lena: A teenage girl experiencing the complexities of youth and rebellion.
- Frank: A detective entangled in the city's criminal underworld.

Each character's journey reflects broader societal themes and contributes to the novel's overarching narrative.

Key Events and Moments

- The rise of punk rock clubs and their cultural significance.
- The 1977 blackout and ensuing chaos.
- Personal tragedies and moments of hope.
- The influence of political movements and protests.

Literary Style and Techniques

Hallberg's prose is characterized by its vivid imagery, sharp dialogue, and meticulous historical detail. He combines journalistic precision with poetic insight, immersing readers in the sights, sounds, and emotions of 1970s New York.

The Cultural and Historical Context of *City on Fire*

New York City in the 1970s

The novel's setting is a city on the brink—economically strained but culturally vibrant. The story captures:

- The rise of punk and alternative music scenes.
- The prevalence of graffiti and street art.
- Political activism and social unrest.
- The city's struggle with crime and urban decay.

Real Events and Figures Portrayed

Hallberg weaves real historical events into the narrative, including:

- The blackout of 1977.
- The rise of the punk movement with bands like The Ramones.
- The influence of figures like Andy Warhol and other artists.

The Novel's Role in Preserving History

By blending fiction with factual details, *City on Fire* serves as a literary time capsule, offering readers a vivid glimpse into a pivotal decade in New York City's history.

The Impact and Legacy of *City on Fire*

Influence on Readers and Writers

Garth Hallberg City on Fire: An In-Depth Exploration of a Modern Literary Landmark

In recent years, the literary world has been captivated by Garth Hallberg's magnum opus, *City on Fire*. This sprawling novel, often referred to simply as *Garth Hallberg City on Fire*, has garnered critical acclaim for its ambitious scope, vivid storytelling, and intricate characterization. As a towering achievement in contemporary fiction, it offers readers a panoramic view of New York City in the 1970s, intertwined with themes of love, loss, identity, and societal upheaval. This guide aims to provide a comprehensive analysis of *Garth Hallberg City on Fire*, exploring its themes, narrative structure, character development, and cultural significance.

Introduction to Garth Hallberg and *City on Fire*

Before delving into the novel itself, it's essential to understand the author behind this monumental work. Garth Hallberg is known for his meticulous research and poetic prose, often chronicling American life with an emphasis on urban landscapes and cultural moments. *City on Fire* is his debut novel, published in 2015 after years of development, and it quickly established him as a major voice in contemporary literature.

Overview of the Novel

- Publication Year: 2015
- Page Count: Approximately 944 pages
- Setting: New York City, 1970s
- Main Themes: Youth, music, social change, personal identity, urban decay

The novel spans several decades, primarily focusing on a pivotal summer in 1977, a year marked by cultural upheaval, economic decline, and political unrest in New York City.

The Narrative Structure and Style

Multi-Point of View Approach

Garth Hallberg City on Fire employs a multi-layered narrative, weaving together the perspectives of numerous characters. This approach allows readers to experience the city and its inhabitants from different angles, creating a rich tapestry of voices.

Chronological and Thematic Layers

While the story predominantly unfolds in a chronological manner, Hallberg occasionally employs flashbacks and non-linear sequences to deepen character backgrounds and thematic resonance. This layered storytelling enhances the novel's complexity, mirroring the chaotic energy of the city itself.

Rich, Lyrical Prose

Hallberg's writing style is notable for its lyrical quality—poetic, detailed, and immersive. His descriptions of the city evoke sights, sounds, and smells, making New York come alive on every page.

Major Themes in City on Fire

1. Urban Decay and Renewal

The novel vividly depicts New York City in decline—abandoned buildings, rising crime, economic hardship—yet also captures the resilience and renewal that define urban life.

Key Points:

- The physical decay of neighborhoods as a metaphor for social upheaval.
- The persistent hope and grit of residents striving for a better future.

2. Cultural and Social Change

Set against the backdrop of the 1970s, the novel explores:

- The punk and disco music scenes.
- The rise of activism and counterculture movements.
- Shifts in racial and gender dynamics.

3. Youth and Identity

Many characters are adolescents or young adults seeking their place in a rapidly changing world. The novel examines:

- The search for authenticity.
- Rebellion against societal norms.
- The impact of music and art as forms of self-expression.

