

missler revelation

missler revelation

The term "Missler Revelation" often evokes curiosity among those interested in biblical prophecy, spiritual insight, and end-times eschatology. Named after the influential Christian author and speaker Chuck Missler, the phrase refers to a series of profound insights and interpretations he offered concerning biblical texts, particularly those related to prophecy and the unveiling of divine mysteries. Over the decades, Missler's teachings have inspired many believers and scholars to explore the depths of Scripture, searching for hidden truths and understanding the divine plan for humanity. This article delves into the origins of the Missler Revelation, its core themes, significance in biblical prophecy, and the impact it has had on Christian thought and eschatological studies.

Origins of the Missler Revelation

Chuck Missler: The Man Behind the Revelation

Chuck Missler (1934-2018) was a renowned Bible teacher, author, and former businessman known for his innovative approach to Scripture. His background in engineering, combined with a passion for biblical prophecy, enabled him to analyze Scripture with a unique perspective that blended technical acumen with theological insight. Missler's ministry, Koinonia House, became a platform for disseminating his teachings, which often focused on uncovering hidden truths within the Bible.

The Genesis of the Revelation Concept

The "Missler Revelation" is not a singular event but rather a collection of insights and interpretive frameworks that Missler developed over years of studying Scripture. His approach involved:

- Analyzing biblical symbolism and numerology
- Exploring the original Hebrew and Greek texts
- Connecting biblical prophecy with historical and current events
- Emphasizing the importance of understanding God's hidden mysteries

Many of Missler's teachings revolve around the idea that Scripture contains layers of meaning, some of which are concealed until God's appointed time for revelation.

Core Themes of the Missler Revelation

1. The Hidden Mysteries in Scripture

One of the foundational concepts of the Missler Revelation is that the Bible is a layered text. While its surface messages are accessible, deeper truths lie beneath, waiting to be uncovered through diligent study. Missler believed that:

- Biblical numerology reveals divine patterns
- Symbols and allegories point to future events
- Hidden codes can be deciphered to understand God's plans

He often emphasized that understanding these mysteries is crucial for comprehending the full scope of biblical prophecy.

2. The Significance of Prophetic Symbols

Missler's teachings highlight the importance of prophetic symbols such as:

- The number 7 representing completion or perfection
- The number 12 symbolizing God's government
- The use of colors, animals, and objects as prophetic indicators

He argued that these symbols, when properly interpreted, provide insights into upcoming events and divine intentions.

3. The Connection Between Past, Present, and Future

A recurring theme in Missler's work is the interconnectedness of biblical history with contemporary and future events. He posited that:

- Past fulfillments of prophecy serve as patterns
- Present circumstances align with biblical predictions
- Future revelations are encoded within Scripture

This perspective encourages believers to read current world events through a prophetic lens, recognizing signs of the fulfillment of God's promises.

4. The Role of Israel and the Church in End-Time Prophecy

Missler emphasized the centrality of Israel in biblical prophecy, viewing the nation as a significant player in God's end-time plan. Additionally, he discussed the role of the Church as:

- The bride of Christ awaiting divine fulfillment
- A spiritual Israel fulfilling biblical promises
- A key participant in the unfolding of prophetic events

Understanding this relationship is vital to grasping the "Revelation" aspect of Missler's teachings.

5. The Imminence of the Second Coming

One of the most compelling aspects of the Missler Revelation is the emphasis on the imminent return of Jesus Christ. Missler often pointed to:

- Signs of the times aligning with biblical predictions
- The resurgence of Israel and global tensions as indicators
- The importance of preparedness and spiritual vigilance

He believed that understanding biblical prophecy can motivate believers to live righteously in anticipation of Christ's return.

The Significance of the Missler Revelation in Biblical Prophecy

Understanding Biblical Codes and Numerology

Missler was a pioneer in highlighting the significance of biblical codes, numerology, and hidden messages. His approach involved:

- Deciphering the significance of Hebrew numerals
- Recognizing patterns that point to specific prophetic fulfillments
- Using cross-references to establish consistency within Scripture

This method aims to reveal a divine blueprint underlying biblical texts.

