

jean auel clan of the cave bear

Jean Auel Clan of the Cave Bear

The "Clan of the Cave Bear" is a captivating series of historical novels written by Jean Auel that transports readers back to the Ice Age, offering a richly detailed depiction of prehistoric life and human evolution. At the heart of this series is the story of Ayla, a young girl who is raised by a clan of Neanderthals, often referred to as the "Clan of the Cave Bear." This series explores themes of survival, cultural differences, and the development of human intelligence and society. In this article, we will delve into the background of Jean Auel's Clan of the Cave Bear, its historical and cultural context, key characters, themes, and the impact it has had on readers and popular culture.

Overview of Jean Auel's Clan of the Cave Bear Series

Introduction to the Series

Jean Auel's "Clan of the Cave Bear" series is a collection of six historical novels published between 1980 and 2011. The series chronicles the life of Ayla, a girl born in Cro-Magnon society, who is adopted and raised by a Neanderthal clan after her family is killed in a tragedy. Through her journey, the series explores the complex interactions between different human species, their cultures, beliefs, and survival strategies.

Publication Timeline and Success

The series includes:

1. The Clan of the Cave Bear (1980)
2. The Valley of Horses (1982)
3. The Mammoth Hunters (1985)
4. The Plains of Passage (1990)
5. The Shelters of Stone (2002)
6. The Land of Painted Caves (2011)

The books have enjoyed immense popularity worldwide, translated into numerous languages, and have inspired a dedicated fanbase interested in prehistoric archaeology and anthropology.

The Historical and Cultural Context of the Clan

Neanderthals and Cro-Magnons: The Human Species

The series is set approximately 30,000 to 28,000 years ago during the Paleolithic era, a period marked by the coexistence of Neanderthals (*Homo neanderthalensis*) and early modern humans (*Homo sapiens*).

- **Neanderthals:** Known for their robust build, thick bones, and distinctive brow ridges, Neanderthals were skilled toolmakers and hunters. They had complex social structures and possibly some form of spiritual beliefs.
- **Cro-Magnons:** Early modern humans characterized by a more gracile skeleton and advanced tool use. They exhibited signs of artistic expression, such as cave paintings, and had increasingly sophisticated societal structures.

Understanding these two groups is essential, as Jean Auel's series vividly depicts interactions, conflicts, and cultural exchanges between them.

Prehistoric Life and Survival

The series immerses readers in the daily life of Ice Age humans, covering:

- Hunting and gathering strategies
- Tool and weapon making
- Shelter construction
- Religion, spirituality, and rituals
- Clothing and adaptations to harsh climates

Jean Auel's meticulous research into archaeology and anthropology underpins the authenticity of these depictions.

Main Characters and Their Significance

Ayia (Ayla)

The protagonist, Ayla, is a young Cro-Magnon girl with a distinctive reddish hair and a curious, inventive mind. Her journey from vulnerability to independence exemplifies human resilience and adaptability.

Iza and Brun

Members of the Clan who adopt and raise Ayla after her family is killed. They serve as her mentors, teaching her survival skills and spiritual beliefs.

The Clan of the Cave Bear

A close-knit Neanderthal group with their own customs, language, and social hierarchy. Key members include:

- **Brun:** The wise and respected leader of the clan.
- **Iza:** A healer and spiritual leader.
- **Broud:** Brun's son, who plays a complex role in Ayla's story.

The interactions among these characters explore themes of acceptance, cultural differences, and personal growth.

Themes Explored in the Series

Survival and Adaptation

At its core, the series emphasizes the importance of resourcefulness, learning, and adaptation in a hostile environment.

Cultural Differences and Integration

Ayla's unique background allows Auel to examine the contrasts between Neanderthal and Cro-Magnon cultures, highlighting themes of prejudice, understanding, and coexistence.

Gender Roles and Equality

The series explores gender dynamics within prehistoric societies, often challenging traditional roles and showcasing strong, independent female characters.

