wallace and gromit dog: The Beloved Canine Companion of the Famous British Animated Series

Introduction

When it comes to iconic animated characters, Wallace and Gromit stand out as a beloved duo that has captured the hearts of audiences worldwide. Among the many memorable aspects of their stories, the presence of the loyal dog, Gromit, is particularly cherished. Often referred to as the "Wallace and Gromit dog," Gromit is more than just a pet—he's a central character whose intelligence, loyalty, and silent expressions add depth and humor to the series. This article explores the fascinating world of the Wallace and Gromit dog, tracing its origins, character traits, significance in the series, and its impact on popular culture.

The Origins of Gromit: The Animated Dog of Wallace and Gromit

Creation and Development

Gromit was created by British animator Nick Park as a key character in the Wallace and Gromit series. Introduced in the short film "A Close Shave" (1995), Gromit quickly became a fan favorite due to his expressive face and unwavering loyalty. His design was inspired by classic silent film dogs, emphasizing visual storytelling over dialogue.

Design and Characteristics

Gromit's design reflects a combination of realism and cartoonish charm. He is a medium-sized, intelligent dog with a smooth, white coat, expressive eyes, and a distinctive face capable of conveying a wide range of emotions despite his silence. His breed is often interpreted as a mixed terrier, but his specific breed remains intentionally ambiguous, emphasizing his everyman appeal.

The Role of Gromit in the Wallace and Gromit Series

The Silent Sidekick

Unlike Wallace, who is verbose and enthusiastic, Gromit communicates through gestures, facial expressions, and body language. This contrast creates a unique comedic dynamic, allowing viewers to interpret his thoughts and

feelings without words.

Key traits of Gromit include:

- Exceptional intelligence
- Loyalty and devotion
- Problem-solving abilities
- Calm and composed demeanor
- Expressive facial features

Gromit's Contributions to the Stories

Gromit often serves as the voice of reason, stepping in to prevent disasters or solve problems that Wallace inadvertently creates. His keen intelligence is showcased in various episodes and films, where he often outsmarts villains or navigates complex situations.

Notable instances include:

- Saving Wallace from dangerous situations
- Inventing gadgets or solutions
- Protecting other characters and animals
- Demonstrating bravery and resourcefulness

The Significance of the Wallace and Gromit Dog in Popular Culture

Iconic Status and Recognition

Gromit's character has transcended the series, becoming an icon in the world of animation. His silent, expressive nature has influenced many other animated characters and has been praised for demonstrating that storytelling can transcend language barriers.

Awards and accolades include:

- Multiple BAFTA Awards
- Oscar for Best Animated Short Film ("Wallace & Gromit: The Curse of the Were-Rabbit")
- Recognition as one of the best animated characters in British cinema

Merchandising and Fan Engagement

Gromit's popularity has led to extensive merchandising, including plush toys, figurines, clothing, and collectibles. Fan communities celebrate Gromit through online forums, fan art, and conventions.

Popular Gromit-themed products include:

- Collectible figurines

- Gromit plush toys
- Limited edition art prints
- Themed apparel and accessories

Gromit in Media and Popular Culture

Appearances Beyond Wallace and Gromit

Gromit has appeared in various media outside the original series, including:

- Spin-off comic books
- Promotional campaigns
- Museum exhibits

He has also appeared in themed events and public displays, such as the "Gromit Unleashed" sculpture trail in Bristol, which raised funds for charity.

Gromit's Cultural Impact

Gromit has become a symbol of integrity, intelligence, and silent heroism. His character demonstrates that actions and expressions can speak louder than words, resonating with audiences of all ages.

Influence includes:

- Inspiration for other silent or minimally speaking characters
- Educational initiatives promoting creativity and problem-solving
- Celebrations of British animation heritage

Exploring the Traits of the Wallace and Gromit Dog

Intelligence and Problem-Solving

Gromit's intelligence is one of his defining traits. He often outsmarts villains and helps Wallace with inventions or plans. His problem-solving skills are illustrated in numerous episodes, highlighting the importance of wit and calmness under pressure.

