funny award categories for friends: [Funny Business](#) Michael Hill, 2022-06-07 "A delightful and entertaining book about one of America's greatest humorists."—Seth Meyers This "absorbing, illuminating" (Jon Meacham) biography of the legendary political humorist reveals the life behind his

must-read Washington Post columns, featuring never-before-published photos, documents, and interviews. Before Jon Stewart, Stephen Colbert, Trevor Noah, and Doonesbury, there was Art Buchwald. For more than fifty years, from 1949 to 2006, Art Buchwald's Pulitzer Prize-winning column of political satire and biting wit made him one of the most widely read American humorists and a popular player in the Washington world of Ethel and Ted Kennedy, Ben Bradlee, and Katharine Graham. Dean Acheson, former U.S. Secretary of State, called Buchwald the "greatest satirist in the English language since Pope and Swift." Drawing on Buchwald's most memorable columns and unpublished correspondence with other famous people, *Funny Business* shows how Art Buchwald became an American original. Like Mark Twain, Dorothy Parker, and James Thurber, he satirized political scoundrels, lampooned the powerful, and "worshipped the quicksand" that ten presidents walked on, as Buchwald joked. "The key to Buchwald's style of humor, he once stated, was to "treat light subjects seriously and serious subjects lightly." But there was a darker, more serious side to Art Buchwald. A childhood spent in foster homes taught him to see comedy as a refuge. Buchwald also struggled with depression, a secret he kept from the public for nearly thirty years. This revealing book is studded with stories of Buchwald's friendships with Humphrey Bogart, John Steinbeck, Irwin Shaw, William Styron, Erma Bombeck, Frank Sinatra, Adam West (Batman), Robert Frost, and others. Throughout his career, Buchwald wrote about such historical events as the Vietnam War, the assassinations of John and Robert Kennedy, Watergate, and the 9/11 terrorist attack. Featured here are stories of Buchwald's nonstop one-liners, known in his day as "Buchshots." Entertaining and absorbing, *Funny Business* looks back on Buchwald's brilliant gift for humor and satire, which will once again bring readers a comedic respite from troublesome times.

The book provides a comprehensive framework for achieving this: the READS curriculum, which stands for Read as a personal activity; Explore characteristics, history, and awards of creative works; Analyze structure and aesthetic features of creative works; Develop a literary-based product; and Score reading progress. Each of these five components is explained thoroughly, describing how school librarians can encourage students to read as individuals, in groups, and as school communities; support classroom teachers' instruction; and connect students to today's constantly evolving technologies. Used in combination with an inquiry/information-skills model, the READS curriculum enables school librarians to deliver a dynamic, balanced library program that addresses AASL's Standards for the 21st-Century Learner.

funny award categories for friends: Girls Gone Skank Patrice A. Oppliger, 2015-02-18 Instead of advancing women's social and professional empowerment, popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages. This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention. Topics include the powerful effects of cultural phenomena such as revealing fashions, plastic surgery, and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization. These chapters also explore other cultural factors contributing to this early sexualization of young girls, including absentee parenting and material overindulgence. Later chapters focus on the sexual representations of females in the mass entertainment media, focusing specifically on how popular magazines, television programs, films, and the Internet prey upon, promote, and reinforce young girls' physical and sexual insecurities.

funny award categories for friends: One Game at a Time Harnarayan Singh, 2020-09-22
INSTANT NATIONAL BESTSELLER From the distinct and vibrant voice behind *Hockey Night in Canada* Punjabi comes the story of pursuing a dream and defying the odds, reminding us all of hockey's power to unite. BoninoBoninoBonino! Ask a hockey fan if they have heard the wonderfully electric call of Nick Bonino's overtime-winning goal from the 2016 Stanley Cup Final and they will almost surely answer with a resounding yes! That's because video clips of the *Hockey Night in Canada* Punjabi broadcast immediately went viral, amplifying the profile of Harnarayan Singh, the voice behind the call. Growing up in small-town Alberta, Harnarayan was like many other kids who dreamed about a life within the sanctum of the game they idolized. There was only one small difference--he didn't look like any of the other kids. And when he sat down on Saturday nights to tune in to *Hockey Night in Canada* with the rest of the nation, he couldn't ignore the fact that the broadcasters or analysts didn't look like him either. Undeterred, Harnarayan worked his way from calling imaginary hockey games with his plastic toy microphone as a child, to funding secret flights from Calgary to Toronto every weekend in the early days of *Hockey Night in Canada* Punjabi, to making history as the first Sikh to broadcast an NHL game in English. Full of heart, humour, and bursting with personality (and maybe a few family prayers for Wayne Gretzky), *One Game at a Time* is the incredible and inspiring story of how Harnarayan Singh broke through the longstanding barriers and biases of the sport he loves. But more than that, Harnarayan blends his unabashed love of hockey with a refreshing and necessary positive message about what it means to be a Canadian in the world, making him one of the most influential ambassadors of the game today.