Interpreting the Book of Revelation

As the apocalyptic book of the Bible, Revelation is central to understanding end-times prophecy. Missler's insights into Revelation include:

- The symbolic meaning of the visions and beasts
- The chronological sequence of prophetic events
- The symbolism of the New Jerusalem and other future realities

He believed that Revelation contains clues that, when correctly interpreted, unveil God's ultimate plan for humanity.

Linking Prophecy with Current Events

A distinctive feature of Missler's teachings is the application of biblical prophecy to contemporary geopolitical events. He argued that:

- The rebirth of Israel in 1948 marked a pivotal prophetic milestone
- Rising global tensions signal the approach of end-times scenarios
- Technological advancements, such as digital currencies and surveillance, align with prophetic predictions

This perspective encourages believers to stay vigilant and discerning about world developments.

The Impact of the Missler Revelation on Christian Thought

Influence on Bible Study and Eschatology

Missler's teachings revolutionized the way many Christians approach Scripture. His emphasis on:

- Deep, meticulous Bible study
- Recognizing symbolic and coded messages
- Connecting biblical prophecy with current events

has inspired countless believers and teachers to pursue a more profound understanding of God's Word.

Controversies and Criticisms

While many praise Missler's insights, some critics argue that:

- His interpretations can be overly speculative
- The emphasis on hidden codes may overshadow the central messages of Scripture
- Predictions about specific future events may not always come to pass as interpreted

Despite these criticisms, his contributions have sparked ongoing dialogue within the Christian community.

Legacy and Continuing Influence

Today, the "Missler Revelation" continues to influence Christian eschatology through:

- Books, sermons, and seminars based on his teachings

- Study groups dedicated to uncovering biblical mysteries
- A renewed focus on understanding the prophetic depth of Scripture

His legacy encourages believers to seek deeper biblical truths and remain alert to God's unfolding plan.

Conclusion: Embracing the Revelation

The "Missler Revelation" encapsulates a comprehensive approach to understanding Scripture's hidden depths, emphasizing that the Bible contains divine secrets meant to be uncovered by diligent seekers. While interpretations may vary, the core message remains: God's Word is rich with meaning, and understanding its mysteries enhances faith, hope, and preparedness for future events. As believers continue to explore these revelations, they are called to approach Scripture with reverence, curiosity, and a desire to align their lives with God's divine plan. The teachings of Chuck Missler serve as a catalyst for this journey, inspiring countless individuals to delve deeper into the prophetic truths embedded within the Holy Bible.

Frequently Asked Questions

What is the Missler Revelation teaching about the end times?

The Missler Revelation teaching emphasizes a comprehensive understanding of biblical prophecy, focusing on the return of Jesus Christ, the Rapture, and the events leading up to the second coming, based on a literal interpretation of Scripture.

How does Chuck Missler interpret the Book of Revelation?

Chuck Missler interprets the Book of Revelation as a prophetic roadmap that reveals God's plan for the future, highlighting the significance of symbolism, numerical patterns, and the fulfillment of biblical prophecy in current events.

What are some key themes in Missler's teachings on Revelation?

Key themes include the sovereignty of God, the importance of biblical prophecy, the signs of the end times, spiritual warfare, and the hope of Christ's imminent return.

How can studying Missler's Revelation insights help believers today?

Studying Missler's Revelation insights can deepen believers' understanding of biblical prophecy, encourage spiritual preparedness, and strengthen faith in God's ultimate plan for humanity and the future.

Are there any recent updates or new interpretations in Missler Revelation teachings?

While Chuck Missler passed away in 2018, his teachings continue to influence contemporary prophecy discussions, with some modern commentators expanding on his work to address current geopolitical and technological developments in relation to biblical prophecy.

Where can I find reliable resources on Missler Revelation teachings?