Loyalty and Friendship

Gromit's unwavering loyalty to Wallace is a central theme. Despite Wallace's eccentricities and occasional mishaps, Gromit's commitment never wavers. This loyalty endears him to audiences and emphasizes themes of friendship and

trust.

Expressiveness and Non-verbal Communication

Gromit's ability to convey complex emotions without words is a testament to the power of visual storytelling. His wide range of facial expressions, from concern to joy, allows viewers to connect deeply with his character.

Famous Episodes and Films Featuring Gromit

Wallace & Gromit: The Curse of the Were-Rabbit (2005)

In this feature film, Gromit plays a heroic role, protecting the town from a giant vegetable-eating beast. His resourcefulness and bravery shine, reaffirming his status as the true hero.

The Wrong Trousers (1993)

This short film introduces Gromit's cleverness as he outsmarts the criminal plan with the use of a pair of technological trousers.

A Close Shave (1995)

Gromit's keen observation helps uncover a plot involving dogs and sheep, showcasing his detective-like skills.

The Future of the Wallace and Gromit Dog

Continued Popularity and New Media

Gromit's enduring appeal ensures that he remains a relevant character in new media formats, including digital content, virtual exhibitions, and educational programs.

Potential New Projects

While no specific new films have been announced, fans eagerly await possible new adventures featuring Wallace and Gromit and their faithful dog.

Conclusion

The Wallace and Gromit dog, Gromit, embodies qualities that resonate with audiences worldwide: intelligence, loyalty, bravery, and expressive silent communication. His role in the series elevates the stories from simple comedy to heartfelt tales of friendship and ingenuity. As a cultural icon, Gromit continues to inspire and entertain, demonstrating that sometimes, actions speak louder than words. Whether through merchandise, special events, or new media appearances, Gromit's charm endures, ensuring that he remains a beloved figure in the landscape of animated characters for generations to come.

Yes, Gromit is a silent character who communicates through expressive facial expressions and body language, adding charm and humor to the series.

Additional Resources

Wallace and Gromit Dog: An In-Depth Exploration of the Beloved Canine Companion

The world of Wallace and Gromit is synonymous with inventive storytelling, charming stop-motion animation, and endearing characters that have captivated audiences for decades. Among these characters, the dog Gromit holds a special place, not only as Wallace's loyal companion but also as a symbol of silent intelligence, wit, and heartfelt loyalty. This article delves into the multifaceted role of Gromit in the Wallace and Gromit universe, examining his origins, character traits, cultural impact, and the significance of dogs in animated storytelling.

Origins and Development of Gromit as a Character

Historical Context and Creation

Gromit first appeared in the groundbreaking short film "A Close Shave" (1995), created by the British animation duo Nick Park and the Aardman Animations studio. The character was conceived as Wallace's loyal pet dog, embodying a combination of intelligence and silent devotion that contrasts with Wallace's more eccentric personality. Gromit's design was inspired by traditional terriers, particularly the Border Collie and Jack Russell breeds, which are known for their alertness and agility.

Nick Park, the creative genius behind Wallace and Gromit, envisioned Gromit as a "silent partner"—a character without dialogue who communicates through expressions, gestures, and body language. This design choice was innovative, allowing audiences to interpret Gromit's thoughts and reactions without spoken words, thus emphasizing visual storytelling.

Evolution Across Films and Media

Initially introduced in the 1989 short "A Close Shave," Gromit's character grew in depth over subsequent films. In "The Wrong Trousers" (1993), Gromit becomes the hero by thwarting the criminal plans of the mischievous penguin, Feathers McGraw. His silent yet expressive demeanor became a defining trait, setting him apart from many animated canine characters who often speak or sing.

Throughout the series, Gromit's character has evolved from a simple pet to a clever, resourceful partner who often saves Wallace from peril. His development showcases the power of visual storytelling and the importance of non-verbal communication in animation.

