one bread one body pdf: **Tender to the World** Carolyn Whitney-Brown, 2019-10-16 Jean Vanier's spiritual vision and sense of humour shaped L'Arche, but the organization was also informed by its surprising history with the United Church of Canada. In *Tender to the World* Carolyn Whitney-Brown explores the connections between the two organizations through diverse critical insights from Julia Kristeva, Doreen Massey, and Mikhail Bakhtin, as well as Vanier's controversial articulation of the gift of weakness. Tracing the five-decade relationship between L'Arche and the United Church alongside evolving disability theories, Whitney-Brown examines both the fundamental importance of stories and the agency of people with intellectual disabilities. Inversion - a transformative overturning of expectations in social interactions - can be upsetting or exciting,

challenging or inspiring, she argues. This book offers a fresh look at how L'Arche and the United Church have worked to break down walls of difference, illuminating how each tenders something unexpected to the other and to the world. At a time when many are seeking new visions for society, the long and complex relationship between Canada's largest Protestant denomination and L'Arche offers both encouragement and a deeper way to approach questions of living in diverse communities.

one bread one body pdf: *Ritual Participation and Interreligious Dialogue* Marianne Moyaert, Joris Geldhof, 2015-04-23 Shared ritual practices, multi-faith celebrations, and interreligious prayers are becoming increasingly common in the USA and Europe as more people experience religious diversity first hand. While ritual participation can be seen as a powerful expression of interreligious solidarity, it also carries with it challenges of a particularly sensitive nature. Though celebrating and worshipping together can enhance interreligious relations, cross-riting may also lead some believers to question whether it is appropriate to engage in the rituals of another faith community. Some believers may consider cross-ritual participation as inappropriate transgressive behaviour. Bringing together leading international contributors and voices from a number of religious traditions, *Ritual Participation and Interreligious Dialogue* delves into the complexities and intricacies of the phenomenon. They ask: what are the promises and perils of celebrating and praying together? What are the limits of ritual participation? How can we make sense of feelings of discomfort when entering the sacred space of another faith community? The first book to focus on the lived dimensions of interreligious dialogue through ritual participation rather than textual or doctrinal issues, this innovative volume opens an entirely new perspective.

one bread one body pdf: *I Am a Follower* Leonard Sweet, 2012-01-02 "FOLLOW ME." These two words echo the heart-defining call of our Lord Jesus Christ to his disciples. Sadly, this life-changing invitation has lost much of its original meaning. Immersed in a society that worships success, we have succumbed to a trendy fixation with leadership. In *I Am a Follower*, author Leonard Sweet explains how Christians in a twenty-first-century corporate-obsessed culture have shifted away from a Jesus art of following toward a popularized form of leading. Through a colorful mélange of practical applications, imaginative metaphors, and probing biblical exposition based in gospel truth, Sweet reveals that the summons of Jesus and the message of the New Testament point clearly to an emphasis not on imitation but on incarnation, not on leading but on following. Join Sweet on an exciting and intentional journey from leadership cult to followership culture. Discover for yourself the way, the truth, and the abundant life of following Jesus Christ and what it truly means to "Follow Me"! "At times I felt like I was reading Jeremiah, challenging the shepherds of Israel. This is a much needed and long overdue book."—BOB ROBERTS, senior pastor, Northwood Church "If there was ever a leader who could convince me that it's really never been about leading, that would have to be Len Sweet. May we all, like Len, become followers."—MARK BATTERSON, lead pastor, National Community Church