Reliable resources include the Kingdom Intelligence Briefing series, Chuck Missler's official website, and various Christian prophecy platforms that compile his teachings and related analyses.

Missler Revelation: Unveiling the Depths of a Biblical Scholar's Impact

Introduction

Missler revelation. These two words have become synonymous with the profound insights and thought-provoking interpretations offered by Chuck Missler, a renowned Bible teacher, author, and founder of Koinonia House. Over decades, Missler's teachings have shaped the perspectives of countless believers and scholars alike, sparking curiosity and debate about biblical prophecy, historical context, and divine mysteries. His revelations, often delivered through books, seminars, and media, continue to influence contemporary Christian thought, prompting both admiration and critical reflection. In this article, we delve into the essence of the "Missler revelation," exploring his background, key teachings, methodologies, and the enduring legacy of his work.

The Life and Legacy of Chuck Missler

Early Life and Career

Chuck Missler was born in 1934 in Michigan, eventually becoming a successful businessman before dedicating himself to biblical studies. His background in engineering and business imbued him with a systematic approach to scripture, emphasizing analytical thinking and a quest for uncovering hidden truths. After a successful career in the tech industry, Missler shifted his focus toward teaching biblical principles, becoming a prominent figure in evangelical circles.

Transition to Biblical Teaching

Missler's transition was driven by a personal spiritual awakening and a desire to help others understand the Bible more deeply. His approach combined rigorous scholarship with a fascination for prophecy, archeology, and ancient languages. Over the years, he authored numerous books, hosted radio programs, and held seminars that drew thousands of attendees worldwide.

Founding Koinonia House

In 1990, Missler founded Koinonia House, a nonprofit ministry dedicated to providing biblical resources, teaching materials, and research tools. The organization became a hub for disseminating his teachings, emphasizing the importance of biblical literacy and the exploration of biblical mysteries.

Core Themes of the Missler Revelation

1. Biblical Prophecy and End Times

One of the most prominent aspects of Missler's teachings is his focus on prophecy and eschatology—the study of the end times. He believed that understanding biblical prophecy was crucial for believers to comprehend the divine plan and prepare for future events.

Key points include:

- The Significance of Israel: Missler emphasized Israel's central role in biblical prophecy, viewing the modern state of Israel as a fulfillment of biblical promises and a pivotal player in end-time scenarios.
- The Revelation of Hidden Codes: He popularized the idea that the Bible contains hidden numerical and linguistic codes that reveal future events, a concept sometimes linked to the "Bible code" phenomenon.
- Prophetic Timeline: Missler proposed a timeline based on biblical texts, suggesting that current events align with prophetic fulfillments outlined in books like Daniel and Revelation.

2. The Bible's Scientific and Mathematical Foundations

A distinctive feature of Missler's work was his assertion that the Bible contains encoded scientific and mathematical information, predating modern discoveries.

Highlights include:

- Numerical Patterns: He explored the significance of numbers like 7, 12, and 40, claiming they are embedded with symbolic meaning across scriptures.
- Creation and Design: Missler pointed to the fine-tuning of the universe, suggesting that the intricate design demonstrates divine intelligence.
- Hidden Codes: Using complex algorithms, he claimed to uncover hidden messages and predictions within the biblical text, asserting that these are evidence of divine authorship.

3. The Integration of Science, History, and Theology

Missler believed that understanding the Bible requires integrating scientific knowledge, archaeological discoveries, and historical context.

Aspects of this integration include:

- Archaeological Corroboration: He pointed to archaeological findings that support biblical narratives, strengthening faith through scientific validation.
- Ancient Languages and Textual Analysis: Missler's background enabled him to analyze Hebrew and Greek texts, uncovering nuances and deeper meanings.
- Cosmology and Creation: He discussed the Genesis account in light of modern cosmology, suggesting that the universe's origin aligns with biblical creation narratives.