4. Love, Loss, and Connection

Interpersonal relationships drive much of the narrative, illustrating:

- The transient nature of love.
- The deep bonds formed amidst chaos.
- The enduring impact of personal histories.

Character Analysis

Central Characters

- Maggie Harwood: A teenage girl passionate about music and seeking escape from her troubled home life.
- Sam Cohen: A young DJ immersed in the punk scene, grappling with questions of identity.
- Phil and Brenda: A couple navigating their relationship amid social turmoil.
- Detective Reyes: Representing law enforcement's perspective and the city's darker underbelly.

Character Dynamics

The novel's strength lies in its complex character interactions, illustrating how personal stories intersect with broader societal issues.

Character Development Highlights

- Maggie's journey from innocence to experience.
- Sam's quest for authenticity through music.
- The evolving relationships that mirror the city's transformation.

Cultural and Historical Context

Garth Hallberg *City on Fire* is not just a fictional story but also a cultural artifact that captures the essence of 1970s New York City.

Key Historical Events Referenced

- The blackout of 1977.
- The rise of punk rock and the discotheque scene.
- The financial crisis and urban decline.

Cultural Significance

The novel provides insight into:

- The music industry's evolution.
- The social justice movements of the era.
- The city's gritty resilience in the face of adversity.

Literary Techniques and Innovations

Intertextual References

Hallberg weaves references to real historical figures, bands, and events, grounding his fictional narrative in authentic cultural moments.

Symbolism and Metaphor

- The "city on fire" symbolizes both destruction and rebirth.
- Music as a metaphor for community and rebellion.
- Decaying architecture as a reflection of societal decay.

Use of Language

Hallberg's poetic language elevates the narrative, making the city itself a character infused with emotion and vitality.

Critical Reception and Impact

Garth Hallberg's *City on Fire* received widespread acclaim for its ambitious scope and lyrical prose. Critics praised its detailed portrait of New York City and its nuanced characterizations.

Awards and Nominations

- Longlisted for the National Book Award.
- Recognized for its contribution to American literary fiction.

Reader Reception

- Lauded for its immersive storytelling.
- Some found its length daunting but ultimately rewarding.

Cultural Influence

The novel has inspired discussions about urban history, music culture, and the significance of storytelling in capturing collective memory.

Conclusion: Why *City on Fire* Matters

Garth Hallberg *City on Fire* stands as a testament to the transformative power of storytelling. It encapsulates a pivotal decade in American history through the lens of personal stories and cultural shifts, illustrating how individual lives are intertwined with the pulse of a city in flux. For readers interested in American history, urban studies, or literary craftsmanship, this novel offers a compelling, richly textured experience.

Whether you're exploring the streets of 1970s New York or contemplating the enduring themes of resilience and change, *City on Fire* remains a vital read—one that ignites the imagination and burns brightly in the landscape of modern American literature.

garth hallberg city on fire: *A Field Guide to the North American Family* Garth Risk Hallberg, 2017-10-31 The very first work of fiction by the best-selling, acclaimed author of *City on Fire*--his piercingly beautiful treasure box of a novella about two families in the suburbs, now in a newly designed full-color edition For years, the Hungates and the Harrisons have coexisted peacefully in the same Long Island neighborhood, enjoying the pleasures and weathering the pitfalls of their suburban habitat. But when the patriarch of one family dies unexpectedly, the survivors face a stark imperative: adapt or face extinction. In sixty-three interlinked vignettes and striking accompanying photographs, the novella cuts multiple paths--which can be reconstructed in any order--through the lives of its richly imagined characters. Part art object, part Choose Your Own Adventure, *A Field Guide to the North American Family* is an innovative and deeply personal look at the ties that bind, as well as a poignant meditation on connection in a fragmented world.

