joke books for dads: 1001 Dad Jokes: Complete Edition M. C. Jepsen, 2020-05-07 Why are mountain ranges funny? Because they're hill areas. I wondered why the baseball was getting bigger. Then it hit me. Garbage collectors don't need formal education to get hired. They pick it up as they go along. That awkward silence that left you longing for an awkward joke - make the moment less awkward. That one coworker that rattles off knee slappers with a breeze - now you can be her! It's your turn to give the jokers in your life (friends, dads, moms, uncles, aunts, siblings, spouses, neighbors) their own embarrassingly cringey eye roll. Maybe you need a chuckle. Or your friend does. Your friend definitely does. Yep, and your dad. Father's Day is coming up. Get them a copy! From groans to trombones we've collected, created, and curated the best dad jokes. 1001 of them to be exact (technically a lot more). And... edited for content! (One of our editors had a perfect score on the GMAT writing portion and creates content professionally got your eyes rolling already). We wanted a great dad joke book and read critical reviews and thought - why not make our own! We took notes, removed duplicates, and leaned on grammar sticklers. We also tried to tone down the religion/politics/drugs/sex stuff - but kept some edge (watch for uncle jokes book). Still not ready to buy? You don't want to commit. That's cool. Click on the author link by the title and check out our Express Edition for just a dollar/euro/pound. Or, check out all of the jokes in each of four sections for free with your Kindle Unlimited subscription! Wait, who are you again? So, yeah. Years ago, the genesis of the jokes... We didn't know, but a cascade of events would take us from devilishly charming unbridled singles to diaper changing, tantrum calming, homework assisting, bug killing dads (and moms). Somehow we got from cruising the late night bar/club/festival scene to towing babies/toddlers/kids to happy hours with our supportive partners before rushing home to crash

(hopefully after the kids). Along the way, corny (successful!) pickup lines morphed into dad jokes as we picked up a few responsibilities, lost a little hair, and added a few pounds/kilos. Really, though, our jokes are for everyone. You don't have to be a dad (or mom) or even like kids (sometimes we don't!) to enjoy, obvs. We hope a bit of humour will brighten your days...