Methodologies and Approaches

Analytical and Systematic Study

Missler's approach was characterized by meticulous analysis. He often used mathematical patterns, linguistic analysis, and cross-referencing ancient texts to develop his teachings.

Use of Technology and Data

He was an early adopter of technology, utilizing computers and software to analyze biblical texts and uncover hidden patterns. This method aimed to provide believers with "scientific" evidence supporting biblical claims.

Emphasis on Personal Revelation and Discernment

Despite his systematic methods, Missler stressed the importance of personal discernment and spiritual understanding. He encouraged believers to seek the Holy Spirit's guidance as they interpret prophetic and biblical mysteries.

The Controversies and Criticisms

While many followers admire Missler's insights, critics argue that some of his teachings venture into speculative territory.

Common criticisms include:

- Overreliance on Numerical Codes: Skeptics contend that the Bible codes lack scientific rigor and can be interpreted in multiple ways, leading to confirmation bias.
- Speculative End Times Predictions: Some accuse Missler of promoting alarmist or overly precise predictions that may not materialize as described.
- Potential for Conspiracy Theories: His integration of science and prophecy occasionally borders on conspiracy theories, which some view as undermining biblical authority.

Despite these criticisms, many continue to find value in his teachings, viewing them as a catalyst for deeper biblical engagement.

The Impact and Continuing Influence

Educational Resources and Media

Missler's legacy endures through numerous publications, audio series, and online resources. His "Beyond Science" series and "The Bible and Science" presentations remain popular among those interested in biblical mysteries.

Influence on Modern Prophecy Movements

His emphasis on understanding biblical prophecy has influenced many contemporary prophecy teachers, who incorporate his methods and themes into their own work.

Legacy of Biblical Literacy

More broadly, Missler championed biblical literacy, urging believers to study the scriptures diligently and seek the divine truths hidden within.

Conclusion: The Enduring "Missler Revelation"

The term "Missler revelation" encapsulates the idea of uncovering divine truths through rigorous study, technological analysis, and spiritual discernment. Chuck Missler's teachings continue to inspire curiosity about the Bible's depth, prophetic significance, and divine design. Whether one agrees with all his interpretations or approaches them with caution, his work has undeniably contributed to a broader discussion about the mysteries embedded in scripture and the divine plan for humanity.

As the world navigates complex geopolitical and spiritual challenges, the "Missler revelation" remains a compelling call to explore biblical prophecy and divine truths, urging believers to seek understanding beyond surface-level readings. In doing so, Missler's legacy persists as a testament to the enduring quest for divine insight and the pursuit of truth within the sacred texts.

missler revelation: *Revelation Commentary* Chuck Missler, 2005-01-01 (This Comprehensive Workbook is designed to facilitate study and should be used in conjunction with Chuck Missler's Commentary on Revelation audio or multimedia materials.) The Book of Revelation is the only book of the Bible with a Promise to the reader! Why? What makes this book so special? Revelation is a lens that puts the entire Bible into focus. The lens is focused on the person of Jesus Christ, and his destiny is imminent. This is a book of victory: We are overcomers! We are the ultimate winners in the game of life! (I read the ending: we win!) One of the reasons this book strikes us as strange is because of our lack of understanding concerning the Old Testament. The Book of Revelation consists of 404 verses that contain over 800 allusions to the Old Testament. These are detailed, along with Chuck's analysis of the design and structure of this fascinating book. Learn about the past, present

and future of the Church and our ultimate destiny. This is an ideal first study and foundational for every Christian.

missler revelation: God's Plan for the Ages, 2nd Edition David Reagan, 2020-08-02 What is the destiny of planet earth? What is going to be the fate of mankind? We don't have to guess! The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago. In this book, Dr. David Reagan presents a panoramic survey of the fundamentals of Bible prophecy, with a focus on the prophecies that relate to the end times. In the process, he reveals God's plan for the redemption of mankind and the restoration of the creation. The book is written in a down-to-earth, easy-to-understand style. Although all the chapters relate to the overall theme, each chapter is designed to stand alone. This makes it possible for you either to read the book straight through or to skip around, reading only those chapters whose topics appeal to you.

