Honestly, with everything I've been through, being called across realms and encountering the beautiful Druid who instantly captures my attention—and my heart—shouldn't have surprised me. But it did. Not as much as discovering how it feels to brush against her magic, however. Now, we must navigate these new waters and fight against our latest threat, hoping that our combined power and that of our allies is enough to defeat our foe. Because the Fae Others want to end the Reapers and take over the realm, and their leader is one of the most formidable enemies we've ever faced. The battle won't be easy, but with this strong, resilient mortal by my side and some help from our friends, it's a fight I'm more than willing to enter—as long as it means she's by my side. Forever.

dragon heart book 16: Ignite the Magic Donna Grant, 2023-08-15 New York Times and USA

Today bestselling author Donna Grant delivers an epic prequel to her long-running and critically acclaimed Dark Universe series. Passion's magic ignites a fire too hot to touch—and too wicked to die... The stars have always called to Ailis, beckoning her to see what other realms were out there. She's told it's impossible, but that doesn't stop her need to explore beyond what others believe. Ailis never expected to change history by creating the first doorway to another realm. She certainly never imagined opening that door to find a commanding dragon who shifts into a man. She's irresistibly drawn to Lennox, powerless against the yearning of her body and the longing of her heart. Magic might have chosen Lennox as King of Dragon Kings, but it's a position he's never wanted. Until the day a new being arrives—and irrevocably changes his life. The closer he gets to the fearless, ravishing woman, the more he fights the passion that flares between them. He lives only for his duty, but one fiery kiss unleashes a firestorm of desire that will ripple across eons and realms. Fate might have brought them together, but will it also tear them apart? The origins of the Dark Kings/Dragon Kings and the entire Dark Universe is finally revealed.

But when a megacorp is involved, nothing is ever easy, and when law enforcement comes looking for the pair of shadowrunners, Billy knows someone's either ratted them out or double-crossed them—and he intends to find out who tried to make them dead. Their search takes them to the mean streets of Manhattan, where they have to infiltrate one of the largest symbols—literally—of the Sixth World, to find the truth. But the truth behind what has led them to this place is far worse than anything they could think of...and unless they come up with a new plan fast, they might not be leaving alive...