Spirituality and Belief Systems

The story delves into early spiritual practices, shamanism, and the concept of life after death, providing insight into the spiritual life of ancient peoples.

Impact and Legacy of the Clan of the Cave Bear

Influence on Popular Culture and Archaeology

Jean Auel's series has significantly influenced public perceptions of prehistoric life, sparking interest in archaeology, anthropology, and paleoanthropology. Many readers and enthusiasts credit the books with inspiring careers or further research in these fields.

Educational and Scientific Contributions

While fictional, the series incorporates accurate scientific data, bringing prehistoric life to vivid life and encouraging readers to learn more about early humans and their environments.

Criticisms and Controversies

Some critics argue that the series romanticizes or simplifies complex archaeological findings. Nonetheless, it remains a beloved and influential work that bridges fiction and science.

Conclusion

The "Clan of the Cave Bear" series by Jean Auel offers a compelling window into our distant past, blending meticulous research with engaging storytelling. Through the journey of Ayla and her interactions with the Neanderthal clan, readers gain insight into the resilience, ingenuity, and diversity of early humans. The series continues to inspire curiosity about our origins and the enduring spirit of human survival, making it a landmark in historical fiction and prehistoric studies.

Whether you are a fan of archaeology, adventure, or character-driven stories, Jean Auel's "Clan of the Cave Bear" and its subsequent books provide a rich, immersive experience into the dawn of humanity, truly deserving of its place in the literary canon of historical fiction.

Frequently Asked Questions

Who is Jean Auel's Clan of the Cave Bear in the novel series?

Jean Auel's Clan of the Cave Bear refers to the fictional Neanderthal clan featured in her popular prehistoric fiction series, centered around the character Ayla.

What is the main plot of 'The Clan of the Cave Bear'?

The novel follows Ayla, a young girl orphaned during the Ice Age, as she is adopted by the Neanderthal clan and learns their ways, exploring themes of survival, identity, and cultural differences.

How does Jean Auel depict Neanderthals in her series?

Auel depicts Neanderthals as intelligent, culturally rich beings with their own social structures, beliefs, and technologies, challenging outdated stereotypes of them as primitive.

What role does Ayla play within the Clan of the Cave Bear?

Ayla, with her unique skills and knowledge, becomes a vital member of the clan, often bridging the gap between different groups and influencing their way of life.

Are the characters and clans in Jean Auel's series based on real archaeological findings?

While the characters are fictional, Auel's depiction of prehistoric life, tools, and customs is heavily inspired by archaeological research and scientific discoveries about early humans.

What themes are explored through the Clan of the Cave Bear series?

The series explores themes of survival, cultural differences, gender roles, adaptation, and the development of human consciousness and spirituality.

Has 'The Clan of the Cave Bear' series influenced popular understanding of prehistoric humans?

Yes, the series has popularized interest in prehistoric times and contributed to public perceptions of Neanderthals and early humans, though some details are fictionalized for storytelling.

Will there be more books in the Clan of the Cave Bear series?

As of now, Jean Auel has published several sequels continuing Ayla's story, with 'The Land of Painted Caves' being the latest; fans eagerly await any new installments.

Jean Auel Clan of the Cave Bear: An In-Depth Investigation into the Prehistoric World of the Clan

Introduction

The saga of Jean Auel's Clan of the Cave Bear has captivated readers worldwide since its debut in 1980, establishing itself as a seminal work in prehistoric fiction. Set approximately 30,000 years ago during the Ice Age, the novel introduces us to the Clan—a primitive yet sophisticated society of early humans—and their complex culture, beliefs, and survival strategies. Over the past four decades, Auel's meticulous research, vivid storytelling, and detailed world-building have sparked both admiration and scholarly inquiry into the authenticity and cultural accuracy of her depiction of Paleolithic life. This review delves into the origins of Auel's Clan, examines the archaeological and anthropological foundations underpinning her portrayal, and critically assesses her contribution to

popular understanding of prehistoric humans.