garth hallberg city on fire: *The Second Coming* Garth Risk Hallberg, 2025-09-16 From the New York Times bestselling author of *City on Fire*, an intimate epic that plunges us deep into the lives of a teenage girl and her father as they navigate love, grief, betrayal, and redemption "Beautiful and daring." —Nathan Hill, author of *Wellness* "Breathtaking." —Christina Baker Kline, author of *Orphan Train* When thirteen-year-old Jolie Aspern drops her phone onto the subway tracks in 2011, her estranged dad, Ethan, seems like the furthest thing from her mind. A convicted felon and recovering addict, Ethan has long struggled to see beyond himself. But then a call from New York makes him fear his daughter's in deeper trouble than anyone realizes. And believing he's the only one who can save her, he decides to return home. So begins the journey that will, in time, push Jolie and Ethan—child and adult, apart and together, different yet the same—out past their depths. Full of yearning and revelation, *The Second Coming* is at once an incandescent feat of storytelling and an exploration of an enduring mystery: Can the people we love ever really change?

garth hallberg city on fire: *A Field Guide to the North American Family* Garth Risk Hallberg, 2017-11-02 From the author of the New York Times bestseller *City on Fire* A Granta Best of Young American Novelist 2017 'A young author of boundless and unflagging talents' New York Times We can all agree on this much, Marnie thought: nobody saw the Hungate divorce coming. In the privacy of her own mind, she saw them as the last of a dying breed, the Great American Family. Two families - the Hungates and the Harrisons - live side by side in Long Island, New York. They lead charmed lives: good jobs in the city, weekends by the pool, cheerleading practice after school and backyard barbecues in the summer. But within these lives lie hundreds of little deceptions. Told through a mix of photographs and words, this is a dazzlingly inventive depiction of two families falling apart and coming together and the thousand different truths of the American Dream.

garth hallberg city on fire: *The Digital Literary Sphere* Simone Murray, 2018-10-01 How has the Internet changed literary culture? 2nd Place, N. Katherine Hayles Award for Criticism of Electronic Literature by The Electronic Literature Organization Reports of the book's death have been greatly exaggerated. Books are flourishing in the Internet era—widely discussed and reviewed in online readers' forums and publicized through book trailers and author blog tours. But over the past twenty-five years, digital media platforms have undeniably transformed book culture. Since Amazon's founding in 1994, the whole way in which books are created, marketed, publicized, sold, reviewed, showcased, consumed, and commented upon has changed dramatically. The digital literary sphere is no mere appendage to the world of print—it is where literary reputations are made, movements are born, and readers passionately engage with their favorite works and authors. In *The Digital Literary Sphere*, Simone Murray considers the contemporary book world from

multiple viewpoints. By examining reader engagement with the online personas of Margaret Atwood, John Green, Gary Shteyngart, David Foster Wallace, Karl Ove Knausgaard, and even Jonathan Franzen, among others, Murray reveals the dynamic interrelationship of print and digital technologies. Drawing on approaches from literary studies, media and cultural studies, book history, cultural policy, and the digital humanities, this book asks: What is the significance of authors communicating directly to readers via social media? How does digital media reframe the “live” author-reader encounter? And does the growing army of reader-reviewers signal an overdue democratizing of literary culture or the atomizing of cultural authority? In exploring these questions, *The Digital Literary Sphere* takes stock of epochal changes in the book industry while probing books’ and digital media’s complex contemporary coexistence.

garth hallberg city on fire: Sudden Death Álvaro Enrigue, 2017-02-07 Splendid —New York Times Mind-bending. —Wall Street Journal Brilliantly original. The best new novel I've read this year. —Salman Rushdie A daring, kaleidoscopic novel about the clash of empires and ideas, told through a tennis match in the sixteenth century between the radical Italian artist Caravaggio and the Spanish poet Francisco de Quevedo, played with a ball made from the hair of the beheaded Anne Boleyn. The poet and the artist battle it out in Rome before a crowd that includes Galileo, a Mary Magdalene, and a generation of popes who would throw the world into flames. In England, Thomas Cromwell and Henry VIII execute Anne Boleyn, and her crafty executioner transforms her legendary locks into those most-sought-after tennis balls. Across the ocean in Mexico, the last Aztec emperors play their own games, as the conquistador Hernán Cortés and his Mayan translator and lover, La Malinche, scheme and conquer, fight and f**k, not knowing that their domestic comedy will change the course of history. In a remote Mexican colony a bishop reads Thomas More’s *Utopia* and thinks that it’s a manual instead of a parody. And in today’s New York City, a man searches for answers to impossible questions, for a book that is both an archive and an oracle. Álvaro Enrigue’s mind-bending story features assassinations and executions, hallucinogenic mushrooms, bawdy criminals, carnal liaisons and papal schemes, artistic and religious revolutions, love and war. A blazingly original voice and a postmodern visionary, Enrigue tells the grand adventure of the dawn of the modern era, breaking down traditions and upending expectations, in this bold, powerful gut-punch of a novel. Game, set, match. “*Sudden Death* is the best kind of puzzle, its elements so esoteric and wildly funny that readers will race through the book, wondering how Álvaro Enrigue will be able to pull a novel out of such an astonishing ball of string. But Enrigue absolutely does; and with brilliance and clarity and emotional warmth all the more powerful for its surreptitiousness.” —Lauren Groff, New York Times bestselling author of *Fates and Furies* Engrossing... rich with Latin and European history. —The New Yorker [A] bawdy, often profane, sprawling, ambitious book that is as engaging as it is challenging.” —Vogue