Character Traits and Personality

Intelligence and Problem-Solving Skills

One of Gromit's most remarkable traits is his intelligence. Unlike typical comic or animated dogs that rely on humor derived from physical antics, Gromit demonstrates remarkable problem-solving abilities. Whether it's escaping from a trap, deciphering complex contraptions, or uncovering villains' schemes, Gromit consistently exhibits a keen intellect.

For example, in "A Matter of Loaf and Death" (2008), Gromit's quick thinking and observational skills are crucial in thwarting the antagonist's plans. His ability to analyze situations silently and efficiently reflects a canine archetype that embodies the ideal of a loyal, smart companion.

Expressiveness and Emotional Depth

Despite not speaking, Gromit communicates a wide range of emotions through subtle facial expressions, body language, and gestures. His large, expressive eyes often convey curiosity, concern, amusement, and resolve. This silent expressiveness has endeared him to audiences worldwide, making him a relatable and empathetic character.

Gromit's emotional depth is particularly evident in scenes where he shows concern for Wallace's safety or frustration when his efforts are thwarted. His unwavering loyalty and sense of justice underscore his role as not just a pet but as a true friend.

Loyalty and Moral Integrity

Gromit embodies unwavering loyalty to Wallace, often putting himself in danger to protect his owner. His moral integrity is apparent in his consistent efforts to do what is right, even when Wallace's decisions are misguided or reckless. This fidelity makes Gromit a model of canine virtue, emphasizing themes of trust, friendship, and moral uprightness.

The Cultural Impact of Gromit and the Role of Dogs in Animation

Gromit as a Cultural Icon

Gromit's silent, expressive character has transcended the boundaries of animation to become a cultural icon. His image has been featured in various forms of media, merchandise, and public art. Notably, the UK's Wallace and Gromit are considered national treasures, with Gromit often symbolizing intelligence, loyalty, and the gentle virtues associated with dogs.

Public installations, such as the Gromit Unleashed sculpture trail in Bristol, have celebrated his character through large sculptures decorated by

artists, raising millions for charity. These initiatives highlight the deep affection and cultural significance Gromit holds in the UK and beyond.

The Significance of Dogs in Animated Storytelling

Dogs have long played integral roles in animated narratives, often serving as loyal sidekicks, heroes, or comic relief. Gromit exemplifies the archetype of the intelligent, faithful dog who acts as a moral compass and problem solver.

In animation history, characters like Snoopy, Lassie, and Clifford have shared similar traits—symbolizing trust, companionship, and heroism. Gromit's unique silent communication elevates this archetype, showcasing that visual storytelling can be powerful and emotionally resonant without dialogue.

Gromit's Iconic Moments and Key Films

Notable Films Featuring Gromit

- A Close Shave (1995): Gromit's heroism is first demonstrated as he thwarts the evil plans of Feathers McGraw, a penguin criminal.
- The Wrong Trousers (1993): The film that cemented Gromit's status as a clever and resourceful hero, with a memorable showdown involving the advanced mechanical trousers.
- A Matter of Loaf and Death (2008): Gromit's detective skills shine as he uncovers a sinister bakery scheme, showcasing his problem-solving prowess.
- Wallace & Gromit: The Curse of the Were-Rabbit (2005): Gromit plays a central role in combating a monstrous rabbit, blending humor and heroism.

Memorable Scenes and Their Significance

- Gromit's silent expression of concern during Wallace's experiments highlights his role as the moral anchor.
- The daring rescue scenes, where Gromit outsmarts villains or saves Wallace, underscore his bravery.
- Moments where Gromit's facial expressions convey complex emotions—such as frustration, amusement, or compassion—demonstrate the power of visual storytelling.

Gromit's Influence and Legacy

Impact on Animation and Popular Culture

Gromit has influenced countless animators and storytellers by exemplifying how non-verbal characters can be compelling and emotionally engaging. His success has encouraged creators to explore silent, expressive characters that communicate through gesture and expression, emphasizing visual storytelling's

universality.

Moreover, Gromit's popularity has led to numerous merchandise lines, including plush toys, clothing, and collectibles, reinforcing his status as a beloved character worldwide.