Background and Origins of the Clan

Jean Auel's *Clan of the Cave Bear* centers around Ayla, a young Cro-Magnon girl orphaned in a harsh Ice Age landscape. The Clan, a tightly knit group of Neanderthals (or "Eurasian archaic humans," as recent classifications suggest), serves as her community and introduces readers to their unique worldview. The narrative explores their social structure, spiritual beliefs, and daily survival tactics, painting a picture of a society that is at once brutal and tender, primitive yet complex.

The Clan's depiction is rooted in a blend of archaeological findings, anthropological theories, and interpretative reconstructions. Auel's portrayal of their physical characteristics, tools, and rituals reflects her extensive research, which aimed to create a believable prehistoric society. The characters' interactions, social hierarchies, and cultural practices are designed to mirror what scholars believe early humans might have experienced, offering a window—albeit fictional—into our distant ancestors' lives.

Archaeological and Anthropological Foundations

Understanding the Clan's depiction requires examining the archaeological and anthropological evidence from the Paleolithic period. Key aspects include:

- **Physical Characteristics:** The Clan are portrayed as robust, with prominent brow ridges, large noses, and stocky builds—traits consistent with Neanderthal fossils. Auel's detailed descriptions align with skeletal remains found in Europe and western Asia.
- **Tools and Technology:** The Clan's toolkit includes stone tools, scrapers, and spears, reflecting the Mousterian industry associated with Neanderthals. Auel emphasizes craftsmanship and innovation, depicting the gradual development of tool-making skills.
- **Shelter and Environment:** Their dwellings are often caves or primitive huts, adapted to survive cold climates. The novel's settings match known archaeological sites where Neanderthal remains and tools have been discovered.
- **Cultural Practices and Beliefs:** The Clan exhibits spiritual rituals, reverence for nature, and social cohesion. Auel incorporates theories about early spiritual consciousness, shamanistic practices, and symbolic artifacts, such as carvings and burial customs.
- **Diet and Hunting:** Their diet consists of meat, gathered plants, nuts, and berries, consistent with what is known about Paleolithic subsistence strategies.

Critical Evaluation of Accuracy and Artistic License

While Auel's work is lauded for its depth and detail, it is essential to distinguish between scientific fact and artistic interpretation. Critics and scholars acknowledge that:

- **Neanderthal Societies:** The depiction of Neanderthals as capable of complex social and spiritual behaviors is supported by recent research showing they had expressive capabilities, cared for their injured, and possibly had rudimentary language. However, the extent of their cultural complexity remains debated.

- **Interaction with Modern Humans:** The novel hints at early interactions between Neanderthals and anatomically modern humans. Archaeological evidence indicates some overlap and possible interbreeding, adding credence to the novel's portrayal of cultural exchanges.
- **Gender Roles and Social Structure:** Auel emphasizes egalitarian aspects and the nurturing roles of women within the Clan, aligning with some anthropological theories about Paleolithic societies. Nonetheless, definitive evidence about gender dynamics remains elusive.
- **Spiritual Beliefs:** The Clan's animistic rituals and spiritual beliefs are speculative but plausible given archaeological findings of symbolic artifacts and burial practices.
- **Limitations and Controversies:** Some scholars argue that Auel's anthropomorphizing of Neanderthals risks romanticizing or oversimplifying their lives. Others caution that her portrayal, though informed, remains fictionalized and occasionally anachronistic.

Influence and Cultural Impact

The Clan of the Cave Bear has had a profound influence on popular perceptions of prehistoric humans. Its vivid descriptions and character-driven storytelling have inspired generations of readers to view early humans not merely as primitive beings but as complex, emotionally rich individuals. The novel also spurred increased interest in paleoanthropology and archaeology, leading to more public engagement with scientific discoveries.