missler revelation: *Wrath and Glory* David Reagan, 2001 -- Plainly explains the various end times positions -- Pre-Trib, Mid-Trib, Post-Trib, Preterist, Historicist. -- Examines the most frequently asked questions about Revelation. -- Presents a fascinating look at the fate of the United States in Bible prophecy. -- Clearly explains the relevance of the Revelation message to all people. There are commentaries on the Book of Revelation, but none like this one, designed for the layman. In his down-to-earth, readable style, prophecy teacher David Reagan strips away the mystery and intellectual jargon from this book that has so puzzled Christians for generations. Giving a sensible overview of the book, then giving brief summaries of the different schools of thought, Reagan lets the book speak for itself, emphasizing the spiritual riches waiting for the discerning reader. In fitting with Reagan's style, *Wrath and Glory* is meant as much for mainline denominations as for evangelicals.

missler revelation: *Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament* William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old. The early church, even though they had only the Old Testament, did not lack in Scriptural backing when they preached and taught about Jesus. The modern church should be as well armed having both the Old and New Testament at its disposal.

missler revelation: Connecting the Dots ,

missler revelation: *Dynamic Studies in the Letters of John and Jude* Fred A. Scheeren, 2024-07-12 This short series deals with a number of what are known as the New Testament Epistles. In particular we will begin with the three Epistles of John. John, a disciple of Jesus Christ, was one of the original twelve apostles, and on a personal level, is thought to be the person Jesus knew best. He is the author of no fewer than five books of the New Testament. This amounts to 8.3% of the New and Old Testaments combined and 20% of the books of the New Testament. The books he authored include, The Gospel of John, The First Letter of John, the Second Letter of John, the Third Letter of John, and the Revelation of Jesus Christ. Jude deals with a time that is called the Apostasia, the great falling away. During this time many will refuse to listen to sound doctrine and be attracted to false teachers and heresies referenced in 2 Peter 2:1 and 2 Peter 3:3. Every believer should study Jude to understand the tactics of our enemy and stand against them. Dr. Richard Freeman, Vice President of Chosen People Ministries, said, "I have found Fred Scheeren's Bible study material to be quite thorough as well as extremely insightful. I have used it as a resource myself in preparing Bible studies for group study and for my own personal study of the Bible. I recommend it highly to others." Steve White, Ph.D., author and International Director of 21C International, said, "Fred hits a great blend of commentary, historical context, and practical application. The study questions are clear, thought-provoking and relevant. I could easily recommend this for either individual or group study." Robert T. Mason, former executive at an international firm and in his second career as a pastor said, "Fred has done it again!! He has a great way of opening up and explaining the Word of God." This sentiment was echoed by Dr. Dilo Paul, a materials scientist, who said, "I love these studies as they guide me through finding the answers to questions that arise during Bible study from the Bible itself."

missler revelation: Learn the Bible in 24 Hours Chuck Missler, 2002-09-03

missler revelation: *Biblical Studies on the Internet* Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

missler revelation: *Prophetic Forecast* B.J. Corbin, 2017-08-13 What will the world be like in the future? What are the predicted events?

missler revelation: *Behold a White Horse* Chuck Missler, 2023-01-10 The final world dictator seeking global domination will also be an "Assyrian" who is here characterized by a bow, riding a white horse. It is interesting how many confuse this counterfeit with the rider of the white horse in Revelation 19. In chapter 6, however, this rider is among some very bad company! "Behold a White Horse" explores the career of the first of these "Four Horsemen" who seems to have at least 33 titles in the Old Testament and 13 in the New Testament and the common term "AntiChrist" really isn't one of them. We also explore the only physical description of him in the Scripture! Why is he a "mistaken identity"? How do we know this is NOT the Christ? What is the precedent condition(s) for his appearance? What is the precedent condition for the unsealing of the Seven Sealed Book? What is the Seven Sealed Book? Is his "bow" a pun? How? Why? How can he "go forth to conquer" if he is a "peace maker"? Is the Church on the earth at this time? How do we know? Is He alive today? How do we know? How can he be the "Seed of the Serpent"? Join Chuck Missler as he looks at the first of the Four Horsemen.

