En bewaar het in hemelsnaam in mijn broek. Toen ontmoette ik Felix Krasinski. De boeiende en irritante koppige frontman van Velvet Drift trekt de aandacht waar hij ook gaat — inclusief de mijne. Ben ik er trots op? Nee. Ik zou hun optreden moeten filmen, niet fantaseren over

zijn perfecte buikspieren. Ik ben vastbesloten serieus te worden genomen en het verbinden van de belachelijk hete rockster is de snelste manier om mijn geloofwaardigheid te vergroten. Felix heeft altijd de controle en ik ben een impulsieve regulator. Maar we kunnen niet bij elkaar vandaan blijven. Omdat er tussen zijn gespannen gewoonten en irritant perfecte kaaklijn meer is voor Felix dan zijn podiumpresentatie en legendarische achternaam. Hij is beschermend, kwetsbaar en begrijpt me op een manier die niemand anders doet. Maar mijn carrière hangt af van het professioneel houden van dingen, en zijn toekomst hangt af van lasergericht blijven op het succes van zijn band. Elk verhit argument, elke gestolen kus, zorgt ervoor dat ik voorzichtigheid — en professionaliteit — tegen de wind wil gooien. Eén ding is duidelijk — deze zomertour staat op het punt een stuk ingewikkelder te worden dan ik had verwacht. Walk the Line is het eerste boek in de Blood & Bone legacy-serie. Naar een kosmopolitisch begrip van de relatie tussen blindheid, kunst en maatschappij* Joyce Leysen, 2015-10-06 Personen met een handicap worden vaak benaderd vanuit het verschil dat een handicap met zich mee kan brengen. Dit boek presenteert een andere manier van omgaan met handicap: de kosmopolitische benadering. Nieuw hieraan is dat niet het verschil of de focus op individuele behoeften voorop staat, maar de relatie tussen personen met en zonder handicap. In dit boek weerklinkt het verhaal van een onderzoek met blinde, slechtziende en ziende personen die onderling over die “kosmopolitische relatie” nadenken en samen kunst beleven om te ontdekken wat deze relatie zou kunnen betekenen. Hun ervaringen bieden tal van concrete suggesties voor musea, die op toegankelijkheid en ontmoeting tussen mensen willen inzetten. Beleidsmedewerkers, mensen uit het onderwijs, het culturele en museale veld of de zorgsector, kortom iedereen die zich in de thema's toegankelijkheid, inclusie en omgaan met diversiteit wil verdiepen, kan in het theoretisch kader en de praktische inzichten in dit boek inspiratie vinden en er zelf mee aan de slag gaan.