However, the book's influence is double-edged. Some critics argue that the romanticized depiction of Neanderthals and early humans may perpetuate misconceptions, such as the idea that they were more "noble" or "spiritual" than supported by current evidence. Nonetheless, Auel's work has undeniably contributed to a broader appreciation of human origins and diversity.

The Series and Its Evolution

Following *Clan of the Cave Bear*, Auel authored a series of sequels—*The Valley of Horses*, *The Mammoth Hunters*, *The Plains of Passage*, *The Shelters of Stone*, and *The Land of Painted Caves*—each expanding on the prehistoric world and exploring themes of survival, cultural exchange, and technological advancement.

Throughout the series, the depiction of the Clan evolves, integrating new archaeological insights and refining their cultural portrayal. Critics have noted that while later books attempt to incorporate more scientific data, they remain rooted in fiction, emphasizing storytelling over strict adherence to current scientific consensus.

Conclusion

Jean Auel's *Clan of the Cave Bear* remains a landmark in prehistoric fiction, blending archaeological scholarship with compelling narrative to bring the distant past vividly to life. While some aspects of her portrayal are speculative, her meticulous research and imaginative storytelling have fostered a greater public interest in the lives of early humans, especially Neanderthals.

For scholars, enthusiasts, and casual readers alike, her work serves as both an engaging story and a springboard for further exploration into human origins. As new discoveries continue to reshape our understanding of Paleolithic life, Auel's series stands as a testament to the power of fiction to illuminate the shadows of our ancient past—reminding us that even in the depths of prehistory, the

human experience is rich, complex, and profoundly enduring.

Key Takeaways

- The Clan is a fictionalized yet research-informed depiction of Neanderthal society during the Paleolithic era.
- Auel's portrayal draws heavily on archaeological findings, including tools, skeletal remains, and cultural artifacts.
- The series explores themes of survival, spirituality, gender roles, and cultural exchange, reflecting ongoing debates in anthropology.
- While some details are speculative, the series has significantly influenced popular perceptions of prehistoric humans.
- Ongoing scientific research continues to refine our understanding of Neanderthals, which may inspire future adaptations or reinterpretations of Auel's work.

In sum, Jean Auel *Clan of the Cave Bear* offers a compelling blend of science and storytelling—an invitation to imagine our ancient ancestors' world with empathy and curiosity.

jean auel clan of the cave bear: The Earth's Children Series 6-Book Bundle Jean M. Auel, 2013-02-18 A literary phenomenon, Jean M. Auel's prehistoric odyssey is one of the best-loved sagas of our time. Employing meticulous research and the consummate artistry of a master storyteller, Auel paints a vivid panorama of the dawn of modern humans. Through Ayla, an orphaned girl who grows into a beautiful and courageous young woman, we are swept up in the harsh and beautiful Ice Age world, home to the Clan of the Cave Bear. Now, for the first time, all six novels in the Earth's Children® series are available in one convenient eBook bundle: THE CLAN OF THE CAVE BEAR THE VALLEY OF HORSES THE MAMMOTH HUNTERS THE PLAINS OF PASSAGE THE SHELTERS OF STONE THE LAND OF PAINTED CAVES A natural disaster leaves a young girl wandering alone in an unfamiliar and dangerous land until she is found by a woman of the Clan, people very different from her own kind. To them, blond, blue-eyed Ayla looks peculiar and ugly—she is one of the Others, those who have moved into their ancient homeland; but Iza cannot leave the girl to die and takes her with them. Iza and Creb, the old Mog-ur, grow to love her, and as Ayla learns the ways of the Clan and Iza's way of healing, most come to accept her. But the brutal and proud youth who is destined to become the Clan's next leader sees Ayla's differences as a threat to his authority. He develops a deep and abiding hatred for the strange girl of the Others who lives in their midst, and is determined to get his revenge. Praise for the Earth's Children® series "Auel is a highly imaginative writer. She

