Bringing together Catholic and Orthodox scholars of diverse disciplines, this work sheds new light on the question “what does it mean to be a human person?” Beginning with an overview on the state of the discipline in our time, the book brings theological anthropology into dialogue with epistemology, Christology, science, spiritual theology, and pedagogy. It explores how human persons—who are created in God’s image and likeness—can come to knowledge of the self and the other, such that the individual person can know, love, and be united to the God and Father of Jesus Christ.

praying the promises of god pdf: God's Man in the White House James Beverley, 2020-03-15 Standing in absolute opposition to each other are two distinct groups. One side, who proclaim that he can do nothing right. The other side, who believe he has been particularly selected by God, with a host of unusual skills, for just such a time as this. Both can not be right! And so, a political, moral and spiritual battle is raging in America and around the world about President Donald J. Trump. Quite unknown by most of the general public is the fact that Christian prophets have been claiming for over a decade that Donald Trump is the chosen one, that he is God’s man for the White House for this particular hour. In this book, God’s Man in the White House, Professor James A. Beverley documents the hundreds of prophecies about Donald Trump that started over 10 years ago, and provides the political and religious context for the ongoing prophecies and controversies about the 45th president. Here is the most complete collection of over 500 prophecies and statements made by more than 100 prophets and top Christian leaders, including: Kim Clement, Mark Taylor, Lance Wallnau, Lana Vawser, Lou Engle, Jeremiah Johnson, Michael Brown, Frank Amedia, Franklin Graham, Jerry Falwell, Jr., Paula White, Stephen Strang, Robert Jeffress, Rodney Howard-Browne, Jim Garlow, and James Dobson. Whatever your view- you will benefit greatly from this collection.