Future of Gromit and Continued Relevance

As technology advances, the character's timeless appeal continues. New projects, exhibitions, and media appearances keep Gromit relevant, inspiring new generations to appreciate the art of silent storytelling and the enduring bond between humans and dogs.

The ongoing charity initiatives and public art displays ensure that Gromit remains a symbol of kindness, intelligence, and loyalty, transcending entertainment to become a cultural ambassador.

Conclusion

The Wallace and Gromit dog is more than just a sidekick; he is an emblem of silent heroism, wit, and unwavering loyalty. Through his evolution across films and media, Gromit exemplifies the profound impact of animated characters that communicate beyond words. His expressive face, clever mind, and moral integrity have cemented his place in popular culture, inspiring audiences and creators alike. As a testament to the power of visual storytelling and the universal appeal of man's best friend, Gromit remains an enduring symbol of kindness, intelligence, and the special bond between humans and dogs.

Wallace And Gromit Dog

wallace and gromit dog: Wallace and Gromit Graham Marks, Nick Park, 1996 Join Wallace and his dog Gromit on their adventures. These adaptations of the world-famous animated film characters feature a cleaver story line combined with ingenious humor and brilliant characterization.

wallace and gromit dog: Technologies for Interactive Digital Storytelling and Entertainment Stefan Göbel, Rainer Malkewitz, Ido Iurgel, 2006-11-27 This book constitutes the refereed proceedings of the Third International Conference on Technologies for Interactive Digital Storytelling and Entertainment, TIDSE 2006, held in Darmstadt, Germany in December 2006. It contains 37 papers that cover a broad spectrum, from conceptual ideas, theories, and technological questions, to best practice examples in the different storytelling application domains, with a focus on entertainment and games.

wallace and gromit dog: The Wes Anderson Collection: Isle of Dogs Lauren Wilford, Ryan Stevenson, 2018-09-25 The Wes Anderson Collection: Isle of Dogs is the only book to take readers behind the scenes of the beloved auteur's newest stop-motion animated film. †Through the course of several in-depth interviews with film critic Lauren Wilford, writer and director Wes Anderson shares the story behind Isle of Dogs's conception and production, and Anderson and his collaborators reveal entertaining anecdotes about the making of the film, their sources of

inspiration, the ins and outs of stop-motion animation, and many other insights into their moviemaking process. Previously unpublished behind-the-scenes photographs, concept artwork, and hand-written notes and storyboards accompany the text. The book also features an introduction by critics and collaborators Taylor Ramos and Tony Zhou, and a foreword by critic Matt Zoller Seitz. The fourth volume of the New York Times bestselling Wes Anderson Collection, *Isle of Dogs* stays true to the series with its rich design and colorful illustrations, capturing Anderson's signature aesthetic vision and bringing the series's definitive study of Anderson's filmography up to date. *Isle of Dogs* tells the story of Atari Kobayashi, 12-year-old ward to corrupt Mayor Kobayashi. When, by Executive Decree, all the canine pets of Megasaki City are exiled to a vast garbage-dump called Trash Island, Atari sets off alone in a miniature Junior-Turbo Prop and flies across the river in search of his bodyguard-dog, Spots. There, with the assistance of a pack of newly-found mongrel friends, he begins an epic journey that will decide the fate and future of the entire Prefecture. The film features the voices of Bryan Cranston, Koyu Rankin, Edward Norton, Bob Balaban, Bill Murray, Jeff Goldblum, Kunichi Nomura, Akira Takayama, Greta Gerwig, Frances McDormand, F. Murray Abraham, Tilda Swinton, Akira Ito, Yoko Ono, Mari Natsuko, Harvey Keitel, Courtney B. Vance, Ken Watanabe, Scarlett Johansson, Fisher Stevens, Nijiro Murakami, and Liev Schreiber.