humanizes prehistory and gives it immediacy and clarity.”—The New York Times Book Review “Storytelling in the grand tradition . . . From the violent panorama of spring on the steppes to musicians jamming on a mammoth-bone marimba, Auel’s books are a stunning example of world building. They join the short list of books, like James Clavell’s *Shogun* and Frank Herbert’s *Dune*, that depict exotic societies so vividly that readers almost regard them as ‘survival manuals.’” —Vogue “Jean Auel has established herself as one of our premier storytellers. . . . Her narrative skill is supreme.” —Chicago Tribune “Pure entertainment at its sublime, wholly exhilarating best.” —Los Angeles Times “Readers who fell in love with little Ayla will no doubt revel in her prehistoric womanhood.” —People “Lively and interesting, enhanced greatly by the vividly colored backdrop of early humanity . . . Auel is a prodigious researcher.” —The Washington Post Book World “Among modern epic spinners, Auel has few peers. . . . She deftly creates a whole world, giving a sense of the origins of class, ethnic, and cultural differences that alternately divide and fascinate us today.” —Kirkus Reviews (starred review)

jean auel clan of the cave bear: A Study Guide for Jean M. Auel's "The Clan of the Cave Bear" Gale, Cengage Learning, 2016-06-29 A Study Guide for Jean M. Auel's *The Clan of the Cave Bear*, excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

jean auel clan of the cave bear: The Shelters of Stone Jean M. Auel, 2004-04-27 *The Shelters of Stone* opens as Ayla and Jondalar, along with their animal friends, Wolf, Whinney, and Racer, complete their epic journey across Europe and are greeted by Jondalar’s people: the Zelandonii. The people of the Ninth Cave of the Zelandonii fascinate Ayla. Their clothes, customs, artifacts, even their homes—formed in great cliffs of vertical limestone—are a source of wonder to her. And in the woman Zelandoni, the spiritual leader of the Ninth Cave (and the one who initiated Jondalar into the Gift of Pleasure), she meets a fellow healer with whom to share her knowledge and skills. But as Ayla and Jondalar prepare for the formal mating at the Summer Meeting, there are difficulties. Not all the Zelandonii are welcoming. Some fear Ayla’s unfamiliar ways and abhor her relationship with those they call flatheads and she calls Clan. Some even oppose her mating with Jondalar, and make their displeasure known. Ayla has to call on all her skills, intelligence, knowledge, and instincts to find her way in this complicated society, to prepare for the birth of her child, and to decide whether she will accept new challenges and play a significant role in the destiny of the Zelandonii. Jean Auel is at her very best in this superbly textured creation of a prehistoric society. *The Shelters of Stone* is a sweeping story of love and danger, with all the wonderful detail—based on meticulous research—that makes her novels unique. It is a triumphant continuation of the *Earth’s Children®* saga that began with *The Clan of the Cave Bear*. And it includes an amazing rhythmic poem that describes the birth of *Earth’s Children* and plays its own role in the narrative of *The Shelters of Stone*.

jean auel clan of the cave bear: The Land of Painted Caves Jean M. Auel, 2011-11-22 #1 NEW YORK TIMES BESTSELLER In this, the extraordinary conclusion of the ice-age epic series, *Earth’s Children®*, Ayla, Jondalar, and their infant daughter, Jonayla, are living with the Zelandonii in the Ninth Cave. Ayla has been chosen as an acolyte to a spiritual leader and begins arduous training tasks. Whatever obstacles she faces, Ayla finds inventive ways to lessen the difficulties of daily life, searching for wild edibles to make meals and experimenting with techniques to ease the long journeys the Zelandonii must take while honing her skills as a healer and a leader. And there are the Sacred Caves that Ayla’s mentor takes her to see. They are filled with remarkable paintings of mammoths, lions, and bears, and their mystical aura at times overwhelms Ayla. But all the time Ayla has spent in training rituals has caused Jondalar to drift away from her. The rituals themselves bring her close to death, but through them Ayla gains A Gift of Knowledge so important that it will change her world. Sixth in the acclaimed *Earth’s Children®* series

