The impact of feminism, anticolonial struggles, wildcat industrial strikes, and antiwar agitation were all felt globally. With social strictures and political structures challenged at every level, pulp and popular fiction could hardly remain unaffected. Feminist, gay, lesbian, Black and other previously marginalised authors broke into crime, thrillers, erotica, and other paperback genres previously dominated by conservative, straight, white males. For their part, pulp hacks struck back with bizarre takes on the revolutionary times, creating fiction that echoed the Nixonian backlash and the coming conservatism of Thatcherism and Reaganism. *Sticking It to the Man* tracks the ways in which the changing politics and culture of the 1950s, '60s, and '70s were reflected in pulp and popular fiction in the United States, the UK, and Australia. Featuring more than three hundred full-color covers, the book includes in-depth author interviews, illustrated biographies, articles, and reviews from more than two dozen popular culture critics and scholars. Among the works explored, celebrated, and analysed are books by street-level hustlers turned best-selling black writers Iceberg Slim, Nathan Heard, and Donald Goines; crime heavyweights Chester Himes, Ernest Tidyman and Brian Garfield; Yippies Anita Hoffman and Ed Sanders; best-selling authors such as Alice Walker, Patricia Nell Warren, and Rita Mae Brown; and myriad lesser-known novelists ripe for rediscovery.