wallace and gromit dog: 100 Greatest American and British Animated Films Thomas S. Hischak, 2018-04-20 Animation has been a staple of the filmmaking process since the early days of cinema. Animated shorts had been produced for decades, but not until 1937 did a major studio venture into animated features when Walt Disney produced *Snow White and the Seven Dwarfs*. Of the hundreds of animated feature films made since, many have proven their importance over the years while also entertaining generations of audiences. There are also many recent animated movies that promise to become classics in the field. In *100 Greatest American British Animated Films*, Thomas S. Hischak looks at the most innovative, influential, and entertaining features that have been produced since the late 1930s—from traditional hand-drawn works and stop-motion films to computer-generated wonders. These movies have been selected not simply because of their popularity or critical acceptance but for their importance. Entries in this volume contain plot information production historycritical reactioncommentary on the film's cinematic qualitya discussion of the film's influence voice castsproduction creditssequels, spin-offs, Broadway versions, and television adaptationsawards and nominations Each movie is also discussed in the context of its original release as well as the ways in which the film has lived on in the years since. Familiar favorites and lesser-known gems are included, making the book a fascinating journey for both the avid animation fan and the everyday moviegoer. With a sweeping look at more than eight decades of movies, *100 Greatest American and British Animated Films* highlights some of the most treasured features of all time.

wallace and gromit dog: Unbored Joshua Glenn, Elizabeth Foy Larsen, 2013-07-18 *Unbored* is the book every modern child needs. Brilliantly walking the line between cool and constructive, it's crammed with activities that are not only fun and doable but that also get kids standing on their own two feet. If you're a kid, you can: -- Build a tipi or an igloo -- Learn to knit -- Take stuff apart and fix it -- Find out how to be constructively critical -- Film a stop-action movie or edit your own music -- Do parkour like James Bond -- Make a little house for a mouse from lollipop sticks -- Be independent! Catch a bus solo or cook yourself lunch -- Make a fake exhaust for your bike so it sounds like you're revving up a motorcycle -- Design a board game -- Go camping (or glamping) -- Plan a road trip -- Get proactive and support the causes you care about -- Develop your taste and decorate your own room -- Make a rocket from a coke bottle -- Play farting games There are gross facts and fascinating stories, reports on what stuff is like (home schooling, working in an office...), Q&As with inspiring grown-ups, extracts from classic novels, lists of useful resources and best ever lists like the top clean

rap songs, stop-motion movies or books about rebellion. Just as kids begin to disappear into their screens, here is a book that encourages them to use those tech skills to be creative, try new things and change the world. And it gets parents to join in. *Unbored* is fully illustrated, easy to use and appealing to young and old, girl and boy. Parents will be comforted by its anti-perfectionist spirit and humour. Kids will just think it's brilliant.

wallace and gromit dog: *The Papaw Diary* Dennis W. Shepherd, 2005-10-24 Ghosts. Ghouls. Goblins. Just about every G word that makes your blood turn blue. It's in here. Banshees too. And one seriously baaaaaaad wizard. Dragons. Knights with long poles. Knights with rusty butts. It's all inside these covers. Two brothers who grow up around a house made of blue and white bricks. One becomes a singer and the other a teacher. But both wind up colliding with a tanker truck and die, exploding into space. In here, I tell you. There's also a castle where a man named Rocky falls in love with someone named Katie. Yeah, pretty yucky stuff, I know. That's in here too. But what happens in that castle will curdle your blood, and make you hurl your lunch. You got to see that stuff. Oh, and basketball too. The most famous basketball game of all time is right inside this book. Where can you buy a book with so much stuff for less than a thousand dollars? Hurry, before the author catches on and raises up the price. (This book was named a finalist in the children's fiction category of the Fresh Voices 2006 Awards, sponsored by the Writer's Marketing Association)

wallace and gromit dog: *The A to Z of Animation and Cartoons* Nichola Dobson, 2010-04-01 Animation was once a relatively simple matter, using fairly primitive means to produce rather short films of subjects that were generally comedic and often quite childish. However, things have changed, and they continue changing at a maddening pace. One new technique after another has made it easier, faster, and above all cheaper to produce the material, which has taken on an increasing variety of forms. *The A to Z of Animation and Cartoons* is an introduction to all aspects of animation history and its development as a technology and industry beyond the familiar cartoons from the Disney and Warner Bros. Studios. This is done through a chronology, an introductory essay, photos, a bibliography, and over 200 cross-referenced dictionary entries on animators, directors, studios, techniques, films, and some of the best-known characters.