jean auel clan of the cave bear: The Plains of Passage Jean M. Auel, 2002-06-25 Jean M. Auel's enthralling Earth's Children® series has become a literary phenomenon, beloved by readers around the world. In a brilliant novel as vividly authentic and entertaining as those that came before, Jean M. Auel returns us to the earliest days of humankind and to the captivating adventures of the courageous woman called Ayla. With her companion, Jondalar, Ayla sets out on her most dangerous and daring journey--away from the welcoming hearths of the Mammoth Hunters and into the unknown. Their odyssey spans a beautiful but sparsely populated and treacherous continent, the windswept grasslands of Ice Age Europe, casting the pair among strangers. Some will be intrigued by Ayla and Jondalar, with their many innovative skills, including the taming of wild horses and a wolf; others will avoid them, threatened by what they cannot understand; and some will threaten them. But Ayla, with no memory of her own people, and Jondalar, with a hunger to return to his, are impelled by their own deep drives to continue their trek across the spectacular heart of an unmapped world to find that place they can both call home.

jean auel clan of the cave bear: The Valley of Horses Jean M. Auel, 1984-11-01 This unforgettable odyssey into the distant past carries us back to the awesome mysteries of the exotic, primeval world of The Clan of the Cave Bear, and to Ayla, now grown into a beautiful and courageous young woman. Cruelly cast out by the new leader of the ancient Clan that adopted her as a child, Ayla leaves those she loves behind and travels alone through a stark, open land filled with dangerous animals but few people, searching for the Others, tall and fair like herself. The short summer gives her little time to look, and when she finds a sheltered valley with a herd of hardy steppe horses, she decides to stay and prepare for the long glacial winter ahead. Living with the Clan has taught Ayla many skills but not real hunting. She finally knows she can survive when she traps a horse, which gives her meat and a warm pelt for the winter, but fate has bestowed a greater gift, an orphaned foal with whom she develops a unique kinship. One winter extends to more; she discovers a way to make fire more quickly and a wounded cave lion cub joins her unusual family, but her beloved animals don't fulfill her restless need for human companionship. Then she hears the sound of a man screaming in pain. She saves tall, handsome Jondalar, who brings her a language to speak and an awakening of love and desire, but Ayla is torn between her fear of leaving her valley and her hope of living with her own kind.

jean auel clan of the cave bear: The Complete Jean M. Auel Earth's Children Series Six Book Set [Clan of the Cave Bear, Valley of the Horses, Mammoth Hunters, Plains of Passage, Shelters of Stone, and Land of Painted Caves] Jean M. Auel, 2011-11-22

jean auel clan of the cave bear: The Mammoth Hunters (with Bonus Content) Jean M. Auel, 2010-10-06 Set in the challenging terrain of Ice Age Europe that millions of Jean Auel's readers have come to treasure, The Mammoth Hunters is an epic novel of love, knowledge, jealousy, and hard choices—a novel certain to garner Jean Auel even greater acclaim as a master storyteller of the dawn of humanity. Ayla, the independent heroine of The Clan of the Cave Bear and The Valley of Horses, sets out from the valley on Whinney, the horse she tamed. With her is Jondalar, the tall, handsome, yellow-haired man she nursed back to health and came to love. Together they meet the Mamutoi—the Mammoth Hunters—people like Ayla. But to Ayla, who was raised by the Clan of the Cave Bear, they are “the Others.” She approaches them with mixed feelings of fear and curiosity. Talut, a powerful bear of a man with bright red hair, a booming laugh, and a gentle heart, and his tall, dark-haired sister, Tulie, are the leaders of the Lion Camp of the Mamutoi. It is here that Ayla finds her first women friends, but some among the Mamutoi dislike Ayla because she was raised by “flatheads,” their name for the people of the Clan. Ayla is haunted by her memories of the Clan because Rydag, a child of mixed parentage living with the Mamutoi, bears so strong a resemblance to her own son, Durc. It is the Mamutoi master carver of ivory—dark-skinned Ranec, flirtatious, artistic, magnetic—who fascinates Ayla. She finds herself drawn to him. Because of her uncanny control over animals, her healing skills, and the magic firestone she discovered, Ayla is adopted into the Mammoth Hearth by Mamut, the ancient shaman of the Great Earth Mother. Ayla finds herself torn between her strong feelings for Ranec and her powerful love for the wildly jealous and unsure

