rudolph the red nosed reindeer sheet music: **The B Side** Ben Yagoda, 2015-01-22 From an acclaimed cultural critic, a narrative and social history of the Great American Songwriting era. Everybody knows and loves the American Songbook. But it's a bit less widely understood that in about 1950, this stream of great songs more or less dried up. All of a sudden, what came over the radio wasn't Gershwin, Porter, and Berlin, but "Come on-a My House" and "How Much Is That Doggie in the Window?" Elvis and rock and roll arrived a few years later, and at that point the game was truly up. What happened, and why? In *The B Side*, acclaimed cultural historian Ben Yagoda answers those questions in a fascinating piece of detective work. Drawing on previously untapped archival sources and on scores of interviews—the voices include Randy Newman, Jimmy Webb, Linda

Ronstadt, and Herb Alpert—the book illuminates broad musical trends through a series of intertwined stories. Among them are the battle between ASCAP and Broadcast Music, Inc.; the revolution in jazz after World War II; the impact of radio and then television; and the bitter, decades-long feud between Mitch Miller and Frank Sinatra. *The B Side* is about taste, and the particular economics and culture of songwriting, and the potential of popular art for greatness and beauty. It's destined to become a classic of American musical history.

rudolph the red nosed reindeer sheet music: Grace & Henry's Holiday Movie Marathon Matthew Norman, 2025-10-14 A sentimental advertising creative and a blunt, no-nonsense bar owner find a second chance at love while binge-watching iconic holiday movies in this poignant and heartwarming romance, from the author of *Charm City Rocks* and *All Together Now*. The new year had barely begun when Grace White and Henry Adler both lost their spouses. Now, nearly a year later, the first holiday season since their Great and Terrible Sadnesses approaches. Although their mothers scheme to matchmake the two surviving spouses, it's clear that neither is ready to date again. Yet no one understands what they are going through better than each other, and a delicate friendship is born. When Henry sees an ad for a Christmas movie marathon—once an annual tradition for him and his wife—Grace offers to watch some films with him, despite her aversion to a few of his picks. Her two young kids, Ian and Bella, also join in whenever possible—bedtimes permitting, of course. With each movie, Grace and Henry's shared grief eases as they start to see a life beyond the sadness. But as they draw closer, other romantic possibilities leave them uncertain about their future together. Is their bond merely the result of loneliness and shared circumstances, or have they found something that's worth taking a shot at . . . again?

rudolph the red nosed reindeer sheet music: The Facing Island Jan Bassett, 2002 The discovery of a wonderful primary source—the five-year correspondence from Wilson Tong of the New Zealand Expeditionary Force to Edith Harris at Phillip Island—inspired the author to create this rich and unusual memoir, written as she came to terms with a diagnosis of cancer. As the author replies to the long-dead soldier's letters, links and parallels emerge between the young man living with the fear of death and the woman, 80 years later, facing her own death in middle age. She reflects on her life—particularly her childhood on Phillip Island—her work, and her own confrontation with mortality.

rudolph the red nosed reindeer sheet music: Old Time Variety Richard Anthony Baker, 2020-01-31 An illustrated history of good old-fashioned entertainment from names like Tessie O'Shea, George Formby, and the early days of Bruce Forsyth. — Yours As one of the richest sources of diversion for the people of Britain between the end of the First World War and the 1960s, the variety theater emerged from the embers of music hall, a vulgar and rambunctious entertainment that had held the working classes in thrall since the 1840s. Music hall bosses decided they would do better business if a man going to theaters on his own could take his wife and children with him, knowing they would see or hear nothing that would scandalize them. So variety, a gentler, less red-blooded entertainment was gradually established. At the top of the profession were Gracie Fields, a peerless singer and comedienne, and Max Miller, a comic who was renowned for being risqué, but who, in fact, never cracked a dirty joke. They were supported by acts that matched the word variety: ventriloquists, drag artists, animal acts, acrobats, jugglers, magicians and many more. But the variety theater was constantly under threat, first from revue, then radio, the cinema, girlie shows, the birth of rock 'n' roll and finally television. By the end of the 1950s, the variety business seemed to have given up, but the recent and extraordinary popularity of talent shows on television has proved the public appetite is still there. Variety could be about to start all over again. A priceless record of the people who entertained several generations between the wars and, for a brief time, after WWII . . . thoroughly entertaining. — Books Monthly