missler revelation: *Apocalypse Pretty Soon* Alex Heard, 2000-01-04 The inspired madness of America's apocalyptic and pre-millennial organizations may have reached a fever pitch with the turn of the twenty-first century, but intrepid cultural traveler Alex Heard spent a ten-year period witnessing the crescendo firsthand. Heard's enthusiasm led him on errands as diverse as being a voyeur at a Republic of Texas militia standoff, accompanying an expectant UFO greeting party to a remote field in Minnesota, and enacting the grief of the California quail at an ad-hoc therapy group for fierce environmentalists who believe the earth is an actual living entity that's preparing to kill off its human population--and soon...or at least pretty soon. Amazing as it may seem, however, throughout this trenchant subcultural travelogue, Heard never stoops to ridicule his subjects. As one reviewer puts it, Heard's real achievement may be that he makes us care--in a way that is more than voyeuristic--about the colorful characters he meets on the road to the new millennium. He takes these people seriously, allows his assumptions to be challenged, and lets himself find that some of their beliefs and fears reflect his own (San Jose Mercury News). *Apocalypse Pretty Soon* will appeal to science fiction fans and students of subcultures, as well as anybody interested in way-out alternatives to the brave new world. Amazing as it may seem, however, throughout this trenchant subcultural travelogue, Heard never stoops to ridicule his subjects. As one reviewer put it, Heard's real achievement may be that he makes us care--in a way that is more than voyeuristic--about the colorful characters he meets on the road to the new millennium. He takes these people seriously, allows his assumptions to be challenged, and lets himself find that some of their beliefs and fears reflect his own (San Jose Mercury News). Now in paperback, this book will have an audience well beyond millenniamania, from science fiction fans to students of subculture, and anybody interested in way-out alternatives to the brave new world. -->

missler revelation: *The Romance of Redemption* Dr. Chuck Missler, 2023-01-25 The Book of Ruth is venerated in college literature classes as one of the most elegant love stories of all time. What most people don't realize, is that it is one of the most significant "New Testament" books located in the Old Testament—and it stands as a pivotal study in Bible Prophecy! It is an essential prerequisite to understanding the Book of Revelation! This tiny, 4-chapter book is one of the most inexhaustible sources of spiritual insight in the entire Bible. While it has been summarized in many of Chuck's broader studies, Chuck explores the many surprises hidden in the text of this charming treasure (including some hidden secrets that will astonish most Biblical scholars!) Every detail of the text will evidence a skillful design beyond the skills of any human editor. Join Dr. Chuck Missler for another series of exciting teaching from the beautiful River Lodge, New Zealand as he explores this great little book.

missler revelation: *The Mystery of the Alpha and Omega* John H. Shumaker, 2007-09 Do the Scriptures really identify who the Messiah is and what His role is to be? Author John Shumaker takes an in-depth look into the original Hebrew Scriptures in his book *The Mystery of the Alpha and Omega* and reveals something hidden for our discovery. Proverbs 25: 2 says, It is the glory of God to conceal a matter, But the glory of kings is to search out a matter. (NASB). God has hidden in the original Hebrew text the role of the Messiah?the role that Messiah Yeshua (Jesus) fulfilled to the very letter recorded in the original text. In his book *The Mystery of the Alpha and Omega*, Shumaker takes us to eighteen of these verses and reveals to us something hidden within the text of the Tanakh (Hebrew title of the Old Testament) and revealed through the person of the Messiah Yeshua in the New Testament. This is truly a scriptural revelation!