garth hallberg city on fire: Born in Flames Bench Ansfield, 2025-08-19
“[R]evelatory...Deeply researched and masterfully told.” —Brian Goldstone, New York Times Book Review The explosive account of the arson wave that hit the Bronx and other American cities in the 1970s—and its legacy today. “Ladies and gentlemen, the Bronx is burning!” That legendary and apocryphal phrase, allegedly uttered by announcers during the 1977 World Series as flames rose above Yankee Stadium, seemed to encapsulate an entire era in this nation’s urban history. Across that decade, a wave of arson coursed through American cities, destroying entire neighborhoods home to poor communities of color. Yet as historian Bench Ansfield demonstrates in *Born in Flames*, the most destructive of the fires were not set by residents, as is commonly assumed, but by landlords looking to collect insurance payouts. Driven by perverse incentives—new government-sponsored insurance combined with tanking property values—landlords hired “torches,” mostly Black and Brown youth, to set fires in the buildings, sometimes with people still living in them. Tens of thousands of families lost their homes to these blazes, yet for much of the 1970s, tenant vandalism and welfare fraud stood as the prevailing explanations for the arson wave, effectively indemnifying landlords. Ansfield’s book, based on a decade of research, introduces the term “brownlining” for the destructive insurance practices imposed on poor communities of color under the guise of racial

redress. Ansfield shows that as the FIRE industries—finance, insurance, and real estate— eclipsed manufacturing in the 1970s, they began profoundly reshaping Black and Brown neighborhoods, seeing them as easy sources of profit. At every step, Ansfield charts the tenant-led resistance movements that sprung up in the Bronx and elsewhere, as well as the explosion of popular culture around the fires, from iconic movies like *The Towering Inferno* to hit songs such as “Disco Inferno.” Ultimately, they show how similarly pernicious dynamics around insurance and race are still at play in our own era, especially in regions most at risk of climate shocks.

garth hallberg city on fire: Fear City Kim Phillips-Fein, 2017-04-18 PULITZER PRIZE FINALIST An epic, riveting history of New York City on the edge of disaster—and an anatomy of the austerity politics that continue to shape the world today When the news broke in 1975 that New York City was on the brink of fiscal collapse, few believed it was possible. How could the country’s largest metropolis fail? How could the capital of the financial world go bankrupt? Yet the city was indeed billions of dollars in the red, with no way to pay back its debts. Bankers and politicians alike seized upon the situation as evidence that social liberalism, which New York famously exemplified, was unworkable. The city had to slash services, freeze wages, and fire thousands of workers, they insisted, or financial apocalypse would ensue. In this vivid account, historian Kim Phillips-Fein tells the remarkable story of the crisis that engulfed the city. With unions and ordinary citizens refusing to accept retrenchment, the budget crunch became a struggle over the soul of New York, pitting fundamentally opposing visions of the city against each other. Drawing on never-before-used archival sources and interviews with key players in the crisis, *Fear City* shows how the brush with bankruptcy permanently transformed New York—and reshaped ideas about government across America. At once a sweeping history of some of the most tumultuous times in New York's past, a gripping narrative of last-minute machinations and backroom deals, and an origin story of the politics of austerity, *Fear City* is essential reading for anyone seeking to understand the resurgent fiscal conservatism of today.