Jondalar. It is not until after the great mammoth hunt, when Ayla's life is threatened, that a fateful decision is made. This eBook includes the full text of the novel plus the following additional content:

- An Earth's Children® series sampler including free chapters from the other books in Jean M. Auel's bestselling series
- A Q&A with the author about the Earth's Children® series

jean auel clan of the cave bear: Earth's Children Omnibus Jean M. Auel, 2015-12-17 A true publishing phenomenon, Jean M. Auel's prehistoric odyssey is one of the best-loved sagas of our time. Leave 21st century London and go back to Ice Age Europe. Follow Ayla, a Cro-Magnon child who loses her parents in an earthquake and is adopted by a tribe of Neanderthal, the Clan. See how the Clan's wary suspicion is gradually transformed into acceptance of this girl, so different from them, under the guidance of its medicine woman Iza and its wise holy man Creb. Immerse yourself in a world dictated by the demands of survival in a hostile environment, and be swept away in an epic tale of love, identity and struggle. All six parts of the legendary Earth's Children® series are brought together in this eBook omnibus THE CLAN OF THE CAVE BEAR THE VALLEY OF HORSES THE MAMMOTH HUNTERS THE PLAINS OF PASSAGE THE SHELTERS OF STONE THE LAND OF PAINTED CAVES Jean Auel combines her brilliant narrative skills and appealing characters with a remarkable re-creation of the way life was lived thousands of years ago, rendering the terrain, dwelling places, longings, beliefs, creativity and daily lives of Ice Age Europeans as real to the reader as today's news. 'Among modern epic spinners, Auel has few peers.' - Kirkus Reviews

jean auel clan of the cave bear: The Shelters of Stone (with Bonus Content) Jean M. But as Ayla and Jondalar prepare for the formal mating at the Summer Meeting, there are difficulties. Not all the Zelandonii are welcoming. Some fear Ayla's unfamiliar ways and abhor her relationship with those they call flatheads and she calls Clan. Some even oppose her mating with Jondalar, and make their displeasure known. Ayla has to call on all her skills, intelligence, knowledge, and instincts to find her way in this complicated society, to prepare for the birth of her child, and to decide whether she will accept new challenges and play a significant role in the destiny of the Zelandonii. Jean Auel is at her very best in this superbly textured creation of a prehistoric society. The Shelters of Stone is a sweeping story of love and danger, with all the wonderful detail—based on meticulous research—that makes her novels unique. It is a triumphant continuation of the Earth's Children® saga that began with The Clan of the Cave Bear. And it includes an amazing rhythmic poem that describes the birth of Earth's Children and plays its own role in the narrative of The Shelters of Stone. This eBook includes the full text of the novel plus the following additional content: • An Earth's Children® series sampler including free chapters from the other books in Jean M. Auel's bestselling series • A Q&A with the author about the Earth's Children® series

jean auel clan of the cave bear: NOVELS FOR STUDENTS CENGAGE LEARNING. GALE, 2016