missler revelation: *Behold, He Comes!* Shane Turley, 2015-10-28 This in depth study of end time events examines the different eschatology models, put forward in the 21st century, utilising scripture to clarify the original writers position on prophecy. Shane Turley, a Bachelor of Biblical Studies, takes the reader on a journey of discovery, unlocking biblical texts, applying keys provided in scripture, to provide a clear cut chronology of end time events as recorded in the prophetic book of Revelation.

missler revelation: *Apocalyptic Fever* Richard G. Kyle, 2012-08-01 How will the world end? Doomsday ideas in Western history have been both persistent and adaptable, peaking at various times, including in modern America. Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event. The views expressed in these polls have been reinforced by the market process. Whether through purchasing paperbacks or watching television programs, millions of Americans have expressed an interest in end-time events. Americans have a tremendous appetite for prophecy, more than nearly any other people in the modern world. Why do Americans love doomsday?In *Apocalyptic Fever*, Richard Kyle attempts to answer this question, showing how dispensational premillennialism has been the driving force behind doomsday ideas. Yet while several chapters are devoted to this topic, this book covers much more. It surveys end-time views in modern America from a wide range of perspectives--dispensationalism, Catholicism, science, fringe religions, the occult, fiction, the year 2000, Islam, politics, the Mayan calendar, and more.

missler revelation: *So You Missed the Rapture????!! What Now?* D. Russell Begault, 2011-12 A huge portion of the Earth's population has just disappeared. Most of them seem to have been taken from churches Christian churches. They were not taken from Islamic mosques, they were not taken from Buddhist shrines, they were not taken from Jewish synagogues. They were Christians. Nobody but Christians were taken. They told you this would happen. They called it the rapture, and they said that after the rapture, there would be a time of suffering and death such as the world has never seen. This time of suffering and death has a name too. It is called the Great Tribulation. Has this happened to you, or are you afraid a friend or family member will find himself in this situation, engulfed in the Great Tribulation? This book, along with a Bible (Old and New Testament) will help you or your loved ones navigate through the most terrifying time in human history.

missler revelation: Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

missler revelation: The Man of Lawlessness David Reagan, 2012-10-09 This exciting book focuses on the rise and fall of the Antichrist during the Great Tribulation. A unique feature of this book is that it features the opinions of 22 Bible prophecy experts who were interviewed by Dr. Reagan regarding key questions about the Antichrist, such as: Will he be a Jew or a Gentile? Could he be a Muslim? Will he be killed and resurrected from the dead? Where will his headquarters be located? Is he alive today? Experts included are: Daymond Duck, Gary Fisher, Gary Frazier, Arnold Fruchtenbaum, Ray Gano, Al Gist, Phillip Goodman, Ed Hindson, Mark Hitchcock, David Hocking, David Hunt, Noah Hutchings, Terry James, Nathan Jones, Tim LaHaye, Caryl Matrisciana, Don McGee, Chuck Missler, Don Perkins, Ron Rhodes, Bill Salus, and Todd Strandberg.

missler revelation: Gateway of the Gods Craig Hines, 2007-01-09 This ground-breaking and provocative book presents new and astonishing interpretations of ancient history, mythology and world religions that will call many established beliefs into question. In Gateway of the Gods, author Craig Hines invites readers to reconsider preconceived notions concerning Biblical theology in light of recent scientific discoveries and inquiries concerning the nature of the universe. This fascinating exploration reveals a number of ideas that have been suppressed and obscured behind layers of symbolism and misguided propaganda for thousands of years... until now. Why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid offspring called the Nephilim? Is it possible that these beings used gateway technology housed within pyramids and holy temples to travel between the heavenly and earthly realms? Do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own? Do the recorded voices of the dead, known as Electronic Voice Phenomena (EVP), indicate that we may be able to communicate with these other realms? Was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it? Does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history? Drawing from a variety of historical sources and years of meticulous research, the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together, formulate a radically new narrative concerning the history and destiny of the human race.

missler revelation: Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he

explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...
