sukhmani sahib english: HUKAMNAMA ENGLISH Manmohan Singh Sethi, 2016-08-27 Remembrance of God is the Greatest Worship! Taking 'The Lord's Name' is all about remembering God! The first Astpadi of the Sukhmani Sahib sums up the necessity and benefits of remembering God! The entire Gurbani is about remembering God! But how do we remember 'The One' Who is not visible, Who is beyond our senses? How do we keep God in our consciousness? We generally do it in three ways - by Talking about Him, by Listening about Him, and by reading about Him. This book has been made possible only by the Grace of God. It is a compilation of 101 Divine Verses, or Hymns which are known as 'Hukamnama', that have been randomly selected from the Sikh Holy Book, the revered 'Siri Guru Granth Sahib'. Every verse indicates which Guru Ji imparted it, along with the Ang, which is the page number on which it appears in the Holy Siri Guru Granth Sahib'. Hukamnama, is a compound of two words, 'Hukam', meaning command or order, and 'namah', meaning statement. A Hukamnama refers to a hymn from the Guru Granth Sahib which is given as an order to Sikhs, or a historical order given by one of the Guru's of Sikhism. The Hukamnama also refers to a hymn randomly selected from the Guru Granth Sahib on a daily basis. This is seen as the order of God for that particular day, for devotees to contemplate and reflect on. The Hukamnama is

distributed and then read aloud in Gurdwaras throughout the world. The purpose of this book is to help readers and seekers who are not well versed or have no knowledge of Gurmukhi, to get a 'Daily Dose of Divine Wisdom' in English. Reading and contemplating only on one Hukamnama a day, in any order, be it in sequence or randomly on a daily basis will bring about a major transformation in your life - to your Body, Mind and Soul! Such is the Divine Grace of The Lord!! To make a start, read a verse at least once a day, for a period of 101 days, and see for yourself the wonders that result from the remembrance of God and keeping Him on your mind. Not only will your yearning and Love for God, and divine wisdom increase, the people around you will also be positively affected by your aura and the positive vibrations that you send out! Just like a piece of iron(you) that comes within the magnetic field of a Super-Magnet(God), on a daily basis, one day you too will be magnetized and finally merge with the Super-Magnet(God)!! We always give time to whatever is our priority, and I can conclude with conviction that God is our 'Greatest Priority'! Can't we offer at least a few minutes daily to 'The One' Who has provided us with Twenty-Four Hours a Day? Why forget 'Him', who has given us everything? God Bless All!

sukhmani sahib english: Gendered Citizenship Natasha Behl, 2019-07-03 It has been shown time and again that even though all citizens may be accorded equal standing in the constitution of a liberal democracy, such a legal provision hardly guarantees state protections against discrimination and political exclusion. More specifically, why do we find pervasive gender-based discrimination, exclusion, and violence in India when the Indian Constitution supports an inclusive democracy committed to gender and caste equality? In *Gendered Citizenship*, Natasha Behl offers an examination of Indian citizenship that weaves together an analysis of sexual violence law with an in-depth ethnography of the Sikh community to explore the contradictory nature of Indian democracy--which gravely affects its institutions and puts its citizens at risk. Through a situated analysis of citizenship, Behl upends longstanding academic assumptions about democracy, citizenship, religion, and gender. This analysis reveals that religious spaces and practices can be sites for renegotiating democratic participation, but also uncovers how some women engage in religious community in unexpected ways to link gender equality and religious freedom as shared goals. *Gendered Citizenship* is a groundbreaking inquiry that explains why the promise of democratic equality remains unrealized, and identifies potential spaces and practices that can create more egalitarian relations.

sukhmani sahib english: *Historical Dictionary of Sikhism* Louis E. Fenech, W. H. McLeod, 2014-06-11 Sikhism traces its beginnings to Guru Nanak, who was born in 1469 and died in 1538 or 1539. With the life of Guru Nanak the account of the Sikh faith begins, all Sikhs acknowledging him as their founder. Sikhism has long been a little-understood religion and until recently they resided almost exclusively in northwest India. Today the total number of Sikhs is approximately twenty million worldwide. About a million live outside India, constituting a significant minority in the United Kingdom, Canada, and the United States. Many of them are highly visible, particularly the men, who wear beards and turbans, and they naturally attract attention in their new countries of domicile. This third edition of *Historical Dictionary of Sikhism* covers its history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on key persons, organizations, the principles, precepts and practices of the religion as well as the history, culture and social arrangements. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sikhism.