wallace and gromit dog: *Dogs in the Leisure Experience* Neil Carr, 2014-11-19 This book explores the social and cultural constructions and debates of what are dogs and what is leisure. It looks at how working dogs play a significant role in leisure experiences such as ensuring the safety of air transport, and considers the differing roles and changing acceptance of dogs' involvement in sport. Within the setting of the animal welfare and sentience debates, it examines the leisure needs of dogs and their owners. Providing an original contribution to our understanding of dogs as both participants and objects in the leisure experience, this book is a useful resource for researchers in leisure, hospitality and tourism.

wallace and gromit dog: *Children, Youth, and International Television* Debbie Olson, Adrian Schober, 2022-03-29 This volume explores how television has been a significant conduit for the public consumption of changing ideas about children, childhood, and national identity, via a critical examination of programs that prominently feature children and youth in international television. The chapters connect relevant cultural attitudes within their respective countries to an analysis of children and/or childhood in international children's programming. The collection addresses how international children's programming in global and local context informs changing ideas about children and childhood, including notions of individual and citizen identity formation. Offering new insights into childhood and television studies, this book will be of great interest to graduate students, scholars, and professionals in television studies, childhood studies, media studies, cultural studies, popular culture studies, and American studies.

wallace and gromit dog: *The Oxford Companion to Cheese* Catherine W. Donnelly, 2016 *The Oxford Companion to Cheese* answers a clear call for the kind of subject-defining reference work that *The Oxford Companion to Wine* achieved. It is the first truly comprehensive cheese book, containing 855 A-Z scholarly, yet accessible entries on the history, culture, and science of cheese making and cheese enjoyment, worldwide. An astonishing 325 authors contributed entries, residing

in 35 countries. They included cheesemakers, cheesemongers, dairy scientists, anthropologists, food historians, journalists, archaeologists, and on, from backgrounds as diverse as the topics they write about. This landmark encyclopedia is the most wide-ranging, comprehensive, and reliable reference work on cheese available.

wallace and gromit dog: *Cheer and Loathing* Chris Robinson, 2023-11-08 One of the most acclaimed writers in animation returns with this informal sequel to his previous books on indie animation, *Unsung Heroes of Animation*, *Animators Unearthed*, and *Mad Eyed Misfits*. In this collection, award-winning writer, Chris Robinson, looks at a wide range of films, topics (sex, censorship, cultural politics, programming, felt, gifs, VR, dogs) and filmmakers (Masaaki Yuasa, Xi Chen, Gil Alkabetz, Jacques Drouin, Bordo, Rosto, Joaquín Cociña, Cristóbal León, George Schwizgebel, Lizzy Hobbs, Andreas Hykade, Leah Shore, and many others). Eclectic, brief, fiery, and opinionated, Robinson's gonzo-tinged writing will amuse, confuse, annoy, and maybe even inspire while, hopefully introducing readers to the wonders of independently-produced animation.

wallace and gromit dog: *Wallace and Gromit in Nick Park's A Close Shave* Nick Park, 1996 Wallace and Gromit confront sheep rustlers.

wallace and gromit dog: *Persuasion and Influence in American Life* Gary C. Woodward, Robert E. Denton, Jr., 2013-12-23 For more than twenty-five years, the authors have highlighted the complexities, subtleties, and pervasive influence of persuasive messages. The seventh edition again blends historical, rhetorical, and social psychological approaches to persuasion theory. The engaging discussions and multiple examples introduce the intricacies of social influence and highlight methods of presentation as well as evaluation. The dynamic topic of persuasion presents a constantly changing palette for analysis. The authors dissect theory and practice in multiple contexts—from interpersonal interactions to public communication and persuasive campaigns to advertising to politics. Twitter, YouTube, and social networking sites offer new media for persuasive appeals. The means of persuading one another changes constantly, yet much of what was written by Aristotle continues to be relevant. The production of persuasive messages and the study of message effects have been and will continue to be fertile ground for exploration. Persuasion is an interactive process requiring willing and attentive participants. Becoming responsible, ethical, and credible persuaders involves systematic thinking and informed preparation. The skills required for planning, composing, and delivering effective messages are equally useful for evaluating messages received. The seventh edition provides a thorough, up-to-date discussion of classic and contemporary theories of persuasion to aid readers in developing skills as effective persuaders and as critical consumers of persuasive messages.

