Three friends balance counting and fun in this silly Beginner Book by Dr. Seuss with illustrations by Roy McKie. When a lion, a dog, and a tiger meet up, they soon discover that they can each do different things while balancing apples on their heads. Whether drinking milk, jumping rope, or roller-skating, they can do a lot with ten apples up on top! Seuss's apple-balancing characters will have youngsters reading, counting, and giggling! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. Random House's rhymed, Spanish-language editions of classic Dr. Seuss books make the joyful experience of reading Dr. Seuss books available for the more than 38 million people in the United States who speak Spanish.