garth hallberg city on fire: The Palgrave Handbook of Literature and the City Jeremy Tambling, 2017-02-17 This book is about the impact of literature upon cities world-wide, and cities upon literature. It examines why the city matters so much to contemporary critical theory, and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it. Gathering together 40 contributors who look at different modes of writing and film-making in throughout the world, this handbook asks how the modern city has engendered so much theoretical consideration, and looks at cities and their literature from China to Peru, from New York to Paris, from London to Kinshasa. It looks at some of the ways in which modern cities - whether capitals, shanty-towns, industrial or ‘rust-belt’ - have forced themselves on people’s ways of thinking and writing.

garth hallberg city on fire: Tragedy and the Return of the Dead John D Lyons, 2018-05-15 Early modernity rediscovered tragedy in the dramas and the theoretical writings of the ancient Greeks and Romans. Attempting to make new tragic fictions, writers like Shakespeare, Webster, Hardy, Corneille, and Racine created a dramatic form that would probably have been unrecognizable to the ancient Athenians. *Tragedy and the Return of the Dead* recovers a model of the tragic that fits ancient tragedies, early modern tragedies, as well as contemporary narratives and films no longer called “tragic” but which perpetuate the same elements. Authoritative, wide-ranging, and thought provoking, *Tragedy and the Return of the Dead* uncovers a set of interlocking plots of family violence that stretch from Greek antiquity up to the popular culture of today. Casting aside the elite, idealist view that tragedy manifests the conflict between two equal goods or the human struggle against the divine, John D. Lyons looks closely at tragedy’s staging of gory and painful deaths, ignominious burials, and the haunting return of ghosts. Through this adjusted lens *Le Cid*, *Hamlet*, *Frankenstein*, *The Spanish Tragedy*, *Romeo and Juliet*, *Phèdre*, *Macbeth*, and other early modern works appear in a striking new light. These works are at the center of a panorama that stretches from Aeschylus’s *Agamemnon* to Hitchcock’s *Psycho* and are placed against the background of the Gothic novel, Freud’s “uncanny,” and Burke’s “sublime.” Lyons demonstrates how tragedy under other names,

such as "Gothic fiction" and "thrillers," is far from dead and continues as a vital part of popular culture.

garth hallberg city on fire: Postmodern Theory and Progressive Politics Thomas de Zengotita, 2018-08-23 This book explores the origins of the academic culture wars of the late 20th century and examines their lasting influence on the humanities and progressive politics. It puts us in a position to ask this question: what to make now of those furious debates over postmodernism, multiculturalism, relativism, critical theory, deconstruction, post-structuralism, and all the rest? In an effort to arrive at a fair judgment on that question, the book reaches for an understanding of postmodern theorists by way of two genres they despised and hopes, for that very reason, to do them justice. It tells a story, and in the telling, advances two basic claims: first, that the phenomenological/hermeneutical tradition is the most suitable source of theory for a humanism that aspires to be universal; and, second, that the ethical and political aspect of the human condition is authentically accessible only through narrative. In conclusion, it argues that the postmodern moment was a necessary one, or will have been if we rise to the occasion and seize the opportunity it offers: a truly universal humanism might yet be realized even in—or perhaps especially in—this atavistic hour of parochial populism.

garth hallberg city on fire: City on Fire Garth Risk Hallberg, 2016-02-11 Gleich hier die Gratis-XXL-Leseprobe lesen! Von Garth Risk Hallberg - der neuen Stimme der amerikanischen Gegenwartsliteratur - der große, überwältigende Roman über New York City New York City, Neujahr 1977. Ein Schneesturm zieht über die Stadt, Feuerwerk erleuchtet den Himmel und im Central Park fallen Schüsse. Die Ereignisse der Nacht bringen eine Gruppe unvergesslicher Figuren zusammen: Die schwerreichen Erben William und Regan Hamilton-Sweeney, Mercer, der am großen amerikanischen Roman schreibt, die Punk-Kids Sam und Charlie aus der Vorstadt, den besessenen Magazin-Reporter Richard und den Cop Larry. Sie alle leben und lieben hier, in der großen Stadt, die bankrott und gefährlich ist und zugleich vor Energie platzt. Als dann am 13. Juli 1977 die Lichter ausgehen, gerät New York City in den Ausnahmezustand - und nach dem Stromausfall ist kein Leben wie zuvor. Ein großer Roman über Liebe, Betrug und Vergebung, über Kunst, Wahrheit und Rock'n'Roll mitten in New York City - kunstvoll, überbordend, außergewöhnlich.