wallace and gromit dog: *Animation: A World History* Giannalberto Bendazzi, 2015-11-06 A continuation of 1994's groundbreaking *Cartoons*, Giannalberto Bendazzi's *Animation: A World History* is the largest, deepest, most comprehensive text of its kind, based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often-neglected areas and introducing over fifty previously undiscovered artists. Full of first-hand, never before investigated, and elsewhere unavailable information, *Animation: A World History* encompasses the history of animation production on every continent over the span of three centuries. Volume III catches you up to speed on the state of animation from 1991 to present. Although characterized by such trends as economic globalization, the expansion of television series, emerging markets in countries like China and India, and the consolidation of elitist auteur animation, the story of contemporary animation is still open to interpretation. With an abundance of first-hand research and topics ranging from Nickelodeon and Pixar to modern Estonian animation, this book is the most complete record of modern animation on the market and is essential reading for all serious students of animation history. Key Features: Over 200 high quality head shots and film stills to add visual reference to your research Detailed information on hundreds of never-before researched animators and films Coverage of animation from more than 90 countries and every major region of the world Chronological and geographical organization for quick access to the information

you're looking for

wallace and gromit dog: The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

wallace and gromit dog: *Our Dogs, Ourselves* Alexandra Horowitz, 2019-09-03 From Alexandra Horowitz, #1 New York Times bestselling author of *Inside of a Dog*, an eye-opening, informative, and wholly entertaining examination and celebration of the human-canine relationship for the curious dog owner and science-lover alike. We keep dogs and are kept by them. We love dogs and (we assume) we are loved by them. We buy them sweaters, toys, shoes; we are concerned with their social lives, their food, and their health. The story of humans and dogs is thousands of years old but is far from understood. In *Our Dogs, Ourselves*, Alexandra Horowitz explores all aspects of this unique and complex interspecies pairing. As Horowitz considers the current culture of dogdom, she reveals the odd, surprising, and contradictory ways we live with dogs. We celebrate their individuality but breed them for sameness. Despite our deep emotional relationships with dogs, legally they are property to be bought, sold, abandoned, or euthanized as we wish. Even the way we speak to our dogs is at once perplexing and delightful. In thirteen thoughtful and charming chapters, *Our Dogs, Ourselves* affirms our profound affection for this most charismatic of animals—and opens our eyes to the companions at our sides as never before.

wallace and gromit dog: *Art in Motion, Revised Edition* Maureen Furniss, 2008-02-05 This text presents an examination of the aesthetics of animation. It provides an overview of the relationship between animation studies and media studies, then focuses on issues concerning flat and dimensional, and limited and full animation. It then looks at specific topics such as gender issues and adaption.

wallace and gromit dog: Domestic Animals and Leisure Neil Carr, 2016-04-29 This volume offers both an insight into the current state of research on domestic animals in leisure and a lens through which to begin to chart the future of research in this field. All of the contributions to the collection are underpinned by ongoing debates about human-animal relationships and the rights and welfare of the latter.

wallace and gromit dog: Pet Revolution Jane Hamlett, Julie-Marie Strange, 2023-04-19 A history of pets and their companions in Britain from the Victorians to today. *Pet Revolution* tracks the British love affair with pets over the last two centuries. As pets have entered our homes and joined our families, they have radically changed our world. Historians Jane Hamlett and Julie-Marie Strange show how the pet economy exploded—increasing the availability of pet foods, medicines, and shops—and reshaped our modern lives in the process. A history of pets and their human companions, this book reimagines the “pet revolution” as one among many other revolutions—industrial, agricultural, and political—that made possible contemporary life.