jean auel clan of the cave bear: The Valley of Horses Jean M. Auel, 2001-11-27 The second volume of the astonishing Earth's Children® series—over 34 million copies sold worldwide In The Valley of Horses, Ayla, the unforgettable heroine of The Clan of the Cave Bear, sets out on her own odyssey of discovery away from the nurturing adoptive family and friends of the Clan. She is in search of others like herself and in search of love. Driven by her intelligence, her curiosity, and her destiny, she explores where the Clan never dared to travel and encounters a hostile world of awesome mystery, glacial cold, terrifying beasts, and intense loneliness in which survival itself is a constant battle. Sharing a hidden valley with a herd of steppe horses, Ayla finds a unique friendship with animals as vulnerable as herself and ingeniously discovers the complex skills needed to

survive—skills no Clan member was ever able to master. But none of her experiences prepares her for the emotional turmoil she feels when she rescues a young man—the first of the Others she has seen—from almost certain death. Torn between her desire for human companionship and her fear of the unknown Others, she struggles against her deep attraction to the handsome Jondalar. It is Jondalar who teaches her the meaning of true friendship and love. Once again, Jean M. Auel uses her powerful storytelling talents and her thorough understanding of human nature to take us on an amazing journey into the primordial past, re-creating the prehistoric world as it truly might have been in this compelling and timeless new epic of the dawn of civilization.

jean auel clan of the cave bear: The Mammoth Hunters Jean M. Auel, 1986-11-01 Once again Jean M. Auel opens the door of a time long past to reveal an age of wonder and danger at the dawn of the modern human race. With all the consummate storytelling artistry and vivid authenticity she brought to *The Clan of the Cave Bear* and its sequel, *The Valley of Horses*, Jean M. Auel continues the breathtaking epic journey of the woman called Ayla. Riding Whinney with Jondalar, the man she loves, and followed by the mare's colt, Ayla ventures into the land of the Mamutoi--*The Mammoth Hunters*. She has finally found the Others she has been seeking. Though Ayla must learn their different customs and language, she is adopted because of her remarkable hunting ability, singular healing skills, and uncanny fire-making technique. Bringing back the single pup of a lone wolf she has killed, Ayla shows the way she tames animals. She finds women friends and painful memories of the Clan she left behind, and meets Ranec, the dark-skinned, magnetic master carver of ivory, whom she cannot refuse--inciting Jondalar to a fierce jealousy that he tries to control by avoiding her. Unfamiliar with the ways of the Others, Ayla misunderstands, and thinking Jondalar no longer loves her, she turns more to Ranec. Throughout the icy winter the tension mounts, but warming weather will bring the great mammoth hunt and the mating rituals of the Summer Meeting, when Ayla must choose to remain with Ranec and the Mamutoi, or to follow Jondalar on a long journey into an unknown future.

jean auel clan of the cave bear: The Plains of Passage Jean M. Auel, 2001-11-27 Ayla, the heroine first introduced in *The Clan of the Cave Bear*, is known and loved by millions of readers. Now, in *The Plains of Passage*, Ayla's story continues. Ayla and Jondalar set out on horseback across the windswept grasslands of Ice Age Europe. To the hunter-gatherers of their world--who have never seen tame animals--Ayla and Jondalar appear enigmatic and frightening. The mystery surrounding the woman, who speaks with a strange accent and talks to animals with their own sounds, is heightened by her uncanny control of a large, powerful wolf. The tall, yellow-haired man who rides by her side is also held in awe, not only for the magnificent stallion he commands, but also for his skill as a crafter of stone tools, and for the new weapon he devises, the spear-thrower. In the course of their cross-continental odyssey, Ayla and Jondalar encounter both savage enemies and brave friends. Together they learn that the vast and unknown world can be difficult and treacherous, but breathtakingly beautiful and enlightening as well. All the pain and pleasure bring them closer to their ultimate destination, for the orphaned Ayla and the wandering Jondalar must reach that place on earth they can call home. As sweeping and spectacular as the land she creates, Jean M. Auel's *The Plains of Passage* is an astonishing novel of discovery, danger, and love, a triumph for one of the world's most original and popular authors.