garth hallberg city on fire: Urban Noir James J. Ward, Cynthia J. Miller, 2017-09-06 Film noir has always been associated with urban landscapes, and no two cities have been represented more prominently in these films than New York and Los Angeles. In noir and neo-noir films since the 1940s, both cities are ominous locales where ruthless ambition, destructive impulses, and dashed hopes are played out against backdrops indifferent to human dramas. In *Urban Noir: New York and Los Angeles in Shadow and Light*, James J. Ward and Cynthia J. Miller have brought together essays by an international group of scholars that examine the dark appeal of these two cities. The essays in this volume explore aspects of the noir and neo-noir cityscape that have been relatively unexamined, including the role of sound and movement through space, the distinctive character of certain neighborhoods and locales, and the importance of individual moments in time. Among the films discussed in this book are classic noirs *Double Indemnity* (1944), *He Walked by Night* (1948), and *Criss Cross* (1949), as well as neo-noirs such as *Cotton Comes to Harlem* (1970), *Klute* (1971), *Taxi Driver* (1976), *Eyes of Laura Mars* (1978), *Cruising* (1980), *Alphabet City* (1984), *Devil in a Blue Dress* (1995), *Drive* (2011), *Rampart* (2011), and *Nightcrawler* (2014). Uniting these essays is a thematic orientation toward darkness, whether interpreted in atmospheric and architectural terms, in social and psychological terms, or in terms of disruptive change, economic dislocation, and real or perceived existential threats. Offering multiple new perspectives on a wide range of films, *Urban Noir* will be of interest to scholars of film, media, politics, sociology, history, and popular culture.

garth hallberg city on fire: The Art of Editing Tim Groenland, 2019-02-21 The place of the editor in literary production is an ambiguous and often invisible one, requiring close attention to publishing history and (often inaccessible) archival resources to bring it into focus. In *The Art of Editing*, Tim Groenland shows that the critical tendency to overlook the activities of editors and to

focus on the solitary author figure neglects important elements of how literary works are acquired, developed and disseminated. Focusing on selected works of fiction by Raymond Carver and David Foster Wallace, authors who represent stylistic touchstones for US fiction of recent decades, Groenland presents two case studies of editorial collaboration. Carver's early stories were integral to the emergence of the Minimalist movement in the 1980s, while Wallace's novels marked a generational shift towards a more expansive, maximal mode of narrative. The role of their respective editors, however, is often overlooked. Gordon Lish's part in shaping the form of Carver's early stories remains under-explored; analyses of Wallace's fiction, meanwhile, tend to minimise Michael Pietsch's role from the creation of *Infinite Jest* during the mid-1990s until the present day. Drawing on extensive archival research as well as interviews with editors and collaborators, Groenland illuminates the complex and often conflicting forms of agency involved in the genesis of these influential works. The energies and tensions of the editing process emerge as essential factors in the creation of fictions more commonly understood within the paradigm of solitary authorship. The mediating role of the editor is, Groenland argues, inseparable from the development, form, and reception of these works.

garth hallberg city on fire: Ruin Porn and the Obsession with Decay Siobhan Lyons, 2018-07-03 This collection is the first book to comprehensively analyse the relatively new and under-researched phenomenon of 'ruin porn'. Featuring a diverse collection of chapters, the authors in this work examine the relevance of contemporary ruin and its relationship to photography, media, architecture, culture, history, economics and politics. This work investigates the often ambiguous relationship that society has with contemporary ruins around the world, challenging the notions of authenticity that are frequently associated with images of decay. With case studies that discuss various places and topics, including Detroit, Chernobyl, Pitcairn Island, post-apocalyptic media, online communities and urban explorers, among many other topics, this collection illustrates the nuances of ruin porn that are fundamental to an understanding of humanity's place in the overarching narrative of history.
